PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON NOVEMBER 21, 2013

GENERAL INFORMATION

Questions and Answers You May Have About our Annual Meeting and Voting

These proxy materials are provided in connection with the solicitation of proxies by the Board of Directors of The Madison Square Garden Company for the Annual Meeting of Stockholders to be held at 10:00 a.m. Eastern Time on Thursday, November 21, 2013, at the Beacon Theatre which is located at 2124 Broadway, New York.

In this proxy statement, the words Company, we, us, our, MSG and Madison Square Garden refer to The Madison Square Garden Company, a Delaware corporation. We refer to the United States Securities and Exchange Commission as the SEC and The NASDAQ Stock Market LLC as

NASDAQ. This proxy statement and form of proxy are first being sent to stockholders on October 11, 2013. Unless otherwise indicated, references to 2013, the 2013 fiscal year and the year ended June 30, 2013 refer to the Company's fiscal year ended on June 30, 2013.

Who may vote at the annual meeting?

Holders of our Class A Common Stock and holders of our Class B Common Stock as recorded in our stock register at the close of business on September 24, 2013, may vote at the meeting. On September 24, 2013, there were 63,270,412 shares of Class A Common Stock and 13,588,555 shares of Class B Common Stock outstanding. Each share of Class A Common Stock has one vote per share and holders will be voting for the election of three candidates to the board of directors of the Company (the Board). Each share of Class B Common Stock has ten votes per share and holders will be voting for the election of nine candidates to the Board. As a result of their ownership of Class B Common Stock, Charles F. Dolan, members of his family and certain related family entities, have the power to elect all of the directors to be elected by the holders of Class B Common Stock and to approve Proposal 2 regardless of how other shares are voted.

Why did I receive a Notice of Internet Availability for proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, the Company has elected to provide access to its proxy materials over the Internet. Accordingly, the Company has sent a Notice of Internet Availability for Proxy Materials (the Notice) to our stockholders. All stockholders have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email. If you previously chose to receive our proxy materials electronically, you will continue to receive access to these materials via email unless you otherwise elect. The Company encourages stockholders who have not already done so to take advantage of the availability of the proxy materials on the Internet to help reduce the cost and the environmental impact of the annual meeting.

What is householding and how does it affect me?

We have adopted a procedure, approved by the SEC, called householding. Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of

Table of Contents

proxy materials will receive only one copy of this Notice of Annual Meeting and Proxy Statement and Annual Report on Form 10-K for the fiscal year ended June 30, 2013 (the 2013 Form 10-K), unless we are notified that one or more of these stockholders wishes to receive individual copies. This procedure will reduce our printing costs and postage fees.

Stockholders who participate in householding will continue to receive separate proxy cards. If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of this Notice of Annual Meeting and Proxy Statement and any accompanying documents, or if you hold MSG stock in more than one account, and in either case, you wish to receive only a single copy of each of these documents for your household, please contact our transfer agent, Wells Fargo Shareowner Services, P.O. Box 64874, St. Paul, MN 55164-0854 or by telephone at 1-800-468-9716.

If you participate in householding and wish to receive a separate copy of this Notice of Annual Meeting and Proxy Statement and any accompanying documents, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact Wells Fargo Shareowner Services as indicated above.

If you are a beneficial owner, you can request information about householding from your broker, bank or other holder of record.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, Wells Fargo Shareowner Services, you are considered a stockholder of record with respect to those shares, and the Notice was sent directly to you by the Company. If you request printed copies of the proxy materials by mail, you will receive a proxy card.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are a beneficial owner of shares held in street name, and the Notice was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to instruct that organization how to vote the shares held in your account. If you request printed copies of the proxy materials by mail, you will receive a voting instruction form from that organization.

What is a quorum?

In order to carry on the business of the meeting, we must have a quorum. This means that at least a majority of the outstanding votes represented by outstanding shares eligible to vote must be represented at the meeting, either by proxy or in person. If voting on a particular matter is by class, a majority of the votes represented by the outstanding shares of such class constitutes a quorum for that action. Abstentions and broker non-votes count for the purpose of determining a quorum.

How do I vote?

You may vote in advance of the annual meeting by telephone, over the Internet or by a proxy. You may also vote in person or by legal proxy at the meeting. If you choose to vote by mail, please sign and return the proxy card in the envelope provided. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

Can my broker vote my shares without instructions from me?

If you are a beneficial owner whose shares are held of record by a broker, you must instruct your broker how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker does not have discretionary authority to vote. This is called a broker non-vote. In these

Table of Contents

cases, the broker can register your shares as being present at the annual meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required under applicable rules.

If you are a beneficial owner whose shares are held of record by a broker, your broker has discretionary voting authority under applicable rules to vote your shares on the ratification of KPMG LLP as the Company's independent auditors, even if the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote on the election of directors without instructions from you, in which case your shares will not be voted on these matters.

What is the voting requirement to approve each of the proposals?

Election of directors by the holders of Class A Common Stock requires the affirmative vote of the plurality of votes cast by holders of Class A Common Stock. Election of directors by the holders of Class B Common Stock requires the affirmative vote of the plurality of votes cast by holders of Class B Common Stock. Approval of Proposal 2 requires the favorable vote of a majority of the votes cast by the holders of Class A Common Stock and holders of Class B Common Stock, voting together as a single class. Abstentions and broker non-votes will not affect the outcome of the proposals because abstentions and broker non-votes are not considered votes cast.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the annual meeting. You may re-vote via the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to the annual meeting will be counted), by signing and returning a new proxy card or voting instruction form with a later date, or by attending the annual meeting and voting in person. However, your attendance at the annual meeting will not automatically revoke your proxy unless you vote again at the annual meeting or specifically request that your prior proxy be revoked by delivering to the Company's Secretary at Two Pennsylvania Plaza, New York, NY 10121, a written notice of revocation prior to the annual meeting.

How will my shares be voted at the annual meeting?

The Company representatives appointed by the Board (the persons named in the proxy card, or, if applicable, their substitutes) will vote your shares as you instruct. If you sign your proxy card and return it without indicating how you would like to vote your shares, your shares will be voted as the Board recommends, which is:

FOR the election of each of the Director nominees named in this Proxy Statement (Proposal 1), and
FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2014 (Proposal 2).

Who pays for this solicitation?

The Company will bear the expense of preparing, printing and mailing this proxy statement and the accompanying material. Solicitation of individual stockholders may be made by mail, personal interviews, telephone, facsimile, electronic delivery or other telecommunications by our officers and regular employees who will receive no additional compensation for such activities. In addition, we have retained D.F. King & Co, Inc. to solicit proxies at a cost of \$15,000 plus reimbursement for out-of-pocket expenses. We will reimburse brokers and other nominees for their expenses in forwarding solicitation material to beneficial owners.

Table of Contents

Why does some of the information contained in this proxy statement relate to a partial year (i.e., the first six months of 2011)?

On February 7, 2011, the Board approved a change in the Company's fiscal-year end from December 31 to June 30, effective June 30, 2011. The Company's six-month fiscal period ended June 30, 2011 is referred to throughout this proxy statement as the Transition Period.

If I wish to attend the annual meeting, what identification must I show to be admitted?

Attendance at the annual meeting is limited to stockholders. Registration will begin at 9:00 a.m. Eastern Time. All stockholders will be asked to present a valid, government-issued photo identification card (federal, state or local), such as a driver's license or passport, before entering the meeting and proof of stock ownership as of September 24, 2013 (the Record Date). If your shares are held in an account at a brokerage firm, bank, broker-dealer or similar organization and you plan to attend the annual meeting, please bring a recent bank or brokerage statement showing that you owned shares of the Company on the Record Date. Please understand that, for security reasons, we cannot admit to the meeting stockholders who lack the proper identification described above.

Cameras, transmission, broadcasting and other recording devices, including the use of cell phones, will not be permitted at the meeting. All bags and packages will be subject to security inspections.

INTERNET AVAILABILITY OF PROXY MATERIALS

In accordance with the rules of the SEC, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including our proxy statement and annual report, and voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. This makes the proxy distribution process more efficient and less costly, and helps conserve natural resources. If you previously elected to receive our proxy materials electronically, these materials will continue to be sent via email unless you change your election.

If you receive paper copies of our proxy materials and would like to sign up for electric delivery via email or the Internet, please choose one of the following methods to make your request:

- (1) *By Internet:* www.proxyvote.com
- (2) *By Telephone:* 1-800-579-1639

CORPORATE GOVERNANCE

MSG is a holding company and conducts substantially all of its operations through its subsidiaries. Our Class A Common Stock is listed on NASDAQ under the symbol MSG. As a result, we are generally subject to NASDAQ corporate governance listing standards.

MSG was incorporated on July 29, 2009 as an indirect, wholly-owned subsidiary of Cablevision Systems Corporation (Cablevision). On January 12, 2010, Cablevision's board of directors approved the distribution of all of the outstanding common stock of MSG to Cablevision stockholders (the Distribution) and MSG thereafter acquired the subsidiaries of Cablevision that owned, directly and indirectly, all of the partnership interests in MSG Holdings, L.P. The Distribution took place on February 9, 2010 (the Distribution Date).

Corporate Governance Guidelines

Our Board has adopted our Corporate Governance Guidelines. These guidelines set forth our practices and policies with respect to Board composition and selection, Board meetings, executive sessions of the Board,

Table of Contents

Board committees, the expectations we have of our directors, selection of the Executive Chairman and the President and Chief Executive Officer, management succession, Board and executive compensation, and Board self-evaluation requirements. The full text of our Corporate Governance Guidelines may be viewed at our corporate website at <http://investor.msg.com>. A copy may be obtained by writing to The Madison Square Garden Company, Two Pennsylvania Plaza, New York, NY 10121; Attention: Corporate Secretary.

Executive Sessions of Non-Management and Independent Board Members

Under our Corporate Governance Guidelines, our directors who are not also officers of our Company or any of its affiliates (non-management directors) may meet in executive sessions. In addition, our directors who are independent under NASDAQ rules are required to meet in executive sessions at least twice a year.

Communicating with Our Directors

Our Board has adopted policies designed to allow stockholders and other interested parties to communicate with our directors. Any interested party that wishes to communicate directly with the Board or any director or the non-management directors as a group should send communications in writing to the Chairman of the Audit Committee, The Madison Square Garden Company, Two Pennsylvania Plaza, New York, NY 10121. Any person, whether or not an employee, who has a concern with respect to our accounting, internal accounting controls, auditing issues or other matters, may, in a confidential or anonymous manner, communicate those concerns to our Audit Committee by contacting The Network, Inc., which has been designated to act as a confidential contact organization for these purposes, at 1-877-756-4306.

Code of Conduct and Ethics

Our Board has adopted a Code of Conduct and Ethics for our directors, officers and employees. A portion of this Code of Conduct and Ethics also serves as a code of conduct and ethics for our senior financial officers, including our principal accounting officer and controller. Among other things, our Code of Conduct and Ethics covers conflicts of interest, disclosure responsibilities, legal compliance, reporting and compliance under the Code of Conduct and Ethics, confidentiality, corporate opportunities, fair dealing, protection and proper use of Company assets, and equal employment opportunity and harassment. The full text of the code is available on our website at <http://investor.msg.com>. In addition, a copy may be obtained by writing to The Madison Square Garden Company, Two Pennsylvania Plaza, New York, NY 10121; Attention: Corporate Secretary.

Director Independence

Our Board has elected for the Company to be treated as a controlled company under NASDAQ's corporate governance rules, and, as a result, the Company is not required to comply with NASDAQ's requirement for a majority independent board of directors and for an independent nominating committee.

Our Board has determined that each of the following non-employee directors is independent within the meaning of the rules of NASDAQ and the SEC: Messrs. Parsons, Schwartz and Tese. In reaching its determination with respect to Mr. Tese, the Board considered the fact that Mr. Tese serves as a director of Cablevision and that his brother has been employed by MSG Holdings, L.P., a subsidiary of the Company, in a non-executive officer position and determined that these relationships are not material and that Mr. Tese is independent within the meaning of the rules of NASDAQ and the SEC. In reaching its determination with respect to Mr. Schwartz, the Board considered the fact that Mr. Schwartz serves as a director of AMC Networks Inc. (AMC Networks) (a company that is also controlled by the Dolan Family), and that from time to time, he, or entities for which he serves as an officer or principal, has performed services for Cablevision and/or AMC Networks and determined that performance of these services is not material and that Mr. Schwartz is independent within the meaning of the rules of NASDAQ and the SEC.

Table of Contents

BOARD OF DIRECTORS

Term of Office and Attendance at Board Meetings

The term of office of our directors will expire at the annual meeting of stockholders on November 21, 2013, at which time our stockholders will vote on each director's re-election for a term to expire at the annual meeting of the Company's stockholders in 2014. See Proposal 1 Election of Directors. The business address for each director is c/o The Madison Square Garden Company, Two Pennsylvania Plaza, New York, NY 10121. Each director is a citizen of the United States. We encourage our directors to attend annual meetings of stockholders and believe that attendance at annual meetings is just as important as attendance at meetings of the Board. Eleven of our directors attended the 2012 annual stockholders meeting.

The Board met four times during the fiscal year ended June 30, 2013 and each of our directors attended at least 75% of the meetings of the Board and, as applicable, the committees of the Board on which he or she served during such time.

Director Selection

Our directors have not set specific, minimum qualifications that nominees must meet in order for them to be nominated for election to the Board, but rather believe that each nominee should be evaluated based on his or her individual merits, taking into account, among other matters, the factors set forth in our Corporate Governance Guidelines under Board Composition and Selection of Directors. Those factors include:

The desire to have a Board that encompasses a broad range of skills, expertise, industry knowledge, diversity of viewpoints, opinions, background and experience and contacts relevant to our business;

Personal qualities and characteristics, accomplishments and reputation in the business community;

Ability and willingness to commit adequate time to Board and committee matters; and

The fit of the individual's skill and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of our Company.

