CORPORATE GOVERNANCE

Director Independence

The Board of Directors analyzed the independence of each director and determined that the following current directors meet the standards of independence of applicable NASDAQ Stock Market (NASDAQ) listing standards: Robert Acri, Moishe Gubin and Seth Gillman.

Three of the directors are not considered independent. They are Richard L. Browdy, who is an employee and officer of the Company; Wendy Mitchler, who serves as outside counsel for the Company; and Sam Borek, who served as a consultant to the Company until July 2011.

Larry Willis and Jerry Grace served as directors and members of the Audit Committee of the Board in 2011. Mr. Grace resigned from the Board in May 2011 and Mr. Willis resigned in January 2012. Mr. Willis and Mr. Grace were considered independent directors under NASDAQ listing standards applicable to board members and audit committee members. The Board considered that Mr. Willis was an executive officer of an insurance agency which was used by the Company to obtain

commercial property and liability insurance. The Board determined that such payments were not indirect compensatory fees to Mr. Willis, and Mr. Willis was therefore independent under the standards applicable to audit committee members.

NASDAQ listing standards require that a majority of our board of directors be independent directors. With only three independent directors on our six member board of directors, we have been notified by NASDAQ that the Company does not meet NASDAQ listing standards. NASDAQ has provided the Company a deadline of June 29, 2012 to comply with the majority independent directors requirement. Under an agreement with the Board of Governors of the Federal Reserve, the Company is required to give the Federal Reserve prior notice of the addition of a director and the opportunity to object to such director candidate. The board of directors has submitted an independent director candidate to the Federal Reserve, but does not anticipate that regulatory approval of the candidate will be received prior to the 2012 Annual Meeting. At the time the candidate receives regulatory approval, in accordance with the Company's bylaws, the Board intends to increase the size of the Board to seven members and to appoint one additional independent director to the Board. We anticipate the appointment of an additional director will occur after the 2012 Annual Meeting and prior to June 29, 2012. If the Company is unable to comply with the independent director requirement by the stated deadline, our common stock will be delisted from The NASDAQ Capital Market.

The Board of Directors Meetings and Committees

OptimumBank Holding's Board of Directors met 16 times during 2011. The Board of OptimumBank, which during 2011 included all members of the Board of Directors of the Company except for Robert Acri, met a total of 16 times. The independent directors met in executive session without management two times during 2011. Each of the current members of the Board of Directors attended at least 75% of the meetings of the Board and committees on which he or she served. The Company's Board of Directors has established several standing committees, including the Audit and Compensation Committees.

Compensation Committee. The Compensation Committee currently consists of three directors: Moishe Gubin, Chair, Seth Gillman and Robert Acri, all of whom are independent under NASDAQ listing standards. The Compensation Committee reviews and recommends to the Board of Directors the compensation arrangements for executive management and non-employee directors. The Compensation Committee met two times during 2011 and operates under a written charter.

A copy of our current Compensation Committee Charter can be viewed on our Website at www.optimumbank.com/corpgovernance.html.

In 2011, no executive officer had a role in determining or recommending the amount or form of executive or director compensation. The Compensation Committee does not delegate its authority to any other persons. During 2011, the Compensation Committee did not use consultants to determine or recommend the amount or form of compensation arrangements. However, in 2011, the Compensation Committee retained Blanchard Chase, a compensation consultant, to provide the committee with a peer group analysis of chief executive officer compensation to assist the committee in its negotiations with a prospective chief executive officer. In 2011, the Compensation Committee also reviewed a tally sheet that detailed each executive officer's historical and projected earnings, equity awards, and benefits and perquisites.

Nominating Committee. The Company has no formal nominating committee or nominating committee charter but, rather, the three independent members of the Board, Mr. Acri, Mr. Gubin and Mr. Gillman, perform the functions of a nominating committee. Pursuant to the Corporate Governance Guidelines adopted by the Board of Directors, the independent directors are responsible for recommending for the full Board's selection the slate of director nominees for election. These guidelines also provide for the independent directors to evaluate new candidates and current directors, and recommend candidates to the Board to fill vacancies occurring between annual shareholder meetings. All of the director nominees of the Company set forth in the Proposal entitled "Election of Directors and Management Information" were recommended by a majority of the independent directors of the Company. The independent directors in their capacity as the nominating committee held one

meeting during 2011. The Board of Directors believes it is appropriate for the Company's independent directors, and not a separate nominating committee, to recommend nominees and evaluate candidates due to its belief that all directors should participate fully in the nomination process.

A copy of our current Corporate Governance Guidelines can be viewed on our Website at www.optimumbank.com/corpgovernance.html.

