CORPORATE GOVERNANCE

Director Independence

The Board of Directors analyzed the independence of each director and determined that the following directors meet the standards of independence of applicable NASDAQ Stock Market (NASDAQ) listing standards: Robert Acri, Moishe Gubin, Seth Gillman and Larry Willis. In making this determination, the Board considered that Mr. Willis is an executive officer of an insurance agency which is used by the Company to obtain commercial property and liability insurance.

Three of the directors are not considered independent. They are Richard L. Browdy, who is an employee and officer of the Company; Wendy Mitchler, who serves as outside counsel for the Company; and Sam Borek, who served as a consultant to the Company until July 2011.

The Board of Directors Meetings and Committees

OptimumBank Holding s Board of Directors met 22 times during 2010. The Board of OptimumBank, which during 2010 included all members of the Board of Directors of the Company except for Robert Acri, and former directors Jack Calloway and Jerry Grace, met a total of 31 times. The independent directors met in executive session without management four times during 2010. Each of the current members of the Board of Directors attended at least 75% of the meetings of the Board and committees on which he or she served. The Company s Board of Directors has established several standing committees, including the Audit and Compensation Committees.

Compensation Committee. The Compensation Committee currently consists of three directors: Larry Willis, Chair, Moishe Gubin and Robert Acri, all of whom are independent under the NASDAQ listing standards. The Compensation Committee reviews and recommends to the Board of Directors the compensation arrangements for executive management and non-employee directors. The Compensation Committee met three times during 2010 and operates under a written charter. A copy of the current Compensation Committee Charter can be viewed on our Web site at www.optimumbank.com/corpgovernance.html.

In 2010, no executive officer had a role in determining or recommending the amount or form of outside director compensation. The Compensation Committee does not delegate its authority to any other persons. The Compensation Committee does not use consultants to determine or recommend the amount or form of compensation arrangements. However, in 2010, the Compensation Committee retained Blanchard Chase, a compensation consultant, to provide the committee with ongoing compensation reviews and peer group analyses of executive officer compensation. The Compensation Committee also reviewed a tally sheet that detailed each executive officer s historical earnings, equity awards, and benefits and perquisites.

Nominating Committee. The Company has no formal nominating committee or nominating committee charter but, rather, the four independent members of the Board, Messrs. Acri, Gubin, Gillman and Willis, perform the functions of a nominating committee. Pursuant to the Corporate Governance Guidelines adopted by the Board of Directors, the independent directors are responsible for recommending for the full Board s selection the slate of director nominees for election. These guidelines also provide for the independent directors to evaluate new candidates and current directors, and recommend candidates to the Board to fill vacancies occurring between annual shareholder meetings. All of the director nominees of the Company set forth in the Proposal

entitled Election of Directors and Management Information were recommended by a majority of the independent directors of the Company. The independent directors in their capacity as the nominating committee held two meetings during 2010. The Board of Directors believes it is appropriate for the Company's independent directors, and not a separate nominating committee, to recommend nominees and evaluate candidates due to its belief that all directors should participate in the nomination process. A copy of our current Corporate Governance Guidelines can be viewed on our Web site at www.optimumbank.com/corpgovernance.html.

The Board initially looks to nominating its existing directors for re-election to the Board as appropriate or to other Director nominees proposed, as appropriate, by the directors, and in doing so considers each director's independence, if required, share ownership, skills, performance and attendance at a minimum of 75% of the Board and respective committee meetings. In evaluating any candidates for potential director nomination, the Board of Directors, and specifically the independent directors, will consider candidates that are independent, if required, who possess personal and professional integrity, have good business judgment, relevant experience and skills, including financial, real estate and/or legal expertise, who would be effective as a Director in conjunction with the full Board, who would commit to attend Board and committee meetings, and whose interests are aligned with the long-term interests of the Company's shareholders.

Shareholders have previously elected each of the directors submitted at the 2011 annual meeting, except for Moishe Gubin and Seth Gillman. Nominee Moishe Gubin was recommended by a non-management director and security holder. Nominee Seth Gillman was recommended by a non-management director.

The Board, including its independent directors, will consider director candidates recommended by shareholders, provided the recommendation is in writing and delivered to the President of the Company at the principal executive offices of the Company not later than January 28, 2012. The nomination and notification must contain the nominee's name, address, principal occupation, total number of shares owned, consent to serve as a director, and all information relating to the nominee and the nominating shareholder as would be required to be disclosed in solicitation of proxies for the election of such nominee as a director pursuant to the SEC's proxy rules. It is the general policy of the Company to re-nominate qualified incumbent directors, and that, absent special circumstances, the Board will not consider other candidates when a qualified incumbent consents to stand for re-election.

Audit Committee. The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. The Audit Committee is currently composed of three non-employee directors and operates under a written charter adopted and approved by the Board of Directors. Moishe Gubin, Chair, Larry Willis and Robert Acri make up the Board's Audit Committee. Our current Audit Committee Charter can be viewed on our Web site at www.optimumbank.com/corpgovernance.html.

The Board has determined that each member of the Audit Committee is financially literate and independent in accordance with the more stringent NASDAQ listing standards applicable to audit committee members. The Board considered that Mr. Willis is an executive officer of an insurance agency which is used by the Company to obtain commercial property and liability insurance. The Board determined that such payments are not indirect compensatory fees to Mr. Willis, and Mr. Willis is therefore independent under the standards applicable to audit committee members. The Board also has determined that Moishe Gubin is an audit committee financial expert as defined by SEC rules. The Audit Committee met 16 times during 2010. A Report from the Audit Committee is included on page 8.

Attendance by Directors at Annual Shareholders Meetings. The Company expects its directors to attend the Annual Meeting. All of the directors attended last year's Annual Meeting.

Shareholder Communications with the Board of Directors. The Board of Directors has adopted a formal process by which shareholders may communicate with the Board. Shareholders who wish to communicate with the Board may do so by sending written communications addressed to: Board of Directors, OptimumBank Holdings, Inc. at 2477 East Commercial Boulevard,

Fort Lauderdale, Florida 33308, attention: Richard L. Browdy, President. All communications will be compiled by the President and submitted to the members of the Board. Concerns about accounting or auditing matters or possible violations of our Senior Financial Officer Code of Ethics should be reported under the procedures outlined in our Whistleblower Policy. Our Whistleblower Policy is available on our Web site at www.optimumbank.com/corpgovernance.html.

DIRECTOR COMPENSATION

Each non-executive director receives compensation for serving on the Board of Directors and committees of the Board as follows:

No meeting fees are paid for attendance at special Board or Board committee meetings. Effective July 1, 2011, directors Moishe Gubin, Wendy Mitchler and Sam Borek, and effective November 1, 2011, director Seth Gillman, have each agreed to waive their director fees as part of the Company's efforts to reduce operating expenses.

PROPOSAL 2

APPROVAL OF ISSUANCE AND SALE OF COMMON STOCK TO MOISHE GUBIN

The following discussion of the Gubin Transaction is qualified by reference to the Amended and Restated Stock Purchase Agreement set forth as Appendix A to this proxy statement.

Summary of the Gubin Transaction

On December 2, 2011, the Company and Moishe Gubin entered into an amended and restated stock purchase agreement which provides for the issuance and sale of 6,750,000 shares of Company common stock, \$.01 par value, to Mr. Gubin at a price of \$.40 per share (the Stock Purchase Agreement). Mr Gubin currently serves as a director of the Company and the Bank.

The closing of the transaction contemplated by the Stock Purchase Agreement (the Gubin Transaction) is subject to certain conditions, including approval of the transaction by the shareholders of the Company, the Federal Reserve Board and the State of Florida Office of Financial Regulation.

If these conditions are fulfilled, the Company would receive proceeds from the transaction of \$2,700,000. The agreement can be terminated by either party if the conditions are not fulfilled and the closing does not occur by June 30, 2012.

The Company will also grant Mr. Gubin certain registration rights in connection with the purchase of the shares pursuant to the terms of a registration rights agreement to be entered into at the closing. Substantially all the proceeds from the Gubin Transaction will be utilized by the Company to increase the capital of the Bank.

Upon consummation of the transaction contemplated by the Stock Purchase Agreement, it is expected that Gubin would beneficially own approximately 8,550,000 shares of the Company's common stock, or 29.9% of the total outstanding shares.