The Class A Directors will evaluate possible candidates to recommend to the Board for nomination as Class A Directors and suggest individuals for the Board to explore in more depth. The Board also considers nominees for Class A Directors recommended by our stockholders. Nominees recommended by stockholders are given appropriate consideration in the same manner as other nominees. Stockholders who wish to submit nominees for consideration by the Board for election at our 2014 annual meeting of stockholders may do so by submitting in writing such nominees' names, in compliance with the procedures and along with other information required by the Company's By-laws. See Other Matters Stockholder Proposals for 2014 Annual Meeting.

The Class B Directors will consult from time to time with one or more of the holders of Class B Common Stock to assure that all Class B Director nominees recommended to the Board are individuals who will make a meaningful contribution as Board members and will be individuals likely to receive the approving vote of the holders of a majority of the outstanding Class B Common Stock. The Class B Directors do not intend to consider unsolicited suggestions of nominees by holders of our Class A Common Stock. We believe that this is appropriate in light of the voting provisions of our Amended and Restated Certificate of Incorporation which vest exclusively in the holders of our Class B Common Stock the right to elect our Class B Directors.

Board Leadership Structure

Our Board has chosen to separate the roles of Chairman of the Board and Chief Executive Officer. The Board believes that this is the optimal leadership structure as it recognizes both Mr. James L. Dolan's senior

Table of Contents

executive role with the Company as well as his leadership position on the Company's Board while the Company is also able to benefit from the experience of its President and Chief Executive Officer, Mr. Hank J. Ratner, with responsibility for day-to-day management of the Company.

Risk Oversight

The Company's Board believes that oversight of risk management is an important Board responsibility. The Audit Committee takes the lead on behalf of the Board in monitoring risk management. The Audit Committee discusses guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company assess and manage the Company's exposure to risk, and discusses the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. Our Compensation Committee considers the Company's exposure to risk in establishing and implementing our executive compensation programs. The Compensation Committee, with the assistance of its compensation consultant, reviewed the level of risk incentivized by the Company's executive compensation program as well as incentive programs below the executive level. Based on this assessment and the executive compensation programs' emphasis on long-term performance, its close connection to Company-wide and divisional performance and its equity-based component designed to align the executives' compensation with the Company's long-term strategy and growth, the Compensation Committee determined that our executive compensation programs do not create incentives for excessive risk-taking that are reasonably likely to have a material adverse effect on the Company.

Director Compensation

Each non-employee director receives a base fee of \$50,000 per year; \$2,000 per Board, committee or non-management director meeting attended in person; and \$500 per Board, committee or non-management director meeting attended by telephone. Non-employee directors also receive \$10,000 annually per committee chairmanship or \$5,000 annually per committee membership. In addition, we reimburse our directors for reasonable expenses in connection with attendance at Board, committee and stockholder meetings. A director who is a Company employee receives no compensation for serving as a director.

We also pay our non-employee directors compensation in restricted stock units. On the day of the annual stockholder's meeting, each non-employee director receives an annual grant of restricted stock units for the number of shares of common stock equal to \$110,000 based on the average closing price over the twenty trading day period concluding on the previous day. The restricted stock units the non-employee directors receive are fully vested on the date of grant. Our non-employee directors are subject to a holding requirement on their restricted stock units. All such restricted stock units must be held until the first business day following 90 days after service on the Board ceases (other than in the event of a director's death), at which time they are settled in stock, or at the Compensation Committee's election, in cash. Such compensation is made pursuant to The Madison Square Garden Company 2010 Stock Plan for Non-Employee Directors.

In order for our directors to develop an intimate familiarity with the different types of events presented at our venues, the services and support offered to patrons at our events and the characteristics and features of our venues, the Company makes available to each of our non-employee directors without charge up to two tickets per event for up to eight events per calendar year, subject to availability. Director attendance at such events is integrally and directly related to the performance of their duties and, as such, we do not deem the receipt of such tickets to be perquisites. These ticket limitations do not apply to special events to which non-employee directors and their guests may be specifically invited from time to time in their capacity as non-employee directors of the Company (e.g. charity concerts, premieres, etc.). In addition, non-employee directors may purchase tickets to events from the Company at face value, subject to availability. Tickets provided to directors may not be resold.

Edgar Filing: Madison Square Garden Co - Form DEF 14A

Audit Committee

Our Audit Committee met six times during the fiscal year ended June 30, 2013. The Audit Committee consists of Messrs. Tese (Chair), Parsons and Schwartz. The primary purposes and responsibilities of our Audit Committee are to: (a) assist the Board (i) in its oversight of the integrity of our financial statements, (ii) in its

Table of Contents

oversight of our compliance with legal and regulatory requirements, (iii) in assessing our independent registered public accounting firm's qualifications and independence, and (iv) in assessing the performance of our internal audit function and independent registered public accounting firm; (b) appoint, retain or terminate the Company's registered public accounting firm and pre-approve, or adopt appropriate procedures to pre-approve, all audit and non-audit services, if any, to be provided by the independent registered public accounting firm; (c) review the appointment and replacement of the head of our internal audit department; (d) establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by Company employees or any provider of accounting-related services of concerns regarding questionable accounting and auditing matters and review of submissions and treatment of any such complaints; (e) review and approve related party transactions that are required to be disclosed under SEC rules or that require such approval under the Company's Related Party Transaction Approval Policy; (f) conduct and review with the Board an annual performance evaluation of the Audit Committee; (g) prepare any report of the Audit Committee required by the rules and regulations of the SEC for inclusion in our annual proxy statement; (h) review and reassess the Audit Committee charter at least annually; and (i) report to the Board on a regular basis. The text of our Audit Committee charter is available on our website at <http://investor.msg.com/governance.cfm>. A copy may be obtained by writing to The Madison Square Garden Company, Two Pennsylvania Plaza, New York, NY 10121; Attention: Corporate Secretary.

As discussed above, our Board has determined that each member of our Audit Committee is independent within the meaning of the rules of both NASDAQ and the SEC, and that each has not participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years and is able to read and understand fundamental financial statements, including balance sheets, income statements and cash flow statements. Our Board has also determined that each of Messrs. Tese, Parsons and Schwartz is an audit committee financial expert within the meaning of the rules of the SEC.

Our Board has established a procedure whereby complaints or concerns with respect to accounting, internal controls, auditing and other matters may be submitted to the Audit Committee. This procedure is described under Corporate Governance Communicating with Our Directors.

Compensation Committee

Our Compensation Committee met nine times during the fiscal year ended June 30, 2013. The Compensation Committee consists of Messrs. Schwartz (Chair) and Tese. The primary purposes of our Compensation Committee are to: (a) establish our general compensation philosophy and, in consultation with management, oversee the development and implementation of compensation programs; (b) review and approve corporate goals and objectives relevant to the compensation of our President and Chief Executive Officer and our other executive officers who are required to file reports with the SEC under Section 16 of the Securities Exchange Act of 1934, as amended (the Exchange Act) (together with the President and Chief Executive Officer, the Senior Employees), evaluate their performance in light of these goals and objectives and determine and approve their compensation based upon that evaluation; (c) approve any new equity compensation plan or material changes to an existing plan; (d) oversee the activities of the committee or committees administering our retirement and benefit plans; (e) in consultation with management, oversee regulatory compliance with respect to compensation matters; (f) determine and approve any severance or similar termination payments to be made to Senior Employees (current or former); (g) determine the components and amount of Board compensation and review such determinations from time to time in relation to other similarly situated companies; (h) prepare any reports of the Compensation Committee to be included in the Company's annual proxy statement; (i) conduct and review with the Board an annual performance evaluation of the Compensation Committee; and (j) report to the Board on a regular basis, but not less than annually. The Compensation Committee may, in its discretion, delegate a portion of its duties and responsibilities to one or more subcommittees of the Compensation Committee. For example, the Compensation Committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the Compensation Committee who are (i) non-employee directors for the purposes of Rule 16b-3 of the Exchange Act, and (ii) outside directors for the purposes of Section 162(m) of the Internal Revenue Code, as in effect from time to time. The text of our Compensation

Committee charter is available on our website at <http://investor.msg.com/governance.cfm>. A copy may be obtained by writing to The Madison Square Garden Company, Two Pennsylvania Plaza, New York, NY 10121; Attention: Corporate Secretary.

The Compensation Committee reviews the performance of the Senior Employees, evaluates their performance in light of those goals and objectives and, either as a committee or together with the other independent directors (as directed by the Board), determines and approves the Senior Employees' compensation level based on this evaluation. In determining the long-term incentive component of CEO compensation, the Compensation Committee considers, among other factors, the Company's performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies and the awards given to the CEO in past years.

As discussed above, our Board has determined that each member of our Compensation Committee is independent under the rules of NASDAQ.

Compensation Committee Interlocks and Insider Participation

Messrs. Alan D. Schwartz and Vincent Tese served as members of the Compensation Committee during the fiscal year ended June 30, 2013. Neither of them is a current or a former officer or employee of the Company.

Absence of Nominating Committee

As permitted under NASDAQ rules, we do not have a nominating committee. We believe that it is appropriate not to have a nominating committee because of our stockholder voting structure. Under the terms of our Amended and Restated Certificate of Incorporation, the holders of our Class B Common Stock currently have the right to elect up to 75% of the members of our Board. We believe that creating a committee consisting solely of independent directors charged with responsibility for recommending nominees for election as directors would be inconsistent with the vested rights of the holders of Class B Common Stock under our Amended and Restated Certificate of Incorporation. Instead, our Corporate Governance Guidelines provide a mechanism for the selection of nominees for election as directors by the holders of our Class A Common Stock (Class A Directors) and by the holders of our Class B Common Stock (Class B Directors). The holders of our Class A Common Stock are currently entitled to elect 25% of the members of our Board. Under our Corporate Governance Guidelines, nominees for election as Class A Directors shall be recommended to the Board by the Class A Directors then in office who were elected by the holders of our Class A Common Stock. Nominees for election as Class B Directors shall be recommended to our Board by the Class B Directors then in office who were elected by the holders of the Class B Common Stock.

Other Committees

In addition to standing committees, the Company has adopted a policy whereby a committee of our Board consisting entirely of independent directors, which may be our Audit Committee (an Independent Committee), will review and approve or take such other action as it may deem appropriate with respect to transactions requiring approval under the Company's Related Party Transaction Policy. For a further discussion of our related party transaction policy, see Related Party Transaction Approval Policy. During our fiscal year ended June 30, 2013, our Audit Committee served as the Independent Committee under this policy.

Our Amended By-laws permit us to form an Executive Committee of the Board which would have the power to exercise all of the powers and authority of the Board in the management of the business and affairs of the Company, except as limited by the Delaware General Corporation Law. Our Board has not formed an Executive Committee, although it could do so in the future.

Table of Contents**PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee, comprised of independent members of the Board, has appointed KPMG LLP as our independent registered public accounting firm (the independent auditors) with respect to our operations for the fiscal year ending June 30, 2014. KPMG LLP will audit our financial statements for the fiscal year ending June 30, 2014. Representatives of KPMG LLP will be present at the annual meeting to answer appropriate questions and to make a statement if they desire. Even if the selection is ratified, the Audit Committee may in its discretion select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

We are asking that you ratify the appointment of KPMG LLP, although your ratification is not required. Approval of this proposal requires the favorable vote of the majority of the votes cast by the holders of Class A Common Stock and Class B Common Stock, voting together as a single class. In accordance with our Amended and Restated Certificate of Incorporation, holders of Class A Common Stock will have one vote per share and holders of Class B Common Stock will have ten votes per share.

The Board unanimously recommends that you vote FOR this proposal.

REPORT OF AUDIT COMMITTEE

The Audit Committee assists the Board in its oversight of the Company's financial reporting, internal controls, and audit functions. As set forth in the charter of the Audit Committee, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company has a full-time Internal Audit department that reports to the Audit Committee and management. This department is responsible for objectively reviewing and evaluating the adequacy, effectiveness, and quality of the Company's system of internal control.

The Company's independent registered public accounting firm, KPMG, LLP (KPMG) is responsible for auditing the Company's financial statements and internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB) and expressing an opinion on the conformity of the consolidated financial statements to U.S. generally accepted accounting principles (U.S. GAAP) and on the effectiveness of the Company's internal control over financial reporting.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the audited financial statements with management and KPMG. The Audit Committee has also discussed with KPMG the matters required to be discussed under the auditing standards of the PCAOB, including the matters required by the PCAOB's Codification of Statement on Auditing Standards No. 61. Finally, the Audit Committee has received the written disclosures and the letter from KPMG required by PCAOB Rule 3526, (Communications with Audit Committee's Concerning Independence) and has discussed with KPMG the firm's independence. All audit and non-audit services performed by KPMG must be specifically approved by the Audit Committee or a member thereof.

As part of its responsibilities for oversight of the risk management process, the Audit Committee has reviewed and discussed the Company's risk assessment and risk management framework, including discussions of individual risk areas as well as a summary of the overall process.

The Audit Committee has discussed with the Company's Internal Audit Department and KPMG, the overall scope of and plans for their respective audits. The Audit Committee meets with the Senior Vice President of Internal Audit and Compliance and representatives of KPMG, in regular and executive sessions, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting and compliance programs.

Based upon the reports, review and discussions described in this report, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's 2013 Form 10-K that was filed with the SEC.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The Company compensates its named executive officers through salary, annual incentive awards, long-term incentive awards, perquisites and fringe benefit programs. Our annual and long-term incentive programs provide performance-based incentives for our management tied to key financial measures that drive stockholder value and reward sustained achievement of the Company's key financial goals.

This Compensation Discussion and Analysis presents historical and current information and analysis related to the compensation programs for our named executive officers. For purposes of this Compensation Discussion and Analysis, Messrs. James L. Dolan, Hank J. Ratner, Robert M. Pollichino, Lawrence J. Burian and Joseph F. Yospe are referred to collectively as our named executive officers ("NEOs"). This Compensation Discussion and Analysis describes the specific arrangements that the Company has in place for our NEOs as well as a discussion of our compensation philosophy for the NEOs with respect to the year ended June 30, 2013.

