Fiscal Year End Change		

As previously announced in November 2013, the Company has changed its fiscal year end from the last Saturday in March to the Saturday closest to December 31. This proxy statement reports information for the 39-week fiscal transition period ended December 28, 2013, which we refer to as FYE 12/28/13 throughout this proxy statement. Following FYE 12/28/13, we will report on twelve-month fiscal years. The fiscal years ended March 31, 2012, and March 30, 2013 (referred to as FYE 3/31/12 and FYE 3/30/13, respectively) reflect the twelve-months preceding the end date of each year.

Board Nominees

In connection with the completion of the merger (sometimes referred to as the Merger) of Spartan Stores and Nash-Finch Company (Nash Finch) on November 19, 2013, we appointed the following director nominees to the Board: Mickey Foret, Douglas Hacker, Hawthorne Proctor, and William Voss, each a director of Nash Finch prior to the Merger. Also in connection with the Merger, Wendy Beck resigned from the Board of Directors to reduce the number of continuing Spartan Stores directors to seven, which was the number required under the merger agreement between Spartan Stores and Nash Finch. On July 19, 2013, Frederick Morganthall, II resigned as a director due to the proposed merger of The Kroger Co. with Harris Teeter Supermarkets, Inc., for which Mr. Morganthall serves as President and Chief Operating Officer.

The following table provides summary information about each director who is nominated for election to serve a term of one year.* Each director nominee is a current director and, during FYE 12/28/13, attended at least 75% of the meetings of the Board and each committee on which he or she sat.

Corporate Governance Highlights

The Board believes that effective corporate governance should reinforce a culture of corporate integrity, foster the Company's pursuit of profitable growth and ensure quality and continuity of corporate leadership. In light of this belief, the Board has adopted the following corporate governance standards:

Declassified the Board of Directors; the transition to the annual election of all Directors was completed as of the 2013 Annual Meeting.

Established the requirement that the Board consist of at least two-thirds independent directors.

Established the policy that any director who receives a greater number of votes withheld than votes for in an uncontested election at an annual meeting of shareholders is required to promptly offer his or her resignation from the Board for the Nominating and Corporate Governance Committee to consider.

Separated the roles of Chief Executive Officer and Chairman of the Board. However, because the Chairman of the Board is a former Chief Executive Officer, the Board has appointed a lead independent director.

Adopted a policy prohibiting our officers and directors from entering into transactions that hedge the value of our common stock and from pledging shares of our common stock (including holding shares in a margin account).

Adopted a clawback policy that provides for the recovery of incentive compensation in the event of a financial restatement, misconduct, and certain other circumstances.

Director Independence

Ten of our eleven directors are independent under Nasdaq Marketplace Rules.

Each of our Board's standing committees is 100% independent, and therefore our independent directors are engaged in all aspects of our Board's work.

The Board has appointed a Lead Independent Director. The Lead Independent Director acts as the principal liaison between the independent directors and the Chairman of the Board and performs the responsibilities described in detail on page 19 of this proxy statement.

There are regular executive sessions of non-employee directors, and any independent director may call an executive session and raise matters for discussion at these executive sessions.

Annually, our Nominating and Corporate Governance Committee evaluates our Board.

Our Board and each committee may engage independent advisors at their sole discretion.

Board Diversity

Our Board considers a range of types of diversity with respect to our Board, including race and gender, and our Board reflects diverse viewpoints, backgrounds, skills, experiences and expertise.

Auditors

We are asking our shareholders to ratify the selection of Deloitte & Touche LLP as our independent auditors for the fiscal year ending January 3, 2015 (FYE 1/3/15).

Executive Compensation Advisory Vote

In 2013, the Company's shareholders voted by 96% to approve the compensation paid to our named executive officers. In 2011, the Company's shareholders voted to hold advisory votes on executive compensation on an annual basis. The next shareholder advisory vote on the frequency of shareholder say-on-pay votes is expected to occur in 2017.

Accordingly, this year we are also asking our shareholders to approve on an advisory basis our named executive officer compensation for FYE 12/28/13. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our executive compensation. The Board recommends a FOR vote because it believes that our compensation policies and practices are effective in achieving the Company's goal of attracting, motivating, rewarding and retaining the senior management talent required to achieve our corporate objectives and increase shareholder value through long-term profitable growth.

Executive Compensation Highlights

Our Compensation Committee continued our pay-for-performance philosophy in FYE 12/28/13.

Our equity-based awards require continuing service and have forfeiture provisions.

All of our cash incentive awards are performance-based and our long-term cash incentive awards are subject to an additional service requirement.

Our executives must hold at least 50% of all shares acquired through the Company's stock incentive plans and other forms of stock based compensation until they are in compliance with our stock ownership guidelines.

Our Compensation Committee considers whether our compensation programs will encourage excessive or unnecessary risk-taking.

The Board of Directors has adopted a policy prohibiting the hedging and pledging of the Company's securities by directors and executive officers.

In March 2014, the Board of Directors adopted a clawback policy.

Business Context

Edgar Filing: SPARTAN STORES INC - Form DEF 14A

Our transition FYE 12/28/13 ranked among the most exciting times in our Company's history as we completed a transformative merger with Nash-Finch Company, bringing together two highly complementary organizations to form a leader in food distribution.

SpartanNash Company Proxy Statement | Page 5

Proxy Summary

With the completion of the Merger in November 2013, we began operating under the name SpartanNash Company, which represents the combination of our two companies' capabilities and our shared passion for integrity, teamwork and dedication to the customers we serve. By combining our resources, expertise and talent, we have strengthened our business and positioned the Company to better compete in the evolving grocery industry. The combination of Spartan Stores' strong retail and grocery distribution operations in Michigan, Indiana, and Ohio and Nash Finch's industry-leading position in grocery distribution to military commissaries and exchanges and its comprehensive wholesale grocery network throughout the U.S. has resulted in a \$7.5 billion revenue company with 21 wholesale distribution centers covering 44 states and 172 corporate-owned supermarkets, and which is the leading distributor to military commissaries exchanges in the U.S.

FYE 12/28/13 also saw significant challenges. The fiscal transition period was affected by integration and transaction closing related costs of approximately \$21 million. Challenging economic conditions continued to have an effect on the communities we service. However, we believe we successfully navigated the difficult consumer environment, launched a strong effort to integrate Spartan Stores and Nash Finch, made steady and meaningful progress on our strategic initiatives, and delivered another consistently solid financial performance.

For the 39-week FYE 12/28/13, consolidated net sales increased 28.9% to \$2.6 billion, including \$563.2 million in sales generated as a result of the Merger with Nash Finch, compared to \$2.0 billion for the comparable 40-week period in the prior year. Excluding the impact of the extra week in the prior year and contributions from Nash Finch, consolidated net sales would have increased approximately 3.3%.

Adjusted Earnings Before Interest, Taxes, Depreciation, and Amortization (Adjusted EBITDA¹) for the 39-week transition period increased 26.9% to \$97.3 million, or 3.8 percent of net sales, compared to \$75.9 million, or 3.7 percent of net sales, in the comparable period in the prior year, when including the extra week in the prior year. Excluding the impact of the extra week in the prior year and the contributions from Nash Finch, Adjusted EBITDA would have

¹ Adjusted EBITDA is a non-GAAP operating financial measure that the Company defines as net earnings from continuing operations plus depreciation and amortization, and other non-cash items including imputed interest, deferred (stock) compensation, the LIFO provision, as well as adjustments for items that do not reflect the ongoing operating activities of the Company and costs associated with the closing of operational locations, interest expense and the provision for income taxes to the extent deducted in the computation of Net Earnings. Adjusted earnings from continuing operations is a non-GAAP operating financial measure that we define as earnings from continuing operations plus or minus adjustments for items that do not reflect the ongoing operating activities of the Company and costs associated with the closing of operational locations. This information is discussed in Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of the Company's FYE 12/28/13 transition report on Form 10-K, which includes a reconciliation of Adjusted EBITDA to net earnings on a GAAP basis, a reconciliation of earnings from continuing operations to adjusted earnings from continuing operations and a discussion of why the Company believes these non-GAAP financial measures are useful to investors. A copy of our transition report on Form 10-K for the period ended December 28, 2013 is being provided with our proxy statement to our shareholders.

increased approximately 7.4 percent in the transition period. Net earnings (the most directly comparable GAAP financial measure) for FYE 12/28/13 were \$741,000, compared to \$19.7 million for the comparable 40-week period in the prior year.

FYE 12/28/13 adjusted earnings from continuing operations¹ were \$29.8 million, or \$1.23 per diluted share, excluding net after-tax charges of \$28.6 million primarily due to merger related expenses, asset impairment and restructuring charges, debt extinguishment and other unusual items. In the comparable period in the prior year, excluding the extra week and net after-tax charges of \$0.9 million, adjusted earnings from continuing operations were \$20.5 million, or \$0.94 per diluted share. Earnings from continuing operations (the most directly comparable GAAP financial measure) for FYE 12/28/13 were \$1.2 million, or \$0.05 per diluted share, compared to \$19.9 million, or \$0.91 per diluted share, for the comparable period 40-week period in the prior year.

In May 2013, the Board of Directors approved a 12.5% increase in the quarterly cash dividend, from \$0.08 per share to \$0.09 per share. In connection with the Merger, the Board of Directors determined that the initial quarterly cash dividend of the combined company would be \$0.12 per share, an additional increase of 33%.

FYE 12/28/13 Chief Executive Officer Compensation

The realizable total direct compensation (defined as salary, stock awards, and non-equity incentive compensation) of Mr. Dennis Eidson, our President and CEO, increased by 10%;

Our CEO and other named executive officers were paid for FYE 12/28/13 annual incentive bonuses above target levels, as adjusted for the fiscal transition period;

Our CEO and other named executive officers earned for FYE 12/28/13 above target level for the earnings per share component and at target for the return on invested capital (ROIC) component of the long-term incentive award, as target levels were adjusted for the fiscal transition period;

Our CEO and other named executive officers did not earn for FYE 12/28/13 any portion of the ROIC component of the long-term incentive award that was previously granted in May 2012 because performance was below threshold; and

No discretionary bonuses were paid to the named executive officers, consistent with prior years.

Proxy Summary

Tables illustrating the year-over-year change in CEO compensation and illustrating the compensation mix (at target level) for the CEO and all named executive officers in the aggregate appear below.

* FYE 12-28-13 Restricted Stock Value does not include incremental fair value adjustments due to modification of retirement provisions disclosed in Footnote 1 of the Summary Compensation Table.

Analysis of Mr. Eidson's FYE 12/28/13 compensation is set forth in more detail beginning on page 43.

Executive Compensation Mix

As illustrated below, the Company's Chief Executive Officer's compensation, at target level, is comprised of 25% base salary, 25% annual incentives and 50% long-term incentives. The Company's named executive officers' compensation, at target level, is comprised of 42% base salary, 21% annual incentives and 37% long-term incentives.

Q. How do I vote if my shares are held in street name ?

A. You hold your shares in street name if your shares are registered in the name of a bank, broker or other nominee (which we will collectively reference as your broker). If you hold your shares in street name, then your broker must vote your street name shares in the manner you direct if you provide your broker with proper and timely voting instructions. **PLEASE USE THE VOTING FORMS AND INSTRUCTIONS PROVIDED BY YOUR BROKER OR ITS AGENT. These forms and instructions typically permit you to give voting instructions by telephone or Internet, using a number or Internet address provided by the broker.** You will NOT be able to vote street name shares using the internet address or telephone numbers established for registered shareholders as described in the prior Question and Answer. If you are a street name holder and later want to change your vote, you must contact your broker.

Please note that you may NOT vote shares held in street name in person at the annual meeting unless you request and receive a valid proxy from your broker.