Why We Are Seeking Shareholder Approval

The issuance of shares in the Gubin Transaction is being submitted to the shareholders at the annual meeting to comply with the shareholder approval requirements of NASDAQ Rule 5635.

Under NASDAQ Rule 5635(b), companies that have securities listed on NASDAQ must obtain shareholder approval prior to the issuance of common stock when the issuance or potential issuance would result in a change of control as defined by NASDAQ (the Change of Control Rule). NASDAQ generally characterizes a transaction whereby an investor or group of investors acquires, or obtains the right to acquire, 20% or more of the voting power of an issuer on a post-transaction basis as a change of control for purposes of Rule 5635(b).

The Company's Board of Directors has submitted this Proposal No. 2 to the Company's shareholders for approval because the Change of Control Rule will apply to issuance of the Company's common stock in the Gubin Transaction.

As of November 23, 2011, the Company had issued and outstanding 22,131,108 shares of common stock. Upon the issuance of 6,750,000 shares of Company common stock to Gubin, and assuming no other issuance of shares of Company common stock, Gubin would own 29.9% of the Company's shares resulting in a change of control for purposes of NASDAQ's Change of Control Rule.

Mr. Gubin is a director of the Company and the Bank.

The approval sought under this Proposal 2 will be effective to satisfy the shareholder approval required by the Change of Control Rule. Under NASDAQ Rule 5635, the minimum vote which will constitute shareholder approval of this Proposal 2 for the purposes of the Change of Control Rule is a majority of the total votes cast on the proposal in person or by proxy at the annual meeting.

Background and Reasons for the Gubin Transaction

The principal reason for the issuance of shares under the Stock Purchase Agreement is to increase the capital of OptimumBank in order to meet its regulatory requirements.

Starting in 2008 and continuing into 2011, the Bank experienced a substantial increase in the level of its non-performing loans, with associated credit losses, as a result of the nationwide economic recession and the related collapse in real estate values in south Florida. The Company sustained net losses of \$11.5 million in 2009, \$8.5 million in 2010, and \$3.7 million during the nine months ended September 30, 2011. These net losses have significantly reduced the stockholders' equity and the regulatory capital ratios for the Company and the Bank.

As a result of the losses incurred by the Bank and related operating issues, on April 16, 2010, the Bank consented to the issuance of an order (the Consent Order) by the Federal Deposit Insurance Corporation (the FDIC) and the State of Florida Office of Financial Regulation. On June 22, 2010, the Company entered into a written agreement with the Board of Governors of the Federal Reserve System (the Federal Reserve Board).

The Consent Order requires, among other things, that the Bank to achieve and maintain a tier 1 leverage capital ratio of at least 8.0% of the Bank's total average assets and a total risk-based capital ratio of at least 12.0% of its total risk-weighted assets by July 14, 2010. At September 30, 2011, the Bank's tier 1 leverage and total risk-based capital ratios were 2.5% and 4.8%, respectively, which was significantly below the required amounts. At September 30, 2011, the Bank would have needed approximately \$9.3 million in additional regulatory capital to meet the capital requirements of the Consent Order.

In order to address its declining capital levels and increased capital requirements, in July 2011, the Company commenced an offering of 37.5 million shares of Company common stock in a private placement (the Private Placement). The Private Placement was approved by the Company's shareholders at a special meeting held on September 28, 2011.

The terms of the Private Placement initially required the Company to raise a minimum of \$10,000,000 in the offering. In October, 2011, the Bank reduced the minimum gross proceeds to \$8 million. On October 27, 2011, the Company completed the Private Placement. The Company sold a total of 20,639,250 shares at \$0.40 per share, and received proceeds of approximately \$8.3 million.

Mr. Gubin purchased 1,800,000 shares in the Private Placement but was unable to purchase additional shares without obtaining regulatory approval. In response to this limitation, the Company and Mr. Gubin entered into the original Stock Purchase Agreement, pursuant to which Mr. Gubin agreed to purchase from the Company 6,750,000 newly issued shares of common shares at a price of \$0.40 per share, or a total of \$2,700,000.

On December 2, 2011, the Company and Gubin entered into amended and restated the original Stock Purchase Agreement in order to extend the outside closing date to June 30, 2012. This change was made in order to permit Mr. Gubin sufficient time to apply for and obtain the required regulatory approvals.

Reason for the Gubin Transaction

The Company is seeking to complete the Gubin Transaction in order for the Bank to have sufficient capital to meet the capital requirements of the Consent Order and increase its lending and investment portfolios.

If the \$8.3 million in proceeds of the Private Placement had been contributed to the Bank as of September 30, 2011, the Bank's tier 1 leverage and total risk-based capital ratios (on a pro forma basis) would have been 7.4% and 11.3%, respectively. This amount would have been insufficient to meet the capital requirements of the Consent Order.

If the \$2.7 million proceeds of the Gubin Transaction were also contributed to the Bank as of September 30, 2011, the Bank's tier 1 leverage and total risk-based capital ratios (on a pro forma basis) would have improved to 9.0% and 13.5%, respectively.

The actual improvement in the capital ratios after the Gubin Transaction is completed will depend on the closing date of the Gubin Transaction, the level of the Bank's assets and liabilities at that time, the amount of the Bank's losses between September 30, 2011, and the date of the closing and the amount of any additional capital from other sources.

The additional \$2.7 million in capital from Mr. Gubin, when combined with the \$8.3 million from the private placement, however, is expected to provide the Company and the Bank with the opportunity to implement additional actions to improve the capital and profitability of the Bank, such as reducing problem loans and the related expenses, resuming lending activities, raising additional capital and modifying the Bank's business plan.

The Board of Directors therefore believes that it is crucial for the Company to complete the Gubin Transaction.

Transaction Documents

Stock Purchase Agreement. The consummation of the Gubin transaction is subject to the fulfillment of a number of conditions, including:

Gubin obtaining the requisite regulatory approval of the Federal Reserve Board and the State of Florida Office of Financial Regulation; and

The Company obtaining shareholder approval of the Gubin Transaction.

The Stock Purchase Agreement may be terminated by the Company or Gubin if the closing does not occur by June 30, 2012, but not by either party whose failure to perform any obligations under the agreement required to be performed on or prior to such date has been the cause of, or results in, the failure of the transaction to close on or before such date. The Stock Purchase Agreement contains customary representation and warranties.

Registration Rights Agreement. Under the terms of the Stock Purchase Agreement, the Company has agreed to provide Gubin with certain limited registration rights. The Company has agreed to file a registration statement on Form S-3 as soon as practicable after the closing with respect to the shares sold to Mr. Gubin, and to use reasonable best efforts to make such registration statement become effective. The Company is required to maintain this registration statement continuously in effect until all such shares have been sold or become eligible for sale without restrictions under Rule 144 promulgated under the Securities Act of 1933, as amended. The registration rights are subject to the right of the Company to delay registration to avoid disclosure of material nonpublic information. The holder of registrable securities must comply with certain standard provisions facilitating the filing and effectiveness of the registration statement as well.

Purchase Price of the Gubin Transaction

In approving the terms of the Stock Purchase Agreement, the Board considered the fairness, from a financial point of view, of the price of \$0.40 per share. The Board determined that the price was fair in light of the following factors:

The Company's recently completed private placement of 20,639,250 shares at a price of \$.40 per share.

The book value of the Company's common stock at September 30, 2011, which was negative (\$2.05) per share.

The Company's continuing losses since September 30, 2011.

The Company's unsuccessful prior efforts to raise capital at a higher price per share.

The Company's need to raise capital to allow the Bank to meet the requirements of the Consent Order and operate profitably. The Board did not engage any third parties to assist the Board in its determination of the offering price due to the Company's limited resources.

Vote Required and Recommendation of Board of Directors

Assuming the existence of a quorum, this proposal will be approved if the number of shares voted in favor of this Proposal 2 exceeds the number of shares voted against the proposal. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF APPROVAL OF ISSUANCE AND SALE TO MR. GUBIN OF 6,750,000 SHARES OF THE COMPANY S COMMON STOCK

PROPOSAL THREE

APPROVAL OF THE COMPANY S 2011 EQUITY INCENTIVE PLAN

On December 1, 2011, our Board of Directors approved the 2011 Equity Incentive Plan for directors and employees, subject to shareholder approval. The plan will allow us to provide equity compensation to employees and directors, under a shareholder-approved plan, in order to enable us to attract and retain qualified persons to serve as directors and employees.