At the commencement of the 2013 fiscal year, compensation for each of Messrs. Dolan, Ratner, Pollichino and Burian was subject to their respective employment agreements with the Company which were effective on the Distribution Date. In August 2012, the Company entered into revised employment agreements with each of Messrs. Pollichino and Burian, and a new employment agreement with Mr. Yospe. Information concerning the Company's current employment agreements with its NEOs is set forth below under "Executive Compensation Tables" "Employment Agreements."

Overview of Executive Compensation Program

Our executive compensation program is administered by our Compensation Committee. The responsibilities of the Compensation Committee are set forth in its charter. Among other responsibilities, the Compensation Committee (1) establishes our general compensation philosophy and, in consultation with management, oversees the development and implementation of compensation programs; (2) reviews and approves corporate goals and objectives relevant to the compensation of our executive officers who are required to file reports with the SEC under Section 16(a) of the Exchange Act, evaluates their performance in light of those goals and objectives, and determines and approves their respective compensation level based on this evaluation; (3) oversees the activities of the committee or committees administering our retirement and benefit plans and (4) administers our stockholder-approved compensation plans. For more information about the Compensation Committee, please see "Board of Directors" "Board Committees" "Compensation Committee."

Compensation Consultant

The Compensation Committee has authority under its charter to engage outside consultants to assist in the performance of its duties and responsibilities. Our Compensation Committee utilizes the services of a compensation consultant to assist in determining whether the elements of our executive compensation program are reasonable and consistent with our objectives.

ClearBridge Compensation Group LLC (the "compensation consultant") serves as independent compensation consultant to the Compensation Committee. The compensation consultant reports directly to the Compensation Committee and, at the request of the Compensation Committee, the compensation consultant meets with members of management from time to time for purposes of gathering information on management proposals and recommendations to be presented to the Compensation Committee.

The following is a description of the services provided by the compensation consultant, as the Compensation Committee's consultant, during the year ended June 30, 2013:

Attended all Compensation Committee meetings;

Provided information, research, and analysis pertaining to executive compensation program for the 2013 fiscal year;

Table of Contents

Regularly updated the Compensation Committee on market trends, changing practices, and legislation pertaining to compensation;

Assisted the Compensation Committee in making pay determinations for the Executive Chairman, the President and Chief Executive Officer, and the other executive officers;

Advised on the design of the executive compensation program and the reasonableness of individual compensation targets and awards;

Provided advice and recommendations that incorporated both market data and Company-specific factors; and

Assisted the Compensation Committee in connection with its review of non-employee director compensation. During fiscal year 2013, the compensation consultant provided no other services to the Company.

In June 2013, the Compensation Committee charter was amended to require the Compensation Committee to consider certain NASDAQ independence factors before receiving advice from an advisor. Although such independence rules are not applicable to the Company because it is a controlled company, the Compensation Committee believes that the compensation consultant nonetheless satisfies the independence requirements of such rules. In addition, the Compensation Committee believes that the compensation consultant's work did not raise any conflict of interest during the year ended June 30, 2013. In reaching this conclusion, the Compensation Committee considered the same rules regarding advisor independence.

Role of Executives in Determining Compensation

The Compensation Committee reviews the performance and compensation of the Executive Chairman and the President and Chief Executive Officer and, following discussions with the compensation consultant, establishes each of their compensation. Senior management of the Company assists the Compensation Committee and the compensation consultant as described in this Compensation Discussion and Analysis, and provides to the Compensation Committee, either directly or through the compensation consultant, management's recommendations on the compensation for executive officers other than the Executive Chairman and the President and Chief Executive Officer. Other members of management provide support to the Compensation Committee as needed. Based upon a review of performance and historical compensation, recommendations and information from members of management, and discussions with the compensation consultant, the Compensation Committee determines and approves compensation for the executive officers.

Executive Compensation Program Objectives and Philosophy

The Company is a fully-integrated sports, entertainment and media business comprised of dynamic and powerful brands. In support of its business objectives, the Company places great importance on its ability to attract, retain, motivate and reward experienced executive officers who can continue to achieve strong financial, operational and stock price performance. The Company strives to do so by developing executive compensation policies and programs that are consistent with, explicitly linked to, and supportive of, the strategic objectives of growing the Company's businesses and maximizing stockholder value. Our NEOs, who are the five executive officers listed in the tables under Executive Compensation Tables below, have a combined total of more than 100 years of professional experience in the industries in which the Company operates.

The following principles describe the key objectives of our executive compensation program:

the majority of compensation for the Company's executive officers should be at risk and based on the performance of the Company, so that actual compensation levels depend upon the Company's actual performance as determined by the Compensation Committee;

Table of Contents

incentive compensation of the Company's executive officers should focus more heavily on long-term rather than short-term accomplishments and results;

equity-based compensation should be used to align the interests of our executive officers with the interests of our stockholders; and

the overall executive compensation program should be competitive, equitable and structured so as to ensure the Company's ability to attract, retain, motivate and reward the talented executives who are essential to the Company's continuing success. Total direct compensation, rather than individual compensation elements, is the Compensation Committee's focus in providing competitive compensation opportunities.

In designing the executive compensation program, the Compensation Committee seeks to fulfill these objectives by maintaining appropriate balances between (1) short-term and long-term compensation, (2) cash and equity compensation and (3) performance-based and non-performance-based compensation.

Compensation Practices and Policies

General

The following discussion describes the practices and policies implemented by the Compensation Committee during the year ended June 30, 2013. In the case of Messrs. Dolan and Ratner, all of their respective compensation for the year ended June 30, 2013 was subject to employment agreements which were entered into prior to the Distribution and approved by Cablevision's compensation committee. In August 2012, the Company entered into revised employment agreements with each of Messrs. Pollichino and Burian, and a new employment agreement with Mr. Yospe. Information concerning the Company's current employment agreements with its NEOs is set forth below.

The Compensation Committee considered the results of the 2011 advisory say-on-pay proposal and incorporated such results as one of many factors in its assessment and development of the compensation program. Because the compensation described in our 2011 proxy statement was approved by a substantial majority of shares voted (including substantial majorities of each of the Class A Common Stock and the Class B Common Stock voted), the results of such vote has not contributed to the implementation of any changes to our executive compensation program.

Performance Objectives

As described below under Elements of In-Service Compensation, the Company grants performance-based incentive compensation as an important element of executive compensation.

Generally, the performance metrics for the Company's incentive compensation have been based on net revenues and on the adjusted operating cash flow, or AOCF, of its business units. The Company defines AOCF, which is a non-GAAP financial measure, as operating income (loss) before (i) depreciation, amortization and impairments of property and equipment and intangible assets, (ii) share-based compensation expense or benefit, and (iii) restructuring charges or credits. Because it is based on operating income (loss), AOCF also excludes interest expense (including cash interest expense) and other non-operating income and expense items. AOCF of the Company's business units is based upon the AOCF of the Company's reporting segments less the cost of the Company's long-term incentive program that is included as an expense of the segments.

The Company considers these performance measures to be key measures of the Company's operating performance. At the time of grant of an award, the performance measures used may contemplate certain potential future adjustments and exclusions.

Tally Sheets

The Compensation Committee has reviewed tally sheets setting forth all components of compensation payable, and the benefits accruing, to the NEOs for the year ended June 30, 2013, including all cash compensation, perquisites and the current value of outstanding equity-based awards. The tally sheets also set forth potential payouts to the NEOs upon various termination scenarios. The Compensation Committee considers the information presented in the tally sheets in determining future compensation.

Determining Compensation Levels

As part of the Compensation Committee's review of the total compensation for the year ended June 30, 2013, the compensation consultant assisted the Compensation Committee in: (1) determining if a peer group should be used for comparative purposes, (2) assessing executive compensation in light of internal and external considerations and (3) reviewing the Company's equity and cash-based executive incentive programs, taking into account evolving market trends. With the assistance of the compensation consultant, the Compensation Committee determined not to use peer group or target positioning in determining compensation given the limited number of comparable publicly-traded companies. Rather, the Compensation Committee used internal information (historical compensation, job responsibility, parity among executive officers, contractual commitments and attraction and retention of talent) to determine compensation, and used broad market data (industry-related and general industry data) to assess compensation levels. In order to obtain a general understanding of current compensation practices, the Compensation Committee considered multiple broad-based compensation surveys.

Elements of In-Service Compensation

Our executive compensation philosophy is reflected in the principal elements of our executive compensation program, each of which is important to the Company's desire to attract, retain, motivate and reward highly-qualified executive officers. The compensation program included the following key elements for the year ended June 30, 2013: base salary, annual cash incentives, long-term incentives, retirement, health and welfare and other benefits, which are generally provided to all other eligible employees, and additional executive benefits, including post-termination compensation under certain circumstances and certain perquisites, each as described below.

A significant percentage of total direct compensation is allocated to incentive compensation in accordance with the Compensation Committee's philosophy as described above. The Compensation Committee reviews historical Company compensation, other information provided by the compensation consultant and other factors, such as experience, performance, length of service and contractual commitments, to determine what it deems to be the appropriate level and mix of compensation for executive officers. The allocation between cash and equity compensation and short-term and long-term compensation is designed to provide a variety of fixed and at-risk compensation that is related to the achievement of the Company's short-term and long-term objectives.

As noted in greater detail below under *Executive Compensation Tables* *Employment Agreements*, Messrs. Dolan and Ratner, are also employed by Cablevision, as its President and Chief Executive Officer, and its Vice Chairman, respectively. Messrs. Dolan and Ratner are separately compensated by Cablevision with respect to such employment.

Base Salaries

Our Compensation Committee is responsible for setting the base salaries of the executive officers, which are intended to compensate the NEOs for the day-to-day services performed for the Company. Base salaries for these executives have been set at levels that are intended to reflect the competitive marketplace in attracting and retaining quality executives. Each NEO's employment agreement contains a minimum base salary level. For information regarding these minimum base salary levels, please see *Executive Compensation*

Table of Contents

Tables Employment Agreements below. The Compensation Committee currently reviews the salaries of the executive officers no less frequently than on an annual basis. The Compensation Committee evaluates each executive's performance and experience and, based on their performance and in accordance with the terms of their employment agreements, the Compensation Committee, in its discretion, may increase base salaries for the executive officers over time.

The base salaries paid to each of Messrs. Dolan, Ratner, Pollichino, Burian and Yospe in the year ended June 30, 2013 were as follows: \$545,192, \$1,292,308, \$761,058, \$668,692 and \$431,950 respectively. See footnote 1 to Executive Compensation Tables Summary Compensation Table for a more detailed discussion of the base salaries paid during the Company's fiscal year. Effective September 1, 2013, the annual base salaries to be earned by Messrs. Ratner, Pollichino, Burian and Yospe were increased to the following: \$1,400,000, \$790,000, \$710,000 and \$449,150 respectively. The base salary for Mr. Dolan did not change. In determining salary increases for executive officers, the Compensation Committee considered multiple factors, including company and individual performance, market pay levels, the range of increases generally provided to the Company's employees and, to the extent appropriate, management's recommendations.

Annual Cash Incentives

Under our executive compensation program, annual incentive awards are made to executive officers and certain other members of management. Annual incentive awards are designed to link executive compensation directly to the Company's performance and provide incentives and rewards for excellent business performance during the applicable fiscal year. For the NEOs and other individuals that the Compensation Committee determines may be covered by Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), the bonuses for the year ended June 30, 2013 were granted under the Company's 2010 Cash Incentive Plan (the CIP), a plan approved by the Company's stockholders on November 30, 2011 and administered by the Compensation Committee. See Tax Deductibility of Compensation below. For all other members of management, the bonuses for the year ended June 30, 2013 were granted under the Company's management performance incentive program (MPIP) administered by the Compensation Committee.

Each employee eligible for an annual incentive award is assigned a target award equal to a percentage of that employee's base salary earned during the applicable fiscal year. The target annual incentive awards are determined based upon the applicable employee's position, grade level, responsibilities, and historical and expected future contributions to the Company. In addition, each NEO's employment agreement contains a minimum target annual incentive award level. For information regarding these minimum target annual incentive award levels, see Executive Compensation Tables Employment Agreements below. The Compensation Committee currently reviews the target annual incentive award levels of the executive officers no less frequently than on an annual basis. The Compensation Committee evaluates each such executive's performance, experience and, based on their performance and in accordance with the terms of their employment agreements, the Compensation Committee, in its sole discretion, may revise target annual incentive award levels for the executive officers. Target incentive award levels for the NEOs as a percentage of base salary paid in the year ended June 30, 2013 were as follows: Mr. Dolan 200%; Mr. Ratner 200%; Mr. Pollichino 60%; Mr. Burian 60%; and Mr. Yospe 45%.

CIP

The payment of the annual incentive awards under the CIP is conditioned upon the satisfaction of one or more performance objectives established by the Compensation Committee. Any such performance objective is subject to various adjustments such as for acquisitions and dispositions and investments in new venues or business ventures. The performance metrics were intended to achieve tax deductibility under Code Section 162(m). Upon achievement of the performance objective(s), each NEO is eligible to receive payment of an incentive bonus equal to the lesser of \$10 million and two times the NEO's target annual incentive award, subject to the Compensation Committee's discretion to reduce the award. In general, under the CIP, regardless of whether the Company achieves, exceeds or fails to achieve its target performance objective(s), the Compensation

Table of Contents

Committee has the discretion only to decrease annual incentive awards if the Company wishes to preserve the Code Section 162(m) deduction. In order for the NEOs to be eligible to receive an annual incentive award for the year ended June 30, 2013, the AOCF of the business units for the year ended June 30, 2013 needed to exceed \$212.5 million. On September 4, 2013, the Compensation Committee certified the performance objectives as achieved by virtue of the AOCF of the business units for the year ended June 30, 2013 equaling \$377.4 million. The Compensation Committee applied negative discretion under the CIP to bring payouts generally in line with calculated payouts under the MPIP for individuals who hold corporate positions (as described below). On September 17, 2013, the annual incentive awards for the year ended June 30, 2013 were approved to be paid by the Company to the NEOs as follows: Mr. Dolan \$1,366,252; Mr. Ratner \$3,238,523; Mr. Pollichino \$572,163; Mr. Burian \$527,723 and Mr. Yospe \$254,128.

