JUNE 20, 2014

Although we recommend that you read the complete Joint Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving the enclosed Joint Proxy Statement?

A. You are receiving the Joint Proxy Statement as a holder of Variable Rate Demand Preferred Shares (VRDP Shares) of a Fund in connection with the annual shareholder meetings of Nuveen New Jersey Dividend Advantage Municipal Fund (Dividend Advantage or the Acquiring Fund), Nuveen New Jersey Investment Quality Municipal Fund, Inc. (Investment Quality), Nuveen New Jersey Premium Income Municipal Fund, Inc. (Premium Income) and Nuveen New Jersey Dividend Advantage Municipal Fund 2 (Dividend Advantage 2 and collectively with Investment Quality and Premium Income, the Target Funds or each individually, a Target Fund). You are being asked to vote on several important matters affecting your Fund as follows:

the election of members of the Board of Directors or Board of Trustees, as applicable (each, a Board and the members individually, Board Members) (the list of specific nominees is contained in the enclosed Joint Proxy Statement);

the reorganizations of the Target Funds into the Acquiring Fund (each, a Reorganization and collectively, the Reorganizations);

the issuance of additional common shares by the Acquiring Fund in connection with the Reorganizations;

the approval of a new investment management agreement; and

the approval of a new investment sub-advisory agreement.

Proposals Regarding the Reorganizations

Q. Why has each Fund s Board recommended this proposal?

- A. Each Fund's Board has determined that its respective Reorganization(s) would be in the best interests of its Fund. Each Fund's Board considered the Reorganization(s) as part of a broad initiative to rationalize the product offerings of Nuveen funds and eliminate overlapping products.

The Acquiring Fund and the Target Funds have similar investment objectives, policies and risks and substantially similar portfolio compositions and are managed by the same portfolio manager. In light of these similarities, the proposed Reorganizations are intended to reduce fund redundancies and create a single, larger state fund that may benefit from anticipated operating efficiencies and economies of scale. The proposed Reorganizations also are intended to result in lower total expenses per common share (excluding the costs of leverage) for shareholders of each Fund (as shareholders of the combined fund following the Reorganizations), due to economies of scale resulting from the larger size of the combined fund, and to enhance the secondary trading market for common shares of the Acquiring Fund as a result of the greater share volume of the combined fund. Although the anticipated total annual operating expenses per common share of the combined fund (including the costs of leverage) are expected to be higher for shareholders of Investment Quality and the same for shareholders of Premium Income (in each case, as shareholders of the combined fund following the Reorganizations), each Fund's Board took into account the view of the investment adviser that the greater asset size of the combined fund may provide greater flexibility in managing the structure and costs of leverage over time, for example, by enabling the larger combined fund to simultaneously employ or modify allocations between fixed rate and floating rate issues as issues mature and/or as the investment adviser's market outlook changes. In contrast, a smaller stand-alone fund would be limited to employing one type of leverage and to smaller issues.

Q. How will holders of VRDP Shares be affected by the Reorganizations?

A. The Acquiring Fund has one series of VRDP Shares outstanding as of the date of the enclosed Joint Proxy Statement, and these shares will remain outstanding following the Reorganizations. As of the date of the enclosed Joint Proxy Statement, each of Investment Quality and Premium Income also has one series of VRDP Shares outstanding, while Dividend Advantage 2 has one series of MuniFund Term Preferred Shares (MTP Shares) outstanding.

Upon the closing of the Reorganizations, holders of Target Fund VRDP Shares will receive, on a one-for-one basis, newly issued VRDP Shares of the Acquiring Fund having substantially identical terms, as of the closing of the Reorganizations, as the VRDP Shares of the Target Fund exchanged therefor. The Acquiring Fund also will issue a new series of MTP Shares to holders of MTP Shares of Dividend Advantage 2 having substantially identical terms, as of the closing of the Reorganizations, as the MTP Shares of Dividend Advantage 2 exchanged therefor. As a result, preferred shareholders of the Funds will become preferred shareholders of a combined fund with four series and two different types of preferred shares (i.e., MTP Shares and VRDP Shares) outstanding.

Although the Acquiring Fund preferred shares to be issued to each Target Fund will consist of a separate series, each such series will rank on a parity with each other and with any other outstanding preferred shares of the Acquiring Fund as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund.

Because of the large number of MTP Shares to be issued by the Acquiring Fund in connection with the Reorganization of Dividend Advantage 2, following the Reorganizations, holders of VRDP Shares of the combined fund will hold a smaller percentage of the outstanding preferred shares of the combined fund as compared to their percentage holdings of their respective Fund prior to the Reorganizations.

Q. Do the Funds have similar investment objectives, policies and risks?

A. Yes. The Funds have similar investment objectives, policies and risks and are managed by the same portfolio manager. While there are certain immaterial wording differences among the Funds' investment objectives, each Fund emphasizes: (i) investment in tax-exempt municipal securities providing current income exempt from regular federal and New Jersey income taxes; and (ii) the enhancement of portfolio value relative to the municipal bond market through investment in municipal securities that, in the opinion of the Fund's investment adviser, are underrated or undervalued or that represent municipal markets or municipal market sectors that are undervalued. Each Fund also emphasizes investments in investment grade municipal securities. Each Fund is a closed-end management investment company that, in the case of the Acquiring Fund, Investment Quality and Premium Income, is diversified, and in the case of Dividend Advantage 2, is non-diversified. Each Fund currently engages in leverage through the issuance of preferred shares and the use of inverse floating rate securities.

Q. What proposals will shareholders of the Funds be asked to vote on in connection with the proposed Reorganizations?

A. Shareholders of each Target Fund will be asked to vote on an Agreement and Plan of Reorganization, with common shareholders and preferred shareholders voting together as a single class and preferred shareholders also voting separately. Shareholders of the Acquiring Fund will be asked to vote on the issuance of additional common shares in connection with the Reorganizations, with common shareholders and preferred shareholders voting together as a single class and common shareholders also voting separately. In addition, preferred shareholders of the Acquiring Fund will be asked to vote on the Agreement and Plan of Reorganization. The enclosed Joint Proxy Statement is being sent only to holders of VRDP Shares of the Acquiring Fund, Investment Quality and Premium Income. Each Fund is separately soliciting the votes of its common shareholders and, with respect to Dividend Advantage 2, its holders of MTP Shares, through a separate proxy statement/prospectus.

