Item 2.02 Results of Operations and Financial Condition

On October 25, 2011, we issued a press release reporting our financial results for the three and nine months ended September 30, 2011 (the Press Release). We also hosted a conference call and webcast on October 25, 2011 during which we made a presentation on our financial results for the three and nine months ended September 30, 2011 (the Presentation). The Press Release and the Presentation are available on our website at www.ryder.com.

The Press Release and Presentation include information regarding (1) comparable earnings from continuing operations and comparable earnings per share from continuing operations and (2) comparable income tax rate, in each case for the third quarter and year to date 2011, which are non-GAAP financial measures as defined by SEC regulations. We believe that these non-GAAP financial measures provide useful information to investors, and allow for better year-over-year comparison, as the measures exclude from our GAAP net earnings, earnings per share and income tax rate, all from continuing operations, as applicable, (1) 2011 acquisition-related transaction costs, (2) a third quarter 2011 income tax benefit from prior year acquisition-related transaction costs, (3) 2011 charges related to tax law changes and (4) 2011 restructuring charges, which are not representative of our ongoing business operations.

Additional information regarding non-GAAP financial measures can be found in the Press Release, the Presentation and our reports filed with the SEC.

The information in this Report, including Exhibits 99.1 and 99.2, is being furnished pursuant to Item 2.02 of Form 8-K and General Instruction B.2 thereunder and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except as expressly set forth by specific reference to such filing.
