Item 1.01. Entry into a Material Definitive Agreement.

On March 9, 2015, CME Group Inc. (the Company) completed a public offering of \$750,000,000 aggregate principal amount of senior unsecured 3.000% Notes due 2025 (the Notes). The Notes were offered by the Company pursuant to its automatic shelf registration statement on Form S-3 (File No. 333-185311) and the prospectus included therein, filed with the Securities and Exchange Commission on December 6, 2012 and supplemented by the prospectus supplement dated March 4, 2015. The Company intends to use the net proceeds from the offering (1) to redeem all \$612.5 million aggregate principal amount of the outstanding 4.40% Senior Notes due 2018 (the 2018 Notes) issued by CME Group Index Services LLC, an indirect wholly owned subsidiary of the Company, and guaranteed by the Company and (2) for general corporate purposes.

On March 4, 2015, the Company entered into an Underwriting Agreement, dated March 4, 2015 (the Underwriting Agreement), between the Company and Barclays Capital Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the underwriters named therein (together, the Underwriters), in connection with the issuance and sale by the Company of the Notes. Pursuant to the Underwriting Agreement, the Company agreed to sell to the Underwriters, and the Underwriters agreed, severally and not jointly, to purchase the Notes for resale to the public. The Underwriting Agreement includes customary representations, warranties and covenants by the Company. It also provides for customary indemnification by each of the Company and the Underwriters against certain liabilities and customary contribution provisions in respect of those liabilities.

The Notes were issued under the Indenture, dated as of August 12, 2008 (the Base Indenture), between the Company and U.S. Bank National Association, as trustee (the Trustee), as supplemented by the Seventh Supplemental Indenture, dated as of March 9, 2015, between the Company and the Trustee (the Supplemental Indenture, and the Base Indenture, as so supplemented, the Indenture). The Company and the Trustee entered into the Supplemental Indenture on March 9, 2015.

The Company sold the Notes to the Underwriters at an issue price of 99.161% of the principal amount thereof. The Underwriters offered the Notes to the public at a price of 99.811% of the principal amount thereof. Interest is payable on the Notes on March 15 and September 15 of each year, commencing on September 15, 2015.

The Company may issue additional debt from time to time pursuant to the Indenture. The Indenture contains covenants that limit the Company's ability to, among other things, incur certain liens securing indebtedness, engage in certain sale and leaseback transactions, and enter into certain consolidations, mergers, conveyances, transfers or leases of all or substantially all the Company's assets. The indenture also contains customary event of default provisions. Subject to certain limitations, in the event of the occurrence of both (1) a change of control of the Company and (2) a downgrade of the Notes below investment grade rating by both Moody's Investors Service, Inc. and Standard & Poor's Ratings Services within a specified time period, unless the Company has exercised its option to redeem the Notes, the Company will be required to make an offer to repurchase the Notes at a price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of repurchase. Prior to December 15, 2024, the Company may redeem the Notes, at its option, at any time in whole or from time to time in part, at a redemption price equal to the greater of (i) 100% of the principal amount of the Notes to be redeemed and (ii) a make-whole amount as set forth in the Indenture, plus, in each case, accrued and unpaid interest on the Notes to be redeemed to, but excluding, the redemption date. Commencing on December 15, 2024, the Company may redeem the Notes, at any time in whole or from time to time in part, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the Notes to be redeemed to, but excluding, the redemption date.

The foregoing description of the Underwriting Agreement, the Indenture, the Supplemental Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, the Base Indenture and the Supplemental Indenture (including the form of the Notes), which are filed or incorporated by reference as Exhibits 1.1, 4.1 and 4.2 hereto, respectively, and incorporated herein by reference.
