As announced in a separate press release issued on April 28, 2011 Panasonic Announces Continuation of Policy toward Large-scale Purchases of Company's Shares [ESV* Plan], Panasonic's Board of Directors decided to continue the ESV Plan, which was originally adopted and announced on April 28, 2005 and the continuation thereof has been subsequently approved by the Board of Directors and announced each year thereafter as Panasonic has maintained the basic policy.

The ESV Plan outlines the rules regarding large-scale purchases of Panasonic shares, and in certain cases, such as non-compliance with these rules, Panasonic may implement certain countermeasures. The issuance of stock acquisition rights is one possible countermeasure in such cases. As the shelf registration that we filed on May 15, 2009 will expire on May 22, 2011, Panasonic is again filing the shelf registration statement as set forth above, which will enable Panasonic to promptly issue stock acquisition rights if it deems necessary. For further details of the ESV plan, refer to the aforementioned separate press release on April 28, 2011.

* ESV stands for Enhancement of Shareholder Value.