Q. Will the terms of the VRDP Shares of the Acquiring Fund to be received by current holders of VRDP Shares of Investment Quality and Premium Income as part of the Reorganizations be substantially identical to the terms of such Target Fund VRDP Shares exchanged therefor?

A. Yes. Upon the closing of the Reorganizations, holders of VRDP Shares of each of Investment Quality and Premium Income will receive, in exchange for each VRDP Share held immediately prior to the Reorganizations, one VRDP Share of a new series of the Acquiring Fund having substantially identical terms, as of the closing of the Reorganizations, as the VRDP Shares of such Target Fund exchanged therefor, including:

the same short-term and long-term credit ratings from one or more rating agencies;

the same liquidation preference and final mandatory redemption date;

the same terms with respect to the payment of an adjustable dividend rate reset weekly by a remarketing agent;

the same right to give notice on any business day to tender the securities for remarketing in seven days;

the same terms with respect to the mandatory tender for remarketing upon the occurrence of certain events; and

continuing to have the benefit of an unconditional demand feature pursuant to a purchase agreement provided by the same bank acting as liquidity provider with respect to the outstanding series of VRDP Shares immediately prior to the closing of the Reorganizations.

In addition, the Agreement and Plan of Reorganization provides that each series of Acquiring Fund VRDP Shares to be issued in the Reorganizations will be rated no less than the then-current rating(s) assigned to the Target Fund VRDP Shares being exchanged therefor.

Q. Do the Reorganizations constitute a taxable event for holders of VRDP Shares of Investment Quality and Premium Income?

A. No. Each Reorganization is intended to qualify as a tax-free reorganization for federal income tax purposes. It is expected that you will recognize no gain or loss for federal income tax purposes as a direct result of a Reorganization, except that gain or loss may be recognized by preferred shareholders of Investment Quality and Premium Income who exercise dissenters' rights of appraisal under Minnesota law. In addition, to the extent that portfolio securities of a Target Fund are sold in connection with a Reorganization, such Target Fund may realize gains or losses. Gains from such sales will be taxable to Target Fund preferred shareholders to the extent such amounts are required to be allocated to distributions received by such Target Fund preferred shareholders. However, since each Target Fund's current portfolio composition is substantially similar to that of the Acquiring Fund, it is not currently expected that any significant portfolio sales will occur solely in connection with the Reorganizations (such sales are expected to be less than 5% of the assets of each Target Fund).

Q. What will happen if the required shareholder approvals in connection with the Reorganizations are not obtained?

A. The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. Because the closing of the Reorganizations is contingent upon all of the Target Funds and the Acquiring Fund obtaining the requisite shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that your Fund's Reorganization(s) will not occur, even if shareholders of your Fund that are entitled to vote on the Agreement and Plan of Reorganization approve the Reorganization(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy (or obtain the waiver of) its closing conditions. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund, including conducting additional solicitations with respect to the proposals or continuing to operate the fund as a stand-alone fund.

Q. Will holders of VRDP Shares of the Funds have to pay any fees or expenses in connection with the Reorganizations?

A. No. Preferred shareholders will not bear any costs of the Reorganizations. Common shareholders will indirectly bear the costs of the Reorganizations, whether or not the Reorganizations are consummated. The total costs of the Reorganizations are estimated to be

\$605,000 and will be reflected in each Fund's net asset value prior to the closing of the Reorganizations. The estimated allocation of the costs among the Funds is as follows: \$220,000 (0.21%) for the Acquiring Fund, \$160,000 (0.05%) for Investment Quality, \$30,000 (0.02%) for Premium Income and \$195,000 (0.28%) for Dividend Advantage 2 (all percentages are based on average net assets applicable to common shares for the twelve (12) months ended April 30, 2013). The allocation of the estimated costs of the Reorganizations is based on the relative expected benefits of the Reorganizations comprised of forecasted cost savings (excluding the costs of leverage) and distribution increases, if any, to each Fund during the first year following the Reorganizations.

Q. What is the timetable for the Reorganizations?

- A.** If the shareholder voting and other conditions to closing are satisfied (or waived), the Reorganizations are expected to take effect on or about September 8, 2014, or as soon as practicable thereafter.

Proposals Regarding the TIAA-CREF Transaction

Q. How will I as a shareholder be affected by the TIAA-CREF Transaction (as defined below)?

- A.** Nuveen Fund Advisors, LLC (Nuveen Fund Advisors or the Adviser) serves as your Fund's investment adviser and has retained Nuveen Asset Management, LLC (Nuveen Asset Management) as sub-adviser to manage the assets of your Fund. Nuveen Investments, Inc. (Nuveen), the parent company of each of Nuveen Fund Advisors and Nuveen Asset Management, recently announced its intention to be acquired by TIAA-CREF (the TIAA-CREF Transaction). In the event the TIAA-CREF Transaction takes place, securities laws require your Fund's shareholders to approve: (i) a new investment management agreement between Nuveen Fund Advisors and your Fund to permit Nuveen Fund Advisors to continue to serve as investment adviser to your Fund; and (ii) a new sub-advisory agreement between Nuveen Fund Advisors and Nuveen Asset Management to permit Nuveen Asset Management to continue to manage your Fund.

Shareholders of each Fund are being asked to consider new investment advisory and sub-advisory agreements in the event the TIAA-CREF Transaction closes before the Reorganization. Your investment will not change as a result of Nuveen's change of ownership. You will still own the same Fund shares before and after the TIAA-CREF Transaction. If the TIAA-CREF Transaction takes place before the closing of the Reorganizations, Nuveen Fund Advisors and Nuveen Asset Management will continue to manage your Fund according to the same objectives and policies as before, and do not anticipate any significant changes to your Fund's operations as a result of the TIAA-CREF Transaction.

If the closing of the Reorganizations takes place before the closing of the TIAA-CREF Transaction, Target Fund shareholders (as shareholders of the Acquiring Fund following the Reorganizations) and Acquiring Fund shareholders will own the same Acquiring Fund shares before and after the TIAA-CREF Transaction. Nuveen Fund Advisors and Nuveen Asset Management will continue to manage the Acquiring Fund according to the same objectives and policies described in the enclosed Joint Proxy Statement, and do not anticipate any significant changes to the Acquiring Fund's operations as a result of the TIAA-CREF Transaction.

TIAA-CREF is a national financial services organization with approximately \$569 billion in assets under management, as of March 31, 2014, and is the leading provider of retirement services in the academic, research, medical and cultural fields. Nuveen will operate as a separate subsidiary within TIAA-CREF's asset management business. Nuveen's current leadership and key investment teams are expected to stay in place.