The plan contains a number of provisions that the Board of Directors believes are consistent with the interests of shareholders and sound corporate governance practices. These include:

Limitation on Shares Issued for Awards. Only 2,200,000 shares, or less than 10% of the outstanding shares, may be issued under the plan through the 2021 expiration of the plan.

No Discount Stock Options. Stock options may not be granted or awarded with an exercise price of less than the market value of our common stock on the date of the grant or award.

No Repricings. The repricing of stock options is prohibited without the approval of shareholders. This provision applies to both direct repricings - lowering the exercise price of a stock option - and indirect repricings - cancelling an outstanding stock option and replacing it with a lower-priced option.

Summary of the Plan

The principal features of the plan are summarized below. The summary does not contain all information that may be important to you. The complete text of the plan is set forth at **Appendix B** to this proxy statement.

Plan Administration. The plan is administered by our Board of Directors, a majority of whom meet the NASDAQ standard for director independence, and/or our Board s Compensation Committee, which consists of at least two members of the Board, each of whom meets the NASDAQ standard for director independence. The Board through its Compensation Committee, has the sole authority, among other things, to:

Select participants and grant awards,

Determine the number of shares to be subject to the types of awards,

Determine the terms and conditions upon which awards will be granted under the plan, including the vesting requirements of awards,

Prescribe the form and terms of award agreements,

Establish procedures and regulations for the administration of the plan,

Interpret the plan, and

Edgar Filing: OptimumBank Holdings, Inc. - Form DEF 14A

Make all determinations necessary or advisable for administration of the plan.

Eligibility. The directors and employees of the Company and its subsidiaries are eligible to participate in the plan.

Awards. The plan provides for the grant of incentive and non-statutory options, bonus shares, restricted shares, and performance shares, as such terms are defined in the plan.

Shares Subject to the Plan. The plan authorizes the issuance of up to 2,200,000 shares of the Company common stock. If any shares are subject to an award under the plan that is forfeited, cancelled, expires, lapses or otherwise terminates without the issuance of such shares, those shares will again be available for grant under the plan. Likewise, shares that are tendered to the Company by a participant as full or partial payment of the exercise price of any stock option granted under the plan or in payment of any withholding tax incurred in connection with any award under the plan will be available for issuance under the plan. The shares issued under the plan may consist, in whole or in part, of authorized but unissued shares or treasury shares.

Adjustments. In the event of a merger or consolidation (in each case where the shares of the Company are converted into stock and/or cash of another entity), or any corporate structure affecting Company common stock, adjustments and other substitutions will be made to the plan, including adjustments in the maximum number of shares subject to the plan and other numerical limitations. Adjustments will also be made to awards under the plan as the Board in its sole discretion deems equitable or appropriate.

Options. Incentive and non-statutory options to purchase shares of Company common stock may be granted under the plan, either alone or in addition to other awards and for no consideration or for such consideration as the Board and/or Compensation Committee may determine or as may be required by applicable law. The price at which a share may be purchased under an option may not be less than the market value of a share on the date the option is granted. Market value means the last reported sale price of Company common stock reported on the Nasdaq Capital Market on the relevant date of determination. The plan permits the Board and/or Compensation Committee to establish the term of each option, but its term may not exceed ten years. Options may be exercised for whole shares only. If an option would otherwise be exercisable for fractional shares, the option is rounded down to the nearest whole share amount. Options may vest and become fully exercisable in the event a change in control occurs as described below. The plan contains various provisions governing the participant's right to exercise an option upon the termination of the participant's employment with the Company.

Restricted Stock. Restricted stock awards may be issued to participants for no cash consideration, or for such minimum consideration as may be required by applicable law, either alone or in addition to other awards granted under the plan. Restricted stock vests and becomes fully exercisable as determined by the Board. Restricted stock vests and becomes fully exercisable in the event: (i) a change in control occurs, as described below, and service is terminated within 12 months thereafter; or (ii) of the death or disability of the participant. If a participant's service with the Company is terminated, the participant will forfeit any unvested restricted stock (except in certain cases following a change in control).

Performance Share Awards. Other awards of Company common stock that are valued in whole or in part by reference to, or are otherwise based on, Company common stock or the attainment by the Company of certain performance goals, may be granted to participants, either alone or in addition to other awards. Stock awards are paid in shares of Company common stock. Shares granted as stock awards may be issued for no cash consideration or for such minimum consideration as may be required by applicable law. At the time the performance goals established have been attained or otherwise satisfied within the performance cycle, the payment of the performance shares in the name of the participant will be made at the end of the performance cycle.

Bonus Shares and Awards in Lieu of Obligations. Bonus share awards may be issued to participants as a bonus or in consideration for past services actually rendered for the Company, or in lieu of obligations of the Company to pay cash or deliver other property under the plan or under other plans or compensation arrangements. The bonus shares can be awarded under terms and agreements that are determined by the Compensation Committee and/or the Board.

Change in Control. Unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, in the event of a change in control of the Company, all outstanding stock options will become fully vested. If a participant's service with the Company is involuntarily terminated at any time within twelve months after a change in control, and unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, any restricted period with respect to restricted shares will lapse and all such shares will become fully vested.

A change in control means, with certain exceptions: (i) an acquisition of beneficial ownership of 50% or more of the outstanding common stock; (ii) a merger in which the Company is not the surviving entity, or a sale by the Company or the Bank of all or substantially all of its assets; or (iii) the acquisition by any person or group by means of a merger, consolidation or purchase of 80% or more of its outstanding shares.

Effective Date, Term, Amendment and Termination. If approved by shareholders, the plan will become effective as of the date of such approval and will remain in effect until the earlier of (a) the date that no additional shares are available for issuance, (b) the date the plan is terminated by the Board of Directors in accordance with its terms or (c) the tenth anniversary of such shareholder approval. Termination will not affect grants and awards then outstanding under the plan. The Board of Directors may terminate or amend the plan at any time without shareholder approval, unless such approval is necessary to comply with the Securities Exchange Act of 1934, the Internal Revenue Code, NASD rules, or other applicable law. No termination, amendment or modification of the plan may in any manner affect any award previously granted under the plan without the consent of the participant to whom the award was granted or the transferee of the award.

Restriction on Transfer. Awards granted under the plan are generally non-transferable, except by will or the laws of descent and distribution. The Board may permit participants to transfer awards (other than stock options) to members of their immediate family, to one or more trusts solely for the benefit of such immediate family members, and to partnerships into which such family members or trusts are the only trusts.

Other Provisions. The Board may establish procedures providing for the delivery of shares of Company common stock, in satisfaction of withholding tax obligations.

Federal Income Tax Consequences. Under present law, the following are the U.S. federal income tax consequences generally arising with respect to stock options, restricted stock, bonus shares and performance share awards:

Upon exercising a non-statutory option, a participant must recognize ordinary compensation income equal to the difference between the fair market value of the shares on the date of exercise and the exercise price. The Company will be entitled to a deduction for the same amount. Upon sale of such shares by the optionee, any difference between the sales price and fair market value on the date of exercise will be treated as a long-term capital gain (loss) if the stock has been held for at least 12 months.

For an incentive stock option, the optionee generally will recognize no taxable income upon grant or exercise of the option. If the acquired stock is held for at least two years from date of grant and one year from date of exercise, any gain or loss realized upon disposition of the shares will be treated as long-term capital gain (loss). If the acquired stock is sold prior to the satisfaction of these holding period requirements, the difference between the option price and the fair market value of the shares on the date of exercise will be treated as ordinary compensation income. The Company will be entitled to a deduction for the same amount. If compensation is recognized and the stock is sold, any difference between fair market value on date of exercise and the sales price will be recognized as either short or long term capital gain or loss, depending upon the amount of time the acquired stock was held. For alternative minimum tax purposes, the exercise of an incentive stock option will create an adjustment item in the year of exercise equal to the difference between the option price and fair market value on date of exercise. This adjustment item will create an adjusted tax basis for alternative minimum tax purposes different from regular tax purposes in the stock equal to the fair market value on date of exercise.

Recipients of restricted stock awards will recognize ordinary income in an amount equal to the fair market value of the shares of Company common stock granted to them at the time that the shares vest and become transferable. A recipient of a restricted stock award may, however, elect to accelerate the recognition of income with respect to his or her grant to the time when shares of common stock are first transferred to him or her, notwithstanding the vesting schedule of such awards. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by recipients of restricted stock awards in the year in which such amounts are included in income.

