Item 1.01 Entry into a Material Definitive Agreement.

On May 7, 2015, Range Resources Corporation (the Company) entered into a Purchase Agreement (the Purchase Agreement), among the Company, Energy Assets Operating Company, LLC, Range Energy Services Company, LLC, Range Production Company, LLC, Range Resources Appalachia, LLC, Range Resources Midcontinent, LLC and Range Resources Pine Mountain, Inc. (collectively, the Subsidiary Guarantors), Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities LLC, as representatives of the several initial purchasers named therein (the Initial Purchasers), by which the Company agreed to issue and sell, and the Initial Purchasers agreed to purchase, \$750 million aggregate principal amount of its 4.875% Senior Notes due 2025 (the Notes) in accordance with exemptions from the registration requirements of the Securities Act of 1933, as amended (the Securities Act) afforded by Rule 144A and Regulation S under the Securities Act. The Notes will be fully and unconditionally guaranteed by the Subsidiary Guarantors. The Notes will be issued at par for net proceeds of approximately \$738 million after deducting the Initial Purchasers' discounts and estimated expenses of the offering payable by the Company. The Company intends to use the net proceeds from this offering to repay borrowings under its bank credit facility pending its intended redemption of all of its 6 3/4% senior subordinated notes due 2020, which it expects to complete in August 2015 using borrowings under its bank credit facility. The Notes have not been registered under the Securities Act or applicable state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

Some of the Initial Purchasers and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with us or our affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions. In particular, certain of the Initial Purchasers or their affiliates are lenders under our bank credit facility and will receive a portion of the net proceeds from this offering used to repay our bank credit facility. In addition, certain of the Initial Purchasers or their affiliates may hold a portion of our 6 3/4% senior subordinated notes due 2020 that may be redeemed by us, and such Initial Purchasers or their affiliates may receive a portion of the net proceeds from this offering.

The Purchase Agreement contains customary representations and warranties of the parties, conditions to closing, indemnification rights and termination provisions. The Company has agreed with the Initial Purchasers not to offer or sell any debt securities issued or guaranteed by the Company having a term of more than one year other than the Notes for a period of 60 days after the date of the Purchase Agreement without the prior written consent of Merrill Lynch, Pierce, Fenner & Smith Incorporated. Closing is scheduled to occur on May 14, 2015, subject to customary closing conditions.

A copy of the Purchase Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. The description of the Purchase Agreement in this report is a summary and is qualified in its entirety by the terms of the Purchase Agreement.