Q. Will there be any important differences between the current investment management and investment sub-advisory agreements of the Funds and the new agreements being considered in connection with the TIAA-CREF Transaction?

A. No. The terms of the new agreements for each Target Fund and the Acquiring Fund in connection with the TIAA-CREF Transaction will be substantially identical to the agreements in effect immediately prior to the closing date of the TIAA-CREF Transaction. There will be no change in the contractual management fees you pay.

Q. What will happen if shareholders of my Fund do not approve the new investment management agreement or sub-advisory agreement before consummation of the TIAA-CREF Transaction?

A. Nuveen Fund Advisors and Nuveen Asset Management will continue to manage your Fund under an interim investment management agreement and an interim sub-advisory agreement, but must place their compensation for their services during this interim period in escrow, pending shareholder approval. Your Fund's Board urges you to vote without delay in order to avoid potential disruption to the Fund's operations.

General

Q. How does each Fund's Board recommend that I vote on the proposals?

A. After careful consideration, each Fund's Board has determined that each proposal is in the best interests of its Fund and recommends that you vote FOR your Fund's proposal(s).

A. You may receive a call from Computershare Fund Services, the proxy solicitor hired by your Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

We recognize the inconvenience of the proxy solicitation process and would not impose on you if we did not believe that the matters being proposed were important. Once your vote has been registered with the proxy solicitor, your name will be removed from the solicitor's follow-up contact list.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders fail to cast their votes, your Fund may not be able to hold its meeting or vote on each issue, and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation.

This Joint Proxy Statement is being furnished to the holders of Variable Rate Demand Preferred Shares (VRDP Shares) of Nuveen New Jersey Dividend Advantage Municipal Fund (Dividend Advantage or the Acquiring Fund), Nuveen New Jersey Investment Quality Municipal Fund, Inc. (Investment Quality) and Nuveen New Jersey Premium Income Municipal Fund, Inc. (Premium Income and together with Investment Quality, the Target Funds or each individually, a Target Fund), each a closed-end management investment company, in connection with the solicitation of proxies by each Fund's Board of Trustees or Board of Directors, as applicable (each, a Board or the Board and each Trustee or Director, a Board Member), for use at the Annual Meeting of Shareholders of each Fund to be held in the offices of Nuveen Investments, Inc. (Nuveen or Nuveen Investments), 333 West Wacker Drive, Chicago, Illinois 60606, on Tuesday, August 5, 2014, at 10:00 a.m., Central time, and at any and all adjournments or postponements thereof (each, an Annual Meeting and collectively, the Annual Meetings) to consider the proposals listed below and discussed in greater detail elsewhere in this Joint Proxy Statement. The Acquiring Fund is organized as a Massachusetts business trust. Each of Investment Quality and Premium Income is organized as a Minnesota corporation. The enclosed proxy card and this Joint Proxy Statement are first being sent to holders of VRDP Shares of the Acquiring Fund, Investment Quality and Premium Income on or about June 24, 2014. Shareholders of record of the Funds as of the close of business on June 6, 2014, are entitled to notice of and to vote at the Annual Meeting and any and all adjournments or postponements thereof.

This Joint Proxy Statement explains concisely what you should know before voting on the proposals described in this Joint Proxy Statement. Please read it carefully and keep it for future reference.

On the matters coming before each Annual Meeting as to which a choice has been specified by shareholders on the accompanying proxy card, the shares will be voted accordingly where such proxy card is properly executed, timely received and not properly revoked (pursuant to the instructions below). If a proxy is returned and no choice is specified, the shares will be voted FOR the proposal(s). Shareholders of a Fund who execute proxies or provide voting instructions by telephone or by Internet may revoke them at any time before a vote is taken on the proposal(s) by filing with that Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date, or by attending an Annual Meeting and voting in person. A prior proxy can also be revoked by voting again through the

toll-free number or the Internet address listed in the proxy card. Merely attending an Annual Meeting, however, will not revoke any previously submitted proxy.

The Board of each Fund has determined that the use of this Joint Proxy Statement for the Annual Meetings is in the best interests of each Fund and its holders of VRDP Shares in light of the similar matters being considered and voted on by holders of VRDP Shares.

The following table indicates the proposals for which the votes of the holders of VRDP Shares of each Fund are being solicited pursuant to this Joint Proxy Statement.

* The Funds are separately soliciting their common shareholders through a separate proxy statement/prospectus and not through this Joint Proxy Statement on each of the foregoing proposals that requires common shareholders to vote together with preferred shareholders as a single class or common shareholders to vote separately.

Unless the context indicates otherwise, references to a fund, the fund or the funds mean each of or collectively, as applicable, the Acquiring Fund and the Target Funds. A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting except that for the election of two Board Member nominees to be elected by holders of preferred shares of each Fund, 33 1/3% of the preferred shares entitled to vote, represented in person or by proxy, will constitute a quorum. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), if any, as present for purposes of determining a quorum.

Broker-dealer firms holding shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares before

the Annual Meeting. The Funds understand that, under the rules of the New York Stock Exchange (NYSE), such broker-dealer firms may for certain routine matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by each Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm s request for voting instructions. Proposal 1 is a routine matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of proposal 1.

VRDP Shares held in street name as to which voting instructions have not been received from the beneficial owners or persons entitled to vote as of one business day before the Meeting, or, if adjourned, one business day before the day to which the Annual Meeting is adjourned, and that would otherwise be treated as broker non-votes may, pursuant to Rule 452 of the NYSE, be voted by the broker on the proposal in the same proportion as the votes cast by all holders of VRDP Shares as a class who have voted on the proposal, or in the same proportion as the votes cast by all holders of preferred shares of the Fund who have voted on that item. Rule 452 permits proportionate voting of VRDP Shares with respect to a particular item if, among other things, (i) a minimum of 30% of the VRDP Shares or shares of a series of VRDP Shares outstanding has been voted by the holders of such shares with respect to such item, (ii) less than 10% of the VRDP Shares or shares of a series of VRDP Shares outstanding has been voted by the holders of such shares against such item and (iii) for any proposal as to which holders of common shares and preferred shares vote as a single class, holders of common shares approve the proposal. For the purpose of meeting the 30% test, abstentions will be treated as shares voted and, for the purpose of meeting the 10% test, abstentions will not be treated as shares voted against the item.

Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Those persons who were shareholders of record at the close of business on June 6, 2014 will be entitled to one vote for each share held and, with respect to holders of common shares, a proportionate fractional vote for each fractional common share held.

As of June 6, 2014, the shares of the Funds issued and outstanding are as follows:

Fund (Ticker Symbol)	Common Shares⁽¹⁾	MTP Shares⁽¹⁾	VRDP Shares⁽¹⁾
Acquiring Fund (NXJ)	6,555,388		450
Investment Quality (NQJ)	20,490,335		1,443
Premium Income (NNJ)	12,083,027		886
Dividend Advantage 2 (NUJ)	4,516,814	3,505,000	

- (1) The common shares of the Acquiring Fund and Dividend Advantage 2 are listed on the NYSE MKT, and the common shares of Investment Quality and Premium Income are listed on the NYSE. Dividend Advantage 2 has one series of MTP Shares issued and outstanding, and such series is listed on the NYSE under the ticker symbol NUJ PrC. The VRDP Shares of the Acquiring Fund, Investment Quality and Premium Income are not listed on any exchange. Upon the closing of the Reorganizations (as defined below), it is expected that the common shares of the Acquiring Fund will continue to be listed on the NYSE MKT. It also is expected that the MTP Shares of the Acquiring Fund will be listed on the NYSE.

The proposed reorganizations seek to combine four funds that have similar investment objectives, policies and risks to achieve certain economies of scale and other operational efficiencies for the Funds. The Agreement and Plan of Reorganization by and among each Target Fund and the Acquiring Fund provides for: (i) the Acquiring Fund's acquisition of substantially all of the assets of each Target Fund in exchange for newly issued common shares of the Acquiring Fund, par value \$0.01 per share, and newly issued VRDP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$100,000 per share, or newly issued MTP Shares of the Acquiring Fund, with a par value of \$0.01 per share and a liquidation preference of \$10 per share, as applicable, and the Acquiring Fund's assumption of substantially all of the liabilities of each Target Fund; and (ii) the distribution of the newly issued Acquiring Fund common shares and Acquiring Fund preferred shares received by each Target Fund to its common and preferred shareholders, respectively, as part of the liquidation, dissolution and termination of each Target Fund in accordance with applicable law (each, a Reorganization and collectively, the Reorganizations). Preferred shareholders of each Target Fund will receive the same number of Acquiring Fund VRDP Shares or MTP Shares, as applicable, having substantially identical terms as the outstanding preferred shares of the Target Fund held by such preferred shareholders immediately prior to the closing of the Reorganizations. The aggregate liquidation preference of the Acquiring Fund preferred shares received by a Target Fund in connection with the Reorganizations will equal the aggregate liquidation preference of such series of Target Fund preferred shares held immediately prior to the closing of the Reorganizations.

The preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations will have equal priority with each other and with the Acquiring Fund's other outstanding preferred shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. In addition, the preferred shares of the Acquiring Fund, including the preferred shares of the Acquiring Fund to be issued in connection with the Reorganizations, will be senior in priority to the Acquiring Fund's common shares as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Acquiring Fund. The Acquiring Fund will continue to operate after the Reorganizations as a registered closed-end management investment company with the investment objectives and policies described in this Joint Proxy Statement.

With respect to each Reorganization, the Reorganization is required to be approved by the affirmative vote of the holders of a majority of the Target Fund's outstanding common and preferred shares, voting together as a single class, and by the affirmative vote of a majority of the Target Fund's outstanding preferred shares, also voting separately. Common and preferred shareholders of the Acquiring Fund, voting together as a single class, and common shareholders, also voting separately, are being asked to approve the issuance of additional common shares of the Acquiring Fund in connection with the Reorganizations. In addition, the Reorganizations are required to be approved by the affirmative vote of a majority of the Acquiring Fund's outstanding preferred shares, voting separately.

The closing of each Reorganization is contingent upon the closing of all of the Reorganizations. In order for the Reorganizations to occur, each Fund must obtain all requisite shareholder approvals as well as certain consents, confirmations and/or waivers from various third parties, including rating agencies and liquidity providers with respect to the outstanding VRDP Shares. Because the closing of the Reorganizations is contingent upon all of the Target Funds and the Acquiring Fund obtaining the requisite shareholder approvals and satisfying (or obtaining the waiver of) other closing conditions, it is possible that the Reorganizations will not occur, even if shareholders of your Fund entitled to vote

on the Agreement and Plan of Reorganization approve the Reorganization(s) and your Fund satisfies all of its closing conditions, if one or more of the other Funds does not obtain its requisite shareholder approvals or satisfy its closing conditions. The VRDP Shares were issued on a private placement basis to one or a small number of institutional holders. To the extent that one or more preferred shareholders of a Fund owns, holds or controls, individually or in the aggregate, all or a significant portion of such Fund's outstanding preferred shares, the shareholder approval required for the Reorganizations may turn on the exercise of voting rights by such particular shareholder(s) and its (or their) determination as to the favorability of the proposal with respect to its (or their) interests. The Funds exercise no influence or control over the determinations of such shareholder(s) with respect to the proposal; there is no guarantee that such shareholder(s) will approve the proposal, over which it (or they) may exercise effective disposition power. If the requisite shareholder approvals are not obtained, each Fund's Board may take such actions as it deems in the best interests of its Fund, including conducting additional solicitations with respect to the proposals or continuing to operate the Fund as a stand-alone fund.

This Joint Proxy Statement concisely sets forth the information holders of VRDP Shares of the Funds should know before voting on the proposals. Shareholders should read it carefully and retain it for future reference.

The following documents have been filed with the Securities and Exchange Commission (SEC) and are incorporated into this Joint Proxy Statement by reference:

The common shares of the Acquiring Fund and Dividend Advantage 2 are listed on the NYSE MKT, and the common shares of Investment Quality and Premium Income are listed on the NYSE. The MTP Shares of Dividend Advantage 2 are listed on the NYSE. The VRDP Shares of the Acquiring Fund, Investment Quality and Premium Income are not listed on any exchange. Upon the closing of the Reorganizations, it is expected that the common shares of the Acquiring Fund will continue to be listed on the NYSE MKT, and the MTP Shares of the Acquiring Fund will be listed on the NYSE. Reports, proxy statements and other information concerning the Funds can be inspected at the offices of the NYSE and NYSE MKT, 11 Wall Street, New York, New York 10005.

