CALCULATION OF REGISTRATION FEE

Title of securities to be registered⁽¹⁾	Amount to be registered⁽²⁾	Proposed maximum offering price per share⁽³⁾	Proposed maximum aggregate offering price	Amount of registration fee⁽⁴⁾
Shares, par value 2.50 euros per share	1,900,000	\$50.89	\$96,691,000.00	\$11,206.49

- (1) The Shares being registered under this registration statement may be represented by the Registrant's American Depositary Shares. Each American Depositary Share represents one Share.
- (2) The maximum number of Shares to be delivered in the form of Shares or American Depositary Shares that may be offered under the TOTAL Holdings USA, Inc. 2017 Employee Shareholder Plan. Pursuant to Rule 416(c) under the Securities Act of 1933, this registration statement also covers an indeterminate amount of interests to be offered or sold pursuant to the employee benefit plan(s) described herein.
- (3) Estimated solely for the purposes of computing the amount of the registration fee pursuant to Rule 457(c) under the Securities Act of 1933, based upon the average of the high and low prices of the Registrant's American Depositary Share reported on The New York Stock Exchange on January 23, 2017.
- (4) The Registrant previously paid a registration fee of \$12,482.90 to register 1,900,000 Shares for issuance under the TOTAL Holdings USA, Inc. 2015 Employer Shareholder Plan ("2015 Plan") on a Form S-8 registration statement (Registration No. 333-199735), filed on October 31, 2014 (the "Prior Registration Statement"). In partial payment of the registration fee for the Prior Registration Statement, the Registrant applied (in the amount of \$10,687.79) the total balance of the fee for the unsold Shares from an earlier registration statement (Registration No. 333-185168) that had been removed from registration. 1,699,017 Shares under the 2015 Plan remain unsold and are not subject to outstanding awards, and are therefore being removed from registration pursuant to a post-effective amendment to the Prior Registration Statement, which is being filed by the Registrant concurrently with this Registration Statement. Pursuant to Rule 457(p), the total fee balance for the unsold shares from the prior registration statement (in the amount of \$11,162.45) is being offset against the total fee due for this Registration Statement.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is

incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