Performance share and bonus share awards result in the recognition of ordinary income in an amount equal to the fair market value of shares of Company common stock paid to participants. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by plan participants. The Internal Revenue Code generally limits the deduction for certain compensation in excess of \$1.0 million per year paid by a publicly-traded corporation to its covered executives. Certain types of compensation, including compensation based on performance goals, are excluded from the \$1.0 million deduction limitation. In order for compensation to qualify for this exception: (i) it must be paid solely on account of the attainment of one or more preestablished, objective performance goals; (ii) the performance goal must be established by a compensation committee consisting solely of two or more outside directors; (iii) the material terms under which the compensation is to be paid, including performance goals, must be disclosed to and approved by shareholders in a separate vote prior to payment; and (iv) prior to payment, the compensation committee must certify that the performance goals and any other material terms were in fact satisfied.

Other Information. The Board has not made any determination as to the allocation of benefits or amounts under the plan if approved by shareholders. If the plan is not approved by shareholders, the Board of Directors will consider other alternatives for performance-based compensation. The plan is not exclusive and does not limit the authority of the Board or its Committees to grant awards or authorize any other compensation, with or without reference to shares, under any other plan or authority.

Vote Required and Recommendation of Board of Directors. Assuming the existence of a quorum, this proposal will be approved if the number of shares voted in favor of this Proposal No. 3 exceeds the number of shares voted against the proposal. As such, abstentions and broker non-votes will not affect the outcome of the vote, but will be counted for determining the existence of a quorum.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE COMPANY'S 2011 EQUITY INCENTIVE PLAN.

PROPOSAL 4

RATIFICATION OF INDEPENDENT AUDITOR

The Audit Committee has selected Hacker, Johnson & Smith PA (Hacker Johnson) as the Company's independent auditor for fiscal year 2011, and the Board asks shareholders to ratify that selection. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require the Audit Committee to engage, retain, and oversee the Company's independent auditor, the Board considers the selection of the independent auditor to be an important matter of shareholder concern and is submitting the selection of Hacker Johnson for ratification by shareholders as a matter of good corporate practice.

The affirmative vote of holders of a majority of the shares of common stock cast in person or by proxy at the meeting is required to approve the ratification of the selection of Hacker Johnson as the Company's independent auditor for the current fiscal year.

The Board of Directors unanimously recommends a vote FOR Proposal 4.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following are transactions since January 1, 2009, or proposed transactions in which the Company was or is a party, in which the amount involved exceeded \$120,000, and in which a director, director nominee, executive officer, holder of more than 5% of our Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

Loans to Officers, Directors and Affiliates

The Bank offers loans in the ordinary course of business to its directors and employees, including executive officers, their related interests and immediate family members. Applicable law and Bank policy require that these loans be on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated parties, and must not involve more than the normal risk of repayment or present other unfavorable features. Loans to individual employees, directors and executive officers must also comply with the Company's lending policies and statutory lending limits, and directors with a personal interest in any loan application are excluded from the consideration of such loan application. None of the current directors or executive officers of the Company or the Bank have loans outstanding from the Company. F. David Krinsky, a former director of the Company, has two loans outstanding from the Company.

In September 2007, the Company made a commercial real estate loan in the amount of \$2,925,000 (the Deckelbaum Loan), to Gordon Deckelbaum, a former director of the Company. The loan was made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated parties, and did not involve more than the normal risk of repayment or present other unfavorable features. Mr. Deckelbaum defaulted on the loan in April 2011. The current principal balance on the Deckelbaum Loan is \$2,925,000 and the annual interest rate was 7.875% from January 1, 2009 through July 2010, reduced to 4.5% from August 2010 through the date of default. The Deckelbaum Loan has been classified by the Company as a collateral dependent substandard loan.

Legal Services From Wendy Mitchler

Since 2000, the Company has retained Wendy Mitchler, Attorney at Law, as general counsel. Wendy Mitchler, a director of the Company, is the owner of the law firm of Wendy Mitchler, Attorney at Law. During the nine months ended September 30, 2011, and during 2010 and 2009, the Company paid the law firm approximately \$121,610, \$220,180 and \$104,500, respectively, in legal fees for various legal matters. In addition, payments totaling approximately \$900 in 2009 were made by borrowers to the law firm in connection with loan closings for the Bank.

Employment of Michel Vogel

Michel Vogel, who is the son-in-law of Richard Browdy, the Company's President and director, is employed by the Bank as Vice President, Lending, and Senior Relationship Manager. He was paid approximately \$103,578 and \$90,640 for his services during 2010 and in 2009, respectively. In September 2010, Mr. Vogel's annual base salary was increased to \$135,000.

Consulting Services from Sam Borek

From December 2009 through June 2011, the Company paid Sam Borek, Chairman of the Board, a monthly consulting fee of \$14,000 in consideration of Mr. Borek's assumption of increased responsibilities due to the former Chief Executive Officer's retirement in November 2009 with no other individual assuming that position. Amounts paid as consulting fees to Mr. Borek in 2011, 2010 and 2009 and were \$91,000, \$168,000 and \$14,000, respectively. For the month of July 2011, Mr. Borek and the Company agreed to reduce his consulting fees to \$7,000, and thereafter agreed to discontinue his consulting fees, as part of the Company's efforts to reduce operating expenses. There was no written agreement between the Company and Mr. Borek regarding the amount or continuation of such fees.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that the Company's executive officers and directors, as well as persons who own 10% or more of a class of the Company's equity securities, file reports of their ownership of the Company's securities, as well as statements of changes in such ownership, with the SEC. The Company believes that all such filings required during 2010 were made on a timely basis, except for two Form 3 filings for former directors Jerry Grace and Jack Calloway, which were not made due to an administrative oversight and the departure of these individuals from the Company without any reportable shareholdings or activity, and a late Form 3 filing for director Robert Acri, which was made in December 2011 due to an administrative oversight.

SOLICITATION OF PROXIES

The Proxy accompanying this Proxy Statement is solicited by the Board of Directors of the Company. All of the costs of solicitation of proxies will be paid by the Company. We may also reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in sending proxy materials to the beneficial owners of our shares of common stock. In addition to solicitations by mail, our directors, officers and employees, including those of the Bank, may solicit proxies personally, by telephone or otherwise, but will not receive any additional compensation for their services.

SHAREHOLDER PROPOSALS FOR 2011 ANNUAL MEETING

If such proposal or proposals are in compliance with applicable rules and regulations, they will be included in the Company's proxy statement and form of proxy for that meeting.

VOTING PROCEDURES

The shares of a shareholder whose ballot on any or all proposals is marked as "abstain" will be included in the number of shares present at the Annual Meeting for the purpose of determining the presence of a quorum. If you are the beneficial owner of shares held by a broker or other custodian, you may instruct your broker how you would like your shares voted through the voting instruction form included with this Proxy Statement. If you wish to vote the shares you own beneficially at the meeting, you must first request and obtain a "legal proxy" from your broker or other custodian. If you choose not to provide instructions or a legal proxy, your shares are referred to as "uninstructed shares." Whether your broker or custodian has the discretion to vote these shares on your behalf depends on the ballot item. The following table summarizes the vote threshold required for passage of each proposal and the effect of uninstructed shares held by brokers.

Please note that in prior years, brokers and custodians were allowed to vote uninstructed shares in uncontested director elections. **Brokers and custodians can no longer vote uninstructed shares on your behalf in director elections. For your vote to be counted, you must submit your voting instruction form to your broker or custodian.**

The Company shall use its reasonable best efforts to have the Registration Statement declared effective by the SEC as soon as practicable.

(b) The Company shall have no obligation to file a Registration Statement under Section 2(a) in the event that the Company is not eligible to file a Registration Statement on Form S-3.

3. Related Obligations.

The Company will use its reasonable best efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, pursuant thereto, the Company shall have the following obligations:

(a) The Company shall submit to the SEC, within two (2) Business Days after the Company learns that no review of a particular Registration Statement will be made by the staff of the SEC or that the staff has no further comments on a particular Registration Statement, as the case may be, a request for acceleration of effectiveness of such Registration Statement to a time and date not later than forty-eight (48) hours after the submission of such request. The Company shall keep each Registration Statement effective pursuant to Rule 415 at all times until the earlier of (i) the date as of which Investor may sell all of the Registrable Securities covered by such Registration Statement without restriction pursuant to Rule 144 (or any successor thereto) promulgated under the Securities Act or (ii) the date on which Investor shall have sold all of the Registrable Securities covered by such Registration Statement (the Registration Period). The Company shall ensure that each Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein (in the case of prospectuses, in the light of the circumstances in which they were made) not misleading.