MPIP

The payment of annual incentive awards under the MPIP to all eligible members of management is conditioned upon the satisfaction of performance objectives established by the Compensation Committee depending upon the applicable eligible employee's specific business unit. For the year ended June 30, 2013, under the MPIP, these performance objectives related to items such as net revenues, AOCF of the business units, sponsorship, signage and advertising revenue, and other division-specific strategic and operating metrics. For individuals who hold corporate positions at the Company, the MPIP performance objectives were predominantly based on corporate and company-wide achievement of the performance metrics. Annual incentive awards under the MPIP are typically adjusted based on recipients' individual performances. To the extent the Company exceeds or falls short of the MPIP performance objectives, eligible employees may receive payments greater than or less than their target annual incentive award.

Long-term Incentives

Our executive compensation program is designed to achieve the objectives described above under Executive Compensation Program Objectives and Philosophy. Our core long-term incentive program has historically been a mix of restricted stock units and cash performance awards, with the size of target awards based upon an eligible employee's grade level or employment agreement. The Compensation Committee determined that for the year ended June 30, 2013 the value of each target award be split equally between restricted stock units and a cash performance award.

The Compensation Committee believes that restricted stock units provide the NEOs with an incentive to improve the Company's stock price performance and a direct alignment with stockholders' interests, as well as a continuing stake in the long-term success of the Company. In addition, because these equity awards vest in their entirety on the third anniversary of the grant date (i.e., cliff vesting), the Compensation Committee believes these awards provide strong incentives for the executives to remain with the Company.

We make our annual long-term incentive grants to eligible employees after the public announcement of our annual financial information. Long term awards of restricted stock units and cash performance awards were granted in September 2012 for the Company's fiscal year ended on June 30, 2013.

Restricted Stock Units

Under our executive compensation program, long-term incentive grants of restricted stock units are made to executive officers and certain other members of management pursuant to the Company's 2010 Employee Stock Plan (the Employee Stock Plan). If the recipient remains employed by the Company through the date that the restrictions lapse, an award of a restricted stock unit will be settled in a share of Class A Common Stock or, at the Compensation Committee's discretion, in a cash amount equal to the value of one share of Class A Common Stock as of the date such restrictions lapse. Under the current executive compensation program, restricted stock unit awards will cliff vest on the third anniversary of the date of grant so long as the recipient is continuously employed by the Company until such date. The restricted stock units granted to the NEOs also include a performance condition designed to achieve tax deductibility under Code Section 162(m). The number

Table of Contents

of restricted stock units granted to each eligible employee is determined based on the average closing price over the twenty-day trading period concluding on the day prior to the grant. In September 2012, the Compensation Committee approved the following awards of restricted stock units to the NEOs for the fiscal year ended on June 30, 2013: Mr. Dolan 21,680 units; Mr. Ratner 66,900 units; Mr. Pollichino 11,770 units; Mr. Burian 10,540 units and Mr. Yospe 5,080 units. These restricted stock units will vest in September 2015, as long as the employee is continuously employed until such date and, with respect to the NEOs, the performance objectives are attained. The performance objectives with respect to these awards required the AOCF of the business units in any of the fiscal years ending on June 30, 2013, June 30, 2014 or June 30, 2015 to exceed 75% of the 2012 fiscal year AOCF of the business units. On September 4, 2013, the Compensation Committee certified the achievement of the performance objectives by virtue of the AOCF of the business units for the 2013 fiscal year (\$377.4 million) exceeding 75% of the AOCF of the business units for the 2012 fiscal year (\$227.7 million). Additional information regarding restricted stock unit awards for the NEOs during the 2013 fiscal year is set forth in the Summary Compensation Table and the Grants of Plan-Based Awards table under Executive Compensation Tables below. More information regarding other equity grants for the NEOs appears in the Outstanding Equity Awards at June 30, 2013 table under Executive Compensation Tables below.

One effect of the cliff-vesting of restricted stock units under our long-term incentive plan is to require each of our NEOs to maintain significant holdings of Company securities at all times.

Cash Performance Awards

Under our executive compensation program, grants of long-term cash performance awards are made to executive officers and certain other members of management pursuant to the Company's CIP. The current executive compensation program contemplates annual grants of three-year performance awards to executive officers and other members of management to be earned on the basis of long-term Company performance relative to pre-established financial goals. The Compensation Committee sets the performance objectives for each award in the first quarter of the fiscal year of grant. Each recipient is eligible to receive a specified target dollar amount, depending on the employee's grade level, to the extent that the Company's target performance objectives are achieved and the recipient is continuously employed by the Company through the payment date. To the extent the Company exceeds or falls short of the performance objectives, eligible employees may receive payments greater than or less than (or none of) their target cash performance award.

With respect to the awards granted to the NEOs in September 2012, the payment of the cash performance awards is conditioned upon the satisfaction of one or more performance objectives established by the Compensation Committee. Any such performance objectives are subject to various adjustments such as for acquisitions and dispositions, changes in GAAP and/or investments in new venues or business ventures. The performance objectives were designed to achieve tax deductibility under Code Section 162(m). Upon achievement of the performance objective(s), each NEO is eligible to receive payment of an incentive bonus equal to two times the NEO's cash performance award target, subject to the recipient's continued employment by the Company through the payment date and the Compensation Committee's discretion to reduce (but not increase) the award (e.g., to bring the awards in line with the payouts that would have been achieved based on the performance objectives that are applicable to other members of management, as described in the following paragraph). No such reduction may result in a payout (expressed as a percentage of the target award) less than the payout (expressed as a percentage of the target award) for the cash performance awards granted in September 2012 to those eligible Company employees who the Compensation Committee determined will not be subject to Code Section 162(m), as described in the following paragraph. Based on the experience and grade level of the NEOs, in September 2012 the Compensation Committee granted performance awards with the following targeted amounts: Mr. Dolan \$875,000; Mr. Ratner \$2,700,000; Mr. Pollichino \$475,000; Mr. Burian \$425,000 and Mr. Yospe \$205,000. Such awards will be payable in 2015, subject to continued employment requirements and the Compensation Committee's negative discretion described above, so long as the AOCF of the Company's business units in any of the fiscal years ended on June 30, 2013, June 30, 2014 or June 30, 2015 exceeds 75% of the 2012 fiscal year AOCF of the business units. On September 4, 2013, the Compensation

Table of Contents

Committee certified the achievement of the performance objectives by virtue of the AOCF of the business units for the 2013 fiscal year (\$377.4 million) exceeding 75% of the AOCF of the business units for the 2012 fiscal year (\$227.7 million).

The cash performance awards granted in September 2012 to all eligible Company employees whom the Compensation Committee determined are not subject to Code Section 162(m) will be payable in September 2015 if (a) the Company achieves specified targets of net revenues (or, for certain live event production divisions of the Company, contribution (revenue less direct expense and amortization of mounting costs) instead of net revenues), and AOCF of the business units in the year ending June 30, 2015 and (b) continued employment requirements are satisfied. The target levels of net revenues (or contribution) and AOCF of the business units were derived from the Company's five-year plan for its operating business units presented to the Board in connection with the Company's budget for the fiscal year ended June 30, 2013. These targets were intended to measure ongoing operating performance of the Company and are subject to various adjustments such as for acquisitions and dispositions, changes in GAAP and/or investments in new venues or business ventures, and exclude all charges for long-term performance based compensation. The awards provide for a potential payout on a sliding scale such that the actual payment may range from 0% of the long-term cash performance award if the Company fails to achieve threshold levels of performance (for example, if both net revenues and AOCF of the business units fail to reach at least 85% and 75%, respectively, of the targets) to 110% of the long-term cash performance award if the Company exceeds the threshold levels of performance by a certain percentage (for example, if both net revenues and AOCF of the business units equal or exceed 115% and 125%, respectively, of the targets). If the Company exceeds threshold levels but does not achieve the targeted rates, or if the Company achieves or exceeds one target but not both, the award provides for partial payments. Fifty percent of the award is tied to achievement of net revenue (or contribution) goals, and 50% of the award is tied to achievement of business unit AOCF goals.

Because the AOCF and net revenue (or contribution) targets for the cash performance awards have been derived from the Company's confidential five-year strategic plans, which are not disclosed publicly for competitive reasons, we do not believe it is appropriate to disclose specific numerical targets. Disclosure of these targets could provide information that could lead to competitive harm. We believe that our five-year plans, and consequently the targets set for the performance awards, are ambitious and reflect desired above-market performance. In determining the threshold levels of performance, the Compensation Committee considered, among other factors, the Company's five-year plans and the degree of difficulty in achieving the targets. The Compensation Committee believes that the lowest levels on the sliding scale should be achieved, although there can be no assurance this will occur. As the payout scale increases, the likelihood of achievement decreases and the payouts increase. The Compensation Committee has the authority to amend or waive the performance targets under these awards and to make interpretations and adjustments thereto.

In February 2013, the Compensation Committee certified the Company's achievement of the calendar year 2012 net revenue and AOCF performance objectives for the cash performance awards granted in March 2010. Based upon the Company's actual performance against such objectives, the 2010 performance awards paid out at 106.6% of target in February 2013.

Benefits

Benefits offered to executive officers generally provide for retirement income and serve as a safety net against hardships that can arise from illness, disability or death. The executive officers are generally eligible to participate in the same health and welfare benefit plans made available to the other benefits-eligible employees of the Company, including, for example, medical, dental, vision, life insurance and disability coverage. Notwithstanding the foregoing, Mr. Dolan does not participate in certain Company benefit plans, including the Company's qualified defined benefit and defined contribution pension plans, and the Company's medical, dental and vision plans. Mr. Dolan receives pension and health benefits from Cablevision.

Defined Benefit Plans

The Company maintains the MSG Holdings, L.P. Cash Balance Pension Plan (the MSG Cash Balance Pension Plan), a tax-qualified defined benefit plan, for participating employees, including executive officers. Under the MSG Holdings, L.P. Excess Cash Balance Plan (the MSG Excess Cash Balance Plan), a non-qualified deferred compensation plan, the Company provides additional benefits to employees, including executive officers, who are restricted by the applicable IRS annual compensation limitation. Effective March 1, 2011, the Company merged the Madison Square Garden, L.P. Retirement Plan (the MSG Retirement Plan), a frozen defined benefit pension plan, into the MSG Cash Balance Pension Plan.

The Company also maintains the MSG Holdings, L.P. Excess Retirement Plan (the MSG Excess Retirement Plan), a non-qualified deferred compensation plan, under which the Company provided additional benefit accruals (until January 1, 2008) to employees, including executive officers, whose participation in the MSG Retirement Plan was restricted by the applicable IRS annual compensation limitation. The MSG Excess Retirement Plan was frozen at the same time as the related qualified plan.

More information regarding the MSG Cash Balance Pension Plan, the MSG Excess Cash Balance Plan, and the MSG Excess Retirement Plan is provided in the Pension Benefits table under Executive Compensation Tables below.

Defined Contribution Plans

Under the MSG Holdings, L.P. 401(k) Savings Plan, a tax-qualified retirement savings plan, participating employees, including executive officers, may contribute into their plan accounts a percentage of their eligible pay on a before-tax basis as well as a percentage of their eligible pay on an after-tax basis. The Company matches 50% of the first 6% of eligible pay contributed by participating employees. The Company matching contributions are subject to vesting limitations for the first three years of employment.

In addition, the Company offers the MSG Holdings, L.P. Excess Savings Plan, a non-qualified deferred compensation plan, to employees, including executive officers, who are restricted by the applicable IRS annual compensation limitation and/or the pre-tax income deferral limitation. More information regarding the Excess Savings Plan is provided in the Nonqualified Deferred Compensation table under Executive Compensation Tables below.

Matching contributions made by the Company under the MSG Holdings, L.P. 401(k) Savings Plan and the MSG Holdings, L.P. Excess Savings Plan and allocations under the defined contribution portion of the Nonqualified Supplemental Benefit Plan on behalf of the NEOs are set forth in the Summary Compensation Table under Executive Compensation Tables below.

Other

In addition to the above employee benefit plans, Mr. Pollichino is also eligible for benefits under the Madison Square Garden Retiree Medical Program, which provides continued medical coverage to employees who (i) were hired prior to January 1, 2001, (ii) retire after age 55 with at least ten years of service, (iii) commence payments under the MSG Holdings, L.P. Retirement Plan and (iv) are eligible for the Company's active medical plan on the day before the retirement date. The program is self-funded and participants pay 25% of the cost of pre-65 coverage and 100% of post-65 coverage.

Perquisites

The Company provides certain perquisites to executive officers as described below. The aggregate value of perquisites received by each of the NEOs is set forth in the Summary Compensation Table under Executive Compensation Tables below.

Table of Contents

Car and Driver

Messrs. Dolan and Ratner have regular access to a car and driver, which each is permitted to use for his personal use in addition to business purposes. In addition, certain other executive officers and members of management have had access to cars and drivers on a limited basis for personal use. To the extent employees use a car and driver for personal use without reimbursement to the Company, those employees are imputed compensation for tax purposes.

Aircraft Arrangements

The Company has access to various aircraft through time sharing arrangements with a subsidiary of Cablevision and various Dolan family entities. Generally, Messrs. Dolan and Ratner are permitted to use Cablevision helicopters for personal travel, which has primarily been for purposes of commutation. The Company and Cablevision have agreed on an allocation of the costs of such personal helicopter use.