The Board initially looks to nominating its existing directors for re-election to the Board as appropriate or to other Director nominees proposed, as appropriate, by the directors, and in doing so considers each director's independence, if required, share ownership, skills, performance and attendance at a minimum of 75% of the Board and respective committee meetings. In evaluating any candidates for potential director nomination, the Board of Directors, and specifically the independent directors, will consider candidates that are independent, if required, who possess personal and professional integrity, have good business judgment, relevant experience and skills, including financial, real estate and/or legal expertise, who would be effective as a Director in conjunction with the full Board, who would commit to attend Board and committee meetings, and whose interests are aligned with the long-term interests of the shareholders.

The Board, including its independent directors, will consider director candidates recommended by shareholders, provided the recommendation is in writing and delivered to the President of the Company at the principal executive offices of the Company not later than the close of business on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials to shareholders for the preceding year's annual meeting of shareholders. The nomination and notification must contain the nominee's name, address, principal occupation, total number of shares owned, consent to serve as a director, and all information relating to the nominee and the nominating shareholder as would be required to be disclosed in solicitation of proxies for the election of such nominee as a director pursuant to the SEC's proxy rules. It is the general policy of the Company to re-nominate qualified incumbent directors, and that, absent special circumstances, the Board will not consider other candidates when a qualified incumbent consents to stand for re-election.

Audit Committee. The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. The Audit Committee is currently composed of three non-employee directors and operates under a written charter adopted and approved by the Board of Directors. Moishe Gubin, Chair, Seth Gillman and Robert Acri make up the Board's Audit Committee. Our current Audit Committee Charter can be viewed on our Website at www.optimumbank.com/corpgovernance.html.

The Board has determined that each member of the Audit Committee is financially literate and independent in accordance with the more stringent NASDAQ listing standards applicable to audit committee members. The Board also has determined that Moishe Gubin is an audit committee financial expert as defined by SEC rules. The Audit Committee met nine times during 2011. A Report from the Audit Committee is included on page 10.

Attendance by Directors at Annual Shareholders' Meetings

The Company expects its directors to attend the Annual Meeting. Five of our current directors attended last year's Annual Meeting.

Shareholder Communications with the Board of Directors

The Board of Directors has adopted a formal process by which shareholders may communicate with the Board. Shareholders who wish to communicate with the Board may do so by sending written communications addressed to: Board of Directors, OptimumBank Holdings, Inc. at 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308, attention: Richard L. Browdy, President. All communications will be compiled by the President and submitted to the members of the Board. Concerns about accounting or auditing matters or possible violations of our Senior Financial Officer Code of Ethics should be reported under the procedures outlined in our Whistleblower Policy. Our Whistleblower Policy is available on our Website at www.optimumbank.com/corpgovernance.html.

Board Leadership Structure and Role in Risk Oversight

The roles of chairman and chief executive officer have been separate since December 2011. Mr. Gubin serves as chairman and Mr. Browdy, as President and Chief Operating Officer, serves as the Company's principal executive officer.

The Board believes that risk management is an important component of our corporate strategy. While we assess specific risks at our committee levels, the Board, as a whole, oversees our risk management process, and discusses and reviews with management major policies with respect to risk assessment and risk management. The Board is regularly informed through committee reports about our risks. The Audit Committee reviews and assesses our processes to manage financial and financial reporting risk. It also reviews our policies for risk assessment and assesses steps management has taken to control significant risks. The Compensation Committee oversees risks relating to compensation practices and policies.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2011 with the Company's management and has discussed with the independent auditors, Hacker, Johnson & Smith PA, the matters required to be discussed by Statement on Auditing Standards Board Standard No. 61, as amended, Communication with Audit Committees, as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. In addition, Hacker, Johnson & Smith PA has provided the Audit Committee with the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent auditor's communications with the audit committee concerning independence, and the Audit Committee has discussed with Hacker, Johnson & Smith PA, the independent auditor's independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2011, and selected Hacker, Johnson & Smith PA as the Company's independent auditor for 2012.

PROPOSAL 2

RATIFICATION OF INDEPENDENT AUDITOR

The Audit Committee has selected Hacker, Johnson & Smith PA as the Company's independent auditor for fiscal year 2012, and the Board asks shareholders to ratify that selection. Although current law, rules, and regulations, as well as the charter of the Audit Committee, require the Audit Committee to engage, retain, and oversee the Company's independent auditor, the Board considers the selection of the independent auditor to be an important matter of shareholder concern and is submitting the selection of Hacker Johnson & Smith PA for ratification by shareholders as a matter of good corporate practice.

The affirmative vote of holders of a majority of the shares of common stock cast in person or by proxy at the meeting is required to approve the ratification of the selection of Hacker Johnson & Smith PA as the Company's independent auditor for the current fiscal year.

The Board of Directors unanimously recommends a vote FOR Proposal 2.