(b) The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to a Registration Statement and the prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep such Registration Statement effective at all times during the Registration Period, and, during such period, comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities of the Company covered by such Registration Statement until such time as all of such Registrable Securities shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such Registration Statement. In the case of amendments and supplements to a Registration Statement which are required to be filed pursuant to this Agreement (including pursuant to this Section 3(b)) by reason of the Company filing a report on Form 10-Q, Form 10-K, or any analogous report under the Securities Exchange Act of 1934, as amended (the Exchange Act), the Company shall have incorporated such report by reference into such Registration Statement, if applicable, or shall file such amendments or supplements with the SEC on the same day on which the Exchange Act report is filed which created the requirement for the Company to amend or supplement such Registration Statement.

(c) The Company shall furnish to each Investor whose Registrable Securities are included in any Registration Statement, without charge, (i) promptly after the same is prepared and filed with the SEC, at least one copy of such Registration Statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated therein by reference, if requested by an Investor, all exhibits and each preliminary prospectus (unless such Registration Statement is available on EDGAR), (ii) upon the effectiveness of

any Registration Statement, copies of the prospectus included in such Registration Statement and all amendments and supplements thereto (in such number of copies as such Investor may reasonably request) (unless such amendments and supplements are available on EDGAR) and (iii) such other documents, including copies of any preliminary or final prospectus, as such Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by such Investor.

(d) The Company shall use its reasonable best efforts to (i) register and qualify, unless an exemption from registration and qualification applies, the resale by Investors of the Registrable Securities covered by a Registration Statement under such other securities or blue sky laws of all applicable jurisdictions in the United States, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify each Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or blue sky laws of any jurisdiction in the United States or its receipt of notice of the initiation or threatening of any proceeding for such purpose.

(e) The Company shall notify each Investor in writing of the happening of any event, as promptly as practicable after becoming aware of such event, as a result of which the prospectus included in a Registration Statement, as then in effect, includes an untrue statement of a material fact or omission to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (provided that in no event shall such notice contain any material, nonpublic information), and, subject to Section 3(n), promptly prepare a supplement or amendment to such Registration Statement to correct such untrue statement or omission, and deliver copies of such supplement or amendment to each Investor (in such number of copies as Legal Counsel or such Investor may reasonably request) (unless such amendments and supplements are available on EDGAR). The Company shall also promptly notify each Investor in writing (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when a Registration Statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to each Investor by facsimile on the next Business Day of such effectiveness and by overnight mail), (ii) of any request by the SEC for amendments or supplements to a Registration Statement or related prospectus or related information, and (iii) of the Company's reasonable determination that a post-effective amendment to a Registration Statement would be appropriate.

(f) The Company shall use its reasonable best efforts to prevent the issuance of any stop order or other suspension of effectiveness of a Registration Statement, or the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify each Investor who holds Registrable Securities being sold of the issuance of such order and the resolution thereof or its receipt of notice of the initiation or threat of any proceeding for such purpose.

(g) The Company shall hold in confidence and not make any disclosure of information concerning an Investor provided to the Company unless (i) disclosure of such information is necessary to comply with federal or state securities laws, (ii) the disclosure of such information is necessary to avoid or correct a misstatement or omission in any Registration Statement, (iii) the release of such information is ordered pursuant to a subpoena or other final, non-appealable order from a court or governmental body of competent jurisdiction or (iv) such information has been made generally available to the public other than by disclosure in violation of this Agreement or any other agreement. The Company agrees that it shall, upon learning that disclosure of such information concerning an Investor is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt written notice to such Investor and allow such Investor, at the Investor's expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, such information.

(h) The Company shall use its reasonable best efforts either to (i) cause all of the Registrable Securities covered by a Registration Statement to be listed on each securities exchange on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange, or (ii) if, despite the Company's reasonable best efforts, the Company is unsuccessful in satisfying the preceding clause (i), to secure the inclusion for quotation of all of the Registrable Securities on the OTC Bulletin Board of the National Association of Securities Dealers, Inc. (NASD). The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3(h).

(i) The Company shall cooperate with the Investors who hold Registrable Securities being offered and, to the extent applicable, facilitate the timely preparation and delivery of certificates (not bearing any restrictive legend) representing the Registrable Securities to be offered pursuant to a Registration Statement and enable such certificates to be in such denominations or amounts, as the case may be, as the Investors may reasonably request and registered in such names as the Investors may request.

(j) If requested by an Investor, the Company shall (i) as soon as practicable incorporate in a prospectus supplement or post-effective amendment such information as an Investor reasonably requests to be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being offered or sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities to be sold in such offering; (ii) as soon as practicable make all required filings of such prospectus supplement or post-effective amendment after being notified of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) as soon as practicable, supplement or make amendments to any Registration Statement if reasonably requested by an Investor holding any Registrable Securities.

(k) The Company shall use its reasonable best efforts to cause the Registrable Securities covered by a Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

(l) The Company shall make generally available to its security holders as soon as practical, but not later than ninety (90) days after the close of the period covered thereby, an earnings statement (in form complying with, and in the manner provided by, the provisions of Rule 158 under the Securities Act) covering a twelve-month period beginning not later than the first day of the Company's fiscal quarter next following the effective date of a Registration Statement.

(m) The Company shall otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the SEC in connection with any registration hereunder.

(n) Notwithstanding anything to the contrary herein, at any time after the Effective Date, the Company may delay the disclosure of material, non-public information concerning the Company the disclosure of which at the time is not, in the good faith opinion of the Board of Directors of the Company in the best interest of the Company and otherwise required (a Grace Period); provided, that the Company shall promptly (i) notify the Investors in writing of the existence of material, non-public information giving rise to a Grace Period (provided that in each notice the Company will not disclose the content of such material, non-public information to the Investors) and the date on which the Grace Period will begin, and (ii) notify the Investors in writing of the date on which the Grace Period ends; and, provided further, that no Grace Period shall exceed thirty (30) consecutive days and during any three hundred sixty-five (365) day period such Grace Periods shall not exceed an aggregate of sixty (60) days and the first day of any Grace Period must be at least two (2) trading days after the last day of any prior Grace Period (each, an Allowable Grace Period). For purposes of determining the length of a Grace Period above, the Grace Period shall begin on and include the date the Investors receive the notice referred to in clause (i) and shall end on and include the later of the date the Investors receive the notice referred to in clause (ii) and the date referred to in such notice. The provisions of Section 3(e) hereof shall not be applicable during the period of any Allowable Grace Period. Upon expiration of the Grace Period, the Company shall again be bound by the first sentence of Section 3(e) with respect to the information giving rise thereto unless such material, non-public information is no longer applicable.

4. Obligations of the Investors.

(a) At least seven (7) Business Days prior to the first anticipated filing date of a Registration Statement, the Company shall notify each Investor in writing of the information the Company requires from each such Investor if such Investor elects to have any of such Investor's Registrable Securities included in such Registration Statement. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities of a particular Investor that such Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the effectiveness of the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

(b) Each Investor, by such Investor's acceptance of the Registrable Securities, agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any Registration Statement hereunder, unless such Investor has notified the Company in writing of such Investor's election to exclude all of such Investor's Registrable Securities from such Registration Statement.

(c) Each Investor agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(e) or the first sentence of 3(f), such Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until such Investor's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(e) or the first sentence of 3(f) or receipt of notice that no supplement or amendment is required.

(d) Each Investor covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it or an exemption therefrom in connection with sales of Registrable Securities pursuant to the Registration Statement.

5. Expenses of Registration.

All reasonable expenses, other than underwriting discounts and commissions incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, and fees and disbursements of counsel for the Company, shall be paid by the Company.