To the extent any employee uses any of the aircraft for personal travel without reimbursement to the Company, they are imputed compensation for tax purposes based on the Standard Industry Fare Level rates that are published biannually by the IRS. For compensation reporting purposes, we valued the incremental cost of the personal use of the aircraft based on the variable costs incurred by the Company net of any reimbursements received from executives. The incremental cost of the use of the aircraft does not include any costs that would have been incurred by the Company whether or not the personal trip was taken.

Executive Security

Messrs. Dolan and Ratner participate in Cablevision's executive security program. The Company and Cablevision have agreed on an allocation of the costs of such participation in their security program. Because certain of these costs can be viewed as conveying personal benefits to the NEOs, they are reported as perquisites.

Event Tickets

From time to time certain employees, including the NEOs (and their guests), have access to tickets to sporting events and other entertainment at the Company's venues at no cost, and may also purchase tickets at face value. Attendance at such events is integrally and directly related to the performance of their duties, and, as such, we do not deem the receipt of such tickets to be perquisites.

Post-Termination Compensation

We believe that post-termination benefits are integral to the Company's ability to attract and retain qualified executives.

Under certain circumstances, payments or other benefits may be provided to employees upon the termination of their employment with the Company. These may include payments or other benefits upon a termination by the Company without cause, termination by the employee for good reason, other voluntary termination by the employee, retirement, death, disability, or termination following a change in control of the Company or following a going-private transaction. With respect to the NEOs, the amounts and terms of such payments and other benefits (including the definition of "cause" and "good reason") are governed by each NEO's employment agreement and any applicable award agreements. Post-termination compensation is discussed in greater detail in Executive Compensation Tables, Employment Agreements and Termination and Severance below.

Hedging Policy

The Company's Insider Trading Policy prohibits all employees, including the NEOs, from engaging in any type of hedging transaction (including, without limitation, a short sale) with respect to any Company security.

Table of Contents

Tax Deductibility of Compensation

Code Section 162(m) establishes a \$1 million limit on the amount that a publicly held corporation may deduct for compensation paid to the chief executive officer and the next three most highly paid NEOs (other than the chief financial officer) in a taxable year. This limitation does not apply to any compensation that is qualified performance-based compensation under Code Section 162(m), which is defined as compensation paid in connection with certain stock options or that is paid only if the individual's performance meets pre-established objective goals based on performance criteria established under a plan approved by stockholders. Our short-term and long-term incentive compensation plans are generally designed to qualify for this exemption from the deduction limitations of Code Section 162(m) and to be consistent with providing appropriate compensation to executives. The Company's stockholders approved the CIP and the Employee Stock Plan at the Company's first annual stockholders' meeting on November 30, 2011.

From time to time, to the extent it deems appropriate, the Compensation Committee may make awards (or modifications to awards) that would not qualify for an exemption from Code Section 162(m). For example, we expect that the amount of annual base salary in excess of \$1 million for each of the President and Chief Executive Officer and the next three most highly paid NEOs, plus any other annual compensation paid or imputed to each of the President and Chief Executive Officer and the next three most highly paid NEOs covered by Code Section 162(m) that causes their respective non-performance-based compensation to exceed the \$1 million limit, will not be deductible by the Company for federal income tax purposes.

Although it is the Company's intent generally to qualify compensation for the exemption from the deduction limitations, we believe that it is in the best interests of the Company's stockholders to allow the Compensation Committee the flexibility and discretion to design an appropriate executive compensation program so that the Company can attract, retain, motivate and reward our executives, notwithstanding Code Section 162(m).

Other Awards

As a result of the Distribution, Cablevision stock options and stock appreciation rights were adjusted according to the 1:4 distribution ratio (i.e., one share of the Company's common stock for every four shares of Cablevision) into two separate awards by each of Cablevision and the Company. In addition, independent of any action by the Compensation Committee, as a result of the spinoff by Cablevision of AMC Networks into its own separate, publicly-traded company (the AMC Distribution), Cablevision stock options and stock appreciation rights were adjusted according to the 1:4 distribution ratio (i.e., one share of AMC Networks common stock for every four shares of Cablevision) into two separate awards by each of Cablevision and AMC Networks. As of June 30, 2013, all outstanding Cablevision options and stock appreciation rights, and all Company and AMC Networks options and stock appreciation rights issued in respect of such Cablevision awards, had vested.

With respect to outstanding long-term cash and equity awards, the Company, Cablevision and AMC Networks are not regarded as competitive entities of each other for purposes of any non-competition provisions contained in the applicable award agreements.

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis set forth above with management. Based on such review and discussions, we have recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement for filing with the U.S. Securities and Exchange Commission.

(5) Accruals under both the MSG Retirement Plan and the MSG Excess Retirement Plan were frozen as of December 31, 2007. The Company maintains several benefit plans for our executives. The material terms and conditions are discussed below.

MSG Cash Balance Pension Plan

The MSG Cash Balance Pension Plan is a tax-qualified defined benefit plan that generally covers regular full-time and part-time non-union employees of the Company and certain of its affiliates who have completed one year of service. A notional account is maintained for each participant under the plan, including the NEOs (other than Mr. Dolan), which consists of (i) annual allocations made by the Company as of the end of each year on behalf of each participant who has completed 800 hours of service during the year that range from 3% to 9% of the participant's compensation, based on the participant's age and (ii) monthly interest credits based on the average of the annual rate of interest on the 30-year U.S. Treasury Bonds for the months of September, October and November of the prior year. Compensation includes all direct cash compensation received while a participant as part of the participant's primary compensation structure (excluding bonuses, fringe benefits, and other compensation that is not received on a regular basis), and before deductions for elective deferrals (in accordance with the Internal Revenue Code limits, the maximum compensation taken into account in determining benefits is limited to \$255,000 in calendar year 2013).

A participant's interest in the cash balance plan is subject to vesting limitations for the first three years of employment. A participant's account will also vest in full upon his or her termination due to death, disability or retirement after attaining age 65. Upon retirement or other termination of employment with the Company, the participant may elect a distribution of the vested portion of the cash balance account. Any amounts remaining in the plan will continue to be credited with interest until the account is paid. The normal form of benefit payment for an unmarried participant is a single life annuity and the normal form of benefit payment for a married participant is a 50% joint and survivor annuity. The participant, with spousal consent if applicable, can waive the normal form and elect a single life annuity or a lump sum. Effective on March 1, 2011, the MSG Retirement Plan (as described below) was merged into the MSG Cash Balance Pension Plan. The merged plan remains named the MSG Cash Balance Pension Plan, but provides the same benefits that were previously provided by the two separate plans.

MSG Excess Cash Balance Plan

The MSG Excess Cash Balance Plan is a non-qualified deferred compensation plan that is intended to provide eligible participants, including each of the NEOs, with the portion of their overall benefit that they would accrue under the MSG Cash Balance Pension Plan but for Internal Revenue Code limits on the amount of compensation (as defined in the MSG Cash Balance Pension Plan) that can be taken into account in determining benefits under tax-qualified plans (\$255,000 in calendar year 2013). The Company maintains a notional excess cash balance account for each eligible participant, and for each calendar year, credits these accounts with the portion of the allocation that could not be made on his behalf under the MSG Cash Balance Pension Plan due to the compensation limitation. In addition, the Company credits each notional excess cash balance account monthly with interest at the same rate used under the MSG Cash Balance Pension Plan. A participant vests in the excess cash balance account according to the same schedule in the MSG Cash Balance Pension Plan. The excess cash balance account, to the extent vested, is paid in a lump sum to the participant as soon as practicable following his or her retirement or other termination of employment with the Company.

The MSG Retirement Plan is a tax-qualified defined benefit plan covering substantially all of our non-union full-time and eligible part-time employees, including Mr. Pollichino, who were hired prior to January 1, 2001. Effective as of January 1, 2001, membership in the plan was frozen and benefit accruals under the plan continued only for employees who were already active participants in the plan as of December 31, 2000. As of December 31, 2007, the plan was amended to freeze all benefit accruals effective January 1, 2008 and eliminate the ability of participants to earn benefits for future service under this plan. As discussed above, the MSG Retirement Plan was merged into the MSG Cash Balance Plan, effective March 1, 2011. This merger did not adversely impact any participant in either of the two plans.

The plan provides a benefit at retirement equal to (i) 2% of a participant's final average pay (as defined in the plan) multiplied by years of benefit service up to 20 years; plus (ii) 1% of the participant's final average pay multiplied by years of benefit service (as defined in the plan) in excess of 20 years; minus (iii) 1.25% of the participant's Social Security benefit multiplied by total benefit service up to 40 years. Final average pay is based on the highest average compensation paid during 60 consecutive months out of the last 120 months of benefit service. Compensation means the basic cash remuneration paid to the participant, including annual incentive compensation, commissions and overtime pay, and before deductions for elective deferrals (up to applicable Internal Revenue Code limits).

As a result of plan participants' benefits under the plan being frozen, any pay earned and service completed after that date will not be taken into account when determining the amount of a participant's benefit under the plan. Participants will continue to earn eligibility towards early retirement as long as they remain our employees. Normal retirement under the plan is age 65; however, participants who have attained age 55 and completed at least 10 years of vesting service may retire prior to age 65 and receive a reduced benefit. Pursuant to these plan terms, Mr. Pollichino is eligible for an early retirement benefit under the MSG Retirement Plan.

The normal form of benefit is a single life annuity for an unmarried participant and a 50% joint and survivor annuity for a married participant. The participant, with the spouse's consent if married, may waive the normal form and elect an optional form of payment, including a single life annuity, a 50%, 75% or 100% joint and survivor annuity, a 10-year certain and life annuity, a level income option that integrates with Social Security benefits, and a lump sum payment if the actuarial present value of the benefit does not exceed \$10,000.

MSG Excess Retirement Plan

The MSG Excess Retirement Plan is a non-qualified defined contribution plan that provides eligible participants, including Mr. Pollichino, with the portion of their benefit that cannot be paid to them under the Retirement Plan due to Internal Revenue Code limits on the amount of compensation that can be taken into account in determining benefits under tax-qualified plans. Future benefit accruals under the MSG Excess Retirement Plan ceased as of January 1, 2008 in conjunction with the cessation of future accruals under the MSG Retirement Plan.

Benefits are payable under the MSG Excess Retirement Plan upon the participant's termination of employment. The normal form of payment under the MSG Excess Retirement Plan is a life annuity for all participants. Instead of the normal form of payment, participants may have instead elected a 50%, 75% or 100% joint and survivor annuity option or a 10-year certain and life annuity option. Based upon his age and years of benefit service, Mr. Pollichino's monthly accrued benefit payable at age 65 under the plan is \$9,825.

MSG Holdings, L.P. 401(k) Savings Plan (MSG Savings Plan)

Under the MSG Savings Plan, a tax-qualified retirement savings plan, participating employees, including the NEOs (other than Mr. Dolan), may contribute into their plan accounts a percentage of their eligible pay on a before-tax basis as well as a percentage of their eligible pay on an after-tax basis. The participants are

Table of Contents

eligible to receive a matching contribution from the Company of up to 50% of the first 6% of eligible pay contributed by participating employees. A participant is always fully vested in his own contributions, and the Company matching contributions cliff vest on the third anniversary of the date of hire (subject to full vesting upon his death, disability or retirement after attaining age 65).

MSG Holdings, L.P. Excess 401(k) Savings Plan (MSG Excess Savings Plan)

The MSG Excess Savings Plan is an unfunded, non-qualified deferred compensation plan that operates in conjunction with the Company's tax-qualified MSG Savings Plan. An employee is eligible to participate in the MSG Excess Plan for a calendar year if his compensation (as defined in the MSG Savings Plan) in the preceding year exceeded (or would have exceeded, if the employee had been employed for the entire year) the IRS limit on the amount of compensation that can be taken into account in determining contributions under tax-qualified retirement plans (\$255,000 in calendar year 2013) and he makes an election to participate prior to the beginning of the year. An eligible employee whose contributions to the MSG Savings Plan are limited as a result of this compensation limit or as a result of reaching the maximum 401(k) deferral limit (\$17,500, or \$23,000 if 50 or over, for calendar year 2013) can continue to make pre-tax contributions under the MSG Excess Savings Plan of up to 6% of his eligible pay. In addition, the Company will make matching contributions of up to 50% of the first 6% of eligible pay contributed by the employee. A participant is always fully vested in his own contributions and vests in the Company matching contributions on the third anniversary of the date of hire (subject to full vesting upon his death, disability or retirement after attaining age 65). Account balances under the MSG Excess Savings Plan are credited monthly with the rate of return earned by the Stable Value Fund offered as an investment alternative under the MSG Savings Plan. Distributions of vested benefits are made in a lump sum as soon as practicable after the participant's termination of employment with the Company.

Employment Agreements

Each of our executive officers has entered into an employment agreement with the Company. As noted above in the Compensation Discussion and Analysis, Messrs. Dolan and Ratner also continue to serve as officers and employees of Cablevision. Such Cablevision employment is pursuant to written employment agreements by and between Cablevision and each of Messrs. Dolan and Ratner (which are not described herein). Set forth below is a description of the employment agreements between the Company and each of our NEOs.

James L. Dolan

The agreement provides for Mr. Dolan's employment as Executive Chairman of the Company through December 31, 2014 at a minimum annual base salary of \$500,000 (subject to annual review and potential increase in the discretion of the Compensation Committee) and an annual target bonus equal to 200% of his annual base salary (and a possible range of 0% to 400%) in the discretion of the Compensation Committee. It is also expected that Mr. Dolan will continue to be nominated for election as a director of the Company during the period he serves as Executive Chairman. Under the agreement, Mr. Dolan continues to be eligible to participate in all the Company's employee benefits and retirement plans at the level available to other members of senior management of the Company subject to meeting the relevant eligibility requirements and the terms of the plans. In light of Mr. Dolan's dual role at the Company and Cablevision, he does not meet the eligibility requirements of certain qualified and other employee benefit plans. In the event Mr. Dolan does not meet the requirements for the MSG Holdings, L.P. Salary Continuation Plan (short-term disability), any amount that otherwise would have been payable to Mr. Dolan under that plan in the event of a short-term disability will be payable by the Company in the amount and for the duration set forth in the plan. In addition, because Mr. Dolan does not participate in the MSG Holdings, L.P. 401(k) Savings Plan and the MSG Holdings, L.P. Cash Balance Pension Plan, his full Company base salary is used to determine his applicable benefits under the MSG Holdings, L.P. Excess Savings Plan and the MSG Holdings, L.P. Excess Cash Balance Plan. Any life and accidental death and dismemberment insurance provided by the Company will continue to be based on Mr. Dolan's base salary.