Q. What happens if I do not cast a vote?

A. If you are a shareholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

If you hold your shares in street name and do not provide timely voting instructions to your broker, your bank or broker may vote your shares only on routine matters, such as the ratification of the Company's independent public accounting firm. NYSE rules applicable to its member firms provide that your broker may not vote uninstructed shares on a discretionary basis on non-routine matters, such as the election of directors or approval of the executive compensation proposal. In such cases, the broker can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum, but will not be able to vote on non-routine matters. This is called a broker non-vote.

Q. What effect do broker non-votes have on the voting on the proposals?

A. Although broker non-votes count for quorum purposes, we do not count them as votes for or against any proposal. Therefore, if you hold your shares in street name it is critical that you cast your vote if you want your vote to count.

Q. Can I change my mind after I return my proxy?

A. Yes. You may revoke your proxy at any time before it is voted at the meeting by taking any of the following four actions:

by delivering written notice of revocation to the Company's Secretary, 850 76th Street, S.W., P.O. Box 8700, Grand Rapids, Michigan 49518-8700;

by delivering a proxy card bearing a later date than the proxy that you wish to revoke;

by casting a subsequent vote via telephone or the Internet, as described above; or

by attending the meeting and voting in person.

Merely attending the meeting will not, by itself, revoke your proxy; you must cast a subsequent vote at the meeting using forms provided for that purpose. Your last valid vote that we receive before or at the annual meeting is the vote that will be counted.

Q. What is the quorum requirement for the annual meeting?

A. To conduct business at the annual meeting, a quorum of shareholders must be present. The presence in person or by properly executed proxy of the holders of a majority of all issued and outstanding shares of SpartanNash common stock entitled to vote at the meeting is necessary for a quorum. To determine whether a quorum is present, we will include shares that are present or represented by proxy, including abstentions and shares represented by a broker non-vote on any matter.

Q. May the annual meeting be adjourned?

A. Yes. The shareholders present at the meeting, in person or by proxy, may, by a majority vote, adjourn the meeting despite the absence of a quorum. Shares represented by proxy may be voted in the discretion of the proxy holder on a proposal to adjourn the meeting. If a quorum is not present at the meeting, we expect the Chairman of the Board to adjourn the meeting to solicit additional proxies, as is authorized under the Company's Bylaws. In addition, the Chairman may adjourn the meeting in the event of disorder or under other circumstances consistent with the Company's bylaws and rules of conduct for the annual meeting.

Q. What vote is necessary to approve the proposals?

A. **Election of Directors.** A plurality of the shares voting is required to elect directors. This means that, if there are more nominees than positions to be filled, the nominees who receive the most votes will be elected to the open director positions. Abstentions, broker non-votes and other shares that are not voted in person or by proxy will not be included in the vote count to determine if a plurality of shares voted in favor of each nominee. As discussed in the Corporate Governance Principles section of this Proxy Statement, a director-nominee receiving a greater number of votes withheld than votes for election is required to offer promptly his or her resignation to the Nominating and Corporate Governance Committee upon certification of the shareholder vote. The resignation will be effective if and when accepted by the Nominating and Corporate Governance Committee.

Corporate Name Change. The approval of the proposed amendment to our Articles of Incorporation to change the name of the Company to SpartanNash Company requires the approval of a majority of the outstanding shares of Company common stock entitled to vote at the meeting. Failures to vote, broker non-votes, and abstentions will have the same effect as a vote against the proposal.

Advisory Vote on Executive Compensation. The advisory vote on executive compensation (the say on pay vote) will be approved if a majority of the shares that are voted on the proposal at the meeting are voted in favor of approval. Abstentions,

Questions and Answers

broker non-votes and other shares that are not voted on the proposal in person or by proxy will not be included in the vote count to determine if a majority of shares voted on this proposal voted in favor of approval. Because your vote is advisory, it will not be binding on the Company, the Board of Directors or the Compensation Committee. However, the Board of Directors and Compensation Committee value the opinions of our shareholders and will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Ratification of Independent Auditors. The ratification of the selection of Deloitte & Touche LLP as our independent auditors for FYE 1/3/15 will be approved if a majority of the shares that are voted on the proposal at the meeting are voted in favor of ratification. Abstentions, broker non-votes and other shares that are not voted on the proposal in person or by proxy will not be included in the vote count to determine if a majority of shares voted on this proposal voted in favor of this proposal.

Required Vote for Other Matters. We do not know of any other matters to be presented at

the meeting. Generally, any other proposal to be voted on at the meeting would be approved if a majority of the shares that are voted on the proposal at the meeting are voted in favor of the proposal. Abstentions, broker non-votes and other shares that are not voted on the proposal in person or by proxy would not be included in the vote count to determine if a majority of shares voted on the proposal voted in favor of each such proposal.

Q. What does it mean if I receive more than one proxy or voting instruction card?

A. It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q. Where can I find the voting results of the annual meeting?

A. We will announce preliminary voting results at the annual meeting and publish final results in a current report on Form 8-K within four business days after the annual meeting.

M. Shân Atkins

Dennis Eidson

Edgar Filing: SPARTAN STORES INC - Form DEF 14A

Mickey P. Foret

The persons named as proxies on the proxy card intend to vote for the election of each of the nominees. The proposed nominees are willing to be elected and to serve as directors. If any nominee becomes unable to serve or is otherwise unavailable for election, which we do not anticipate, the incumbent Board of Directors may select a substitute nominee. If a substitute nominee is selected, the shares represented by your proxy

for the election of the remaining nominees. Proxies will not be voted for more than eleven nominees.

*Your Board of Directors recommends that you vote **FOR** election of all nominees as directors.*

Corporate Name Change

The Board of Directors proposes that Article I of the Company's articles of incorporation be amended to read in its entirety as follows: The name of the Corporation is SpartanNash Company. The new name reflects the Merger of Spartan Stores, Inc. and Nash-Finch Company, which was completed on November 19, 2013. The

Company has done business under the SpartanNash Company name since the Merger.

*Your Board of Directors recommends that you vote **FOR** the approval of the amendment to change the corporate name to SpartanNash Company.*

Advisory (Non-Binding) Approval of the Compensation of Named Executive Officers

As required under Section 14A of the Securities Exchange Act of 1934, shareholders may cast an advisory vote on the compensation of the Company's named executive officers as disclosed in this proxy statement pursuant to the SEC's compensation disclosure rules.

As described in more detail in the Executive Compensation section of this proxy statement, the Company has designed its executive compensation programs to attract, motivate, reward and retain the senior management talent to manage the Company to achieve our corporate objectives and increase shareholder value through long-term profitable growth. Our compensation programs are focused on pay-for-performance principles and are strongly aligned with the long-term interests of our shareholders. For these reasons, and the reasons discussed in the Compensation Discussion and Analysis section of this proxy statement, we are asking our shareholders to vote **FOR** the adoption of the following resolution:

RESOLVED, that the shareholders of Spartan Stores, Inc., d/b/a SpartanNash Company

Edgar Filing: SPARTAN STORES INC - Form DEF 14A

(the Company) approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement for the 2014 Annual Meeting of Shareholders under the heading entitled Executive Compensation.

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy and programs described in this proxy statement.

The vote is not binding on the Company, the Board of Directors or the Compensation Committee. However, the Board of Directors and Compensation Committee value the opinions of our shareholders and will take the results of the vote into consideration when making future decisions regarding executive compensation.

Your Board of Directors Recommends That You Vote FOR Approval of the Compensation of the Company's Named Executive Officers.

Ratification of Selection of Independent Auditors

Ratification of Selection of Independent Auditors

SpartanNash's Audit Committee has approved the selection of Deloitte & Touche LLP (Deloitte) as the Company's independent auditors to audit the financial statements and internal controls of SpartanNash and its subsidiaries for FYE 1/3/15, and to perform such other appropriate accounting services as may be approved by the Audit Committee. The Audit Committee and the Board of Directors propose and recommend that shareholders ratify the selection of Deloitte to serve as the Company's independent auditors for the fiscal year ending January 3, 2015.

The independence of the Company's independent public accounting firm is of paramount concern to the Audit Committee and the Board of Directors. The Audit Committee evaluates the independence of the auditors at least annually. Deloitte has provided written affirmation that they are independent under all applicable standards, and the Audit Committee believes that Deloitte has effective internal monitoring of their independence. The Company and Deloitte have complied with SEC requirements on audit partner rotation. The lead audit partner was most recently replaced for FYE 12/28/13.

Independence is not the sole factor in the selection of the Company's independent auditor.

The Audit Committee also considers price, quality of service and knowledge of SpartanNash and the Company's industry when considering auditor selection.

More information concerning the relationship of the Company with its independent auditors appears below under the headings Audit Committee, Independent Auditors, and Audit Committee Report.

If the shareholders do not ratify the selection of Deloitte, the Audit Committee will consider a change in auditors for the next year.

Representatives of Deloitte are expected to be present at the annual meeting, will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions from shareholders.

Your Audit Committee, which consists entirely of independent directors, and Board of Directors recommend that you vote FOR ratification of the selection of Deloitte & Touche LLP as our independent auditors for FYE 1/3/15.

Corporate Governance Principles

SpartanNash is committed to developing and implementing principles of corporate governance to help the Board fulfill its responsibilities to shareholders and to provide a framework for overseeing the management of the Company. The formal requirements pertaining to SpartanNash's corporate governance structure are set forth in our restated articles of incorporation, bylaws and committee charters. In addition, the Board has adopted a written Corporate Governance Policy. The Policy is designed to communicate our fundamental governance principles and to provide

management, associates, and shareholders with

insight to the Board's ethical standards, expectations for conducting business, and decision-making processes. The Policy includes, among other things, guidelines regarding:

Board size and criteria;

director independence;

term limits and retirement of directors;

Board meetings and committees;

evaluation and compensation of the Board and executive officers;

directors' access to management and outside advisors;

strategic planning;

succession planning; and

communications.

This section of our proxy statement summarizes certain charters, policies, and principles relating to SpartanNash's corporate governance. More information regarding the Company's corporate governance, including a copy of our Corporate Governance Policy, is available in the Investor Relations Corporate Governance section of our website, www.spartannash.com.

Declassification of the Board of Directors

In 2010, the Board of Directors unanimously recommended, and the shareholders approved, amendments to the Company's Articles of Incorporation that declassified the Board and caused each director to be elected annually for a one-year term. Previously, the Board had been divided into three classes of directors serving three year terms.

The declassification was phased in over a three-year period, which began at the 2011 Annual Meeting. This declassification was completed as of the 2013 Annual Meeting. Going forward, each director of the Company will stand for election for a one-year term of office.

Director Independence

The Board believes that the independence of directors is an essential feature of the Company's governance. Independent directors help assure that the Board and its committees are dedicated to acting in the best interests of the

shareholders. Accordingly, SpartanNash's Corporate Governance Policy requires that at least two-thirds of the directors must be independent (as defined by the applicable standards of the Nasdaq Listing Rules). More than two-thirds of the Company's Board has consisted of independent directors for at least ten years. Currently, ten of SpartanNash's eleven directors are independent under Nasdaq Marketplace Rules. At present, the Board has only two current or former management directors: Craig Sturken, the current Chairman of the Board, former Executive Chairman (having served in this capacity from October 2008 to February 2011) and former Chief Executive Officer (having served in this capacity from March 2003 to October 2008), and Dennis Eidson, the current President and Chief Executive Officer.

The Board of Directors' Role in Risk Oversight

Management of risk is the direct responsibility of the Company's senior leadership team. The Board of Directors is responsible for overseeing the Company's risk management and risk mitigation. In its oversight of the Company's risk-management process, the Board seeks to ensure that the Company is informed and deliberate in its risk-taking. The Company's primary mechanisms for risk management are the Company's enterprise risk management program (ERM), its internal audit program, strategic review sessions held between the Board and management, and the Company's external audit by an independent accounting firm.

