### **Form of Provider Letter**

June 20, 2015

Dear [xx],

On June 20, 2015, Anthem announced a proposal to acquire Cigna Corporation, a health service company that is highly complementary with Anthem. We believe this is a positive step forward for our company, our provider partners, and the health care consumers we share as members and patients.

The health care industry is experiencing a period of rapid transformation. Our relationships with brokers, employers, health care providers, managed care companies, and the public are all shifting in this new environment. Anthem has been a leader and trusted partner in advancing solutions to address our health system's challenges for over 75 years, and we have worked hard to promote collaboration and innovation with the delivery system. The complementary resources and capabilities of Anthem and Cigna could expand the positive impact of our successful payment innovation and health management and improvement programs. We could also offer a more broad spectrum of high quality, high value products and further invest in capabilities that support the growing Medicare and Medicaid populations.

It is important to recognize that our proposal is conditioned on the negotiation of a definitive agreement with Cigna, and there is no guarantee that a transaction will occur. The announcement does not alter our current contractual relationships and we will continue to operate business as usual. Regardless of the outcome, we remain committed to working with you to promote and protect the health and wellbeing of our members.

Thank you for your on-going support and partnership. We will continue to keep you informed as additional information becomes available, but you may reach out to your primary contact, [xx], regarding any questions you

have about our business or current relationship.

Sincerely,

[xx]
