**Risk Factors**

Please see the Preliminary Offering Documents for a description of certain risks related to this investment, including, but not limited to, the following:

- If your notes are not called prior to maturity, your investment may result in a loss; there is no guaranteed return of principal.
- If called, your return on the notes is limited to the applicable Call Premium.
- Payments on the notes are subject to the credit risk of BAC, and actual or perceived changes in the creditworthiness of BAC are expected to affect the value of the notes. If BAC becomes insolvent or is unable to pay its obligations, you may lose your entire investment.
- The initial estimated value of the notes on the pricing date will be less than their public offering price.
- If you attempt to sell the notes prior to maturity, their market value may be lower than both the public offering price and the initial estimated value of the notes on the pricing date.
- We do not control any Underlying Company and are not responsible for any disclosure made by any Underlying Company. The Underlying Companies will have no obligations relating to the notes.
- The payment on the notes will not be adjusted for all corporate events that could affect the Underlying Stocks.
- You will have no rights of a holder of the Underlying Stocks, and you will not be entitled to receive shares of the Underlying Stocks or dividends or other distributions by any Underlying Company.
- The notes are subject to the risks of each Underlying Stock, not a basket comprised of the Underlying Stocks, and you will not benefit in any way from the performance of the better performing stock.

Edgar Filing: BANK OF AMERICA CORP /DE/ - Form FWP

The Underlying Stocks are concentrated in one sector, and adverse conditions in the energy sector may reduce your return on the notes.  
*Final terms will be set on the pricing date within the given range for the specified Market-Linked Investment. Please see the Preliminary Offering Documents for complete product disclosure, including related risks and tax disclosure.*