Mr. Dolan is also eligible to participate in the Company's long-term cash or equity programs and arrangements described above at the level determined by the Compensation Committee in its discretion consistent with the role and responsibilities of Executive Chairman. The agreement provided for one or more long-term cash and/or equity award with an aggregate target value of \$1,750,000, as determined by the Compensation Committee in its discretion for 2010. Although not guaranteed, the agreement states the expectation that long-term cash or equity awards with similar target values as those granted to Mr. Dolan in 2010 will be made to him annually.

If, prior to December 31, 2014 (the Scheduled Expiration Date), Mr. Dolan's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company or (iii) by him for Good Reason, and at the time of any such termination Cause does not exist, then, subject to his execution of the Company's then standard separation agreement (modified to reflect terms of the agreement) which separation agreement will include, without limitation, general releases by him as well as non-competition, non-solicitation, non-disparagement, confidentiality and other provisions substantially similar to those set forth in the agreement (a Separation Agreement), the Company will provide him with the following benefits and rights:

- (a) A severance payment in an amount determined at the discretion of the Compensation Committee, but in no event less than two times the sum of his annual base salary and annual target bonus and will be made on the 90th day after the termination of his employment;
- (b) Each of the Company's outstanding long-term cash performance awards granted under the plans of the Company will immediately vest in full and will be paid to the same extent and at the same time that other members of senior management receive payment for such awards as determined by the Compensation Committee (subject to the satisfaction of any applicable performance objectives);

Table of Contents

(c) Each of the Company's outstanding long-term cash awards (including any deferred compensation awards under the long-term cash award program) that are not subject to performance criteria granted under the plans of the Company will immediately vest in full and will be paid on the 90th day after the termination of his employment;

(d) (i) All of the time-based restrictions on each of his outstanding restricted stock or restricted stock units granted to him under the plans of the Company will immediately be eliminated, (ii) payment and deliveries with respect to his restricted stock that are not subject to performance criteria will be made to him on the 90th day after the termination of his employment, (iii) the performance based restrictions with respect to his restricted stock and restricted stock units that are subject to performance criteria will lapse when and to the same extent that such restrictions lapse on such awards held by other executive officers as determined by the Compensation Committee (subject to satisfaction of any applicable performance objectives) and (iv) payments or deliveries with respect to restricted stock units that are subject to performance criteria will be made only if, when and to the same extent that payment or deliveries are made to other executive officers who hold such restricted stock units and in accordance with the terms of the award;

(e) Each of his outstanding stock options and stock appreciation awards under the plans of the Company will immediately vest and become exercisable and he will have the right to exercise each of those options and stock appreciation awards for the remainder of the term of the option or award; and

(f) A prorated annual bonus for the year in which such termination occurred (based upon the number of full calendar months during which Mr. Dolan was employed by the Company during the applicable year) to the same extent that other executive officers receive payment of bonuses for such year as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives), payable at the same time annual bonuses for such year are payable to other executive officers, and, if not previously paid, his annual bonus for the preceding year, to the same extent that other members of senior management receive payment of annual bonuses for such preceding year as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives), which annual bonus shall be payable at the same time annual bonuses for such preceding year are payable to other members of senior management.

If Mr. Dolan ceases to be an employee of the Company or any of its affiliates (other than Cablevision and its subsidiaries) prior to the Scheduled Expiration Date as a result of his death or physical or mental disability, Mr. Dolan (or his estate or beneficiary) will be provided with the benefits and rights set forth in (b) through (f) of the preceding paragraph, and, in the event of his death, such longer period to exercise his then outstanding stock options and stock appreciation awards as may otherwise be permitted under the applicable plan and award letter.

If, after the Scheduled Expiration Date, Mr. Dolan's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company, (iii) by him for Good Reason, or (iv) as a result of his death or disability, and at the time of any such termination, Cause does not exist, then, subject to (except in the case of his death) his execution of a Separation Agreement, he or his estate or beneficiary, as the case may be, will be provided with the benefits and rights set forth above in (b) through (f) of the next preceding paragraph.

If, prior to or after the Scheduled Expiration Date, Mr. Dolan ceases to be employed by the Company for any reason other than his being terminated for Cause, he will have three years to exercise outstanding stock options and stock appreciation awards, unless he is afforded a longer period for exercise pursuant to his employment agreement or any applicable award letter. In no event, however, will stock options or stock appreciation rights remain exercisable beyond their regularly scheduled term (except as may otherwise be permitted under the applicable award in the case of death).

Table of Contents

Upon the termination of Mr. Dolan's employment with the Company, except as otherwise specifically provided in the employment agreement, his rights to benefits and payments under the Company's pension and welfare plans (other than severance benefits) and any outstanding long-term cash or equity awards will be determined in accordance with the then current terms and provisions of such plans, agreements and awards under which such benefits and payments (including such long-term cash or equity awards) were granted.

In the employment agreement, the Company acknowledges that, in addition to Mr. Dolan's services pursuant to the agreement, he will simultaneously serve, and is expected to devote most of his business time and attention to serving, as President and Chief Executive Officer of Cablevision. The Company recognizes and agrees that his responsibilities to Cablevision will preclude him from devoting a substantial portion of his time and attention to the Company's affairs. The agreement states the Company's recognition that there may be certain potential conflicts of interest and fiduciary duty issues associated with Mr. Dolan's dual roles at the Company and Cablevision and that none of (i) his dual responsibilities at the Company and Cablevision, (ii) his inability to devote a substantial portion of his time and attention to the Company's affairs, (iii) the actual or potential conflicts of interest and fiduciary duty issues that are waived in the Company's Amended and Restated Certificate of Incorporation, or (iv) any actions taken, or omitted to be taken, by him in good faith to comply with his duties and responsibilities to the Company in light of his dual responsibilities to the Company and Cablevision will be deemed to be a breach by him of his obligations under the employment agreement nor will any of the foregoing constitute Cause as such term is defined in the employment agreement.

The employment agreement contains certain covenants by Mr. Dolan including a noncompetition agreement that restricts Mr. Dolan's ability to engage in competitive activities until the first anniversary of the termination of his employment with the Company.

For purposes of the foregoing description, the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the company or an affiliate thereof, or (2) commission of any act or omission that results in, or may reasonably be expected to result in, a conviction, plea of no contest, plea of *nolo contendere* or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Change in Control of the Company means the acquisition, in a transaction or a series of related transactions, by any person or group, other than Charles F. Dolan or members of the immediate family of Charles F. Dolan or trusts for the benefit of Charles F. Dolan or his immediate family (or an entity or entities controlled by any of them) or any employee benefit plan sponsored or maintained by the Company, of the power to direct the management of the Company or substantially all its assets (as constituted immediately prior to such transaction or transactions).

Termination for Good Reason means that (1) without Mr. Dolan's consent, (A) Mr. Dolan's base salary or bonus target is reduced, (B) the Company requires that Mr. Dolan's principal office be located outside of Nassau County or Manhattan, (C) the Company materially breaches its obligations to Mr. Dolan under his employment agreement, (D) Mr. Dolan is no longer the Executive Chairman of the Company, (E) Mr. Dolan no longer reports directly to the Board of the Company, or (F) Mr. Dolan's responsibilities are materially diminished, (2) Mr. Dolan has given the Company written notice, referring specifically to this definition, that he does not consent to such action, (3) the Company has not corrected such action within 15 days of receiving such notice, and (4) Mr. Dolan voluntarily terminates his employment within 90 days following the happening of the action described in subsection (1) of this definition.

In addition, references in the foregoing description to stock options, stock appreciation and equity awards granted under plans of the Company shall not be deemed to refer to stock options and stock appreciation rights issued with respect to Cablevision stock options and stock appreciation rights in connection with the Distribution (**Distribution Awards**). Pursuant to Mr. Dolan's employment agreement with Cablevision, in

certain events of termination of his employment with Cablevision, his Distribution Awards will be subject to accelerated vesting.

Hank J. Ratner

Mr. Ratner's employment agreement with the Company provides for his employment as President and Chief Executive Officer of the Company through December 31, 2014 at a minimum annual base salary of \$1,200,000 (subject to annual review and potential increase in the discretion of the Compensation Committee) and an annual target bonus equal to 200% of his annual base salary (and a possible range of 0% to 400%) in the discretion of the Compensation Committee. He is entitled to participate in all of the Company's employee benefits and retirement plans at the level available to other members of senior management (subject to meeting the relevant eligibility requirements and terms of the plans).

Mr. Ratner is also eligible to participate in the Company's long-term cash or equity programs described above. The agreement provided for one or more long-term cash and/or equity award with an aggregate target value of \$5,400,000, as determined by the Compensation Committee in its discretion in 2010. Although not guaranteed, the agreement states the expectation that long-term cash or equity awards of target values similar to those granted to Mr. Ratner in 2010 will be made to him annually thereafter. Neither the scheduled expiration of the employment agreement nor Mr. Ratner's rights in connection with the expiration will have any effect on any determination by the Compensation Committee with respect to the amount, terms or form of any long-term incentive awards granted to him in the future.

If, prior to December 31, 2014 (the Scheduled Expiration Date), Mr. Ratner's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company, (iii) by him for Good Reason, or (iv) by Mutual Consent, and at the time of any such termination Cause does not exist, then, subject to his execution of a Separation Agreement with the Company, the Company will provide him with the following benefits and rights:

- (a) A severance payment in an amount determined at the discretion of the Compensation Committee, but in no event less than two times the sum of his annual base salary and annual target bonus and which will be made on the 90th day after termination of his employment;
- (b) Each of the Company's outstanding long-term cash performance awards granted under the plans of the Company will immediately vest in full and will be paid only if, when and to the same extent that other similarly situated executives receive payment for such awards as determined by the Compensation Committee (subject to the satisfaction of any applicable performance objectives);
- (c) Each of the Company's outstanding long-term cash awards (including any deferred compensation awards under the long-term cash award program) that are not subject to performance criteria granted under the plans of the Company will immediately vest in full and will be made on the 90th day after the termination of his employment;
- (d) (i) All of the time based restrictions on each of his outstanding restricted stock units granted to him under the plans of the Company will immediately be eliminated, (ii) deliveries with respect to his restricted stock that are not subject to performance criteria shall be made immediately after the effective date of the Separation Agreement, (iii) payment and deliveries with respect to his restricted stock units that are not subject to performance criteria shall be made on the 90th day after the termination of his employment, and (iv) payments or deliveries with respect to his restricted stock and restricted stock units that are subject to performance criteria shall be made only if, when and to the same extent that other similarly situated executives receive payment or deliveries for such awards as determined by the Compensation Committee (subject to satisfaction of any applicable performance objectives);
- (e) Each of his outstanding stock options and stock appreciation awards under the plans of the Company will immediately vest and become exercisable and he will have the right to exercise each of those options and stock appreciation awards for the remainder of the term of the option or award; and

Table of Contents

(f) A prorated annual bonus for the year in which such termination occurred (based upon the number of full calendar months during which Mr. Ratner was employed by the Company during the applicable year) only if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for Mr. Ratner's individual performance) as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives) and, if not previously paid, his annual bonus for the preceding year, if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for his individual performance) as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives).

If Mr. Ratner ceases to be an employee of the Company or any of its affiliates (other than Cablevision and its subsidiaries) prior to the Scheduled Expiration Date as a result of his death or physical or mental disability, Mr. Ratner (or his estate or beneficiary) will be provided with the benefits and rights set forth in (b) through (f) of the preceding paragraph, and, in the event of his death, such longer period to exercise his then outstanding stock options and stock appreciation awards as may otherwise be permitted under the applicable plan and award letter.

If, after the Scheduled Expiration Date, Mr. Ratner's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company, (iii) by him for Good Reason, (iv) by him without Good Reason but only if he had provided the Company with at least six-months' advance written notice of his intent to so terminate his employment, or (v) as a result of his death or disability, and at the time of any such termination, Cause does not exist, then, subject to (except in the case of his death) his execution of a Separation Agreement, he or his estate or beneficiary, as the case may be, will be provided with the benefits and rights set forth above in (b) through (f) of the next preceding paragraph.

If, prior to or after the Scheduled Expiration Date, Mr. Ratner ceases to be employed by the Company for any reason other than his being terminated for Cause, he will have three years to exercise outstanding stock options and stock appreciation awards unless he is afforded a longer period for exercise pursuant to his employment agreement or any applicable award letter. In no event, however, will stock options or stock appreciation rights remain exercisable beyond their regularly scheduled term (except as may otherwise be permitted under the applicable award in the case of death).

Upon the termination of Mr. Ratner's employment with the Company, except as otherwise specifically provided in the employment agreement, his rights to benefits and payments under the Company's pension and welfare plans (other than severance benefits) and any outstanding long-term cash or equity awards shall be determined in accordance with the then current terms and provisions of such plans, agreements and awards under which such benefits and payments (including such long-term cash or equity awards) were granted.

The agreement provides that the Company will provide Mr. Ratner with the use of a driver and a car appropriate to his status and responsibilities.

