**Item 1.01 Entry into a Material Definitive Agreement.**

On April 10, 2013, the Board of Directors of Avago Technologies Limited (the Company) approved the entry by the Company and certain of its subsidiaries (together Avago) into an Agreement and Plan of Merger, dated as of April 10, 2013 (the Merger Agreement), with CyOptics, Inc. (CyOptics), and certain other parties, pursuant to which Avago has agreed to acquire CyOptics. The acquisition will be structured as a merger of an indirect wholly-owned subsidiary of the Company with and into CyOptics (the Merger), with CyOptics surviving the Merger and continuing as an indirect wholly-owned subsidiary of the Company. The Merger Agreement provides that the aggregate consideration for the acquisition will be approximately \$400 million in cash, subject to certain adjustments contemplated by the Merger Agreement. Avago will fund the transaction with cash on hand.

The Merger and Merger Agreement were approved by the Board of Directors of CyOptics on April 10, 2013. Immediately following the execution of the Merger Agreement, CyOptics stockholders holding approximately 99.7% of the capital stock of CyOptics delivered a written consent adopting the Merger Agreement and approving the Merger.

The completion of the Merger is subject to the satisfaction or waiver of customary closing conditions, including, among other things, the expiration or early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the approval of the Committee on Foreign Investment in the United States. The Company currently anticipates that the Merger will be completed in the Company's third fiscal quarter of 2013.

The foregoing summary of the Merger Agreement and the transactions contemplated by the Merger Agreement do not purport to be complete and are subject to, and qualified in their entirety by reference to, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this current report on Form 8-K.

The Merger Agreement and the above description have been included to provide investors and securityholders with information regarding the terms of the Merger Agreement. They are not intended to provide any other factual information about the Company, CyOptics or their respective subsidiaries, affiliates, businesses or equityholders. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of those agreements and as of specific dates, were solely for the benefit of the parties to the Merger Agreement and may be subject to limitations agreed upon by the parties, including being qualified by schedules and other disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should be aware that the representations, warranties and covenants contained in the Merger Agreement or any description thereof may not reflect the actual state of facts or condition of the Company, CyOptics or any of their respective subsidiaries, affiliates, businesses, or equityholders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company. Accordingly, investors should read the representations and warranties in the Merger Agreement only in the context of the information about the Company, CyOptics and the transactions contemplated by the Merger Agreement that the Company includes in reports, statements and other filings that it makes with the U.S. Securities and Exchange Commission (the SEC).

**Item 5.07. Submission of Matters to a Vote of Security Holders.**

On April 10, 2013, the Company held its 2013 Annual General Meeting, at which its shareholders voted on the following matters:

- (1) To elect seven members to the Company's Board of Directors (the Board);
- (2) To approve the re-appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm and independent Singapore auditor for the fiscal year ending November 3, 2013 and to authorize the Audit Committee to fix its remuneration;
- (3) To approve the general authorization for the directors of the Company to allot and issue ordinary shares of the Company, as set forth in the notice of, and proxy statement relating to, the Company's 2013 Annual General Meeting; and
- (4) To approve the share purchase mandate authorizing the purchase or acquisition by the Company of up to 10% of its own issued ordinary shares, as set forth in the notice of, and proxy statement relating to, the Company's 2013 Annual General Meeting (the Share Purchase Mandate).

However, Mr. Hsuan is the Company's sole Singapore resident director required by the Companies Act, Chapter 50, of Singapore (the Act) to be on our Board. Due to the Act's requirement that the Company have at least one director who is ordinarily resident in Singapore in office at all times, Mr. Hsuan will continue in office as a member of the Board until his qualifying successor (i.e. a Singapore resident director) is appointed. The Board has commenced a search for Mr. Hsuan's replacement and will appoint a qualifying replacement director as soon as reasonably practicable.

**Item 8.01 Other Events.**

On April 11, 2013, the Company issued a press release announcing that its Board has authorized the Company to repurchase up to 20 million of its outstanding ordinary shares. This replaces the share repurchase program for 15 million shares announced by the Company on April 5, 2012, which expired at the 2013 Annual General Meeting on April 10, 2013. Share repurchases, if any, will be made in the open market at such times and in such amounts as the Company deems appropriate. The timing and actual number of shares repurchased will depend on a variety of factors including price, market conditions and applicable legal requirements. The share repurchase program does not obligate the Company to repurchase any specific number of shares and may be suspended or terminated at any time without prior notice. A copy of the press release is attached as Exhibit 99.2, and incorporated by reference into this Current Report on Form 8-K.

Pursuant to the Share Purchase Mandate approved by shareholders at the 2013 Annual General Meeting, the Company, upon approval of the Board, is authorized to repurchase 10% of its total ordinary shares outstanding as at April 10, 2013 (approximately 24.7 million shares), in open market transactions or pursuant to equal access schemes, prior to the date on which the Company's 2014 annual general meeting is held or is required by law to be held. However, the Company may not repurchase more than 20 million of its ordinary shares without further action by the Board.
