Any statement contained in a document incorporated or deemed incorporated herein by reference shall be deemed to be modified or superseded for the purpose of this Registration Statement to the extent that a statement contained herein or in any subsequently filed document which also is, or is deemed to be, incorporated herein by reference modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

As provided under Georgia law, the Company's Restated Articles of Incorporation provide that a director shall not be personally liable to the corporation or its shareholders for monetary damages for breach of duty of care or any other duty owed to the corporation as a director, except that such provision shall not eliminate or limit the liability of a director (a) for any appropriation, in violation of his duties, of any business opportunity of the corporation, (b) for acts or omissions which involve intentional misconduct or a knowing violation of law, (c) for unlawful corporate distributions, or (d) for any transaction from which the director received an improper benefit.

Under its Bylaws, the Company is required to indemnify its directors to the full extent permitted by Georgia law. The Georgia Business Corporation Code provides that a corporation may indemnify its directors, officers, employees and agents against judgments, fines, penalties, amounts paid in settlement, and reasonable expenses, including attorney's fees, resulting from various types of legal actions or proceedings, including, but not limited to any threatened, pending, or completed action, suit or proceeding whether civil, criminal, administrative, arbitrative or investigative and whether formal or informal, if the actions of the party being indemnified meet the standards of conduct specified therein. Determination concerning whether or not the applicable standard of conduct has been met can be made by (a) the Board of Directors by a majority vote of all the disinterested directors, if there are at least two disinterested directors, (b) a majority vote of a committee of two or more disinterested directors, (c) special legal counsel, or (d) an affirmative vote of a majority of shares held by disinterested shareholders. No indemnification shall be made (i) in connection with a proceeding by or in the right of the Company, except for reasonable expenses incurred in connection with the proceeding if it is determined that the indemnitee has met the relevant standard of conduct, or (ii) in connection with any other proceeding in which such person was adjudged liable on the basis that personal benefit was improperly received by him.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index, which is incorporated here by reference.

Item 9. Undertakings.

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the registration statement is on Form S-3, Form S-8, or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Company hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in

connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