The Company relies on its ERM process to help identify, monitor, measure and manage risks. The ERM approach is designed to enable the Board of Directors to establish a mutual understanding with management of the effectiveness of the Company's risk management practices and capabilities. The Company's internal audit department provides management and the Board with information and analysis regarding operational, compliance and strategic risks, and seeks to improve business processes to minimize risks of fraud and abuse. Management and the

Corporate Governance Principles

internal audit department provide the Audit Committee with reports and updates on risk management matters at each Audit Committee meeting.

At least annually, the Board of Directors undertakes a comprehensive review of the Company's strategic plan and objectives with management. This review necessarily involves the identification and assessment of strategic risks attendant to initiatives such as acquisitions and divestitures, major investments, financings and capital commitments.

The Board implements its risk oversight function both as a whole and through Committees, which meet regularly and report back to the full Board. In particular:

The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, accounting and legal matters. The Audit Committee oversees the Company's internal audit and ethics programs, including the Company's codes of conduct and ethics. On a regular basis, the Audit Committee members meet independently with the Company's head of internal audit and representatives of the independent auditing firm, the Company's Chief Financial Officer, and outside legal counsel.

The Compensation Committee evaluates the risks and rewards associated with the Company's compensation philosophy and programs. As discussed in more detail in the Compensation Discussion and Analysis section of this proxy statement, the Compensation Committee reviews and approves compensation programs with features that mitigate risk without impairing the overall incentive nature of the compensation. The Compensation Committee also reviews senior leadership succession planning.

The Nominating and Corporate Governance Committee regularly reviews the Company's governance structure and practices to promote the long-term interests of shareholders. The Nominating and Corporate Governance Committee also oversees the succession planning process for senior leadership positions.

Board Leadership Structure

The Nominating and Corporate Governance Committee and the Board of Directors evaluate, from time to time, the leadership structure of the Board of Directors in light of a variety of factors that the Board considers important, including efficiency, the Company's current Board composition, the experience and skills of our management team, and other factors.

The Board of Directors, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that at this time it is in the best interests of the Company and its shareholders to separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company, while the Chairman of the Board, who previously served as the Company's Chief Executive Officer for over five years, provides guidance to the Chief Executive Officer and sets the agenda for Board meetings and presides over meetings of the full Board.

When the Chairman of the Board is the current or former Chief Executive Officer, as is currently the case, the Board will elect, from among the independent directors, a Lead Independent Director. The role of the Lead Independent Director is to aid and assist the Chairman and the rest of the Board in assuring effective corporate governance in managing the affairs of the Board and the Company. Specific responsibilities and authority of the Lead Independent Director include:

acting as the principal liaison between the independent directors and the Chairman of the Board;

recommending matters for the Board to consider;

advising the Chairman of the Board as to the quality, quantity and timeliness of the flow of information from management that is necessary for the independent directors to effectively and responsibly perform their duties;

developing the agenda for and chairing executive sessions of the Board of Directors and communicating with the Chairperson as appropriate;

presiding over Board meetings in the absence of or at the request of the Chairperson;

assisting in the recruitment of Board candidates;

providing performance feedback to the Chairperson (in coordination with the Nominating and Corporate Governance Committee);

requesting that management prepare specific materials for the Board's review; and

recommending to the Chairman of the Board the retention of consultants who report directly to the Board.

The Board of Directors believes that this leadership structure supports the risk oversight function of the Board (discussed above) by allowing the Chief Executive Officer and senior management to focus on strategic opportunities and risks within the framework of the Company's risk management programs, while the Board, under the leadership of the Chairman, provides oversight in connection with those efforts, and the Lead Independent Director helps promote overall effective governance.

Committee Charters

The Board has appointed three chartered committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. The Board has approved a written committee charter for each of these committees. The charters define basic principles regarding each committee's organization, purpose, authority and responsibilities. The charters for the Audit, Compensation, and Nominating and Corporate Governance Committees are available in the Investor Relations Corporate Governance section of our website, www.spartannash.com.

Director Attendance

The Board is proud of its record of recruiting and retaining directors who have a diversity of experience; have the highest personal and professional integrity; have demonstrated exceptional ability and judgment; and are effective in serving the long-term interests of shareholders. Board and Committee attendance is critical to the proper functioning of the Board of Directors and is a priority. Each director is expected to make every effort to personally attend every Board meeting and every meeting of each Committee on which he or she serves as a member.

Corporate Governance Principles

SpartanNash's Board of Directors held 11 meetings during FYE 12/28/13. In FYE 12/28/13, each director attended at least 75% of the meetings of the Board of Directors and the committees on which he or she served. The Board is scheduled to meet at least quarterly and may meet more frequently. Independent directors meet in executive sessions, without the presence of management, at each regularly scheduled Board meeting.

Directors are also expected to attend the annual meeting of shareholders in person unless compelling personal circumstances prevent attendance. Despite the geographic diversity of their home cities, for at least the past nine years all of SpartanNash's directors have attended the annual meetings of shareholders held during the periods in which they served as directors, with one exception for one director who was unable to attend one annual meeting of shareholders.

Alignment of Shareholder, Management, and Director Interests

The Board has long believed that directors and management should have a significant financial stake in the Company to align their interests with those of the shareholders. Therefore, the Board and the Compensation Committee have made equity awards a substantial component of management and director compensation. In addition, the Board of Directors has established stock ownership guidelines for corporate officers and directors to ensure that they face the same downside risk and upside potential as shareholders. Under the stock ownership guidelines, the Company's executive officers are expected to achieve and maintain a level of stock ownership having a value that is approximately equal to or greater than a specified multiple of the executive's annual base salary, ranging for various positions from five times the applicable salary to one times the applicable salary. Each member of the Board of Directors is also expected to acquire and continue to hold shares of the Company's common stock having an aggregate market value from time to

time which equals or exceeds five times the rate of the regular annual retainer then in effect for non-employee directors who are not chairs. Please see the Compensation Discussion and Analysis and Compensation of Directors sections of this proxy statement for additional information.

Hedging and Pledging Prohibited

Consistent with the Board of Directors' belief that ownership of the Company's stock by our executive officers and members of the Board of Directors promotes alignment of the interests of the Company's shareholders with those of its leadership, the Board recognizes that transactions that are designed to hedge or offset declines in the market value of the Company's stock can disrupt this alignment, interfere with the Company's compensation programs, and undermine our stock ownership policies. For these reasons, the Board has adopted a policy that prohibits an executive officer or director of the Company from purchasing any financial instrument or entering into any transaction that is designed to hedge or offset any decrease in the market value of the Company's common stock or other equity securities (including, but not limited to, prepaid variable forward contracts, equity swaps, collars, or exchange funds).

The Board of Directors also recognizes that officer and director pledging of the Company's stock as collateral for indebtedness can be adverse to the interests of the Company's shareholders because it creates the risk of forced sales that depress the value of the Company's stock and may encourage excessive risk-taking by executives. Therefore, the Company's executive officers and directors are not permitted to pledge, hypothecate, or otherwise encumber shares of the Company's common stock or other equity securities as collateral for indebtedness. This prohibition includes, but is not limited to, holding such shares in a margin account. A copy of the Company's Policy on Hedging and Pledging Company Stock is available in the Investor Relations section of our corporate website, www.spartannash.com.

Majority Voting

The Board believes that the Company and its shareholders are best served by having directors who enjoy the confidence of the Company's shareholders. It will be presumed that any director who receives a greater number of votes withheld than votes for such election in an uncontested election at an annual meeting of shareholders (a Majority Withheld Vote) does not have the full confidence of the shareholders. A director receiving a Majority Withheld Vote is required to offer promptly his or her resignation from the Board to the Nominating and Corporate Governance Committee upon certification of the shareholder vote. The resignation will be effective if and when accepted by the Nominating and Corporate Governance Committee.

Retirement and Change in Employment Status

The Board of Directors believes that it is generally appropriate for directors to retire before the age of 72. A director will not ordinarily be nominated for re-election to the Board of Directors following the expiration of the term of office which ends after his or her 72nd birthday. The Board of Directors recognizes, however, that the wisdom, experience and contribution of an older director could benefit the Board and the Nominating and Corporate Governance Committee may, in its discretion, nominate a director for re-election after his or her 72nd birthday in a case which the Nominating and Corporate Governance Committee determines to be exceptional. Currently, none of our directors is age 72 or older.

Directors recognize that they have been chosen for nomination or appointment to the Board of Directors in part because of the knowledge and insight they gain on a continuing basis from their active employment in their current positions and for the public respect they bring to the Company and its Board of Directors because of the positions they hold in the business community. A director who experiences a material change in his or her

employment status is expected to promptly offer his or her resignation as a director to the Nominating and Corporate Governance Committee. The Committee will promptly consider and vote upon acceptance or rejection of the director's offer to resign (excluding the affected director from consideration of and voting on acceptance of the resignation).

Other Board Memberships

SpartanNash recognizes that the proper direction and management of the Company requires the dedication of the executive officers and a significant commitment from its directors. Accordingly, the Board has established a policy governing membership on the boards of other companies.

Executive officers of the Company must notify the Nominating and Corporate Governance Committee before serving as a member of the board of directors of any other business organization. The Nominating and Corporate Governance Committee reviews the Chief Executive Officer's membership on external boards of directors at least annually. The Chief Executive Officer may not serve on the board of directors of more than one business organization not affiliated with the Company without the prior review and approval of the Nominating and Corporate Governance Committee. The Committee may limit the directorships for any other executive officer if it believes that they will interfere with the executive officer's responsibilities to the Company. Non-management directors may not serve on more than three other public company boards without the prior review and approval of the Nominating and Corporate Governance Committee.

Codes of Conduct and Ethics

SpartanNash is committed to the highest standards of integrity, honesty and ethics in business. The Board has approved, and the Audit Committee administers, a Code of Conduct and

Corporate Governance Principles

Business Ethics (the Code) that articulates the Company's standards regarding business ethics and expectations regarding the conduct of directors, management, and associates. This Code establishes basic guidelines to help the Company comply with legal requirements and conduct our business with honesty and integrity. The Code sets forth rules of conduct concerning disclosure of information, conflicts of interest, accurate recordkeeping and reporting, and receipt of personal benefits. The Code requires all associates of the Company to report promptly any violations of the Code. Associates may report violations through reporting systems on a confidential and anonymous basis. The Code is available in the Investor Relations Corporate Governance section of our website, www.spartannash.com.

In addition, the Company has a comprehensive Code of Conduct Policy applicable to all associates that articulates the Company's core values and sets forth standards of conduct regarding a broad range of topics, including antitrust compliance, securities matters, environmental law compliance, political contributions, workplace conduct, and other matters that are essential to the integrity of our business activities.

Succession Planning

Under our Corporate Governance Policy, the Board of Directors maintains and periodically reviews a succession plan for the Company's Chief Executive Officer and such other executive officers as it deems appropriate to manage the continuity of leadership in the execution of the Company's business strategies. The succession plans are based upon recommendations of the Compensation Committee, with input from the Nominating and Corporate Governance Committee.

Board and Management Communication

SpartanNash is committed to open and effective communication between the Board and

management. Directors are encouraged to consult with any SpartanNash manager or associate and may visit Company facilities without the approval or presence of corporate management. The Board encourages executive officers to invite managers to Board meetings from time to time who can provide additional insight into matters under discussion. The Board is required to dedicate a substantial portion of at least one meeting per year to discussions with management regarding the Company's strategic plan.

Director Education

SpartanNash encourages all of its directors to attend continuing education programs so that they may stay abreast of developments in corporate governance and best practices and further develop their expertise. The Board of Directors expects that each director will attend periodically an appropriate continuing director education program.

Nominee Qualifications and the Nominations Process

There are no specific or minimum qualifications or criteria for nomination for election or appointment to the Board of Directors. The Nominating and Corporate Governance Committee identifies and evaluates nominees for director on a case-by-case basis, regardless of who recommended the nominee, and has no written procedures for doing so. The Board has identified certain qualifications, attributes and skills that should be represented on the Board as a whole. These are discussed beginning on page 28.

