- The information provided and incorporated by reference in Item 3 is hereby incorporated by reference.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer
Investor Rights Agreement

The Madrone Entities and other stockholders of the Issuer have entered into an Amended and Restated Investors Rights Agreement dated March 15, 2010 (the "Investor Rights Agreement") with the Issuer. Subject to the terms of the Investor Rights Agreement, holders of shares having registration rights ("Registrable Securities") can demand that the Issuer file a registration statement or request that their shares be covered by a registration statement that the Issuer is otherwise filing.

Demand Registration Rights

Edgar Filing: Enphase Energy, Inc. - Form SC 13D

The holders of approximately 30,013,442 shares of the Issuer's common stock will be entitled to certain demand registration rights. At any time after six months following completion of the IPO, the holders of at least a majority of these shares have the right to request that the Issuer file up to two registration statements. The Issuer may postpone the filing of a registration statement for up to 90 days if it determines that the filing would be seriously detrimental to the Issuer and their stockholders, and the underwriters of an underwritten offering will have the right, subject to certain restrictions, to limit the number of shares registered by these holders for reasons relating to the marketing of the shares.

7.

Form S-3 Registration Rights

The holders of approximately 30,013,442 shares of the Issuer's common stock will be entitled to certain Form S-3 registration rights. At any time after the Issuer is eligible to file a registration statement on Form S-3, holders of at least 25% of these shares have the right to request that the Issuer effect a registration on Form S-3 if the proposed aggregate offering price of the shares to be registered by the holders requesting registration is at least \$1,000,000. The Issuer will not be required to effect such a registration if the Issuer has effected one such registration within the 24-month period preceding a request and the Issuer may postpone the filing of a registration statement on Form S-3 for up to 90 days if the Issuer determines that the filing would be seriously detrimental to the Issuer and their stockholders. The underwriters of any underwritten offering will have the right, subject to certain restrictions, to limit the number of shares registered by these holders for reasons relating to the marketing of the shares.

Piggyback Registration Rights

If the Issuer proposes to register any of its securities for public sale, the holders of approximately 30,013,442 shares of the Issuer's common stock will be entitled to certain piggyback registration rights allowing the holders to include their shares in such registration. However, this right does not apply to a registration relating to any of the Issuer's employee benefit plans, the exchange of securities in certain corporate reorganizations or certain other transactions or the issuance of common stock upon conversion of debt securities, the offer and sale of which are also being registered. The underwriters of any underwritten offering will have the right to limit the number of shares registered by these holders for reasons relating to the marketing of the shares, but not below 30% of the total number of shares included in the registration statement.

Expenses of Registration

Subject to certain limitations, the Issuer will pay all expenses incurred by holders of shares registered in connection with up to two demand registrations and all piggyback and Form S-3 registrations except, in each case, for fees and expenses of legal counsel in excess of \$50,000, underwriting discounts, selling commissions and transfer taxes. However, subject to limited exceptions, the Issuer will not pay for any expenses of any demand registration if the request is subsequently withdrawn by the holders or if the net proceeds requirement of a demand registration is not met.

Indemnification

The Investor Rights Agreement contains customary cross-indemnification provisions, pursuant to which the Issuer is obligated to indemnify the selling stockholders in the event of material misstatements or omissions in the registration statement attributable to the Issuer, and the selling stockholders are obligated to indemnify the Issuer for material misstatements or omissions attributable to them.

Termination

The registration rights described herein will terminate on the earlier of: (i) five years after the closing of the IPO and (ii) with respect to an individual holder, when such holder is able to sell all of its shares pursuant to Rule 144 under the Securities Act in any three month period.

Lock-up Agreements

The Madrone Entities and Mr. McJunkin, along with all of the Issuer's officers, directors, and holders of substantially all of the Issuer's common stock, have entered into letter agreements (the **Lock-up Agreements**), whereby they have agreed, subject to certain exceptions, with the underwriters not to dispose of or hedge any shares of the Issuer's common stock or securities convertible into or exchangeable for shares of common stock during the period from the date of the lock-up agreement continuing for a period of 180 days from March 29, 2012, except with the prior written consent of Morgan Stanley & Co. LLC.

The 180-day restricted period described in the preceding paragraph will be automatically extended if:

during the last 17 days of the 180-day restricted period the Issuer issues an earnings release or announce material news or a material event; or

prior to the expiration of the 180-day restricted period, the Issuer announces that it will release earnings results during the 16-day period beginning on the last day of the 180-day period, in which case the restrictions described in the preceding paragraph will continue to apply until the expiration of the 18-day period beginning on the date of the issuance of the earnings release or the announcement of the material news or material event.

Other than as described in this Schedule 13D, to the best of the Madrone Entities and Listed Persons knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.