6. Indemnification.

In the event any Registrable Securities are included in a Registration Statement under this Agreement:

(a) To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend each Investor, the directors, officers, members, partners, employees, agents, representatives of, and each Person, if any, who controls any Investor within the meaning of the Securities Act or the Exchange Act (each, an Indemnified Person), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, reasonable attorneys' fees, amounts paid in settlement or expenses, joint or several, (collectively, Claims) incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto (Indemnified Damages), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in a Registration Statement or any post-effective amendment thereto or in any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered (Blue Sky Filing), or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus if used prior to the effective date of such Registration Statement, or contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state

therein any material fact necessary to make the statements made therein, in the light of the circumstances under which the statements therein were made, not misleading, (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to a Registration Statement or (iv) any violation of this Agreement (the matters in the foregoing clauses (i) through (iv) being, collectively, Violations). Subject to Section 6(c), the Company shall reimburse the Indemnified Persons, promptly as such expenses are incurred and are due and payable, for any legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon information furnished in writing to the Company by such Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto; (ii) with respect to any preliminary prospectus, shall not inure to the benefit of any such Person from whom the Person asserting any such Claim purchased the Registrable Securities that are the subject thereof (or to the benefit of any Person controlling such Person) if the untrue statement or omission of material fact contained in the preliminary prospectus was corrected in the prospectus, as then amended or supplemented, if such prospectus was timely made available by the Company pursuant to Section 3(e), and the Indemnified Person was promptly advised in writing not to use the incorrect prospectus prior to the use giving rise to a violation and such Indemnified Person, notwithstanding such advice, used it or failed to deliver the correct prospectus as required by the Securities Act; and (iii) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld or delayed. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of the Registrable Securities by the Investors pursuant to Section 9.

(b) In connection with any Registration Statement in which an Investor is participating, each such Investor agrees to severally and not jointly indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of its directors, each of its officers who signs the Registration Statement and each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (each, an Indemnified Party), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation, in each case to the extent, and only to the extent, that such Violation occurs in reliance upon with written information furnished to the Company by such Investor expressly for use in connection with such Registration Statement; and, subject to Section 6(c), such Investor will reimburse any legal or other expenses reasonably incurred by an Indemnified Party in connection with investigating or defending any such Claim; provided, however, that the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of such Investor, which consent shall not be unreasonably withheld or delayed; provided, further, however, that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to such Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of the Registrable Securities by the Investors pursuant to Section 9.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses of not more than one counsel for such Indemnified Person or Indemnified Party to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party

represented by such counsel in such proceeding. In the case of an Indemnified Person, legal counsel referred to in the immediately preceding sentence shall be selected by the Investors holding at least a majority in interest of the Registrable Securities included in the Registration Statement to which the Claim relates. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or Claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or Claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person reasonably apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent; provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such Claim or litigation, and such settlement shall not include any admission as to fault on the part of the Indemnified Party. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(d) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

(e) The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to the law.

7. Contribution.

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that: (i) no Person involved in the sale of Registrable Securities, which Person is guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such sale, shall be entitled to contribution from any Person involved in such sale of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities pursuant to such Registration Statement.

8. Reports Under the Exchange Act.

With a view to making available to the Investors the benefits of Rule 144 promulgated under the Securities Act or any other similar rule or regulation of the SEC that may at any time permit the Investors to sell securities of the Company to the public without registration (Rule 144), the Company agrees to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144;

(b) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act so long as the Company remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144; and

(c) furnish to each Investor so long as such Investor owns Registrable Securities, promptly upon request, (i) a written statement by the Company, if true, that it has complied with the reporting requirements of Rule 144, the Securities Act and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company and (iii) such other information as may be reasonably requested to permit the Investors to sell such securities pursuant to Rule 144 without registration.

9. Assignment of Registration Rights.

The rights under this Agreement shall be automatically assignable by the Investors to any transferee of all or any portion of such Investor's Registrable Securities if: (i) the Investor agrees in writing with the transferee or assignee to assign such rights and a copy of such agreement is furnished to the Company within a reasonable time after such assignment; (ii) the Company is, within a reasonable time after such transfer or assignment, furnished with written notice of (a) the name and address of such transferee or assignee and (b) the securities with respect to which such registration rights are being transferred or assigned; (iii) immediately following such transfer or assignment the further disposition of such securities by the transferee or assignee is restricted under the Securities Act or applicable state securities laws; (iv) at or before the time the Company receives the written notice contemplated by clause (ii) of this sentence the transferee or assignee agrees in writing with the Company to be bound by all of the provisions contained herein; and (v) such transfer shall have been made in accordance with the applicable requirements of the Securities Purchase Agreement.

10. Amendment of Registration Rights.

Provisions of this Agreement may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively), only with the written consent of the Company and the Required Holders. Any amendment or waiver effected in accordance with this Section 10 shall be binding upon each Investor and the Company. No such amendment shall be effective to the extent that it applies to less than all of the holders of the Registrable Securities. No consideration shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of any of this Agreement unless the same consideration also is offered to all of the parties to this Agreement.

11. Miscellaneous.

(a) A Person is deemed to be a holder of Registrable Securities whenever such Person owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the such record owner of such Registrable Securities.

(b) Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing and will be deemed to have been delivered: (i) upon receipt, when delivered personally; (ii) upon receipt, when sent by facsimile or email (provided confirmation of transmission is mechanically or electronically generated and kept on file by the sending party); or (iii) one (1) Business Day after deposit with a nationally recognized overnight delivery service, in each case properly addressed to the party to receive the same. 6. **Shares Subject to Plan, Limitations on Grants and Exercise Price.** Subject to adjustment by the operation of Section 14 hereof:

The maximum number of Shares that may be issued with respect to Awards made under the Plan is 2,200,000 Shares,

The Shares with respect to which Awards may be made under the Plan are authorized and unissued Shares. Any Award that expires, terminates or is surrendered for cancellation, or with respect to Restricted Shares, which is forfeited (so long as any cash dividends paid on such Shares are also forfeited), may be subject to new Awards under the Plan with respect to the number of Shares as to which a termination or forfeiture has occurred. Additionally, Shares that are withheld by the Company or delivered by the Participant to the Company in order to satisfy payment of the Exercise Price or any tax withholding obligation and Shares granted pursuant to an Award Agreement which is subsequently settled in cash rather than Shares, may be subject to new Awards under the Plan.

Notwithstanding any other provision under the Plan, the Exercise Price for any Option awarded under the Plan may not be less than the Market Value of the Shares on the date of grant.

7. **General Terms and Conditions of Options.**

The Compensation Committee and/or the Board will have full and complete authority and discretion, except as expressly limited by the Plan, to grant Options and to prescribe the terms and conditions (which need not be identical among Participants) of the Options. Each Option will be evidenced by an Award Agreement that will specify: (i) the Exercise Price, (ii) the number of Shares subject to the Option, (iii) the expiration date of the Option, (iv) the manner, time and rate (cumulative or otherwise) of exercise of the Option, (v) the restrictions, if any, to be placed upon the Option or upon Shares that may be issued upon exercise of the Option, (vi) the conditions, if any, under which a Participant may transfer or assign Options, and (vii) any other terms and conditions as the Compensation Committee and/or the Board, in its sole discretion, may determine.

Other than in connection with a change in the Company's capitalization (as described in Section 14 of the Plan), the Compensation Committee and/or the Board shall not, without the further approval of the shareholders of the Company, authorize the amendment of any outstanding Option Award Agreement to reduce the Exercise Price. Furthermore, no Option shall be cancelled and replaced by issuance to the same participant of an Option having a lower Exercise Price without further approval of the shareholders of the Company.

8. **Exercise of Options.**

Edgar Filing: OptimumBank Holdings, Inc. - Form DEF 14A

Except as provided in Section 16, an Option granted under the Plan will be exercisable only by the Participant, and except as provided in Section 9 of the Plan, no Option may be exercised unless at the time the Participant exercises the Option, the Participant has maintained Continuous Service since the date of the grant of the Option. Options may be exercised for whole shares only. If an option would otherwise be exercisable for fractional shares, the option is rounded down to nearest whole share amount.

B-3

To exercise an Option under the Plan, the Participant must give written notice to the Company specifying the number of Shares with respect to which the Participant elects to exercise the Option together with full payment of the Exercise Price. The date of exercise will be the date on which the notice is received by the Company. Payment may be made either (i) in cash (including check, bank draft or money order), (ii) by tendering Shares already owned by the Participant for at least six (6) months prior to the date of exercise and having a Market Value on the date of exercise equal to the Exercise Price, or (iii) by any other means determined by the Compensation Committee and/or the Board in its sole discretion.

