Edgar Filing: EBAY INC - Form FWP

Price to Public: \$25.00 per Note plus accrued interest, if any, from February 29, 2016

Redemption Provisions: On and after March 1, 2021, the Company may at its option redeem the Notes, at any time in whole or from time to time in part, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest, if any, to the applicable redemption date.

Listing The Notes have been approved for listing on the NASDAQ Global Select Market under the symbol EBAYL. The Company expects trading in the Notes on the NASDAQ Global Select Market to begin within 30 days after the Settlement Date referred to above.

CUSIP / ISIN: 278642202 / US2786422020

Other: Although the Preliminary Prospectus Supplement indicates that the underwriters will have an option to purchase additional Notes from the Company to cover overallotments, if any, such option has been eliminated. Accordingly, to the extent that the representatives of the underwriters create a short position in connection with this offering by selling a greater principal amount of Notes than the principal amount they are obligated to purchase from the Company, the representatives must close out that short position by purchasing Notes in the open market. The information in the immediately preceding sentence supersedes any inconsistent information appearing under the caption Underwriting Price Stabilization, Short Positions and Penalty Bids in the Preliminary Prospectus Supplement.
