Item 7.01 Regulation FD Disclosure

On March 8, 2017, Cott Corporation (the Company) issued a press release announcing that its wholly owned subsidiary, Cott Holdings Inc. (the Issuer), priced the previously announced offering (the New Notes offering) and increased the amount of the New Notes offering to \$750 million in aggregate principal amount of 5.5% Senior Notes due 2025 (the New Notes). The New Notes will mature on April 1, 2025 and interest on the New Notes will accrue and be payable semi-annually commencing on October 1, 2017 at the rate of 5.5% per annum. The New Notes will yield gross proceeds to the Issuer of \$750 million.

The Issuer expects to use the net proceeds from the New Notes offering to repurchase any and all of the outstanding 6.75% Senior Notes due 2020 (the 2020 Notes) of Cott Beverages Inc. (Cott Beverages) in its previously announced tender offer and consent solicitation (the Tender Offer) and to redeem any of the 2020 Notes that remain outstanding if Cott Beverages purchases less than all of the outstanding 2020 Notes in the Tender Offer, to pay tender and redemption premiums on the 2020 Notes, as applicable, to pay down the loans under the asset-based lending credit facility of the Company, and to pay related fees and expenses.

A copy of the press release is attached hereto as Exhibit 99.1. The information furnished pursuant to this Item 7.01, including Exhibit 99.1 attached hereto, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and it shall not be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except as expressly set forth by specific reference in such filing.

Item 8.01 Other Events

On March 8, 2017, the Issuer, the Company and certain subsidiaries of the Company (collectively with the Company, the Guarantors) entered into a purchase agreement (the Purchase Agreement) with certain initial purchasers named in Schedule I therein (the Initial Purchasers) for a private placement offering of the New Notes. Pursuant to the Purchase Agreement, the Initial Purchasers agreed to purchase the New Notes.

Among other things, pursuant to the Purchase Agreement, the Company, the Issuer and each of the other Guarantors (i) agreed, for a period of 60 days, not to, without the prior written consent of the Deutsche Bank Securities Inc., as representative of the Initial Purchasers, offer for sale, sell, or otherwise dispose of (or enter into any transaction or device that is designed to, or would be expected to, result in the disposition by any person at any time in the future of) any debt securities of the Company or the Issuer substantially similar to the New Notes or securities convertible into or exchangeable for such debt securities of the Company or the Issuer, or sell or grant options, rights or warrants with respect to such debt securities of the Company or the Issuer or securities convertible into or exchangeable for such debt securities of the Company or the Issuer; and (ii) agreed to indemnify the Initial Purchasers with respect to certain aspects of the New Notes offering. The Purchase Agreement also contains customary representations, warranties and agreements by the Issuer, the Company and each of the other Guarantors.

The New Notes were offered and are anticipated to be sold by the Issuer to the Initial Purchasers at a price set forth in the Purchase Agreement in reliance on an exemption pursuant to Section 4(a)(2) of the Securities Act and other applicable laws. Delivery to the Initial Purchasers of, and payment for, the New Notes is anticipated to be made on or about March 22, 2017. The New Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. The New Notes may be offered and sold in Canada on a private placement basis in certain provinces to accredited investors in reliance on available exemptions from the prospectus requirement of applicable Canadian securities laws.

The obligation of the Initial Purchasers to purchase the New Notes are subject to customary terms and conditions, including accuracy of representations and warranties of the Issuer and the Guarantors, and receipt of legal opinions

and certificates, in each case as set forth in the Purchase Agreement.