The offering and issuance of VRDP Shares of the Acquiring Fund have not been registered under the Securities Act of 1933, as amended (the Securities Act), or any state securities laws, and unless so registered, the VRDP Shares may not be offered, sold, assigned, transferred, pledged, encumbered or otherwise disposed of except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the VRDP Shares to be issued in the Reorganizations are being offered only to holders of VRDP Shares of the Target Funds that are qualified institutional buyers (as defined in Rule 144A under the Securities Act) in accordance with the exemption from the registration requirements of the Securities Act provided by Section 4(a)(2) of the Securities Act and are subject to restrictions on transfer. PROPOSAL NO. 1 THE ELECTION OF BOARD MEMBERS

Dividend Advantage

Pursuant to the organizational documents of Dividend Advantage (the Massachusetts Fund), the Board is divided into three classes (Class I, Class II and Class III), to be elected by the holders of the outstanding common shares and any outstanding preferred shares, voting together as a single class, to serve until the third succeeding annual meeting subsequent to their election or thereafter, in each case until their successors have been duly elected and qualified. Under normal circumstances, holders of preferred shares, voting separately, are entitled to elect two (2) Board Members. The Board Members elected by holders of preferred shares will be elected to serve until the next annual meeting or until their successors have been duly elected and qualified.

- (i) Four (4) Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board Members Adams, Kundert, Nelson and Toth have been designated as Class II Board Members and are nominees for election at the Annual Meeting to serve for a term expiring at the 2017 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Bremner, Evans, Schreier, Stockdale, Stone and Stringer are current and continuing Board Members. Board Members Bremner, Evans and Schreier have been designated as Class III Board Members to serve for a term expiring at the 2015 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Stockdale, Stone and Stringer have been designated as Class I Board Members to serve for a term expiring at the 2016 annual meeting of shareholders or until their successors have been duly elected and qualified.
- (ii) Two (2) Board Members are to be elected by holders of preferred shares, voting separately. Board Members Hunter and Schneider are nominees for election by holders of preferred shares to serve for a term expiring at the next annual meeting or until their successors have been duly elected and qualified.

Investment Quality and Premium Income

At the Annual Meetings of Investment Quality and Premium Income (each, a Minnesota Fund), all Board Members are to be elected to serve until the next annual meeting or until their successors have been duly elected and qualified. Under the terms of each Minnesota Fund's organizational documents, under normal circumstances, holders of preferred shares, voting separately, are entitled to elect two (2) Board Members, and the remaining Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class.

- (i) Ten (10) Board Members are to be elected by holders of common shares and preferred shares, voting together as a single class. Board Members Adams, Bremner, Evans, Kundert, Nelson, Schreier, Stockdale, Stone, Stringer and Toth are nominees for election by all shareholders.
- (ii) Two (2) Board Members are to be elected by holders of preferred shares only, voting separately. Board Members Hunter and Schneider are nominees for election by holders of preferred shares.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed in the table below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a Board Member of each Fund if elected. However, should any nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by that Fund's then-present Board.

For the Massachusetts Fund, Board Members Kundert and Toth, each of whom are nominees for election by holders of common and preferred shares, were last elected to the Fund's Board as Class II Board Members at the annual meeting of shareholders held on November 15, 2011 and adjourned until December 16, 2011. Effective September 1, 2013, each of Messrs. Adams and Nelson was appointed as a Board Member for the Massachusetts Fund and designated as a Class II Board Member. Board Members Bremner and Evans were last elected to the Massachusetts Fund's Board as Class III Board Members at the annual meeting of shareholders held on November 14, 2012 and adjourned until December 14, 2012. Effective September 1, 2013, Mr. Schreier was appointed as a Board Member for the Massachusetts Fund and designated as a Class III Board Member with respect to each Fund. Board Members Hunter and Schneider, who are the nominees for election by the preferred shareholders, were last elected to the Massachusetts Fund's Board at the annual meeting of shareholders held on November 26, 2013.

For each Minnesota Fund, each Board Member, was last elected to the Fund's Board at the annual meeting of shareholders held on November 26, 2013.

Other than Messrs. Adams and Schreier (for all Funds), each of the Board Members and Board Member nominees is not an interested person, as defined in the 1940 Act, of the Funds or of Nuveen Fund Advisors, LLC (Nuveen Fund Advisors or the Adviser), the investment adviser to each Fund, and has never been an employee or director of Nuveen Investments, the Adviser's parent company, or any affiliate. Accordingly, such Board Members are deemed Independent Board Members.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect each Board Member of that Fund. For purposes of determining the approval of the proposal to elect nominees for each Fund, abstentions and broker non-votes will have no effect on the election of Board Members.

The Board of each Fund unanimously recommends that shareholders of the Fund vote FOR the election of the nominees named herein.

(1) Length of Time Served indicates the year in which the individual became a Board Member of a fund in the Nuveen fund complex.
(2) Mr. Schneider is one of several owners and managing members in two limited liability companies and a general partner and one member of the governing body of a general partnership, each engaged in real estate ownership activities. In

connection with their ordinary course of investment activities, court appointed receivers have been named for certain individual properties owned by such entities. The individual properties for which a receiver has been appointed represent an immaterial portion of the portfolio assets owned by these entities.

- (3) Mr. Toth serves as a director on the Board of Directors of the Mather Foundation (the Foundation) and is a member of its investment committee. The Foundation is the parent of the Mather LifeWays organization, a non-profit charitable organization. Prior to Mr. Toth joining the Board of the Foundation, the Foundation selected Gresham Investment Management (Gresham), an affiliate of Nuveen Fund Advisors, LLC, to manage a portion of the Foundation s investment portfolio, and pursuant to this selection, the Foundation has invested that portion of its investment portfolio in a private commodity pool managed by Gresham.
- (4) Each of Messrs. Adams and Schreier is an interested person as defined in the 1940 Act by reason of his positions with Nuveen Investments, Inc. and certain of its subsidiaries.

In order to create an appropriate identity of interests between Board Members and shareholders, the boards of directors/trustees of the Nuveen funds have adopted a governance principle pursuant to which each Board Member is expected to invest, either directly or on a deferred basis, at least the equivalent of one year of compensation in the funds in the Nuveen complex.

The dollar range of equity securities beneficially owned by each Board Member in each Fund and all Nuveen funds overseen by the Board Member as of December 31, 2013, is set forth in Appendix D. The number of shares of each Fund beneficially owned by each Board Member and by the Board Members and executive officers of the Funds as a group as of December 31, 2013, is found in Appendix J. As of May 31, 2014, each Board Member s and executive officer s individual beneficial shareholdings of each Fund constituted less than 1% of the outstanding shares of each Fund. As of May 31, 2014, the Board Members and executive officers as a group beneficially owned less than 1% of the outstanding shares of each Fund. Information regarding beneficial owners of more than 5% of any class of shares of any Fund is provided under General Information Shareholders of the Acquiring Fund and the Target Funds.