In the agreement, the Company acknowledges that, in addition to Mr. Ratner's services pursuant to the agreement, he will simultaneously serve, and is expected to devote a portion of his business time and attention to serving, as Vice Chairman of Cablevision. The Company recognizes and agrees that his responsibilities to Cablevision will preclude him from devoting all of his time and attention to the Company's affairs. The agreement states the Company's recognition that there may be certain potential conflicts of interest and fiduciary duty issues associated with Mr. Ratner's dual roles at the Company and Cablevision and that none of (i) his dual responsibilities at the Company and Cablevision, (ii) his inability to devote all of his time and attention to the Company's affairs, (iii) the actual or potential conflicts of interest and fiduciary duty issues that are waived in the Company's Amended and Restated Certificate of Incorporation, or (iv) any actions taken, or omitted to be taken, by him in good faith to comply with his duties and responsibilities to the Company in light of his dual

responsibilities to the Company and Cablevision, shall be deemed to be a breach by him of his obligations under the employment agreement nor shall any of the foregoing constitute Cause as such term is defined in the employment agreement.

The employment agreement contains certain covenants by Mr. Ratner including a noncompetition agreement that restricts Mr. Ratner's ability to engage in competitive activities until the first anniversary of the termination of his employment with the Company.

For purposes of the foregoing description, the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (2) commission of any act or omission that results in, or may reasonably be expected to result in, a conviction, plea of no contest, plea of *nolo contendere* or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Change in Control of the Company means the acquisition, in a transaction or a series of related transactions, by any person or group, other than Charles F. Dolan or members of the immediate family of Charles F. Dolan or trusts for the benefit of Charles F. Dolan or his immediate family (or an entity or entities controlled by any of them) or any employee benefit plan sponsored or maintained by the Company, of the power to direct the management of the Company or substantially all its assets (as constituted immediately prior to such transaction or transactions).

Mutual Consent means Mr. Ratner and the Company have mutually agreed in writing to terminate his employment with the Company and that such termination of employment shall not constitute a termination by the Company with or without Cause or by Mr. Ratner with or without Good Reason.

Termination for Good Reason means that (1) without Mr. Ratner's consent, (A) his base salary or bonus target as an employee is reduced, (B) the Company requires that his principal office be located outside of Nassau County or Manhattan, (C) the Company materially breaches its obligations to Mr. Ratner under the employment agreement, (D) Mr. Ratner is no longer the President and Chief Executive Officer of the Company, (E) Mr. Ratner reports directly to someone other than the Chairman (or the Executive Chairman), or (F) Mr. Ratner's responsibilities are materially diminished, (2) Mr. Ratner has given the Company written notice, referring specifically to this definition, that he does not consent to such action, (3) the Company has not corrected such action within 15 days of receiving such notice, and (4) Mr. Ratner voluntarily terminates his employment within 90 days following the happening of the action described in subsection (1) of this definition.

In addition, references in the foregoing description to stock options, stock appreciation and equity awards granted under plans of the Company shall not be deemed to refer to stock options and stock appreciation rights issued with respect to Cablevision stock options and stock appreciation rights in connection with the Distribution (Distribution Awards). Pursuant to Mr. Ratner's employment agreement with Cablevision, in certain events of termination of his employment with Cablevision, his Distribution Awards will be subject to accelerated vesting.

Robert M. Pollichino

The Company and Mr. Pollichino entered into an employment agreement effective August 21, 2012 (which is substantially similar to his previous agreement). Mr. Pollichino's employment agreement provides for his employment as Executive Vice President and Chief Financial Officer of the Company through February 9, 2016 at a minimum annual base salary of \$765,000 (subject to annual review and increase in the discretion of the Company's Compensation Committee) and an annual target bonus opportunity equal to 60% of his annual base salary. He is eligible for the Company's standard benefits programs and to participate in the Company's long-term incentive programs, in each case on the same basis as similarly situated executives at the Company. Any such awards would be subject to actual grant by the Compensation Committee in its sole discretion, would be

pursuant to the plan document and would be subject to the terms and conditions established by the Compensation Committee in its sole discretion.

Mr. Pollichino's employment agreement provides severance benefits if Mr. Pollichino's employment is terminated prior to February 9, 2016 by (1) the Company, or (2) by Mr. Pollichino for Good Reason, if at the time of such termination under clause (1) or (2), Cause does not exist. These benefits consist of (1) the payment of an amount in cash equal to not less than two times the sum of Mr. Pollichino's annual base salary and his annual target bonus as in effect at that time; (2) a prorated bonus (based upon the amount of base salary actually earned by Mr. Pollichino during the applicable fiscal year), provided that such bonus will be payable if and when such bonuses are generally paid to similarly situated employees and will be based on his then current annual target bonus as well as Company and his business unit performance as determined by the Compensation Committee in its sole discretion, but without adjustment for his individual performance and, if not previously paid, his annual bonus for the preceding fiscal year, if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for his individual performance) as determined by the Compensation Committee in its sole discretion; (3) any vested stock options or stock appreciation rights that he has outstanding as of the time of such termination will remain exercisable until the earlier of the three-year anniversary of the termination date and the end of the original term of the applicable award and (4) the Compensation Committee will consider, in good faith, approving the vesting of his then outstanding equity and cash incentive awards on a pro rata basis, provided that, to the extent any such awards are subject to any performance criteria, any such pro rata vested portion as may be approved by the Compensation Committee shall be payable only if, when, and to the same extent as paid to other employees generally holding such awards subject to the satisfaction of the performance criteria. All payments described in this paragraph would be conditioned on Mr. Pollichino executing a separation agreement.

For purposes of Mr. Pollichino's employment agreement the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or one of its affiliates or (2) commission of any act or omission that results in a conviction, plea of no contest, plea of *nolo contendere* or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Termination for Good Reason means: (1) without Mr. Pollichino's consent, (A) his base salary or annual target bonus is reduced or (B) he is no longer the Executive Vice President and Chief Financial Officer of the Company; (2) he gives written notice to the Company that he does not consent to such action; (3) the Company does not correct such action within 30 days of receiving his notice; and (4) he voluntarily terminates his employment within ninety (90) days of such action.

Lawrence J. Burian

The Company and Mr. Burian entered into an employment agreement effective August 21, 2012 (which is substantially similar to his previous agreement). Mr. Burian's employment agreement provides for his employment as Executive Vice President, General Counsel and Secretary of the Company through February 9, 2016 at a minimum annual base salary of \$675,000 (subject to annual review and increase in the discretion of our Compensation Committee) and an annual target bonus opportunity equal to 60% of his annual base salary. He is eligible for the Company's standard benefits programs and to participate in the Company's long-term incentive programs, in each case on the same basis as similarly situated executives at the Company. Any such awards would be subject to actual grant by the Compensation Committee in its sole discretion, would be pursuant to the plan document and would be subject to the terms and conditions established by the Compensation Committee in its sole discretion.

Mr. Burian's employment agreement provides severance benefits if Mr. Burian's employment is terminated prior to February 9, 2016 by (1) the Company, or (2) by Mr. Burian for Good Reason, if at the time of such termination under clause (1) or (2), Cause does not exist. These benefits consist of (1) the payment of an

Table of Contents

amount in cash equal to not less than two times the sum of Mr. Burian's annual base salary and his annual target bonus as in effect at that time; (2) a prorated bonus (based upon the amount of base salary actually earned by Mr. Burian during the applicable fiscal year), provided that such bonus will be payable if and when such bonuses are generally paid to similarly situated employees and will be based on his then current annual target bonus as well as Company and his business unit performance as determined by the Compensation Committee in its sole discretion, but without adjustment for his individual performance and, if not previously paid, his annual bonus for the preceding fiscal year, if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for his individual performance) as determined by the Compensation Committee in its sole discretion; (3) any vested stock options or stock appreciation rights that he has outstanding as of the time of such termination will remain exercisable until the earlier of the three-year anniversary of the termination date and the end of the original term of the applicable award; and (4) the Compensation Committee will consider, in good faith, approving the vesting of his then outstanding equity and cash incentive awards on a pro rata basis, provided that, to the extent any such awards are subject to any performance criteria, any such pro rata vested portion as may be approved by the Compensation Committee shall be payable only if, when, and to the same extent as paid to other employees generally holding such awards subject to the satisfaction of the performance criteria. All payments described in this paragraph would be conditioned on Mr. Burian executing a separation agreement.

For purposes of Mr. Burian's employment agreement the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof or (2) commission of any act or omission that results in a conviction, plea of no contest, plea of *nolo contendere* or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Termination for Good Reason means: (1) without Mr. Burian's consent, (A) his base salary or annual target bonus is reduced, (B) his title is reduced from Executive Vice President, General Counsel & Secretary of the Company or (C) he is no longer the Company's most senior legal officer; (2) he gives written notice to the Company that he does not consent to such action; (3) the Company does not correct such action within 30 days of receiving his notice; and (4) he voluntarily terminates his employment within 90 days of such action.

Joseph F. Yospe

The Company and Mr. Yospe entered into an employment agreement effective August 21, 2012. Pursuant to his employment agreement, Mr. Yospe receives a minimum annual base salary of \$434,000 annually. He is eligible to participate in the Company's discretionary annual bonus program with an annual target bonus opportunity equal to 45% of his base salary. Bonus payments are based on actual salary paid during the year for which they are awarded. Mr. Yospe is eligible for our standard benefits program. He is also eligible, subject to his continued employment by the Company and actual grant by the Compensation Committee, to participate in such long-term incentive programs that are made available in the future to similarly situated executives at the Company. Any such awards are subject to actual grant by the Compensation Committee, and are pursuant to the applicable plan document and the terms and conditions established by the Compensation Committee in its sole discretion.

If, prior to February 9, 2016, his employment is involuntarily terminated by the Company for any reason other than Cause, the Company is obligated to pay severance in an amount equal to his base salary plus his target annual bonus, each as then in effect (the **Severance Amount**). Sixty percent of the Severance Amount is payable on the six-month anniversary of the date on which his employment is so terminated (the **Termination Date**) and the remaining 40% of the Severance Amount is payable on the twelve-month anniversary of the Termination Date. Payment of any Severance Amount is subject to Mr. Yospe's execution of a severance agreement to the Company's satisfaction.

For the purposes of the employment agreement, **Cause** means, as determined by the Company, Mr. Yospe's (i) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross

negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (ii) commission of any act or omission that results in a conviction, plea of no contest, plea of *nolo contendere*, or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Termination and Severance

This section describes the payments that would be received by our NEOs upon various terminations of employment scenarios. The information under *Separation from the Company* assumes that the NEO was employed by the Company under his applicable agreement, and his employment terminated as of June 28, 2013, the last business day of our applicable fiscal year. This information is presented to illustrate the payments such executives would have received from the Company under the various termination scenarios.

Separation from the Company

Payments may be made to NEOs upon the termination of their employment with the Company depending upon the circumstances of their termination, which include termination by the Company without cause, termination by the Company with cause, termination by the employee for good reason, other voluntary termination by the employee, retirement, death, disability, or termination following a change in control of the Company or following a going-private transaction. Certain of these circumstances are addressed in employment agreements between the Company and the NEOs. For a description of termination provisions in the employment agreements, see *Employment Agreements* above. In addition, award agreements for long-term incentives also address some of these circumstances.

Quantification of Termination and Severance

The following tables set forth a quantification of estimated severance and other benefits payable to the NEOs under various circumstances regarding the termination of their employment. In calculating these severance and other payments, we have taken into consideration or otherwise assumed the following:

Termination of employment occurred after the close of business on June 28, 2013, the last trading day of our fiscal year.

We have valued equity awards using the closing market price of Class A Common Stock on NASDAQ on June 28, 2013, the last trading day of our fiscal year, of \$59.25.

In the event of termination of employment, the payment of certain long-term incentive awards and other amounts may be delayed, depending upon the terms of each specific award agreement, the provisions of the applicable NEO's employment agreement and the applicability of Code Section 409A. In quantifying aggregate termination payments, we have not taken into account the timing of the payments and we have not discounted the value of payments that would be made over time, except where otherwise disclosed.

We have assumed that all performance metrics for performance-based awards are achieved (but not exceeded).

Benefits Payable as a Result of Voluntary Termination of Employment by Employee

In the event of a voluntary termination of employment, no NEO would have been entitled to any payments at June 28, 2013, excluding any pension or other vested retirement benefits.

As a result of the Distribution, Cablevision no longer holds a common stock ownership interest in us. However, both Cablevision and we continue to be under the control of Charles F. Dolan, members of his family and certain related family entities. For purposes of governing the ongoing relationships between Cablevision and us and to provide for our orderly transition from a wholly-owned subsidiary of Cablevision to a separate, publicly listed company, Cablevision and we have entered into the agreements described in this section. Prior to the AMC Distribution, AMC Networks, as a subsidiary of Cablevision, performed certain of the services under the agreements described below. As a result of the AMC Distribution, AMC Networks performs certain services under those agreements as a stand-alone company. Certain of the agreements summarized in this section are included as exhibits to our 2013 Form 10-K, and the following summaries of those agreements are qualified in their entirety by reference to the agreements as filed. Additional information concerning the arrangements between us and each of Cablevision and AMC Networks is set forth in Note 10 and Note 18 to our financial statements included in our 2013 Form 10-K.

Distribution Agreement

On January 12, 2010, we entered into the Distribution Agreement with Cablevision as part of a series of transactions pursuant to which we acquired the subsidiaries of Cablevision that own, directly or indirectly, all of the partnership interests in MSG Holdings, L.P.

Under the Distribution Agreement, Cablevision provides us with indemnities with respect to liabilities, damages, costs and expenses arising out of any of (i) Cablevision's businesses (other than businesses of ours), (ii) certain identified claims or proceedings, (iii) any breach by Cablevision of its obligations under the Distribution Agreement, (iv) any untrue statement or omission in our Registration Statement on Form 10 filed with the SEC or in the related Information Statement relating to Cablevision and its subsidiaries and (v) indemnification obligations we may have to the NBA or NHL that result from acts or omissions of Cablevision. We provide Cablevision with indemnities with respect to liabilities, damages, costs and expenses arising out of any of (i) our businesses, (ii) any breach by us of our obligations under the Distribution Agreement

and (iii) any untrue statement or omission in the Registration Statement or Information Statement other than any such statement or omission relating to Cablevision and its subsidiaries. For purposes of these indemnities, our Fuse programming business is treated as a business of Cablevision prior to its transfer to Madison Square Garden and as a business of ours thereafter.

