Item 8.01. Other Events.

On December 20, 2010, Raytheon Company issued a press release announcing that it entered into a definitive agreement to acquire Applied Signal Technology, Inc. (Applied Signal). Pursuant to the Agreement and Plan of Merger, dated December 18, 2010 (the Merger Agreement), between Applied Signal, Raytheon Company and RN Acquisition Company, a California corporation and wholly-owned subsidiary of Raytheon Company (Merger Sub), Raytheon Company has agreed to cause Merger Sub to commence a tender offer (the Offer) to purchase all of the outstanding shares of Common Stock, without par value, of Applied Signal, for \$38.00 per share (the Offer Price), net to the seller in cash, without interest thereon and subject to applicable withholding taxes. The Merger Agreement also provides that a single-step merger of Merger Sub with and into Applied Signal may be consummated regardless of whether the Offer is completed, but if the Offer is not completed, the merger will only be able to be consummated after the shareholders of Applied Signal have adopted the Merger Agreement at a meeting of shareholders. In the merger, each outstanding share of Applied Signal, other than shares owned by Raytheon Company or Merger Sub or by Applied Signal s shareholders who have validly exercised their appraisal rights under the California Corporations Code, will be converted into the right to receive cash in an amount equal to the Offer Price. A copy of the press release is furnished with this report as Exhibit 99.1.

On December 20, 2010, Raytheon Company distributed to the employees of Applied Signal a presentation regarding Raytheon Company. A copy of the presentation is furnished with this report as Exhibit 99.2.

The press release and presentation filed herewith are neither an offer to purchase nor a solicitation of an offer to sell securities. The Offer described in this filing and in the exhibits has not yet commenced. At the time the Offer is commenced, Raytheon Company will file a tender offer statement on Schedule TO with the U.S. Securities and Exchange Commission (SEC). Investors and Applied Signal security holders are strongly advised to read the tender offer statement (including the offer to purchase, letter of transmittal and related tender offer documents) and the related solicitation/recommendation statement on Schedule 14D-9 that will be filed by Applied Signal with the SEC, because they will contain important information about the Offer. Those materials will be made available at no charge on the SEC s website at www.sec.gov. In addition, a copy of the tender offer documents (once they become available) may be obtained from Raytheon Company free of charge by directing a request to Raytheon Company at www.raytheon.com, or Raytheon Company, 870 Winter Street, Waltham, MA 02451, Attn: Corporate Secretary s Office.