Compensation

Prior to January 1, 2014, each Independent Board Member received a \$140,000 annual retainer plus: (a) a fee of \$4,500 per day for attendance in person or by telephone at regularly scheduled meetings of the Board; (b) a fee of \$3,000 per meeting for attendance in person or by telephone at special, non-regularly scheduled meetings of the Board where in-person attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required; (c) a fee of \$2,500 per meeting for attendance in person or by telephone at Audit Committee meetings where in-person attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required; (d) a fee of \$2,500 per meeting for attendance in person or by telephone at Compliance, Risk Management and Regulatory Oversight Committee meetings where in-person attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required; (e) a fee of \$1,000 per meeting for attendance in person or by telephone at Dividend Committee meetings; (f) a fee of \$500 per meeting for attendance in person or by telephone at all other committee meetings (\$1,000 for shareholder meetings) where in-person attendance was required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance was not required, and \$100 per meeting when the Executive Committee acted as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings, provided that no fees were received for meetings held on days on which regularly scheduled Board meetings were held; and (g) a fee of \$2,500 per meeting for attendance in person or by telephone at Closed-End Funds Committee meetings where in-person

attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required, provided that no fees were received for meetings held on days on which regularly scheduled Board meetings were held. In addition to the payments described above, the Chairman of the Board received \$75,000, the chairpersons of the Audit Committee, the Dividend Committee, the Compliance, Risk Management and Regulatory Oversight Committee and the Closed-End Funds Committee received \$12,500 each and the chairperson of the Nominating and Governance Committee received \$5,000 as additional retainers. Independent Board Members also received a fee of \$3,000 per day for site visits to entities that provided services to the Nuveen funds on days on which no Board meeting was held. When ad hoc committees were organized, the Nominating and Governance Committee at the time of formation determined compensation to be paid to the members of such committees; however, in general, such fees were \$1,000 per meeting for attendance in person or by telephone at ad hoc committee meetings where in-person attendance was required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required. The annual retainer, fees and expenses were allocated among the Nuveen funds on the basis of relative net assets, although management might have, in its discretion, established a minimum amount to be allocated to each fund.

Effective January 1, 2014, Independent Board Members receive a \$150,000 annual retainer plus: (a) a fee of \$5,000 per day for attendance in person or by telephone at regularly scheduled meetings of the Board; (b) a fee of \$3,000 per meeting for attendance in person or by telephone at special, non-regularly scheduled meetings of the Board where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (c) a fee of \$2,500 per meeting for attendance in person or by telephone at Audit Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (d) a fee of \$2,500 per meeting for attendance in person or by telephone at Compliance, Risk Management and Regulatory Oversight Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (e) a fee of \$1,000 per meeting for attendance in person or by telephone at Dividend Committee meetings; (f) a fee of \$2,500 per meeting for attendance in person or by telephone at Closed-End Funds Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required, provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held; and (g) a fee of \$500 per meeting for attendance in person or by telephone at all other committee meetings (\$1,000 for shareholder meetings) where in-person attendance is required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance is not required, and \$100 per meeting when the Executive Committee acts as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings, provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held. In addition to the payments described above, the Chairman of the Board receives \$75,000, the chairpersons of the Audit Committee, the Dividend Committee, the Compliance, Risk Management and Regulatory Oversight Committee and the Closed-End Funds Committee receive \$12,500 each and the chairperson of the Nominating and Governance Committee receives \$5,000 as additional annual retainers. Independent Board Members also receive a fee of \$3,000 per day for site visits to entities that provide services to the Nuveen funds on days on which no Board meeting is held. When ad hoc committees are organized, the Nominating and Governance Committee will at the time of formation determine compensation to be paid to the members of such committee; however, in general, such fees will be \$1,000 per meeting for attendance

in person or by telephone at ad hoc committee meetings where in-person attendance is required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required. The annual retainer, fees and expenses are allocated among the Nuveen funds on the basis of relative net assets, although management may, in its discretion, establish a minimum amount to be allocated to each fund.

The Funds do not have retirement or pension plans. Certain Nuveen funds (the Participating Funds) participate in a deferred compensation plan (the Deferred Compensation Plan) that permits an Independent Board Member to elect to defer receipt of all or a portion of his or her compensation as an Independent Board Member. The deferred compensation of a participating Independent Board Member is credited to a book reserve account of the Participating Fund when the compensation would otherwise have been paid to such Independent Board Member. The value of the Independent Board Member's deferral account at any time is equal to the value that the account would have had if contributions to the account had been invested and reinvested in shares of one or more of the eligible Nuveen funds. At the time for commencing distributions from an Independent Board Member's deferral account, the Independent Board Member may elect to receive distributions in a lump sum or over a period of five years. The Participating Fund will not be liable for any other fund's obligations to make distributions under the Deferred Compensation Plan.

The Funds have no employees. The officers of the Funds and each Board Member of the Funds who is not an Independent Board Member serve without any compensation from the Funds.

The table below shows, for each Independent Board Member, the aggregate compensation paid by each Fund to the Board Member for its last fiscal year:

Board Leadership and Risk Oversight

The Board of each Fund oversees the operations and management of the Fund, including the duties performed for the Fund by the Adviser. The Board has adopted a unitary board structure. A unitary board consists of one group of directors who serve on the board of every fund in the complex. In adopting a unitary board structure, the Board Members seek to provide effective governance through establishing a board, the overall composition of which will, as a body, possess the appropriate skills, independence and experience to oversee the Funds' business. With this overall framework in mind, when the Board, through its Nominating and Governance Committee discussed below, seeks nominees for the Board, the Board Members consider, not only the candidate's particular background, skills and experience, among other things, but also whether such background, skills and experience enhance the Board's diversity and at the same time complement the Board given its current composition and the mix of skills and experiences of the incumbent Board Members. The Nominating and Governance Committee believes that the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy on diversity or any particular definition of diversity.

