All members of each Board of NCV, NCZ, NIE, NAI, NFJ and PGP are and will remain, if re-elected, Continuing Trustees, as such term is defined in the Declarations of those Funds, having either served as Trustee since the inception of the Funds or having been nominated by at least a majority of the Continuing Trustees then members of the Boards.

At any annual meeting of shareholders, any Trustee/Director elected to fill a vacancy that has arisen since the preceding annual meeting of shareholders (whether or not such vacancy has been filled by election of a new Trustee/Director by the Board) shall hold office for a term that coincides with the remaining term of the Class of Trustees/Directors to which such office was previously assigned, if such vacancy arose other than by an increase in the number of Trustees/Directors, and until his or her successor shall be elected and shall qualify. In the event such vacancy arose due to an increase in the number of Trustees/Directors, any Trustee/Director so elected to fill such vacancy at an annual meeting shall hold office for a term which coincides with that of the Class of Trustee/Director to which such office has been apportioned and until his or her successor shall be elected and shall qualify.

\* A Trustee/Director of NCV, NCZ, NIE, NAI, NFJ, PGP and RCS elected at an annual meeting shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office.

\*\* Mr. Maney is an Interested Trustee/Nominee.

Under this classified Board structure, generally only those Trustees/Directors in a single Class may be replaced in any one year, and it would require a minimum of two years to change a majority of the Board under normal circumstances. This structure, which may be regarded as an anti-takeover provision, may make it more difficult for a Fund's Shareholders to change the majority of Trustees/Directors of the Fund, and thus promotes the continuity of management.

Unless authority is withheld, it is the intention of the persons named in the enclosed proxy for a Fund to vote each proxy for the persons listed above for that Fund. Each of the nominees has indicated he or she will serve if elected, but if he or she should be unable to serve for a Fund, the proxy holders may vote in favor of such substitute nominee as the Board may designate (or, alternatively, the Board may determine to leave a vacancy).

#### Trustees/Directors and Officers

The business of each Fund is managed under the direction of the Fund's Board of Trustees/Directors. Subject to the provisions of each Fund's Declaration/Articles, its By-Laws and applicable state law, the Trustees/Directors have all powers necessary and convenient to carry out this responsibility, including the election and removal of the Fund's officers.

**Board Leadership Structure** If the nominees are elected as proposed, the Board of Trustees/Directors of each Fund will consist of seven Trustees/Directors, six of whom are not interested persons (within the meaning of Section 2(a)(19) of the 1940 Act) of the Fund or of the Manager (the Independent Trustees/Directors). An Independent Trustee/Director serves as Chairman and is selected by vote of the majority of the Independent Trustees/Directors. The Chairman presides at meetings of the Board and acts as a liaison with service providers, officers, attorneys and other Trustees/Directors generally between meetings, and performs such other functions as may be requested by the Board from time to time.

The Board of Trustees/Directors meets regularly four times each year to discuss and consider matters concerning the Funds, and also holds special meetings to address matters arising between regular meetings. The Independent Trustees/Directors regularly meet outside the presence of management and are advised by independent legal counsel. Regular meetings generally take place in-person; other meetings may take place in-person or by telephone.

The Board of Trustees/Directors has established four standing Committees to facilitate oversight of the management of the Funds: the Audit Oversight Committee, the Nominating Committee, the Valuation Committee and the Compensation Committee. The functions and role of each Committee are described below under Board Committees and Meetings. The membership of each Committee consists of all of the Independent Trustees/Directors, which the Board believes allows them to participate in the full range of the Board's oversight duties.

The Board reviews its leadership structure periodically and has determined that this leadership structure, including an Independent Chairman, a supermajority of Independent Trustees/Directors and Committee membership limited to Independent Trustees/Directors, is appropriate in light of the characteristics and circumstances of each Fund. In reaching this conclusion, the Board considered, among other things, the predominant role of the Manager and Sub-Advisers in the day-to-day management of Fund affairs, the extent to which the work of the Board is conducted through the Committees, the number of portfolios that comprise the Fund Complex (defined below), the variety of asset classes those portfolios include, the net assets of each Fund and the Fund Complex and the management and other service arrangements of each Fund and the Fund Complex. The Board also believes that its structure, including the presence of one Trustee/Director who is an executive with various Manager-affiliated entities, facilitates an efficient flow of information concerning the management of each Fund to the Independent Trustees/Directors.

**Risk Oversight** Each of the Funds has retained the Manager and the applicable Sub-Adviser to provide investment advisory services, and, in the case of the Manager, to oversee the Fund's business affairs and administrative matters, and

these service providers are principally responsible for the management of risks that may arise from Fund investments and operations. Some employees of the Manager serve as the Funds' officers, including the Funds' principal executive officer and principal financial and accounting officer. The Board oversees the performance of these functions by the Manager and Sub-Advisers, both directly and through the Committee structure it has established. The Board receives from the Manager and Sub-Advisers a wide range of reports, both on a regular and as-needed basis, relating to the Funds' activities and to the actual and potential risks of the Funds. These include reports on investment risks, compliance with applicable laws, and the Funds' financial accounting and reporting. In addition, the Board meets periodically with the individual portfolio managers of the Funds to receive reports regarding the portfolio management of the Funds and their performance, including their investment risks.

In addition, the Board has appointed a Chief Compliance Officer ( CCO ). The CCO oversees the development of compliance policies and procedures that are reasonably designed to minimize the risk of violations of the federal securities laws ( Compliance Policies ). The CCO reports directly to the Independent Trustees/Directors, and provides presentations to the Board at its quarterly meetings and an annual report on the application of the Compliance Policies. The Board periodically discusses relevant risks affecting the Funds with the CCO at these meetings. The Board has approved the Compliance Policies and reviews the CCO's reports. Further, the Board annually reviews the sufficiency of the Compliance Policies, as well as the appointment and compensation of the CCO.