9. **Termination of Options.** Unless otherwise specifically provided elsewhere in the Plan or by the Compensation Committee and/or the Board in the Award Agreement or any amendment thereto, Options will terminate as provided in this Section.

Unless sooner terminated under the provisions of this Section, Options will expire on the earlier of the date specified in the Award Agreement or the expiration of ten (10) years from the date of grant.

If the Continuous Service of a Participant is terminated for reason of Retirement, the Participant may exercise outstanding Options to the extent that the Participant was entitled to exercise the Options at the date of cessation of Continuous Service, but only within the period of three (3) months immediately succeeding the Participant's cessation of Continuous Service. Any unvested options at the date of cessation of continuous service will be forfeited by the Participant.

If the Continuous Service of a Participant is terminated for Cause, all rights under any Options granted to the Participant will terminate immediately upon the Participant's cessation of Continuous Service, and the Participant will (unless the Compensation Committee and/or the Board, in its sole discretion, waives this requirement) repay to the Company within ten (10) days the amount of any gain realized by the Participant upon any exercise of an Option, awarded under the Plan, within three (3) months prior to the cessation of Continuous Service.

If the Continuous Service of a Participant is terminated voluntarily by the Participant for any reason other than death, Disability, or Retirement, the Participant may exercise outstanding Options to the extent that the Participant was entitled to exercise the Options at the date of cessation of Continuous Service, but only within the period of three (3) months immediately succeeding the Participant's cessation of Continuous Service, and in no event after the applicable expiration dates of the Options.

If the Continuous Service of a Participant is terminated by the Company without Cause, the Participant may exercise outstanding Options to the extent that the Participant was entitled to exercise the Options at the date of cessation of Continuous Service, but only within the period of three (3) months immediately succeeding the Participant's cessation of Continuous Service, and in no event after the applicable expiration dates of the Options; provided, however, that if a Participant is terminated by the Company without Cause within twelve months after a Change of Control, such Participant may exercise outstanding Options to the extent he or she was entitled to exercise the Options at the date of cessation of Continuous Service, within the period of three (3) months immediately succeeding the cessation of Continuous Service but in no event after the applicable expiration dates of the Options.

In the event of the Participant's death or disability, all Options heretofore granted and not fully exercisable will terminate immediately. The Participant or the Participant's beneficiary, as the case may be, may exercise all vested Options within the period of one (1) year immediately succeeding the Participant's cessation of Continuous Service by reason of death or Disability, and in no event after the applicable expiration date of the Options.

Notwithstanding the provisions of the foregoing paragraphs of this Section 9, the Compensation Committee and/or the Board may, in its sole discretion, establish different terms and conditions pertaining to the effect of the cessation of Continuous Service, to the extent permitted by applicable federal and state law. Additionally, notwithstanding the provisions of the foregoing paragraphs of this Section 9, the Compensation Committee and/or the Board may, in its sole discretion, allow the exercise of an expired Option if the Compensation Committee and/or the Board determines that: (i) the expiration was solely the result of the Company's inability to execute the exercise of an Option due to conditions beyond the Company's control, and

Edgar Filing: OptimumBank Holdings, Inc. - Form DEF 14A

(ii) the Participant made valid and reasonable efforts to exercise the Award. In the event the Compensation Committee and/or the Board makes such a determination, the Company shall allow the exercise to occur as promptly as possible following its receipt of exercise instructions subsequent to such determination.

B-4

10. **Restrictive Covenants.** In its discretion, the Compensation Committee and/or the Board may condition the grant of any Award under the Plan upon the Participant agreeing to reasonable covenants in favor of the Company and/or any Affiliate (including, without limitation, covenants not to compete, not to solicit employees and customers, and not to disclose confidential information) that may have effect following the termination of employment with the Company or any Affiliate.

Incentive and Non-Qualified Stock Options.

Incentive Stock Options may be granted only to Participants who are Employees. Any provisions of the Plan to the contrary notwithstanding, (i) no Option will be granted more than ten (10) years from the earlier of the date the Plan is adopted by the Compensation Committee and/or the Board of the Company or approved by the Company's shareholders, (ii) no Option will be exercisable more than ten (10) years from the date the Option is granted, (iii) the Exercise Price of each Option will not be less than the Market Value per Share on the date such Option is granted, (iv) no Incentive Stock Option will be transferable by the Participant to whom such Incentive Stock Option is granted other than by will or the laws of descent and distribution and will be exercisable during the Participant's lifetime only by such Participant, (v) no Incentive Stock Option will be granted that would permit a Participant to acquire, through the exercise of Incentive Stock Options in any calendar year, under all plans of the Company and its Affiliates, Shares having an aggregate Market Value (determined as of the time any Incentive Stock Option is granted) in excess of \$100,000 (determined by assuming that the Participant will exercise each Incentive Stock Option on the date that such Option first becomes exercisable), and (vi) no Option may be exercised more than three (3) months after the Participant's cessation of Continuous Service (one (1) year in the case of Disability) for any reason other than death. Notwithstanding the foregoing, in the case of any Participant who, at the date of grant, owns as defined in Code section 424(d), shares possessing more than 10% of the total combined voting power of all classes of capital stock of the Company or any Affiliate, the Exercise Price of any Incentive Stock Option will not be less than 110% of the Market Value per Share on the date such Incentive Stock Option is granted and such Incentive Stock Option shall not be exercisable more than five years from the date such Incentive Stock Option is granted.

Notwithstanding any other provisions of the Plan, if for any reason an Option granted under the Plan that is intended to be an Incentive Stock Option fails to qualify as an Incentive Stock Option, such Option will be deemed to be a Non-Qualified Stock Option, and such Option will be deemed to be fully authorized and validly issued under the Plan.

11. **Terms and Conditions of Restricted Shares.** The Compensation Committee and/or the Board will have full and complete authority, subject to the limitations of the Plan, to grant Awards of Restricted Shares and to prescribe the terms and conditions (which need not be identical among Participants) in respect of the Awards. Unless the Compensation Committee and/or the Board otherwise specifically provides in the Award Agreement, an Award of Restricted Shares will be subject to the following provisions:

At the time of an Award of Restricted Shares, the Compensation Committee and/or the Board will establish for each Participant a Restricted Period during which, or at the expiration of which, the Restricted Shares will vest; but in no event earlier than one year from grant date. Subject to paragraph (e) of this Section, the Participant will have all the rights of a shareholder with respect to the Restricted Shares, including, but not limited to, the right to receive all dividends paid on the Restricted Shares and the right to vote the Restricted Shares. The Compensation Committee and/or the Board will have the authority, in its discretion, to accelerate the time at which any or all of the restrictions will lapse with respect to any Restricted Shares prior to the expiration of the Restricted Period, or to remove any or all restrictions, whenever it may determine that such action is appropriate by reason of changes in applicable tax or other laws or other changes in circumstances occurring after the commencement of the Restricted Period.

Subject to Section 15, if a Participant ceases Continuous Service for any reason before the Restricted Shares have vested, a Participant's rights with respect to the unvested portion of the Restricted Shares will terminate and be returned to the Company.

Each certificate issued in respect to Restricted Shares will be registered in the name of the Participant and deposited by the Participant, together with a stock power endorsed in blank, with the Company and will bear a legend referring to the terms, conditions and restrictions applicable to such shares.

At the time of an Award of Restricted Shares, the Participant will enter into an Award Agreement with the Company in a form specified by the Compensation Committee and/or the Board agreeing to the terms and conditions of the Award.

B-5

At the expiration of the restrictions imposed by this Section, the Company will redeliver to the Participant the certificate(s) and stock powers, deposited with the Company pursuant to paragraph (c) of this Section and the Shares represented by the certificate(s) will be free of all restrictions.

No Award of Restricted Shares may be assigned, transferred or encumbered.

