## Dear Stockholder,

I am pleased to invite you to attend a special meeting of the stockholders, which we refer to as the special meeting, of MetroPCS Communications, Inc., a Delaware corporation, which we refer to as MetroPCS, on [ ], at 10:00 a.m., local time, [in the Bank of America Theater at the Eisemann Center located at 2351 Performance Drive, Richardson, Texas 75082]. At the special meeting, our stockholders will vote on matters relating to the combination of MetroPCS with T-Mobile USA, Inc., which we refer to as T-Mobile. The combination of MetroPCS with T-Mobile will create a leading value wireless carrier in the United States, which will deliver an enhanced customer experience through a broader selection of affordable products and services, more network capacity and broader network coverage and a clear-cut technology path to one common long-term evolution network. We believe that the combined company will have the expanded scale, spectrum and financial resources to compete aggressively with the other larger U.S. wireless carriers.

The board of directors of MetroPCS, which we refer to as the MetroPCS board, has unanimously approved and declared advisable the combination of MetroPCS with T-Mobile pursuant to and subject to the conditions set forth in the Business Combination Agreement, dated October 3, 2012, which we refer to as the business combination agreement, by and among Deutsche Telekom AG, an *Aktiengesellschaft* organized in Germany, which we refer to as Deutsche Telekom, T-Mobile Global Zwischenholding GmbH, a *Gesellschaft mit beschränkter Haftung* organized in Germany and a direct wholly-owned subsidiary of Deutsche Telekom, which we refer to as Global, T-Mobile Global Holding GmbH, a *Gesellschaft mit beschränkter Haftung* organized in Germany and a direct wholly-owned subsidiary of Global, which we refer to as Holding, T-Mobile, a Delaware corporation and direct wholly-owned subsidiary of Holding, and MetroPCS.

Pursuant to the terms and subject to the conditions set forth in the business combination agreement, including receipt of the required MetroPCS stockholder approval of certain of the proposals described in this proxy statement, MetroPCS will:

- (i) effect a recapitalization that includes a reverse stock split, which we refer to as the reverse stock split, of the MetroPCS common stock, which has a par value of \$0.0001 per share prior to completion of the transaction and will have a par value of \$0.00001 per share following the completion of the transaction, which we refer to as MetroPCS common stock, pursuant to which each share of MetroPCS common stock outstanding as of the effective time of the reverse stock split, which we refer to as the effective time, will represent thereafter one-half of a share of MetroPCS common stock;
- (ii) as part of such recapitalization, make a payment in cash, which we refer to as the cash payment, in an amount equal to \$1.5 billion (or approximately \$4.08 per share pre-reverse stock split), without interest, in the aggregate to the record holders of MetroPCS common stock immediately following the effective time; and
- (iii) immediately following the cash payment, issue and deliver to Holding or its designee shares of MetroPCS common stock equal to 74% of the fully-diluted shares of MetroPCS common stock outstanding immediately following the cash payment (with the percentage ownership of MetroPCS common stock as of such time of Holding or its designee and the MetroPCS stockholders and

optionholders being calculated pursuant to the business combination agreement (1) under the treasury method based on the average closing price of a share of MetroPCS common stock on the New York Stock Exchange for the five full trading days immediately

preceding the date the transaction is completed after taking into account the reverse stock split and the cash payment but before taking into account the subsequent cash-out of stock options, if any, in connection with the transaction and (2) on a grossed-up basis to take into account the number of shares of MetroPCS common stock so issued to Holding or its designee), which we refer to as the MetroPCS stock issuance, and Holding will deliver to MetroPCS all of the shares of capital stock of T-Mobile.

In this proxy statement, we refer to the transactions contemplated by the business combination agreement, including the reverse stock split, the cash payment, and the MetroPCS stock issuance, collectively, as the transaction.

The purpose of the special meeting is to allow MetroPCS stockholders to consider and vote upon the following proposals relating to the transaction:

- (i) a proposal to approve the MetroPCS stock issuance, which we refer to as the stock issuance proposal;
- (ii) a proposal to approve the Fourth Amended and Restated Certificate of Incorporation of MetroPCS, which we refer to as the new certificate of incorporation, to, among other things, effect certain aspects of the recapitalization, including the reverse stock split, which we refer to as the new certificate of incorporation proposal;
- (iii) a proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to MetroPCS named executive officers based on, or otherwise relating to, the transaction, which we refer to as the change in control payments proposal; and
- (iv) a proposal to approve the continuation, adjournment or postponement of the special meeting, if necessary or appropriate to solicit additional proxies if there are insufficient votes at the time of the special meeting to approve both the stock issuance proposal and the new certificate of incorporation proposal, which we refer to as the adjournment proposal.

After careful consideration, the MetroPCS board, acting upon the recommendation of a special committee of the MetroPCS board established in connection with MetroPCS consideration of the transaction, which we refer to as the special committee, unanimously approved the business combination agreement and has determined that the transaction, including the MetroPCS stock issuance and the new certificate of incorporation, is appropriate, advisable and in the best interests of MetroPCS and its stockholders. The MetroPCS board, acting upon the recommendation of the special committee, unanimously recommends that you vote FOR the stock issuance proposal. FOR the new certificate of incorporation proposal, FOR the change in control payments proposal, and FOR the adjournment proposal.

Attached you will find a Notice of Special Meeting of Stockholders and proxy statement that contains further information about the special meeting, including the time, date and location of the special meeting, a description of the matters to be voted on at the special meeting, the different methods that you may use to vote, and how to obtain an admission card if you plan to attend the special meeting in person.

Your vote is very important. We cannot complete the transaction without the requisite MetroPCS stockholder approval of both the stock issuance proposal and the new certificate of incorporation proposal.

