Item 1.01 Entry into a Material Agreement.

Equity Distribution Agreement

On August 17, 2011, DCP Midstream Partners, LP (the Partnership), DCP Midstream GP, LP, and DCP Midstream GP, LLC (collectively, the Partnership Parties) entered into an Equity Distribution Agreement (the Equity Distribution Agreement) with Citigroup Global Markets Inc., as sales agent for the Partnership thereunder (the Agent), providing for the issuance and sale, from time to time, by the Partnership through the Agent, of common units representing limited partner interests in the Partnership (the Common Units), having an aggregate gross offering price to the public of up to \$150,000,000 (the Offering). Sales of the Common Units, if any, will be made by means of ordinary brokers' transactions on the New York Stock Exchange at market prices, in block transactions, or as otherwise agreed upon by the Partnership and the Agent. The Common Units to be sold in the Offering are registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the Partnership's effective Shelf Registration Statement on Form S-3 (File No. 333-175047).

Under the terms of the Equity Distribution Agreement, the Partnership may also sell Common Units from time to time to the Agent as principal for its own account at a price to be agreed upon at the time of sale. Any sale of Common Units to the Agent will be governed by a separate terms agreement to be entered into between the Partnership and the Agent in connection therewith.

Pursuant to the Equity Distribution Agreement, the Partnership Parties agreed, among other things, to provide indemnification and contribution to the Agent against certain liabilities, including liabilities arising under the Securities Act. A copy of the Equity Distribution Agreement is attached hereto as Exhibit 1.1 and is incorporated by reference herein. The foregoing description of the terms of the Equity Distribution Agreement is qualified in its entirety by reference to this exhibit. The Partnership intends to use the net proceeds of this offering, after deducting the sales agent's commission and offering expenses, to fund acquisitions, capital expansion projects and for general partnership purposes. This may include the repayment of a portion of the Partnership's credit facility borrowings used to finance growth capital expenditures.

The Agent and its affiliates have, from time to time, and may in the future perform various financial advisory and commercial investment banking services for the Partnership and its affiliates for which they have received, and in the future will receive customary compensation and expense reimbursement. An affiliate of the Agent is a lender under the Partnership's credit facility. To the extent the Partnership uses proceeds from the Offering to repay indebtedness under the Partnership's credit facility, such affiliate may receive a portion of the net proceeds from the Offering.