In the Distribution Agreement we release Cablevision from any claims we might have arising out of:

the management of the businesses and affairs of the Company at or prior to the Distribution;
the terms of the Distribution, our Amended and Restated Certificate of Incorporation, our by-laws and the other agreements entered into in connection with the Distribution; and
any decisions that have been made, or actions taken, relating to the Company or the Distribution.

The Distribution Agreement also provides for access to records and information, cooperation in defending litigation, as well as methods of resolution for certain disputes.

Tax Disaffiliation Agreement

On January 12, 2010, we entered into a Tax Disaffiliation Agreement with Cablevision that governs Cablevision's and our respective rights, responsibilities and obligations with respect to taxes and tax benefits, the filing of tax returns, the control of audits and other tax matters following the Distribution. References in this summary description of the Tax Disaffiliation Agreement to the terms "tax" or "taxes" mean taxes as well as any interest, penalties, additions to tax or additional amounts in respect of such taxes.

We and our eligible subsidiaries previously joined with Cablevision in the filing of a consolidated return for U.S. federal income tax purposes and in the filing of certain consolidated, combined, and unitary returns for state, local, and other applicable tax purposes. However, for periods (or portions thereof) beginning after the Distribution, we generally do not join with Cablevision in the filing of any federal, state, local or other applicable consolidated, combined or unitary tax returns.

Under the Tax Disaffiliation Agreement, except for certain New York City income taxes, Cablevision is responsible for all of our U.S. federal, state, local and other applicable income taxes for any taxable period or portion of such period that ended on or before the Distribution Date. We are responsible for all of our other taxes (including certain New York City income taxes) for all taxable periods that ended on or before the Distribution Date, and all taxes that are attributable to us or one of our subsidiaries after the Distribution Date.

Notwithstanding the Tax Disaffiliation Agreement, under U.S. Treasury Regulations, each member of a consolidated group is severally liable for the U.S. federal income tax liability of each other member of the consolidated group. Accordingly, with respect to periods in which we have been included in Cablevision's consolidated group, we could be liable to the U.S. government for any U.S. federal income tax liability incurred, but not discharged, by any other member of such consolidated group. However, if any such liability were imposed, we would generally be entitled to be indemnified by Cablevision for tax liabilities allocated to Cablevision under the Tax Disaffiliation Agreement.

We are responsible for filing all tax returns for all periods ending after the Distribution Date that include us or one of our subsidiaries other than any consolidated, combined or unitary income tax return for periods after such date (if any) that includes us or one of our subsidiaries, on the one hand, and Cablevision or one of its subsidiaries (other than us or any of our subsidiaries), on the other hand. We also are responsible for filing, for all periods, all returns related to certain New York City income taxes that include us or one of our subsidiaries. Where possible, we have waived the right to carry back any losses, credits, or similar items to periods ending prior to or on the Distribution Date, however, if we cannot waive the right, we would be entitled to receive the resulting refund or credit, net of any taxes incurred by Cablevision with respect to the refund or credit.

Generally, we have the authority to conduct all tax proceedings, including tax audits, relating to taxes or any adjustment to taxes for which we are responsible for filing a return under the Tax Disaffiliation Agreement, and Cablevision has the authority to conduct all tax proceedings, including tax audits, relating to taxes or any

adjustment to taxes for which Cablevision is responsible for filing a return under the Tax Disaffiliation Agreement. However, if one party acknowledges a liability to indemnify the other party for a tax to which such proceeding relates, and provides evidence to the other party of its ability to make such payment, the first-mentioned party will have the authority to conduct such proceeding. The Tax Disaffiliation Agreement further provides for cooperation between Cablevision and the Company with respect to tax matters, the exchange of information and the retention of records that may affect the tax liabilities of the parties to the agreement.

Employee Matters Agreement

The Company is party to an Employee Matters Agreement with Cablevision, and an Equity Administration Agreement with AMC Networks, each of which sets forth the responsibilities and liabilities of the parties regarding exercise and forfeiture of stock options, and stock appreciation rights: (i) of the Company that are held by employees or former employees of Cablevision or AMC Networks and (ii) of Cablevision or AMC Networks that are held by employees or former employees of the Company.

Aircraft Arrangements

The Company has entered into a Time Sharing Agreement with CSC Transport, Inc. (CSC Transport), a subsidiary of Cablevision, pursuant to which CSC Transport leases to the Company on a time-sharing basis any aircraft owned or operated by Cablevision (currently a Gulfstream Aerospace G-V aircraft (the G-V) and three helicopters). The Company pays CSC Transport an amount equal to the actual non-fuel expenses of each flight it elects to utilize and 200% of the actual fuel usage for such flights, but not exceeding the maximum amount payable under Federal Aviation Administration rules. During the year ended June 30, 2013, the Company paid CSC Transport \$1,178,000 for use of the G-V and helicopters. In calculating the amounts payable under the agreement, the Company and CSC Transport allocate in good faith the treatment of any flight that is for the benefit of the Company and Cablevision.

The Company and CSC Transport have also entered into an Aircraft Management Agreement, pursuant to which CSC Transport has agreed to manage the Company's Boeing 737-400 for the 2010 to 2015 period. The agreement provides for an annual management fee of \$210,000 (with an annual CPI based increase) in addition to reimbursement of certain expenses.

Affiliation Agreement

An affiliation agreement between the Company and Cablevision took effect on January 1, 2010, with respect to the carriage of the MSG and MSG+ program services on Cablevision's cable systems in the New York, Connecticut and New Jersey tri-state area. This agreement has a term of ten years, obligates Cablevision to carry such program services on its cable systems and provides for the payment by Cablevision to the Company of a per subscriber license fee, which fee is increased each year during the term of the agreement.

Other Arrangements and Agreements with Cablevision and/or AMC Networks

The Company has also entered into a number of commercial and technical arrangements and agreements with Cablevision and its subsidiaries, none of which are material to the Company. These include, but are not limited to, arrangements for the Company's use of equipment, offices and other premises, provision of transport services and vendor services, access to technology, coordination in respect of certain litigation matters and for Cablevision's lease of suites and sponsorship of the Company and its professional sports teams. Following the AMC Distribution, certain commercial and technical arrangements formerly provided by AMC Networks as a subsidiary of Cablevision are provided by AMC Networks as a stand-alone company. These include, but are not limited to, arrangements for the Company's use of equipment, offices and other premises, lease of transponders, lease of a suite, provision of technical and vendor services, lease of titles in film and other libraries and access to technology.

Dolan Family Arrangements

The Company has entered into a Time Sharing Agreement with Dolan Family Office, LLC (DFO LLC), a company controlled by Charles F. Dolan, a director of the Company. Under this agreement, DFO LLC has agreed to sublease to the Company on a time sharing basis, a Gulfstream Aerospace GIV-SP aircraft. The Company pays DFO LLC an amount equal to the actual non-fuel expenses of each flight it elects to utilize and 200% of the actual fuel usage for such flights, but not exceeding the maximum amount payable under Federal Aviation Administration rules. The Company paid DFO LLC \$155,634 for use of the GIV-SP aircraft during the year ended June 30, 2013. The Company charges the Knickerbocker Group, LLC, an entity owned by James L. Dolan, the Executive Chairman and a director of the Company, for office space equal to the allocated cost of such space. The amount paid by the Knickerbocker Group, LLC for the 2013 fiscal year was \$94,935. In addition, from time to time, certain other services of the Company may be made available to members of the Dolan family and to entities owned by them. It is the policy of the Company to receive reimbursement for the costs of these services. See Stock Ownership Table for a description of registration rights agreements among the Dolan family interests and the Company.

Other

Since 2005, Charles A. Tese, the brother of Vincent Tese, a director of the Company, has been employed by MSG Holdings, L.P., a subsidiary of the Company, in a non-executive officer position. For the year ended June 30, 2013, Mr. Charles A. Tese earned \$106,647. Mr. Vincent Tese also serves as a director of Cablevision.

CERTAIN RELATIONSHIPS AND POTENTIAL CONFLICTS OF INTEREST

Our Executive Chairman, James L. Dolan, also serves as the President and Chief Executive Officer of Cablevision and our President and Chief Executive Officer, Hank J. Ratner, serves as Vice Chairman of Cablevision. Eight of the members of our Board (including James L. Dolan) also serve as directors of Cablevision, and several of our directors serve as officers and/or employees of Cablevision concurrently with their service on our Board. Seven members of our Board also serve as directors of AMC Networks. Therefore, these officers and directors may have actual or apparent conflicts of interest with respect to matters involving or affecting the Company, on the one hand, and Cablevision or AMC Networks, on the other hand. For example, there is the potential for a conflict of interest when we and Cablevision and/or AMC Networks look at certain acquisitions and other corporate opportunities that may be suitable for both companies. Also, conflicts may arise if there are issues or disputes under the commercial arrangements that exist between Cablevision and/or AMC Networks and us. In addition, certain of our officers and directors own Cablevision and/or AMC Networks stock or options to purchase Cablevision and AMC Networks stock. These ownership interests could create actual, apparent or potential conflicts of interest when these individuals are faced with decisions that could have different implications for the Company and Cablevision or AMC Networks. See Related Party Transaction Approval Policy below for a discussion of certain procedures we instituted to help ameliorate any such potential conflicts that may arise.

The Company's Amended and Restated Certificate of Incorporation acknowledges that the Company may have overlapping directors and officers with Cablevision and its subsidiaries and that the Company may engage in material business transactions with such entities. The Company has renounced its rights to certain business opportunities and the Company's Amended and Restated Certificate of Incorporation provides that in certain circumstances our directors and officers will not have liability to the Company or its stockholders for breach of any fiduciary duty by reason of the fact that any such individual directs a corporate opportunity to Cablevision or any of its subsidiaries instead of the Company, or does not refer or communicate information regarding such corporate opportunity to the Company. In connection with the AMC Distribution, our Board adopted resolutions which put in place arrangements similar to the foregoing provisions on corporate opportunities with respect to directors and officers of the Company who are also directors or officers of AMC Networks. Our Amended and Restated Certificate of Incorporation also expressly validates certain

Table of Contents

contracts, agreements, arrangements and transactions (and amendments, modifications or terminations thereof) between the Company and Cablevision and/or any of its subsidiaries and will provide that, to the fullest extent permitted by law, the actions of the overlapping directors and officers in connection therewith are not breaches of fiduciary duties owed to the Company or its stockholders.

RELATED PARTY TRANSACTION APPROVAL POLICY

The Company has adopted a written policy whereby an Independent Committee of our Board, which may be the Audit Committee, reviews and approves or takes such other action as it may deem appropriate with respect to transactions involving the Company and its subsidiaries, on the one hand, and in which any director, officer, greater than 5% stockholder of the Company or any other related person (as defined in Item 404 of Regulation S-K adopted by the SEC) has or will have a direct or indirect material interest. This approval requirement covers any transaction that meets the related party disclosure requirements of the SEC as set forth in Item 404, which currently apply to transactions (or any series of similar transactions) in which the amount involved exceeds \$120,000. To simplify the administration of the approval process under this policy, an Independent Committee may, where appropriate, establish guidelines for certain of those transactions. The policy does not cover decisions on compensation or benefits or the hiring or retention of any person. The hiring or retention of executive officers is determined by our full Board. Compensation of executive officers is subject to the approval of our Compensation Committee. This policy also does not cover any pro rata distributions to all Company stockholders, including a pro rata distribution of our Class A Common Stock to holders of our Class A Common Stock and our Class B Common Stock to holders of our Class B Common Stock. No director on an Independent Committee will participate in the consideration of a related party transaction with that director or any related person of that director.

Our Board has also adopted a special approval policy for transactions with Cablevision and AMC Networks and their respective subsidiaries whether or not such transactions qualify as related party transactions described above. Under this policy, an Independent Committee, which may be the Audit Committee, oversees approval of all transactions and arrangements between the Company and its subsidiaries, on the one hand, and each of Cablevision and its subsidiaries and AMC Networks and its subsidiaries, on the other hand, in which the amount exceeds the dollar threshold set forth in Item 404 (currently \$120,000). To simplify the administration of the approval process under this policy, an Independent Committee may, where appropriate, establish guidelines for certain of these transactions. The approval requirement does not apply to the implementation and administration of the intercompany arrangements described above under the related party transaction approval policy but does cover any amendments, modifications, terminations or extensions, other than ministerial, nonsubstantive amendments or modifications, as well as the handling and resolution of any disputes. Our executive officers and directors who are also senior executives or directors of Cablevision and AMC Networks may participate in the negotiation, execution, implementation, amendment, modification, or termination of intercompany arrangements, as well as in any resolution of disputes thereunder, on behalf of either the Company, Cablevision and AMC Networks, in each case under the direction of an Independent Committee or the comparable committee of the board of directors of Cablevision and AMC Networks.

Our related party transaction approval policy cannot be amended or terminated without the prior approval of a majority of the Company's independent directors and by a majority of the directors elected by our Class B Common Stockholders. For purposes of this policy, independent directors means those directors who have been determined by our Board to be independent directors for purposes of NASDAQ's corporate governance standards.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act of 1934 requires our directors, certain executive officers, and persons who beneficially own more than 10 percent of the outstanding Class A Common Stock to file reports of ownership and changes in ownership with the SEC. The SEC regulations require Madison Square Garden to identify anyone who failed to file a required report or filed a late report during the fiscal year ended June 30, 2013. Based solely on a review of reports filed under Section 16(a) of the Exchange Act, the Company is aware of no such failure.

Table of Contents**STOCK OWNERSHIP TABLE**

The table sets forth certain information as of September 17, 2013 with respect to the beneficial ownership of the Company's Class A Common Stock and Class B Common Stock by (i) each person the Company believes beneficially holds more than 5% of any class of the outstanding shares of the Company's based solely on the Company's review of SEC filings; (ii) each director or director nominee of the Company and (iii) each named executive officer of the Company.