12. **Performance Shares.**

The Compensation Committee and/or the Board, may from time to time authorize the grant of Performance Shares upon the achievement of performance goals (which may be cumulative and/or alternative) within a designated Performance Cycle as may be established, in writing, by the Compensation Committee and/or the Board based on any one or any combination of the following business criteria (the Performance Goals): (i) earnings per Share; (ii) return on equity; (iii) return on assets; (iv) operating income; (v) market value per Share; (vi) EBITDA; (vii) cash flow; (viii) net income (before or after taxes); (ix) changes in the Company's efficiency ratio (the ratio of non-interest expense to the sum of non-interest income plus taxable equivalent net-interest income); (x) improvements in the Company's credit quality as measured by changes to the Company's allowance for loan losses, the ratio of the allowance for loan losses to total loans, net of unearned income, or the ratio of net charge-offs to average loans, net of unearned income; (xi) enterprise value added (EVA); (xii) market value added (MVA); (xiii) fee income; (xiv) net interest income; (xv) growth in loans; (xvi) growth in deposits; (xvii) total return to shareholders; and (xviii) other criteria determined by the Compensation Committee and/or the Board.

As determined in the discretion of the Compensation Committee and/or the Board of Directors, performance goals may differ among Participants and/or relate to performance on a Company-wide or divisional basis.

At such time as it is certified, in writing, by the Compensation Committee and/or the Board that the Performance Goals established by the Compensation Committee and/or the Board have been attained or otherwise satisfied within the Performance Cycle, the Compensation Committee and/or the Board will authorize the payment of Performance Shares in the form of Shares registered in the name of the Participant. Payment shall be made in a lump sum following the close of the applicable Performance Cycle.

The grant of an Award of Performance Shares will be evidenced by an Award Agreement containing the terms and conditions of the Award as determined by the Compensation Committee and/or the Board. To the extent required under Code section 162(m), the business criteria under which Performance Goals are determined by the Compensation Committee and/or the Board will be resubmitted to shareholders for reapproval no later than the first shareholder meeting that occurs in the fifth year following the year in which shareholders previously approved the Plan.

Subject to Section 15, if the Participant ceases Continuous Service before the end of a Performance Cycle for any reason other than Disability or death, the Participant will forfeit all rights with respect to any Performance Shares that were being earned during the Performance Cycle. The Compensation Committee and/or the Board may establish guidelines providing that if a Participant ceases Continuous Service before the end of a Performance Cycle by reason of Disability or death, the Participant will be entitled to a prorated payment with respect to any Performance Shares that were being earned during the Performance Cycle.

13. **Bonus Shares and Awards in Lieu of Obligations.** The Compensation Committee and/or the Board is authorized to grant to Participants Shares as a bonus or in consideration for past services actually rendered for the company or an Affiliate, or to grant Shares or other Awards in lieu of obligations of the Company or an Affiliate to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms and/or agreements with the Participant as shall be determined by the Compensation Committee and/or the Board.

14. **Adjustments Upon Changes in Capitalization.** In the event of any change in the outstanding Shares subsequent to the effective date of the Plan by reason of any reorganization, recapitalization, stock split, stock dividend, combination or exchange of Shares, merger or consolidation (in each case where the shares of the Company are converted into stock and/or cash of another entity), or any change in the corporate structure affecting the Shares of the Company, the maximum aggregate number and class of Shares as to which Awards may be granted under the Plan and the number and class of Shares, and the exercise price and base price, with respect to which Awards theretofore have been granted under the Plan will be appropriately adjusted by the Compensation Committee and/or the Board to prevent the dilution or diminution of Awards. The Compensation Committee and/or the Board's determination with respect to any adjustments will be conclusive. Any Shares or other securities

Edgar Filing: OptimumBank Holdings, Inc. - Form DEF 14A

received, as a result of any of the foregoing, by a Participant with respect to Restricted Shares will be subject to the same restrictions and the certificate(s) or other instruments representing or evidencing the Shares or other securities will be legended and deposited with the Company in the manner provided in Section 12 of this Agreement.

B-6

15. **Effect of Change of Control.**

If the Continuous Service of any Participant of the Company or any Affiliate is involuntarily terminated, for whatever reason except for Cause, at any time within twelve (12) months after a Change of Control, unless the Compensation Committee and/or the Board has otherwise provided in the Award Agreement, (i) any Restricted Period with respect to an Award of Restricted Shares will lapse upon the Participant's termination of Continuous Service and all Restricted Shares will become fully vested in the Participant to whom the Award was made; and (ii) with respect to Performance Shares, the Participant will be entitled to receive a prorata payment to the same extent as if the Participant ceases Continuous Service by reason of death or Disability under Section 12 of the Plan.

If a Change of Control occurs, unless the Compensation Committee and/or the Board has otherwise provided in the Award Agreement, all Option Awards theretofore granted and not fully exercisable will become exercisable in full upon the happening of such event and will remain exercisable in accordance with their terms; provided, however, that no Option which has previously been exercised or otherwise terminated will become exercisable.

16. **Assignments and Transfers.** No Award nor any right or interest of a Participant in any Award under the Plan may be assigned, encumbered or transferred otherwise than by will or the laws of descent and distribution. Notwithstanding the foregoing, the Compensation Committee and/or the Board may, in its sole discretion, set forth in an Award Agreement at the time of grant or thereafter, that the Award (other than Options) may be transferred to members of the Participant's immediate family, to one or more trusts solely for the benefit of such immediate family members and to partnerships in which such family members or trusts are the only partners. For this purpose, immediate family means the Participant's spouse, parents, children, step-children, grandchildren and legal dependents. Any transfer of an Award under this provision will not be effective until notice of such transfer is delivered to the Company.

17. **Employee Rights Under the Plan.** No officer, Director, Employee or other person will have a right to be selected as a Participant nor, having been so selected, to be selected again as a Participant, and no officer, Director, Employee or other person will have any claim or right to be granted an Award under the Plan or under any other incentive or similar plan of the Company or any Affiliate. Neither the Plan nor any action taken under the Plan will be construed as giving any Employee, Director or other person, any right to Continuous Service.

18. **Delivery and Registration of Shares.** The Company's obligation to deliver Shares with respect to an Award will, if the Company requests, be conditioned upon the receipt of a representation as to the investment intention of the Participant to whom such Shares are to be delivered, in such form as the Compensation Committee and/or the Board will determine to be necessary or advisable to comply with the provisions of the Securities Act or any other applicable federal or state securities laws. It may be provided that any representation requirement will become inoperative upon a registration of the Shares or other action eliminating the necessity of the representation under the Securities Act or other state securities laws. The Company will not be required to deliver any Shares under the Plan prior to (a) the admission of such Shares to listing on any stock exchange or system on which Shares may then be listed, and (b) the completion of any registration or other qualification of the Shares under any state or federal law, rule or regulation, as the Company determines to be necessary or advisable.

19. **Withholding Tax.** Prior to the delivery of any Shares or cash pursuant to an Award, the Company has the right and power to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy all applicable tax withholding requirements. The Board, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit or require a Participant to satisfy all or part of the tax withholding obligations in connection with an Award by (a) having the Company withhold otherwise deliverable Shares, or (b) delivering to the Company Shares already owned for a period of at least six months and having a value equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount that the Compensation Committee and/or the Board determines, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined for these purposes. For these purposes, the value of the Shares to be withheld or delivered will be equal to the Market Value as of the date that the taxes are required to be withheld.

20. **Termination, Amendment and Modification of Plan.** The Compensation Committee and/or the Board may at any time terminate, and may at any time and from time to time and in any respect amend or modify the Plan; provided, however, that to the extent necessary and desirable to comply with Rule 16b-3 under the Exchange Act or Code section 422 (or any other applicable law or regulation, including requirements of any stock exchange or quotation system on which the Company's common stock is listed or quoted), shareholder approval of any Plan amendment will be obtained in the manner and to the degree as is required by the applicable law or regulation; and provided further, that no termination, amendment or modification of the Plan will in any manner affect any Award theretofore granted pursuant to the Plan without the consent of the Participant to whom the Award was granted or the transferee of the Award.

21. **Effective Date and Term of Plan.** The Plan will become effective upon its adoption by the Compensation Committee and/or the Board and shareholders of the Company. Unless sooner terminated pursuant to Section 20, no further Awards may be made under the Plan after ten (10) years from the effective date of the Plan.

22. **Governing Law.** The Plan and Award Agreements will be construed in accordance with and governed by the internal laws of the State of Florida.

23. **Repricing of Options.** Nothing in this Plan shall permit the repricing of any outstanding options other than (a) with the prior approval of the Company's shareholders, or (b) pursuant to Section 15. The foregoing restriction shall also apply to any other transaction which would be treated as a repricing of outstanding options under generally accepted accounting principles.

24. **Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) do not apply to a Participant. This Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Company without the consent of the Participant).