The Board believes the unitary board structure enhances good and effective governance, particularly given the nature of the structure of the investment company complex. Funds in the same complex generally are served by the same service providers and personnel and are governed by the same regulatory scheme which raises common issues that must be addressed by the Board Members across the fund complex (such as compliance, valuation, liquidity, brokerage, trade allocation or risk management). The Board believes it is more efficient to have a single board review and oversee common policies and procedures which increases the Board's knowledge and expertise with respect to the many aspects of fund operations that are complex-wide in nature. The unitary structure also enhances the Board's influence and oversight over the Adviser and other service providers.

In an effort to enhance the independence of the Board, the Board also has a Chairman that is an Independent Board Member. The Board recognizes that a chairman can perform an important role in setting the agenda for the Board, establishing the boardroom culture, establishing a point person on behalf of the Board for Fund management, and reinforcing the Board's focus on the long-term interests of shareholders. The Board recognizes that a chairman may be able to better perform these functions without any conflicts of interests arising from a position with Fund management. William J. Schneider currently serves as the independent Chairman of the Board. Specific responsibilities of the Chairman include: (i) presiding at all meetings of the Board and of the shareholders; (ii) seeing that all orders and resolutions of the Board Members are carried into effect; and (iii) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Although the Board has direct responsibility over various matters (such as advisory contracts, underwriting contracts and Fund performance), the Board also exercises certain of its oversight responsibilities through several committees that it has established and which report back to the full Board. The Board believes that a committee structure is an effective means to permit Board Members to focus on particular operations or issues affecting the Funds, including risk oversight. More specifically, with respect to risk oversight, the Board has delegated matters relating to valuation and compliance to certain committees (as summarized below) as well as certain aspects of investment risk. In addition, the Board believes that the periodic rotation of Board Members among the different committees allows the Board Members to gain additional and different perspectives of a Fund's operations. The Board has established six standing committees: the Executive Committee, the

Dividend Committee, the Audit Committee, the Compliance, Risk Management and Regulatory Oversight Committee, the Nominating and Governance Committee and the Closed-End Funds Committee. The Board may also from time to time create ad hoc committees to focus on particular issues as the need arises. The membership and functions of the standing committees are summarized below.

Executive Committee. The Executive Committee, which meets between regular meetings of the Board, is authorized to exercise all of the powers of the Board. The members of the Executive Committee are William J. Schneider, Chair, William Adams IV and Judith M. Stockdale. The number of Executive Committee meetings of each Fund held during its last fiscal year is shown in Appendix K.

Dividend Committee. The Dividend Committee is authorized to declare distributions on each Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The members of the Dividend Committee are Jack B. Evans, Chair, William C. Hunter, Judith M. Stockdale and Terence J. Toth. The number of Dividend Committee meetings of each Fund held during its last fiscal year is shown in Appendix K.

Audit Committee. The Board has an Audit Committee, in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the Exchange Act), that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the NYSE or NYSE MKT, as applicable. The Audit Committee assists the Board in: the oversight and monitoring of the accounting and reporting policies, processes and practices of the Funds, and the audits of the financial statements of the Funds; the quality and integrity of the financial statements of the Funds; the Funds' compliance with legal and regulatory requirements relating to the Funds' financial statements; the independent auditors' qualifications, performance and independence; and the pricing procedures of the Funds and the internal valuation group of Nuveen. It is the responsibility of the Audit Committee to select, evaluate and replace any independent auditors (subject only to Board and, if applicable, shareholder ratification) and to determine their compensation. The Audit Committee is also responsible for, among other things, overseeing the valuation of securities comprising the Funds' portfolios. Subject to the Board's general supervision of such actions, the Audit Committee addresses any valuation issues, oversees the Funds' pricing procedures and actions taken by Nuveen's internal valuation group which provides regular reports to the committee, reviews any issues relating to the valuation of the Funds' securities brought to its attention, and considers the risks to the Funds in assessing the possible resolutions of these matters. The Audit Committee may also consider any financial risk exposures for the Funds in conjunction with performing its functions.

To fulfill its oversight duties, the Audit Committee receives annual and semi-annual reports and has regular meetings with the external auditors for the Funds and the internal audit group at Nuveen. The Audit Committee also may review, in a general manner, the processes the Board or other Board committees have in place with respect to risk assessment and risk management as well as compliance with legal and regulatory matters relating to the Funds' financial statements. The Audit Committee operates under a written Audit Committee Charter (the Charter) adopted and approved by the Board, which Charter conforms to the listing standards of the NYSE or NYSE MKT, as applicable. Members of the Audit Committee are independent (as set forth in the Charter) and free of any relationship that, in the opinion of the Board Members, would interfere with their exercise of independent judgment as an Audit Committee member. The members of the Audit Committee are Jack B. Evans, Chair, Robert P. Bremner, David J. Kundert, Carole E. Stone and Terence J. Toth, each of whom is an

Independent Board Member of the Funds. A copy of the Charter is available at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. The number of Audit Committee meetings of each Fund held during its last fiscal year is shown in Appendix K.

Compliance, Risk Management and Regulatory Oversight Committee. The Compliance, Risk Management and Regulatory Oversight Committee (the Compliance Committee) is responsible for the oversight of compliance issues, risk management and other regulatory matters affecting the Funds that are not otherwise under or within the jurisdiction of the other committees. The Board has adopted and periodically reviews policies and procedures designed to address the Funds' compliance and risk matters. As part of its duties, the Compliance Committee: reviews the policies and procedures relating to compliance matters and recommends modifications thereto as necessary or appropriate to the full Board; develops new policies and procedures as new regulatory matters affecting the Funds arise from time to time; evaluates or considers any comments or reports from examinations from regulatory authorities and responses thereto; and performs any special reviews, investigations or other oversight responsibilities relating to risk management, compliance and/or regulatory matters as requested by the Board.