The Board of Directors believes that SpartanNash and its shareholders are best served by having a Board of Directors that brings a diversity of education, experience, skills, and perspective to Board meetings. The Board of Directors welcomes opportunities to include diverse perspectives, talents, ideas and contributions. Consistent with this philosophy, the Board of Directors may consider factors and

characteristics that are pertinent to diversity, such as race and gender, when evaluating nominees to stand for election or re-election to the Board.

The Company may engage and pay fees to third party search firms to assist the Nominating and Corporate Governance Committee in identifying possible nominees for director and providing information to assist the Committee in the evaluation of possible nominees.

The Board of Directors expects that there would be no material difference in the manner in which the Nominating and Corporate Governance Committee would evaluate a nominee for director that was recommended by a shareholder.

Shareholder Nominations of Director Candidates

Under our restated articles of incorporation, a shareholder of record may nominate a person for election as a director at a meeting of shareholders at which directors will be elected if, and only if, the shareholder has delivered timely notice to the Secretary of SpartanNash setting forth:

the name, age, business address and residence address of each proposed nominee;

the principal occupation or employment of each nominee;

the number of shares of SpartanNash stock that each nominee beneficially owns;

a statement that each nominee is willing to be nominated; and

any other information concerning each nominee that would be required under the rules of the Securities and Exchange Commission (SEC) in a proxy statement soliciting proxies for the election of those nominees.

The Nominating and Corporate Governance Committee will consider every nominee proposed by a shareholder that is received in a timely manner in accordance with these procedures and report each such nomination, along with the Nominating and Corporate Governance Committee's recommendations, to the full Board of Directors.

To be timely, a shareholder's notice must be delivered to or mailed and received at SpartanNash's principal executive offices at least 120 days before the date of notice of the meeting in the case of an annual meeting of shareholders, or not more than seven days following the date of notice of the meeting in the case of a special meeting of shareholders. Any nomination that does not comply with these procedures will be void.

The Nominating and Corporate Governance Committee may also, in its discretion, consider shareholders' informal recommendations of possible nominees. Shareholders may send such informal recommendations to the Committee by directing them to SpartanNash in care of the Secretary, 850 76th Street, S.W., P.O. Box 8700, Grand Rapids, Michigan 49518.

Shareholder Communications with Directors

In accordance with SpartanNash's Shareholder Communication Policy, shareholders who wish to send communications to SpartanNash's Board of Directors may do so by sending them in care of the Secretary at the address set forth in the preceding paragraph. Such communications may be addressed either to specified individual directors or the entire Board. The Secretary has the discretion to screen and not forward to directors communications which the Secretary determines in his or her discretion are communications unrelated to the business or governance of SpartanNash and its subsidiaries, commercial solicitations, offensive, obscene, or otherwise inappropriate. The Secretary will, however, compile all shareholder communications which are not forwarded and such communications

Corporate Governance Principles

will be available to any director. A copy of our Shareholder Communication Policy can be found in the Investor Relations Corporate Governance section of our website, www.spartannash.com.

The Board of Directors

General

The Board of Directors currently consists of eleven directors. Assuming that all of the nominees are elected, there will be eleven directors immediately following the annual meeting. At our 2010 Annual Meeting, our shareholders voted to amend the Company's Articles of Incorporation to declassify our Board of Directors and cause each director to stand for election annually. The declassification was phased in over a three-year period, which began with the 2011 Annual Meeting and was completed in 2013. All directors will stand for election at the 2014 Annual Meeting. All directors elected at this year's Annual Meeting will serve a one-year term, expiring at the 2015 Annual Meeting.

The biographies of each of the nominees and continuing directors below contains information regarding the person's service as a director, business experience, director positions held currently or at any time during the last five years, and the experiences, qualifications, attributes or skills that caused the Nominating and Corporate Governance Committee and the Board to determine that the person should continue to serve as a director for the Company. Except as otherwise indicated, each of these persons has had the same principal position and employment for over five years.

Nominees for Directors

M. Shân Atkins (age 57) has been a director of SpartanNash since 2003. Since 2001, Ms. Atkins has been Managing Director of Chetrum Capital LLC, a private investment firm. Ms. Atkins is a director and chair of the Compensation Committee of The Pep Boys Manny, Moe and Jack, an auto parts and service

retailer whose common stock is listed on the NYSE. Qualifications, Attributes, Skills and Experience to be Represented on the Board as a Whole

The Board has identified particular qualifications, attributes, skills and experience that are important to be represented on the Board as a whole, in light of the Company's current needs and the business priorities.

We are a leading regional grocery distributor and grocery retailer. We believe that we are the fifth largest wholesale distributor to supermarkets in the United States, the largest distributor to military commissaries in the United States and the largest wholesale distributor to supermarkets in Michigan. Grocery retailing and distribution is a highly competitive and dynamic business. Accordingly, the Board of Directors believes that at least some of our directors should have experience or specific knowledge in retail,

wholesale, military commissaries and exchange distribution industries at the executive level. The Board believes that directors with experience or in-depth knowledge of the retail grocery industry are uniquely qualified to inform the Board's deliberations regarding business strategy. Because merchandising and marketing is central to our business, the Board believes that merchandising and marketing experience should be represented on the Board. In addition, the Board believes that its membership should include directors who have:

a high degree of financial expertise;

experience with human resources matters;

strategic planning skills; and

relevant business experience as a chief executive officer or equivalent.

The Audit Committee oversees management and the independent auditors in the Company's accounting and financial reporting processes and audits of the Company's financial statements. The Audit Committee serves as a focal point for communication among the Board, the independent auditors, the internal auditors and management with regard to accounting, reporting, and internal controls. The Audit Committee represents the Board in oversight of:

preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The Audit Committee is also directly responsible for the resolution of disagreements between management and the independent auditors regarding financial reporting. The Audit Committee reviews the performance, independence, and objectivity of the independent auditors at least annually and takes or recommends to the full Board appropriate action to ensure the independence of the independent auditors. Independent auditors report directly to the Audit Committee.

See *Independent Auditors Audit Committee Approval Policies* for a discussion of the Audit Committee's procedures for approving services to be provided by the independent auditors to SpartanNash and its subsidiaries.

The Audit Committee operates under a charter adopted by the Board of Directors. A copy of the Audit Committee Charter is available in the *Investor Relations Corporate Governance* section of our website, www.spartannash.com.

The Board of Directors has determined that Audit Committee members M. Shân Atkins, Mickey P. Foret and Elizabeth A. Nickels are Audit Committee financial experts, as that term is defined in Item 401(h)(2) of Securities and Exchange Commission Regulation S-K. Under SEC regulations, a person who is determined to be an Audit Committee financial expert will not be deemed an expert for any other purpose, including without limitation for purposes of Section 11 of the Securities Act of 1933, as a result of being designated or identified as an Audit Committee financial expert, and the designation or identification of a person as an Audit Committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the Audit Committee and Board of Directors in the absence of such designation or identification or affect the duties,

obligations or liability of any other member of the Audit Committee or Board of Directors.

Each member of the Audit Committee is independent, as that term is defined in Rule 5605(a)(2) of the Nasdaq Listing Rules and Rule 10A-3 under the Securities Exchange Act of 1934.

Compensation Committee. The Board of Directors has established the Compensation Committee to assist the Board of Directors in fulfilling its responsibilities relating to compensation of the Company's executive officers and the Company's compensation and benefit programs and policies. The Compensation Committee has full power and authority to perform the responsibilities of a public company compensation committee under applicable law, regulations, stock exchange rules, and public company custom and practice.

The Compensation Committee has the authority and responsibility to:

determine and oversee the Company's executive compensation philosophy, structure, policies and programs, and assess whether the Company's compensation structure establishes appropriate incentives for management and associates;

The Compensation Committee also has additional powers, authority and responsibilities that are specified in the Compensation Committee Charter or delegated to the Compensation Committee by the Board of Directors or by Plans approved by the Board of Directors.

Compensation Committee Processes and Procedures. The Compensation Committee reviews executive compensation on a continuous basis each year, with the most comprehensive reviews typically taking place following fiscal year-end. The Committee reviews executive performance, current compensation levels, and compensation benchmarking data and analysis (please see the Compensation Discussion and Analysis section of this Proxy Statement for information about benchmarking analysis). The Committee reviews this information in the context of the Company's performance and financial results. At the conclusion of this review, the Compensation Committee grants share-based awards if appropriate, establishes goals and objectives for the then-current fiscal year, and may adjust executive salaries. The Compensation Committee's decision making process is explained in more detail in the Compensation Discussion and Analysis section of this proxy statement.

Consultants and Advisors. The Compensation Committee is authorized to engage consultants, advisors and legal counsel at the expense of the Company. The Compensation Committee Charter requires that any consultant engaged for the purpose of determining the compensation of executive officers must be

The Board of Directors

engaged directly by the Committee and report to the Compensation Committee. The Compensation Committee has authority to approve contracts with and payment of fees and other compensation of consultants, advisors and legal counsel.

Prior to engaging or receiving advice from any compensation consultant or advisor, the Committee reviews the independence of the proposed consultant or advisor, taking into account the following factors:

The advisor's provision of other services to the Company;

The amount of fees received from the Company by the advisor, as a percentage of the advisor's total revenue;

The advisor's policies and procedures that are designed to prevent conflicts of interest;

Any business or personal relationship between the advisor and a member of the Committee or any executive officer of the Company;

The advisor's ownership of any Company stock; and

Any other factors identified by applicable securities exchange listing standards.

Please see the information under the caption "Use of Independent Compensation Consultants" in the Compensation Discussion and Analysis section of this proxy statement for more information.

Participation by Management. The Company's compensation philosophy and the administration of its various compensation plans are determined by the independent directors of the Compensation Committee. Company policy and Nasdaq rules prohibit participation by the Chief Executive Officer in the process of determining his

or her own compensation. The Company's executive officers and Human Resources associates serve as resources to the Compensation Committee and provide advice, information, analysis and documentation to the Compensation Committee upon request. In appropriate cases, in its discretion, the Compensation Committee may delegate its authority to the executive officers, being mindful that the Compensation Committee and the Board of Directors are responsible to the Company's shareholders to perform the functions and fulfill the responsibilities charged to the Compensation Committee under its Charter. The Compensation Committee may delegate to the Chief Executive Officer authority to recommend the amount or form of compensation paid to other executive officers and associates subordinate to the Chief Executive Officer, subject to such limitations and reporting responsibilities as the Compensation Committee in its discretion may require. The Compensation Committee will not delegate to executive officers its authority to approve awards of stock options or other stock compensation.

Although the Compensation Committee makes many of the most significant compensation decisions in the first quarter of the fiscal year, the Company's compensation planning process neither begins nor ends with any particular Committee meeting. Compensation decisions are designed to promote our fundamental business objectives and strategy. Business and succession planning, evaluation of management performance, and consideration of the business environment are year-round processes for the Compensation Committee and the full Board of Directors.

Share-based Award Policy. The Board of Directors has long believed that the process by which the Company awards stock options and other share-based compensation must be transparent, fair, and compliant with all applicable legal requirements and stock exchange rules. For these reasons, the Board of Directors has adopted the Policy Regarding Stock Option Grants and other

Share Based Awards which provides, among other provisions, that:

Share based awards will not be back-dated. No share based award may have an effective date earlier than the actual date of the action of the Board of Directors or authorized committee of the Board of Directors to approve the award;

The exercise price for all share based awards will be based on the market value of SpartanNash common stock on the effective date of award (as defined under the applicable plan);

The Company will not time its release of material non-public information for the purpose of affecting the value of executive compensation, or time the grant of compensation awards to take advantage of material non-public information;

Only the Board of Directors or the Compensation Committee, which consists entirely of independent directors, will approve share based awards. This authority may not be delegated to executive officers or associates; and

All share based awards to the Company's executive officers and directors will be timely reported pursuant to Section 16 of the Securities and Exchange Act of 1934. Share-based awards are typically granted in May of each year and in conjunction with promotions or newly hired executives.