Whether or not you plan to attend the special meeting, please read the accompanying proxy statement and then cast your vote as instructed in your proxy card, as promptly as possible. Because the voting cut-off date varies by voting method, we encourage you to review your proxy card for when you must cast your vote in order for it to be counted at the special meeting and to cast your vote early. In any event, we encourage you to vote before the date of the special meeting or the voting cut-off date applicable to your chosen method of voting so that your shares will be represented and voted at the special meeting even if you cannot attend in person. We encourage you to cast your vote by using the telephone or Internet because it is easier and more efficient, will help us reduce our impact on the environment and will save MetroPCS printing and postage costs.

The accompanying proxy statement describes the transaction in greater detail. We urge you to carefully read this proxy statement in its entirety, including the annexes and information incorporated by reference and the matters discussed under the section entitled Risk Factors beginning on page 31. You may also find more information about MetroPCS in documents filed with the Securities and Exchange Commission as described in Where You Can Find More Information on page 202 of this proxy statement.

Sincerely yours,

Roger D. Linquist

At the special meeting, our stockholders will vote on matters relating to the combination of MetroPCS with T-Mobile USA, Inc., which we refer to as T-Mobile. The combination of MetroPCS with T-Mobile will create a leading value wireless carrier in the United States, which will deliver an enhanced customer experience through a broader selection of affordable products and services, more network capacity and broader network coverage and a clear-cut technology path to one common long-term evolution network. We believe that the combined company will have the expanded scale, spectrum and financial resources to compete aggressively with the other larger U.S. wireless carriers. The board of directors of MetroPCS, which we refer to as the MetroPCS board, has unanimously approved and declared advisable the combination of MetroPCS with T-Mobile pursuant to and subject to the conditions set forth in the Business Combination Agreement, dated October 3, 2012, which we refer to as the business combination agreement, by and among Deutsche Telekom AG, an Aktiengesellschaft organized in Germany, which we refer to as Deutsche Telekom, T-Mobile Global Zwischenholding GmbH, a Gesellschaft mit beschränkter Haftung organized in Germany and a direct wholly-owned subsidiary of Deutsche Telekom, which we refer to as Global, T-Mobile Global Holding, T-Mobile, a Delaware corporation and direct wholly-owned subsidiary of Holding, and MetroPCS.

The purpose of the special meeting is to allow MetroPCS stockholders to consider and vote upon the following proposals relating to the transactions contemplated by the business combination agreement (which we refer to as the transaction), a copy of which is included as Annex A to the proxy statement attached to this notice:

(i) a proposal to approve the issuance of MetroPCS common stock, which has a par value of \$0.0001 per share prior to completion of the transaction and will have a par value of \$0.00001 per share following the completion of the transaction, which we refer to as MetroPCS common stock, representing 74% of the fully-diluted shares of MetroPCS common stock outstanding immediately following the payment in cash, which we refer to as the cash payment, in an amount equal to \$1.5 billion (or approximately \$4.08 per share pre-reverse stock split (as defined below)), without interest, in the aggregate to the record holders of MetroPCS common stock immediately following the effective time of the reverse stock split (with the percentage ownership of fully-diluted shares of MetroPCS common stock as of such time of Holding or its designee and the MetroPCS stockholders and optionholders being calculated pursuant to the business combination agreement (1) under the treasury method based on the average closing price of a share of MetroPCS common stock on the New York Stock Exchange for the five full trading days immediately preceding the date the transaction is completed after taking into account the reverse stock split and the cash payment but before taking into account the

IF THE METROPCS STOCKHOLDERS FAIL TO APPROVE BOTH THE STOCK ISSUANCE PROPOSAL AND THE NEW CERTIFICATE OF INCORPORATION PROPOSAL, THE TRANSACTION WILL NOT OCCUR.

The only MetroPCS stockholder approvals required by the business combination agreement are the stock issuance proposal and the new certificate of incorporation proposal. The change in control payments proposal is non-binding and advisory and the vote on such proposal will have no impact on whether the transaction is completed. In addition, even if the MetroPCS stockholders approve both the stock issuance proposal and the new certificate of incorporation proposal, the transaction may not be completed if the other conditions to closing the transaction are not satisfied or, if allowed by applicable law, waived. We can give no assurance that the conditions to closing the transaction will be satisfied or so waived. If MetroPCS and Deutsche Telekom do not complete the transaction, MetroPCS will neither issue the stock contemplated by the stock issuance proposal nor amend and restate its certificate of incorporation as contemplated by the new certificate of incorporation proposal, notwithstanding that MetroPCS stockholders may have previously approved either or both proposals. Please refer to the attached proxy statement for further information regarding the business to be transacted at the special meeting.

The board of directors of MetroPCS, which we refer to as the MetroPCS board, has established the close of business on [ ] as the record date for the special meeting, which we refer to as the record date. Only record holders of shares of MetroPCS common stock at the close of business on the record date are entitled to notice of, and to vote at, the special meeting and any continuations, adjournments or postponements of the special meeting. A list of these stockholders will be available for inspection by any MetroPCS stockholder, for any purpose germane to the special meeting, at the special meeting and for 10 days prior to the special meeting between the hours of 9:00 a.m. and 4:30 p.m., local time, at our principal executive offices at 2250 Lakeside Boulevard, Richardson, Texas 75082.

If you are a record holder of MetroPCS common stock, an admission ticket is attached to your proxy card. However, if you hold your shares of MetroPCS common stock through a bank, broker, custodian or other record holder, you should ask the bank, broker, custodian or other record holder that holds your shares to provide you with a legal proxy, a copy of your account statement, or a letter from the record holder confirming that you beneficially own or hold MetroPCS common stock as of the close of business on the record date.