In addition, the Compliance Committee is responsible for risk oversight, including, but not limited to, the oversight of risks related to investments and operations. Such risks include, among other things, exposures to: particular issuers, market sectors, or types of securities; risks related to product structure elements, such as leverage; and techniques that may be used to address those risks, such as hedging and swaps. In assessing issues brought to the Compliance Committee's attention or in reviewing a particular policy, procedure, investment technique or strategy, the Compliance Committee evaluates the risks to the Funds in adopting a particular approach or resolution compared to the anticipated benefits to the Funds and their shareholders. In fulfilling its obligations, the Compliance Committee meets on a quarterly basis, and at least once a year in person. The Compliance Committee receives written and oral reports from the Funds' Chief Compliance Officer (CCO) and meets privately with the CCO at each of its quarterly meetings. The CCO also provides an annual report to the full Board regarding the operations of the Funds' and other service providers' compliance programs as well as any recommendations for modifications thereto. The Compliance Committee also receives reports from the investment services group of Nuveen regarding various investment risks. Notwithstanding the foregoing, the full Board also participates in discussions with management regarding certain matters relating to investment risk, such as the use of leverage and hedging. The investment services group therefore also reports to the full Board at its quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance. Accordingly, the Board directly and/or in conjunction with the Compliance Committee oversees matters relating to investment risks. Matters not addressed at the committee level are addressed directly by the full Board. The Compliance Committee operates under a written charter adopted and approved by the Board. The members of the Compliance Committee are Judith M. Stockdale, Chair, William C. Hunter, John K. Nelson and Virginia L. Stringer. The number of Compliance Committee meetings of each Fund held during its last fiscal year is shown in Appendix K.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for seeking, identifying and recommending to the Board qualified candidates for election or appointment to the Board. In addition, the Nominating and Governance Committee oversees matters of corporate governance, including the evaluation of Board performance and processes, the assignment and rotation of committee members, and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable, and matters related thereto. Although the unitary and

committee structure has been developed over the years and the Nominating and Governance Committee believes the structure has provided efficient and effective governance, the committee recognizes that, as demands on the Board evolve over time (such as through an increase in the number of funds overseen or an increase in the complexity of the issues raised), the committee must continue to evaluate the Board and committee structures and their processes and modify the foregoing as may be necessary or appropriate to continue to provide effective governance. Accordingly, the Nominating and Governance Committee has a separate meeting each year to, among other things, review the Board and committee structures, their performance and functions, and recommend any modifications thereto or alternative structures or processes that would enhance the Board's governance over the Funds' business.

In addition, the Nominating and Governance Committee, among other things: makes recommendations concerning the continuing education of Board Members; monitors performance of legal counsel and other service providers; establishes and monitors a process by which security holders are able to communicate in writing with Board Members; and periodically reviews and makes recommendations about any appropriate changes to Board Member compensation. In the event of a vacancy on the Board, the Nominating and Governance Committee receives suggestions from various sources, including shareholders, as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Manager of Fund Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, Illinois 60606. The Nominating and Governance Committee sets appropriate standards and requirements for nominations for new Board Members and each nominee is evaluated using the same standards. However, the Nominating and Governance Committee reserves the right to interview any and all candidates and to make the final selection of any new Board Members. In considering a candidate's qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability (including the time requirements for due diligence site visits to internal and external sub-advisers and service providers) and, if qualifying as an Independent Board Member candidate, independence from the Adviser, sub-advisers, underwriters or other service providers, including any affiliates of these entities. These skill and experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills, diversity and experience, in the aggregate. Accordingly, the particular factors considered and weight given to these factors will depend on the composition of the Board and the skills and backgrounds of the incumbent Board Members at the time of consideration of the nominees. All candidates, however, must meet high expectations of personal integrity, independence, governance experience and professional competence. All candidates must be willing to be critical within the Board and with management and yet maintain a collegial and collaborative manner toward other Board Members. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx, and is composed entirely of Independent Board Members, who are also independent as defined by NYSE or NYSE MKT listing standards, as applicable. Accordingly, the members of the Nominating and Governance Committee are William J. Schneider, Chair, Robert P. Bremner, Jack B. Evans, William C. Hunter, David J. Kundert, John K. Nelson, Judith M. Stockdale, Carole E. Stone, Virginia L. Stringer and Terence J. Toth. The number of Nominating and Governance Committee meetings of each Fund held during its last fiscal year is shown in Appendix K.

Closed-End Funds Committee. The Closed-End Funds Committee is responsible for assisting the Board in the oversight and monitoring of the Nuveen funds that are registered as closed-end management investment companies (Closed-End Funds). The committee may review and evaluate matters related to the formation and the initial presentation to the Board of any new Closed-End Fund

and may review and evaluate any matters relating to any existing Closed-End Fund. The committee operates under a written charter adopted and approved by the Board. The members of the Closed-End Funds Committee are Carole E. Stone, Chair, Jack B. Evans, William C. Hunter, John K. Nelson and William J. Schneider. The number of Closed-End Funds Committee meetings of each Fund held during its last fiscal year is shown in Appendix K.

Number of Board Meetings. The number of regular quarterly meetings and special meetings held by the Board of each Fund during the Fund's last fiscal year is shown in Appendix K.

Board Member Attendance. During each Fund's last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of the Funds and the number of Board Members who attended the last annual meeting of shareholders of each Fund is posted on the Funds' website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx.

Board Diversification and Board Member Qualifications. In determining that a particular Board Member was qualified to serve on the Board, the Board considered each Board Member's background, skills, experience and other attributes in light of the composition of the Board with no particular factor controlling. The Board believes that Board Members need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, and the Board believes each Board Member satisfies this standard. An effective Board Member may achieve this ability through his or her educational background; business, professional training or practice; public service or academic positions; experience from service as a board member or executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Accordingly, set forth below is a summary of the experiences, qualifications, attributes, and skills that led to the conclusion, as of the date of this document, that each Board Member should serve in that capacity. References to the experiences, qualifications, attributes and skills of Board Members are pursuant to requirements of the SEC, do not constitute holding out the Board or any Board Member as having any special expertise or experience and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

William Adams IV. Mr. Adams, an interested Board Member of the Funds, has been Senior Executive Vice President, Global Structured Products of Nuveen Investments since November 2010. Mr. Adams has also served as Co-President of Nuveen Fund Advisors, LLC since January 2011. Prior to that, he was Executive Vice President, U.S. Structured Products from December 1999 until November 2010 and served as Managing Director of Structured Investments from September 1997 to December 1999 and Vice President and Manager, Corporate Marketing from August 1994 to September 1997. Mr. Adams earned his Bachelor of Arts degree from Yale University and his Masters of Business Administration (MBA) from the University of Chicago's Graduate School of Business. He is an Associate Fellow of Yale's Timothy Dwight College and is currently on the Board of the Chicago Symphony Orchestra and of Gilda's Club Chicago.

was a Senior Vice President at Samuels International Associates, an international consulting firm specializing in governmental policies, where he served in a part-time capacity. Previously, Mr. Bremner was a partner in the LBK Investors Partnership and was chairman and majority stockholder with ITC Investors Inc., both private investment firms. He currently serves on the Board and as Treasurer of the Humanities Council of Washington D.C. and is a Board Member of the Independent Directors Council affiliated with the Investment Company Institute.
