**Item 8.01. Other Events**

The Board of Directors of Air Products and Chemicals, Inc. (the Company) has determined to include in the proxy statement for the Company's 2014 Annual Meeting of Shareholders a management proposal recommending that the Company's shareholders approve an amendment to its Restated Certificate of Incorporation to eliminate the Company's classified board of directors structure.

If the proposal is approved by the shareholders, declassification of the board of directors will be phased in over time so as not to affect the unexpired terms of previously elected directors. Directors would start to be elected to a one-year term beginning with the directors elected at the Company's 2015 Annual Meeting of Shareholders; and the board of directors would be fully declassified beginning with the 2017 Annual Meeting of Shareholders. The full text of the proposal will be included in the Company's proxy statement to be filed with the Securities and Exchange Commission later this year.