A copy of the Policy Regarding Stock Option Grants and other Share Based Awards is available in the Investor Relations Corporate Governance section of our website, www.spartannash.com.

The Committee acts under a charter which has been adopted by the Board of Directors and is available on the Company's website at www.spartannash.com. The Audit Committee reviews the adequacy of the charter at least annually. The Board of Directors annually reviews the standards for independence for audit committee members under the Nasdaq Listing Rules and has determined that each member of the Audit Committee is independent. The Board of Directors has also determined that three members of the Audit Committee are audit committee financial experts under Securities and Exchange Commission rules.

Management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting, the Company's disclosure controls and internal control over financial reporting, and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent public accountants are responsible for auditing the Company's financial statements, expressing an opinion as to their conformity with generally accepted accounting principles, and providing an attestation report on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee has reviewed, and discussed with management and the independent accountants, the Company's audited financial statements for the transition period ended December 28, 2013, management's assessment of the effectiveness of the Company's internal control over financial reporting, and the independent accountants' attestation report on the Company's internal control over financial reporting. The Audit Committee has discussed with the independent accountants the matters required to be discussed under applicable auditing standards. The Audit Committee has received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountants their independence. This included consideration of the compatibility of non-audit services with the accountants' independence.

Based on the reviews and discussions described above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in SpartanNash's transition report on Form 10-K for the period ended December 28, 2013.

*Executive Compensation**Compensation Discussion and Analysis***Executive Compensation****COMPENSATION DISCUSSION AND ANALYSIS**

The Board of Directors has appointed the Compensation Committee to assist the Board in fulfilling its responsibilities relating to compensation of the Company's executive officers and the Company's compensation and benefit programs and policies. The Compensation Committee determines and implements the Company's executive compensation philosophy, structure, policies and programs, and administers and interprets the Company's compensation and benefit plans.

Our named executive officers for FYE 12/28/13 were:

Name	Title
Dennis Eidson	Chief Executive Officer and President
David Staples	Executive Vice President and Chief Financial Officer
Theodore Adornato	Executive Vice President Retail Operations
Derek Jones	Executive Vice President Food Distribution
Alex DeYonker	Executive Vice President Chief Legal Officer

Our compensation programs are designed to attract and retain leadership talent consistent with our performance goals. The following discussion provides information regarding the achievements that the compensation program is designed to reward, the elements of the compensation program, the reasons why we employ each element and how we determine amounts paid.

Executive Summary and Highlights*Business Context*

In November 2013, Spartan Stores and Nash Finch completed their Merger, creating a leader in the grocery wholesale, retail, and military commissary and exchange channels. The tables below show our Company profile since FYE 3/31/12, including the impact to our profile from the Merger. We believe the data reflects the Company's response to a continuing challenging economic environment, including the execution of our strategy of focusing on our store reinvestment program, building our private brands, increasing our presence in the fuel and pharmacy businesses and improving our value-added offering to our distribution customers. We believe we have built a stronger offering to our customers that has helped mitigate continuing difficult economic conditions.

While we are pleased with our financial results for our transition FYE 12/28/13, we believe that our investors should consider the Company's financial results in the context of the continued challenging economic conditions in which we achieved them. As a grocery retailer and wholesaler, we are significantly affected by the economic conditions of the communities we serve, which, until our Merger with Nash Finch, were located principally in Michigan and served by our headquarters in Michigan. The seasonally adjusted unemployment rate in Michigan at the end of FYE 3/31/12, FYE 3/30/13, and FYE 12/28/13 was 9.0%, 8.5%, and 8.4% respectively. Michigan's unemployment rate exceeded the national rate for that entire three-year period. Moreover, Michigan's

employment population ratio is one of the lowest in the United States. At December 2013, Michigan's ratio was 54.9% compared to the U.S. average of

58.6%, and had declined since January 2008 by 4.9%, compared to the U.S. average decline of 4.3%.

Methodology

According to usual practice and based on the compensation analysis described in this section, in May 2013 the Compensation Committee made compensation decisions for the then-current fiscal year ending March 29, 2014. The subsequent change in the Company's fiscal year resulted in a transition period consisting of 39 weeks. In the material that follows, as explained in more detail below, annual cash awards actually earned reflect the shorter, 39-week transition period ending December 28, 2013, and long-term cash incentive award programs were adjusted to account for the Company's changed fiscal year end.

Executive Compensation Decisions in FYE 12/28/13

The Compensation Committee believes that the Company's policies and programs in effect during FYE 3/30/13 provided competitive compensation that rewarded executive performance. Consequently, it generally did not

make significant changes to the Company's compensation programs or policies in FYE 12/28/13, except for certain adjustments in connection with the Merger and the change in fiscal year end, as described in this proxy statement.

Chief Executive Officer Compensation

Since his promotion to Chief Executive Officer in the fiscal year ended March 28, 2009 (FYE 3/28/09), the Compensation Committee has been transitioning Mr. Eidson's compensation to be competitive with the CEO compensation of our Peer Group Companies. In May 2013, the Compensation Committee and Board continued to take steps to better align the CEO's compensation with the market median for the Peer Group Companies. The steps included a 5% base salary increase and 1% increase to long-term incentive value. These increases also reflect Mr. Eidson's performance which the Compensation Committee and Board of Directors review annually.

Executive Compensation

Compensation Discussion and Analysis

*FYE 12-28-13 Restricted Stock Value does not include incremental fair value adjustments due to modification of retirement provisions disclosed in Footnote 1 of the Summary Compensation Table.

In FYE 12/28/13, Mr. Eidson's total compensation increased 10% compared to the prior year primarily due to strong Consolidated Net Earnings performance resulting in annual incentive results above target level, as adjusted for the fiscal transition period. Compared to the prior year, long-term incentive compensation was lower because the ROIC portion of the May 2012 long-term incentive award was not earned, as 2-year ROIC performance was below threshold.

Other Named Executive Officer Compensation

Compensation changes for our other named executive officers were comprised of:

A 3% base salary increase, approved in October 2013, which was the same as other Spartan associates, and

A 5% increase in long-term incentive award values, approved in May 2013, to position our executives closer to the median compensation levels at the Peer Group Companies.

Plan Design Changes

No changes were made to the design of the annual incentive plan FYE 12/28/13.

The Compensation Committee implemented the long-term cash incentive plan in May 2010. Under that plan, executive long-term incentive pay opportunities were awarded based on the Company's earnings per share (EPS) and return on invested capital (ROIC) performance. The Compensation Committee reviewed the long-term incentive plan after the completion of a full 3-year cycle of the performance-based cash program as of the end of FYE 3/30/13 and determined in May 2013 to continue award opportunities based on EPS and ROIC performance for a three-year performance and vesting period extending to May

2016. Following the Merger and the Company's subsequent change in fiscal year end, the Compensation Committee adjusted the long-term cash incentive award granted in May 2013. Specifically, the Compensation Committee pro-rated the award for the 39-week transition period ending 12/28/13 based on the EPS and ROIC metrics, and determined to apply three performance measurements, EPS, net sales and achievement of synergies from the Merger, for the two years remaining in the performance and vesting period. This two-year period will consist of a 105-week performance period covering the fiscal years ending January 3, 2015 and January 2, 2016 and an additional vesting period ending May 1, 2016. For the purposes of this award, net sales will be calculated based on the GAAP financial statements of the Company, however fuel sales will be adjusted using a pre-determined sales price per gallon sold. The May 2013 grants continue to be payable in May 2016, but only to the extent that performance is achieved and executives satisfy service requirements at that time.

Pay Practices

The Committee also reviews the Company's compensation programs to use best practices and avoid poor pay practices. Below is a summary of certain practices we have implemented to serve our compensation philosophies, and certain practices we have avoided because we believe they do not serve our shareholders' long-term interests:

The practices we follow:

- ü **At-risk compensation.** A majority of the compensation paid to our named executive officers is at-risk and requires specific and disclosed financial performance, continued employment, or both;
- ü **Pay for performance.** All performance payouts for named executive officers are based on financial performance linkage; all financial goals both short-term and long-term metrics and targets are disclosed;
- ü **Double-trigger severance arrangements.** Our severance agreements provide for double-trigger payments upon change in control;
- ü **Limited perquisites.** Perquisites are limited to certain tax and financial planning benefits and annual physical examinations made available to our executives;
- ü **Executive stock retention.** Each executive is required to hold at least 50% of any shares acquired through the Company's stock incentive plans and other forms of stock based compensation until the executive is in compliance with our stock ownership guidelines.

The practices we DON'T follow:

- û No guaranteed salary increases;
- û No tax reimbursements, except that executive severance agreements existing prior to the Merger with Nash Finch provide modified tax gross-ups in connection with termination following a change in control of the Company;
- û No repricing of options without shareholder approval; and

û No dividends paid on unvested performance shares or units.

In addition to the elements of compensation discussed above, our executives participate in certain defined benefit and deferred compensation plans. These plans are discussed below under the captions Pension Benefits, Qualified Defined Contribution Retirement Plan, and Non-Qualified Deferred Compensation.

Executive Compensation

Compensation Discussion and Analysis

Clawback Policy

In March 2014, the Company adopted a clawback policy providing that under certain circumstances, the Company may recover incentive compensation paid to any current or former associate holding a position of Vice President or a more senior position. The compensation is recoverable if: (a) there is a restatement of all or a portion of the Company's financial statements due to material non-compliance with financial reporting requirements, (b) the incentive compensation was based on materially inaccurate financial statements or performance metrics, or (c) the associate engaged in ethical misconduct, serious wrongdoing, or violation of applicable legal or regulatory requirements. The Company may recover any incentive compensation paid within the three years prior to the applicable event or conduct.

Mix of Compensation Elements

When determining the mix of awards, the Compensation Committee considers factors such as the short-term and long-term compensation expense to the Company, the economic value delivered to the executives, the overall level of share ownership by the executives, share availability under Company plans, annual share usage and dilution of shareholders, and practices at the Peer Group Companies. The Compensation Committee believes that the Company's mix of pay is competitively aligned with the median for the Peer Group Companies, as illustrated in the tables below showing the compensation mix for FYE 12/28/13.

Pay for Performance

Our executive compensation elements and programs result in a pay for performance policy for our executives. This means that the Compensation Committee and the Board have implemented and intend to maintain compensation plans that link a substantial proportion of executive compensation to the achievement of goals that the Board considers important.

As a result of this general policy, a substantial portion of the compensation paid to our

executives is incentive-based and therefore at-risk. Specifically, for FYE 12/28/13, approximately 67% of realizable total direct compensation paid to our named executive officers in the aggregate consisted of variable, or at-risk, compensation (i.e. stock awards and performance-based cash awards). The value of restricted stock awards to our named executive officers depends on the value of the share price. Our executive officers do not realize value from annual or long-term cash incentive awards under the Company's Executive Cash Incentive Plan of 2010 (the Executive Plan) unless the Company meets specified minimum financial goals.

The tables above illustrate the importance of at-risk compensation in our compensation programs. In addition to reviewing at-risk pay elements compared to the Peer Group Companies, the Compensation Committee analyzes the alignment of executive pay to Company performance. The Compensation Committee believes that when the Company outperforms Peer Group Companies on a relative basis, then our executive pay should be relatively higher. Alternatively, when Company performance is relatively lower, executive pay should be correspondingly lower. The Compensation Committee seeks to maintain this relationship through the use of at-risk pay elements that tie compensation to Company performance.

In May 2010, the Compensation Committee implemented a three-year long-term cash incentive plan to help improve the alignment between realizable pay of executive officers and composite financial performance. In May 2013, the

Compensation Committee believed that the three-year long-term cash incentive plan was a factor in improving the alignment, and continued the plan with EPS and ROIC as performance metrics.

The table below analyzes the pay for performance relationship for the prior three fiscal years (consisting of FYE 3/26/11 to FYE 3/30/13). The purpose of the analysis is to evaluate whether the Company's compensation programs are aligned with the Company's performance, as measured against certain peers. The analysis reflects that:

CEO realizable compensation was aligned with composite performance for the period. The Company's other NEO realizable compensation is somewhat aligned with composite performance; and

CEO and other NEO realizable compensation was aligned with total shareholder return.

The Company believes that this analysis supports the Compensation Committee's view that the performance-based long-term cash incentive plan implemented in FYE 3/26/11 to pay executives based on ROIC and EPS performance has contributed to the alignment of pay and

performance. In addition, alignment improved in part because FYE 3/27/10 cycled out of the analysis; during FYE 3/27/10 performance shares were not earned and stock options were out-of-the-money.

*Executive Compensation**Compensation Discussion and Analysis***Analysis of Compensation Elements for FYE 12/28/13****Overview**

The following is a discussion of key compensation programs and decisions for FYE 12/28/13.

1. Base Salaries

Following Mr. Eidson's promotion to Chief Executive Officer in FYE 3/28/2009, the Compensation Committee has focused on transitioning his compensation over a period of years from the median levels for a Chief Operating Officer at the Peer Group Companies to that of the Chief Executive Officer position, subject to satisfactory performance. In light of Mr. Eidson's performance as Chief Executive Officer and our stated compensation policy of providing compensation consistent with market practices, the Compensation Committee approved a 5% increase in Mr. Eidson's base salary in May 2013.

The Compensation Committee concluded that the base salaries for the other named executive

officers were generally consistent with the 50th percentile market level of Peer Group Companies. Accordingly, other named executive officers received in October 2013 a 3% base salary increase, consistent with the general increase in the base salary for other Company associates at that time.

2. Annual Cash Incentive Awards

Each named executive officer was granted an opportunity to earn an annual incentive award under the Executive Plan. For each named executive officer, the value of the annual incentive award is dependent on the Company's achievement of specified levels of consolidated net earnings and is paid in cash. If the threshold level of consolidated net earnings is not achieved, then no award is paid for the fiscal year (as occurred in FYE 3/27/10).

The performance targets for FYE 12/28/13 were adjusted and payouts were pro-rated to 75% of the incentive opportunity to adjust for the shortened, 39-week fiscal year. The annual incentive award opportunity provided to each named executive officer was calculated according to the following matrix:

Annual Cash Incentive Award Payout Design

As Adjusted for FYE 12/28/13

	Adjusted Consolidated Net Earnings (in thousands)	Percentage of Targeted Consolidated Net Earnings Achieved for FYE 3/30/13	Percent of Target Annual Incentive Award Paid*
Threshold	\$ 18,514	<80.0%	0.0%
Target	23,143	100.0%	100.0%

Edgar Filing: SPARTAN STORES INC - Form DEF 14A

Maximum		26,915	>116.3%	200.0%
Actual**	\$	25,004	108.0%	149.1%

* The threshold, target, and maximum annual incentive award for each named executive officer is reported in the Grants of Plan-Based Awards Table in this proxy statement. The percentage of Target annual incentive award paid is interpolated for actual achievement between the threshold and maximum performance levels identified above.

** Company's actual performance is after adjustments for extraordinary items as approved by the Board of Directors under the terms of the Executive Plan.

3. Long-Term Incentive Awards

In FYE 3/26/11, the Compensation Committee adjusted the long-term incentive plan mix in part to address concerns regarding the Company's use of shares under its equity incentive compensation programs. The Compensation

Committee also introduced multi-year performance-based cash awards. The Company continued this program (illustrated in the table below) for FYE 3/31/12, FYE 3/30/13 and FYE 12/28/13.

FYE 12/28/13 Long-Term Incentive Awards

Equity Awards Restricted Stock	Cash Award Performance-Based Compensation	
50%	50%	Cash award, paid based on achievement of consolidated earnings per share (EPS) ¹ (60%) and return on invested capital (ROIC) ² (40%)

¹ Weighted average diluted earnings per share based on consolidated net earnings, subject to adjustments for extraordinary items approved by the Board of Directors under the terms of the Executive Plan.

² Operating earnings after tax, adjusted for asset impairment, exit costs and LIFO expense, divided by total invested capital (total assets plus LIFO reserve less cash and non-interest bearing current liabilities). This calculation is also subject to adjustments for extraordinary items approved by the Board of Directors under the terms of the Executive Plan.

In May 2012, the Compensation Committee determined that the value of long-term incentive compensation of the Chief Executive Officer and other named executive officers was below median for corresponding compensation paid at the Peer Group Companies. In view of that gap, and in recognition of the results the Company has achieved during challenging economic and market conditions, the Compensation Committee has gradually increased the grant date fair value of the restricted stock awards and target value of the long-term cash incentive awards to our named executive officers in each of the past three fiscal years. Most recently, the Compensation Committee increased the target value of awards for FYE 12/28/13 by 1% for the CEO and 5% for the other named executive officers.

Long-Term Cash Incentive Awards. In May 2013, each named executive officer was granted an opportunity to earn a long-term cash incentive award under the Executive Plan, to be earned and vested over a three-year period.

The Compensation Committee again selected EPS as a metric for the long-term incentive award because it is a basis for the valuation of our stock, and therefore an effective measure of the growth of shareholder wealth. The Compensation Committee also again selected ROIC because it focuses our executives on the cost of investment when making profit and loss decisions. ROIC also places appropriate emphasis on the balance sheet by causing executives to analyze investment of the Company's resources, including in accounts receivable, inventory, prepayments, capital spending, and acquisitions.

Due to the change in the Company's fiscal year end from the last Saturday in March to the Saturday that is closest to December 31, the Compensation Committee determined to adjust the original three-year award by creating two separate performance periods, with the first covering the 39-week transition period ending December 28, 2013, and the second covering the 105-week period following the end of the transition period (which

Executive Compensation

consists of the fiscal years ended January 3, 2015 and January 2, 2016). The Compensation Committee did not change the original three-year vesting schedule, and thus the awards for each of the performance periods will be subject to a vesting period ending May 1, 2016. The specific changes to the award are summarized as follows:

The target metrics and opportunity incentive award amount in the original May 2013 award was adjusted to account for the change in the Company's fiscal year end;

EPS and ROIC performance targets were adjusted for the shortened transition period for FYE 12/28/13;

EPS and ROIC performance were measured at December 28, 2013 (the end of the first fiscal year, a 39-week transition period);

The target value of each award for the 39-week transition period was established at 27% of the adjusted May 2013 award; The Compensation Committee approved modified award opportunities for the two fiscal year, or 105-week, period following the transition period. The target values of the award are equal to 73% of the adjusted May 2013 award;

The portion of the award attributable to the 105-week period will be measured with reference to three metrics: EPS, net sales and achievement of synergies related to the Merger of Spartan Stores and Nash Finch. Weights will be assigned to these metrics as follows: EPS: 40%; net sales: 20%; and merger synergies: 40%.

The portion of the award attributable to each of the 39-week transition period and subsequent 105-week period are subject to an additional vesting period ending May 1, 2016.

The portion of the May 2013 award opportunity for each named executive officer for the 39-week transition period was as follows:

Performance Measurement (39-Week Transition Period)	Percentage of Long-Term Cash Incentive Award	End of Vesting Period
EPS	60%	May 1, 2016
ROIC	40%	May 1, 2016

The target award for each named executive officer is expressed as a specific dollar amount determined by the Compensation Committee.

The earnings per share and ROIC performance targets for FYE 12/28/13 were each

pro-rated to adjust for the shortened, 39-week fiscal year. The amount of each component of the long-term incentive award earned for the 39-week transition period was determined according to the following matrices:

Objectives of SpartanNash's Compensation Programs

The primary objectives of the Company's compensation are to:

attract, retain, motivate, and reward talented executives who are critical to the current and long-term success of the Company;

provide an overall level of compensation opportunity that is competitive within the markets in which SpartanNash competes and within a broader group of companies of comparable size, financial performance, and complexity;

provide targeted compensation levels that are consistent with the 50th percentile of competitive market practices for each pay component (base salary, annual incentives, and long-term incentives);
support SpartanNash's long-range business strategy;

promote the long-term profitable growth of the Company by linking compensation elements to the achievement of key strategic and financial goals;

reward and retain the Company's executives and compensate for individual performance; and

align the interests of the executives with those of the shareholders by linking compensation to the Company's performance and share price.

How the Compensation Committee Determines Compensation Levels

The processes the Compensation Committee follows when determining pay levels are discussed in more detail below.

Overview

The Compensation Committee's overall decision making process is summarized as follows:

the Committee reviews with its independent compensation consultant recent trends and developments in executive compensation, including salaries, short-term and long-term incentive plan targets and payouts, equity awards, and perquisites and benefits;

the Committee reviews publicly disclosed grants of share-based awards to named executive officers at the Peer Group Companies and other relevant companies;

the Company's executive officers and Human Resources and Finance associates serve as resources to the Compensation Committee and provide advice, information, analysis and documentation to the Compensation Committee upon request;

the Committee reviews and analyzes data to determine the median level of compensation for each type of compensation paid for comparable positions at comparable companies;

the Committee compares the compensation of the Company's executives to compensation at the comparable companies in the context of the Company's financial performance, economic conditions, and other factors;

the Committee sets compensation opportunities for our executives to target generally the median levels for comparable companies, but makes adjustments for a number of considerations discussed below, including individual performance, company performance, past compensation (as summarized on tally sheets), and other factors.

Targeting the Median Market Level

In general, the Compensation Committee seeks to provide target compensation opportunities that are consistent with the median (*i.e.*, 50th percentile) market levels for each major category of compensation for executives in similar positions at companies of comparable size, financial performance, industry and complexity (referred to as Peer Group Companies).

The Compensation Committee reviews the constituents of the Peer Group Companies from time to time to help ensure that the group is fairly comparable to the Company. Changing business models, mergers, growth, and other factors may necessitate adjustments. The Peer Group Companies for FYE 12/28/13 were as follows:

Brown Shoe Co. Inc.

Casey's General Stores Inc.

Chiquita Brands International

DSW Inc.

Flowers Foods, Inc.

Edgar Filing: SPARTAN STORES INC - Form DEF 14A

Harris Teeter Supermarkets, Inc.

The Pep Boys Manny, Moe & Jack

Nash Finch Company

Ralcorp Holdings

Susser Holdings Corp.

United Natural Foods, Inc.

Following its review of the Peer Group Companies in January 2013, the Compensation Committee determined to remove all companies that are not retailers of food and other staples. Accordingly, the Compensation Committee removed Herman Miller, Steelcase, Inc., Universal Forest Products, Inc., Wolverine Worldwide and Tractor Supply Co. from the Peer Group Companies.

The Compensation Committee reviews annually the Peer Group Company constituents to help ensure that they serve as a fair and accurate basis of comparison for our executive compensation programs. In establishing the peer

Executive Compensation

Compensation Discussion and Analysis

group for FYE 12/28/13 compensation decisions, the Compensation Committee looked for companies having characteristics similar to SpartanNash prior to the Merger, including revenue (approximately \$1.4 to \$5.2 billion), business operations, customer base, distribution channels, geographic diversity and locations, and market capitalization. The Compensation Committee believes that comparator groups selected by limited criteria, such as industrial classification code, do not present a fair means of comparison because they do not account for factors such as ownership and control by a small group, simplicity or complexity of operations, business strategy (e.g., balanced focus on retail and wholesale operations), and other factors that can create a misleading comparison. Our revised peer group consists of companies representing three industry groups, including Food & Staples Retailing, Food, Beverage and Tobacco Retailing.

In late 2013, the Compensation Committee determined to make additional changes to the list of Peer Group Companies in order to reflect the increased size and scope of the Company following the Merger. The new peer group will be used for compensation decisions in FYE 1/3/15; it was not used in making compensation decisions for FYE 12/28/13. The new peer group will consist of the following companies:

SUPERVALU Inc.

CH Robinson Worldwide Inc.

SYNNEX Corp.

Henry Schein, Inc.

The Pantry, Inc.

WESCO International Inc.

Core-Mark Holding Company, Inc.

Casey's General Stores, Inc.

Ryder System, Inc.

Anixter International Inc.

Susser Holdings Corporation

The Andersons, Inc.

United Natural Foods, Inc.

Roundy's, Inc.

In addition to determining the median level for a compensation category at the Peer Group Companies, the Committee analyzes competitive compensation practices in the general industry for those positions that may be occupied by officers and executives recruited from outside of the wholesale and retail grocery business and performs regression analysis to adjust to Spartan's revenue size in these cases.

In general, the Compensation Committee considers a pay component to be consistent with the 50th percentile target amount if it is within 10% of the target amount for base salary, and within 15% of the target amount for all other pay components. These targets serve as a reference point; the Committee also considers:

individual performance;

time each executive has served in the position;

the experience of each executive;

future potential of the executive;

internal equity;

retention concerns; and

Company performance.

Evaluating Individual Performance

Each year, the Compensation Committee reviews and evaluates individual executive performance as part of its decision making process with respect to base salary, equity incentive award opportunities, and, from time to time, discretionary bonuses. The Chairperson of the Compensation

Committee coordinates the Board's review of the individual performance of the Chief Executive Officer. The Chairman of the Board and the Chairpersons of the Compensation Committee and Nominating and Corporate Governance Committee communicate the Board's review to the Chief Executive Officer.

For the named executive officers other than the Chief Executive Officer, the Chief Executive Officer reviews with the Compensation Committee and the full Board of Directors an evaluation of each executive officer's performance.

As discussed above, individual performance is only one factor among several that the Compensation Committee considers in making these adjustments, and there is no prescribed formula or mechanism for translating individual performance into specific amounts of compensation. The Compensation Committee's decision-making process necessarily involves the Committee's informed judgment with respect to individual executive performance in the context of many considerations and criteria, none of which are individually controlling, including experience, potential of the executive, retention concerns, recent compensation of the executive, internal pay equity, Company performance, and general industry and economic conditions.

Reviewing Tally Sheets

In reviewing executive compensation, the Compensation Committee reviews tally sheets prepared for each of the named executive officers. Each of these tally sheets presents the dollar amount of each named executive officer's current cash compensation (base salary and annual incentive awards) and long-term (equity and long-term cash incentive) awards. These tally sheets report a multi-year history of annual compensation for the named executive officers (both opportunity and realizable).

Internal Pay Equity

Our core compensation philosophy is to pay our executive officers competitive levels of compensation that best reflect their individual responsibilities and contributions to the Company while providing incentives to achieve the Company's business and financial objectives. While we believe that our executive compensation program must be internally consistent and equitable in order to achieve our corporate objectives, the Compensation Committee considers internal pay equity as one factor among the many considerations discussed in this section, and is not individually determinative of any element of individual compensation. Generally speaking, each of our executive officers is compensated according to the responsibilities and competitive considerations for the position and the accomplishments and potential of the individual. As a natural result of these considerations, persons holding positions with relatively greater responsibilities receive relatively higher levels of compensation.

The ratio between Chief Executive Officer and other named executive officer target compensation is often used as an indicator of reasonableness of Chief Executive Officer compensation based on internal pay equity. For SpartanNash as of FYE 12/28/13, this ratio was 3.4 to 1. The Compensation Committee believes that this ratio is in line with general market norms, which range from 3.0 to 3.5.

Use of Independent Compensation Consultants

Since FYE 3/26/11, the Compensation Committee has engaged Towers Watson (Towers), a compensation consulting firm, to provide objective research and analysis regarding compensation best practices and current information regarding compensation levels at companies of similar type, size, and financial performance. The Compensation Committee instructed Towers to provide advice and guidance

Executive Compensation

Compensation Discussion and Analysis

on compensation proposals, including changes to compensation levels, the design of incentive plans and other forms of compensation, and to provide information about market practices and trends. Typically, Towers attends Compensation Committee meetings, reviews existing compensation programs for consistency with our compensation philosophy and current market practices and produces the comparative information derived from peer group and published survey data that the Compensation Committee reviews when setting compensation. With respect to FYE 12/28/13, Towers Watson's activities included:

performing a market review of executive officer compensation components and preparing tally sheets ;

reviewing our annual and long-term incentive plan design structure;

reviewing the composition of the peer group we use for executive compensation benchmarking purposes;

reviewing current issues and trends in executive compensation;

assisting with executive compensation disclosures for the annual proxy filing; and

reviewing the pay-for-performance alignment of our executive compensation programs.

Following the Merger of Spartan Stores and Nash Finch Company, the Compensation Committee engaged Towers Watson to assist in the treatment of our performance-based long-term cash incentive award. This assessment involved analyzing alternative approaches and metrics for the Committee's consideration.

Under the terms of its engagement, Towers did not provide any other services to the Company in FYE 12/28/13.

The Compensation Committee has adopted the practice of engaging an independent compensation consultant to provide a full review and analysis of executive compensation data every two years rather than annually. The Compensation Committee requested and received a full review and analysis from the compensation consultant in FYE 12/28/13. For years in which the consultant does not provide a full review, the Compensation Committee considers analysis of named executive officer compensation compared to the Peer Group Companies, and reviews tally sheets, market trends in executive compensation, updated information and analysis provided in the previous year by the compensation consultant. Alternate years provide the Compensation Committee opportunity to engage compensation consultants in analysis of other areas of executive compensation, such as stock ownership, change-in-control, and regulatory issues. The Compensation Committee also reviews and considers from time to time independent compensation studies, compilations, analysis and surveys that are not specifically prepared or commissioned for the Company.

Stock Ownership Guidelines

Spartan's Board of Directors has established stock ownership guidelines for corporate officers. These guidelines are designed to help ensure that officers face with other shareholders downside risk and upside potential. Under these guidelines, the Company's executive officers are expected to achieve and maintain a level of stock ownership having a value that is approximately equal to or greater than a specified percentage of the executive's annual base salary. The percentages are as follows:

Position	Percentage of Base Salary
Chief Executive Officer	500%
President	400%
Executive Vice Presidents	300%
Senior Vice President	200%
Vice Presidents and Division Vice Presidents	100%

Until the specified level of ownership is achieved, executives are required to hold at least 50% of all shares acquired through the Company's stock incentive plans and other forms of stock based compensation. As of December 28, 2013, all of the Company's executive officers were in compliance with the Company's stock ownership policy.

The Board of Directors periodically reviews the stock ownership guidelines for corporate officers to help ensure that the policy effectively encourages key associates to own a meaningful equity stake in the Company, but does not interfere with the Company's ability to attract and retain talented individuals. The Board believes that it is appropriate to require more senior executives to own a relatively greater stake in the Company. Accordingly, the ownership requirements are set on a sliding scale ranging from 100% to 500%.

Personal Benefits, Perquisites, and Loans

SpartanNash has long believed that compensation in the form of executive perquisites and personal benefits does not provide transparency for shareholders or efficiently serve the goals of the Company's compensation programs. Consequently, such benefits play a minor role in the Company's compensation program. In FYE 12/28/13, the Company reimbursed the cost of tax and financial planning services for its named executive officers, subject to a limit of \$2,500 annually. SpartanNash does not provide perquisites such as club memberships, use of private aircraft, use of automobiles owned or leased by the Company, security details, commuting expenses, clothing, jewelry, discounts that are not available to all associates, or personal travel unrelated to our business. SpartanNash does not make loans or extend credit to its directors or executive officers. None of

SpartanNash's directors or executive officers was indebted to the Company in FYE 12/28/13.

Risk Considerations

In the context of the domestic retail and distribution operating company nature of our business, the Compensation Committee does not believe our compensation program encourages excessive or inappropriate risk taking for the following additional reasons:

we structure our pay to consist of both fixed compensation and variable compensation;

we cap our cash incentive opportunity at twice the target level;

our restricted stock awards to associates generally vest over four or five years, and stock option awards granted in previous fiscal years generally vest over four years;

because consolidated net earnings is the performance measure for determining annual cash incentive payments and either EPS and ROIC or EPS, net sales and merger synergies are the performance measures for determining long-term cash incentive payments for named executive officers and certain other officers, we believe that our executives are encouraged to take a balanced approach that focuses on corporate profitability;

our consolidated net earnings, EPS and ROIC targets are applicable to other management associates as well as executives;

we have strict internal controls;

Edgar Filing: SPARTAN STORES INC - Form DEF 14A

the Company may recover incentive-based compensation under the Company's clawback policy, adopted in March 2014, in the event of a financial restatement, misconduct, and certain other circumstances; and

we have stock ownership guidelines.

Executive Compensation

Compensation Discussion and Analysis

Severance and Change in Control Payments

SpartanNash believes that severance payments upon certain terminations of employment benefit the Company and the shareholders by attracting and retaining executives and allowing executives to remain focused during uncertain times while also obtaining restrictive covenants for the benefit of the Company. SpartanNash also believes that cash payments upon a double-trigger of both termination of employment and a change in control benefit the Company and the shareholders by motivating and encouraging each executive to be receptive to potential strategic transactions that are in the best interest of shareholders, even if the executive faces potential job loss, and by motivating the executives in the period leading up to a potential change in control. To accomplish these goals, SpartanNash has entered into an employment agreement and an executive severance agreement with each named executive officer, which are discussed in more detail elsewhere in this proxy statement.

Under the terms of our equity based compensation plans and our executive employment and severance agreements, the Chief Executive Officer and other named executive officers are entitled to payments and benefits upon the occurrence of specified events including termination of employment and upon a change in control of the Company. The specific terms of these arrangements and an estimate of the compensation that would have been payable had they been triggered as of fiscal year-end are described in detail in the section of this Proxy Statement entitled Potential Payments Upon Termination or Change in Control. The terms and conditions of these arrangements are the result of arms-length negotiations between the Compensation Committee and the Company's executive officers.

The termination of employment provisions of the executive employment and severance agreements are intended, in part, to address retention concerns by providing these individuals with a certain amount of compensation that would offset the potential

disincentive to support an effort that would result in a change in control of the Company that could threaten the executive's own jobs. From time to time, the Compensation Committee reviews and reassesses the termination and change in control arrangements with the named executive officers to determine whether the arrangements effectively serve their intended purposes and are consistent with prevailing practices for the markets in which the Company competes for executive talent. The Committee typically engages a compensation consultant to assist the determination of prevailing market practices.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code includes potential limitations on the deductibility of compensation in excess of \$1 million paid to certain officers. While we do not design our compensation programs solely for tax purposes, we do design our programs to be tax efficient for the Company where possible. Under appropriate circumstances, SpartanNash may approve compensation that is not deductible under Section 162(m) if it determines that it would be in the best interests of SpartanNash and its shareholders for such compensation to be paid.

Shareholder Say-On-Pay Votes

The Company provides its shareholders with the opportunity to cast a say-on-pay vote annually, which is an advisory vote on executive compensation. At the Company's annual meeting of shareholders held in July 2013, a substantial majority (96%) of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The

Compensation Committee believes this affirms shareholders' support of the Company's approach to executive compensation, and did not change its approach in FYE 12/28/13. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers.

Summary Compensation Table

The following table shows certain information concerning the compensation earned by the Chief Executive Officer, the Chief Financial Officer, and each of the Company's three most highly compensated executive officers other than the Chief Executive Officer or Chief Financial Officer who were serving as executive officers as of fiscal year end (the officers identified in the table below are referenced in this Proxy Statement as the named executive officers). Solely for the purpose of the following table, the 39-week transition period ended December 28, 2013 is referred to as 2013T, the fiscal year ended March 30, 2013 as Fiscal Year 2013, the fiscal year ended March 31, 2012 as Fiscal Year 2012 and fiscal year ended March 26, 2011 as Fiscal Year 2011.

- (1) These amounts represent the grant date fair value of restricted stock determined in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718 (ASC 718), and do not represent cash payments to or amounts realized by the named executive officers. The Company did not grant option awards in any of the fiscal years presented. For details regarding the assumptions used in the valuation of share-based awards, see Note 13, *Stock-Based Compensation*, to the audited financial statements of SpartanNash contained in the Company's Transition Report on Form 10-K for the period ended December 28, 2013. In December 2013, the Compensation Committee modified the retirement provisions of restricted stock awards to provide for continued vesting of shares following a qualified retirement, subject to continued compliance with covenants

not to compete. This modification resulted in the following incremental fair values (determined in accordance with ASC 718), which are included in the Stock Awards reported above:

Name	Incremental Value of Stock Award Modification (\$)
Mr. Eidson	636,435
Mr. Staples	3,829
Mr. Adornato	126,405
Mr. Jones	2,526
Mr. DeYonker	4,041

- (2) The amounts reported in the Stock Awards column are not reduced by the amount of any awards that were not earned or were otherwise forfeited.
- (3) In compliance with the Company's executive stock ownership policy, Messrs. Eidson, DeYonker, and Jones received a portion of their respective FYE 3/26/11 annual cash incentive award in shares of the Company's common stock pursuant to the Company's 2001 Stock Bonus Plan. Under the terms of the Stock Bonus Plan, each executive received additional shares of the Company's common stock having a value of 30% of the bonus elected to be received in stock. The amounts reported in this column for FYE 3/31/12 for Messrs. Eidson, DeYonker, and Jones include the value of the incremental shares of stock received by them under the Stock Bonus Plan, as determined under ASC 718. As a condition of participation, each executive must hold the shares for a minimum of twelve months. No named executive officer elected to participate in the Stock Bonus Plan in FYE 3/31/12 or FYE 3/30/13.
- (4) For all periods presented, all named executive officers earned annual and long-term cash incentive awards under the Company's Executive Cash Incentive Plan of 2010. Please see the Compensation Discussion and Analysis section of the proxy statement and footnote (5) below for the applicable fiscal year for details regarding how these amounts are determined and when they are paid.
- (5) The amount reported in this column consists of the annual cash incentive award earned for the applicable fiscal year and the portion of the long-term cash incentive award that was earned for the Company's achievement of specified levels of earnings per share and return on invested capital in the applicable fiscal year. Due to the change in fiscal year, each named executive officer's annual incentive opportunity was pro-rated to be 75% (39/52 weeks) of the projected incentive opportunity. As discussed in more detail beginning on page 49, long-term cash incentive awards typically cover a three-year total service period. Due to the change in fiscal year, which resulted in a 39 week transition period, the Compensation Committee modified the three-year award to cover two performance periods, including the 39-week transition period and the two fiscal years that follow the transition period, and an additional vesting period ending May 1, 2016. The Compensation Committee adjusted each named executive officer's long-term cash incentive award in the manner discussed beginning on page 49.

*Executive Compensation**Summary Compensation Table*

The earned portion of the May 2011 and May 2012 long-term awards remain subject to a vesting condition and will be forfeited if the employment of the named executive officer is terminated under certain circumstances prior to the end of the vesting period (two years for the EPS component and one year for the ROIC component). The earned portion of the May 2013 award is not payable until May 2016, and will be forfeited if the employment of the named executive officer is terminated under certain circumstances prior to May 2016. The following table provides details regarding the non-equity incentive compensation earned by each named executive officer in FYE 12/28/13:

Name	Annual Cash Incentive Award Earned (\$)	EPS Portion of Long-Term Cash Incentive Award Earned^A (\$)	ROIC Portion of Long-Term Cash Incentive Award Earned^B (\$)	Total^C (\$)
Mr. Eidson	905,783	183,360	80,000	1,169,143

Mr. Jones	185,697	36,325	15,849	237,871
Mr. DeYonker	217,172	36,325	15,849	269,346

A Represents the EPS portion of the award that was granted in May 2013 and measured at FYE 12/28/13 and is payable in May 2016.

B Represents the ROIC portion of the award that was granted in May 2013 and measured at FYE 12/28/13 and is payable in May 2016. No part of the ROIC portion of the May 2012 award was earned or will be paid because performance was below threshold.

C The long-term portion of the award has not been paid and will not be paid unless and until the executive satisfies the service periods and is employed through May 1, 2016.

(6) The amounts reported in this column consist of the change in the actuarial present value of the named executive officer's accumulated benefit under the SpartanNash Cash Balance Pension Plan and Supplemental Executive Retirement Plan, computed as of the pension plan measurement date used for financial statement reporting purposes for the reported years. For more information, see the Pension Benefits section of this proxy statement and Note 10, *Associate Retirement Plans*, to the audited financial statements of SpartanNash contained in the Company's Transition Report on Form 10-K for the period ended December 28, 2013. Earnings on non-qualified deferred compensation are reported below on the Non-Qualified Deferred Compensation table.

long-term cash incentive award granted under the 2010 Executive Cash Incentive Plan as awarded in May 2013. Following the change in the Company's fiscal year end, the Compensation Committee modified this award to cover two performance periods, including the 39-week transition period and a 105-week performance period following the transition period, and an additional vesting period ending May 1, 2016. Please see page 49 of this proxy statement for more information regarding the long-term cash incentive awards.

Discussion of Summary Compensation and Plan-Based Awards Tables

The Company paid the compensation set forth in the Summary Compensation Table and the grants of Plan Based Awards table pursuant to the philosophy, procedures, and practices set forth above in the Compensation Discussion and Analysis section of this proxy statement. A summary of certain material terms of our compensation plans and arrangements is set forth below.

Salary; Employment Agreements. Each named executive officer is paid a salary pursuant to an employment agreement with the Company. For information regarding determination of base salaries, see the Compensation Discussion and Analysis section of this proxy statement.

The Company has entered into an Executive Employment Agreement with each of its executive officers. None of the agreements have a specified term of years. Under the terms of each Agreement, the Company will employ the executive as an officer of the Company for an indefinite period of time until termination of employment. Each executive officer receives a base salary that will be reviewed annually and is eligible to participate in any of the Company's bonus programs. Each executive officer's employment terminates automatically in the event of death, and the Company may terminate the executive's employment for disability or for cause. Please see the Potential Payments Upon Termination or Change-in-Control section of this proxy statement for detailed information regarding payments to executive officers upon termination of employment for any reason.

Non-Equity Incentive Plan Awards. As discussed in detail on page 48, for FYE 12/28/13, each named executive officer was granted the opportunity to earn cash incentive compensation on an annual basis, and a long-term incentive award covering three fiscal years. The awards were granted under the Company's shareholder approved Executive Cash Incentive Plan of 2010.

The Executive Plan is a non-equity incentive compensation plan that is designed to motivate executive officers and other participants who are in a position to make substantial contributions toward the achievement of goals established under the plan. The plan is designed to:

motivate participants to achieve SpartanNash's annual financial and business objectives;

allow participants to share appropriately in SpartanNash's financial success;

provide a competitive incentive compensation opportunity;

create linkage between participant contribution and SpartanNash's business and financial objectives; and

assist in the attraction, retention, and motivation of plan participants.

The Executive Plan permits incentive compensation paid under the plan to be deductible under the Internal Revenue Code. Under the terms of the Executive Plan, the Compensation Committee may use only objective measures of

financial performance specified in the Plan itself (or approved by the Company's shareholders at a later date), and it must specify the relationship between the level of the cash incentive award and the performance measure. Payment of cash incentive awards under the Executive Plan is entirely contingent on the achievement of specified objective measures of performance.

Restricted Stock. All shares of restricted stock were awarded to the named executive officers pursuant to the Stock Incentive Plan of 2005. This plan, and the 2001 Stock Incentive Plan, are the Company's two equity incentive plans. Both plans have been approved by the Company's shareholders. Awards under Spartan's equity compensation plans are designed to:

align executive and shareholder interests;

reward executives and other key associates for building shareholder value; and

encourage long-term investment in Spartan.

Prior to making any equity awards, the Compensation Committee considers share usage under all of the Company's equity compensation plans, dilution of shareholders, and each executive's current ownership of the Company's stock.

Equity incentive awards have several key advantages over cash compensation, including promoting executive retention through the use of vesting periods and aligning executive and shareholder interests by giving executives an ownership stake in the Company.

The shares of restricted stock granted to the named executive officers in May 2013 vest in four equal yearly increments on May 1 of each year. In other words, the first one-fourth of the shares will vest on May 1, 2014, the second one-fourth vests on May 1, 2015, the third

one-fourth vests on May 1, 2016 and the final one-fourth vests on May 1, 2017. If the employment of an executive officer is terminated for any reason other than death, disability, or retirement, then all unvested shares of restricted stock are forfeited unless the Compensation Committee exercises its discretion to waive any remaining restrictions. If an executive officer dies or becomes disabled, then all outstanding shares of restricted stock will vest automatically. In the event of retirement, the outstanding shares will continue to vest, provided that the executive continues to comply with the noncompetition covenants applicable to the award. If a change in control (as defined in the Incentive Plan) occurs, then all unvested shares of restricted stock will automatically vest. For information regarding accelerated vesting of restricted stock upon termination or a change-in-control of the Company, please see the section entitled "Potential Payments Upon Termination or Change-in-Control."

Dividends. Executives receive any dividends paid on vested and unvested restricted shares at the rate dividends are paid on common stock.

Holding Period. The shares of restricted stock awarded to the named executive officers are subject to forfeiture if not held until the restrictions applicable to the shares have elapsed. While the shares of restricted stock once vested are not subject to an express holding period, each named executive officer must comply with the stock ownership guidelines discussed on page 81. Until the specified level of ownership is achieved, executives are required to hold at least 50% of all restricted stock granted to them.

Stock Bonus Plan. Spartan's named executive officers and certain other key associates may elect to receive all or a portion of any annual cash incentive award they may receive in the form of SpartanNash common stock pursuant to the Company's 2001 Stock Bonus Plan. The Stock Bonus Plan is designed to create additional

Executive Compensation

Grants of Plan-Based Awards

incentive for participants to make significant contributions to the long-term performance and growth of the Company and to join the interests of participants with the Company's shareholders. Under the Plan, participants have ten days following notification of the amount of their annual cash incentive award (if any) to provide a written election to receive up to 100% of their annual cash incentive award in the form of SpartanNash stock. At the conclusion of the ten-day election period, associates who make such an election receive Spartan common stock having a value equal to the portion of the annual cash incentive award designated by the associate, plus an additional grant of shares having a value of up to 30% of the portion of the participant's annual cash incentive award that he or she elected to receive in stock. The common stock granted under the plan is valued at the average of the highest and lowest sales prices of Spartan common stock reported by Nasdaq on the first trading day following the conclusion of the ten-day election period. All shares issued under the Stock Bonus Plan are subject to a twelve-month holding period. The Compensation Committee has determined that, beginning with incentive award opportunities granted in 2014, participants in the

plan will receive additional shares having a value of 20% of the elected cash bonus amount. In addition, the minimum holding period will be extended to 24 months.

Pension Benefits and Non-Qualified Deferred Compensation. For information on pension benefits and non-qualified deferred compensation, please see the tables and accompanying narrative below.

All Other Compensation. The amounts reported under All Other Compensation include dividends paid on unvested restricted stock awards (which are paid at the same rate as dividends paid on the Company's common stock), matching payments for contributions to the Company's qualified and non-qualified retirement plans.

All Other Compensation also includes the dollar value of premiums paid by the Company for group term life insurance for the named executive officers. The Company pays group term life insurance premiums for all of its associates.
