Item 5.07 Submission of Matters to a Vote of Security Holders.

On January 26, 2012, Jabil Circuit, Inc. (the Company) held its Annual Meeting of Stockholders. As of the record date of November 28, 2011, 209,535,937 shares of the Company's Common Stock were outstanding and entitled to vote. Of this amount, 190,538,176 shares, representing approximately 90.9% of the total number of eligible voting shares, were represented in person or by proxy constituting a quorum (which number includes 4,304,552 shares for which proxies were granted but not voted because the Company's transfer agent inadvertently did not timely inform the proxy holders that proxies had been granted with respect to those shares (such shares are included below in the NON VOTES column below)). Set forth below are the voting results from the proposals presented for a stockholder vote at such meeting, each of which received a sufficient number of votes to pass.

The following tables set forth the votes cast with respect to each of these matters:
