PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MAY 17, 2017

The Board of Directors of Wheeler Real Estate Investment Trust, Inc. (the **Company** or **we** or **us**) is soliciting proxies to be used at the Annual Meeting of Stockholders following the fiscal year ended December 31, 2016 (the **Annual Meeting**). Distribution of this Proxy Statement and a Proxy Form is scheduled to begin on April 17, 2017. The mailing address of the Company's principal executive office is Riversedge North, 2529 Virginia Beach Boulevard, Suite 200, Virginia Beach, Virginia 23452.

ABOUT THE MEETING

Who Can Vote

Record holders of Common Stock, \$0.01 par value per share (**Common Stock**) of the Company at the close of business on April 11, 2017 (the **Record Date**) may vote at the Annual Meeting. On that date, 8,588,470 shares of Common Stock were outstanding. Each share is entitled to cast one vote.

How Can You Vote

If you return your signed proxy before the Annual Meeting, we will vote your shares as you direct. You can specify whether your shares should be voted for all, some or none of the nominees for director. You can also specify whether you approve, disapprove or abstain from the other proposal to ratify the selection of auditors. You can also vote by Internet, at the address shown on your proxy card or by phone, at 1-800-652-VOTE (8683).

If a proxy is executed and returned but no instructions are given, the shares will be voted according to the recommendations of the Board of Directors (the **Board of Directors** or the **Board**). The Board of Directors unanimously recommends a vote **FOR** all of Proposals 1 and 2.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised by (a) delivering a written notice of revocation to the Corporate Secretary, (b) delivering another proxy that is dated later than the original proxy, or (c) casting your vote in person at the Annual Meeting. Your last vote will be the vote that is counted.

What am I voting on?

You will be voting on the following:

- (1) The reelection of nine members of the Board of Directors, each to serve a term expiring at the Annual Meeting of Shareholders in 2018 or until their successors are duly elected and qualified;
and

- (2) The ratification of Cherry Bekaert LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017.

Vote Required

The holders of a majority of the shares entitled to vote who are either present in person or represented by a proxy at the Annual Meeting will constitute a quorum for the transaction of business at the Annual Meeting. As

Table of Contents

of April 11, 2017 there were 8,588,470 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of stockholders entitled to cast at least 4,294,236 votes constitutes a quorum for adopting the proposals at the Annual Meeting. If you have properly signed and returned your proxy card by mail or voted by internet or phone, you will be considered part of the quorum, and the persons named on the proxy card will vote your shares as you have instructed. If the broker holding your shares in street name indicates to us on a proxy card that the broker lacks discretionary authority to vote your shares, we will not consider your shares as present or entitled to vote for any purpose.

A plurality of the votes cast is required for the election of directors. This means that the director nominee with the most votes for a particular slot is elected to that slot. A proxy that has properly withheld authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Abstentions and broker non-votes will not count as votes cast and will not affect the outcome of the vote.

The Company's Bylaws do not require that stockholders ratify the appointment of Cherry Bekaert LLP as the Company's independent registered public accounting firm. The Audit Committee will consider the outcome of this vote in its decision to appoint an independent registered public accounting firm next year. The Company, however, is not bound by the stockholders' decision. Even if the selection is ratified, the Audit Committee, in its sole discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

As of the Record Date, affiliates held 492,989 shares representing approximately 5.74% of the shares outstanding. These affiliates have advised the Company that they currently intend to vote all of their shares in favor of the approval of both proposals.

If you received multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all your shares are voted.

Implications of being an emerging growth company

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act, enacted on April 5, 2012 (the JOBS Act). For as long as we are an emerging growth company, we may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404(b) of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding stockholder advisory say-on-pay votes on executive compensation and stockholder advisory votes on golden parachute compensation.

Under the JOBS Act, we will remain an emerging growth company until the earliest of:

the last day of the fiscal year during which we have total annual gross revenues of \$1 billion or more;

the last day of the fiscal year following the fifth anniversary of our initial public offering;

the date on which we have, during the previous three-year period, issued more than \$1 billion in non-convertible debt; and

the date on which we are deemed to be a large accelerated filer under the Securities Exchange Act of 1934, as amended (the Exchange Act) (we will qualify as a large accelerated filer as of the first day of the first fiscal year after we have (i) more than \$700 million in outstanding common equity held by our non-affiliates and (ii) been public for at least 12 months; the value of our outstanding common equity will be measured each year on the last day of our second fiscal quarter)

Table of Contents

Other Matters to be Acted Upon at the Annual Meeting

We do not know of any other matters to be validly presented or acted upon at the Annual Meeting. If any other matter is presented at the Annual Meeting on which a vote may be properly taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

Expenses of Solicitation

The Company is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. Some of our directors, officers and employees may solicit proxies personally, without any additional compensation, by telephone or mail. Proxy materials will also be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

Available Information

Our internet website address is *www.wblr.us*. We make available free of charge through our website our most recent Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and amendments to those reports as soon as reasonably practicable after we electronically file or furnish such materials to the Securities and Exchange Commission (the "SEC"). In addition, we have posted the Charters of our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee, as well as our Code of Business Conduct and Ethics, Corporate Governance Principles, including guidelines on director independence, and Insider Trading Policy, all under separate headings. These charters and principles are not incorporated in this instrument by reference. We will also provide a copy of these documents free of charge to stockholders upon written request.

Multiple Stockholders Sharing the Same Address

The SEC rules allow for the delivery of a single copy of an annual report and proxy statement to any household at which two or more stockholders reside, if it is believed the stockholders are members of the same family. Duplicate account mailings will be eliminated by allowing stockholders to consent to such elimination, or through implied consent if a stockholder does not request continuation of duplicate mailings ("Householding"). Depending upon the practices of your broker, bank or other nominee, you may need to contact them directly to continue duplicate mailings to your household. If you wish to revoke your consent to Householding, you must contact your broker, bank or other nominee.

If you hold shares of Common Stock in your own name as a holder of record, Householding will not apply to your shares.

If you wish to request extra copies free of charge of any annual report, proxy statement or information statement, please send your request to Wheeler Real Estate Investment Trust, Inc., Attention: Secretary, Riversedge North, 2529 Virginia Beach Boulevard, Suite 200, Virginia Beach, Virginia 23452.

Table of Contents**CORPORATE GOVERNANCE AND BOARD MATTERS**

The affairs of the Company are managed by the Board of Directors. Directors are elected at the annual meeting of stockholders each year or appointed by the incumbent Board of Directors and serve until the next annual meeting of stockholders or until a successor has been elected or approved.

Corporate Governance Profile

Our board consists of nine directors, seven of whom are independent as determined in accordance with the listing standards established by the NASDAQ Capital Market, and our board makes an affirmative determination as to the independence of each of our directors on an annual basis. We have adopted a code of business ethics and corporate governance principles.

Role of the Board in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors administers this oversight function directly, with support from its five standing committees, the Audit Committee, the Nominating and Corporate Governance Committee, the Compensation Committee, the Investment Committee and the Finance Committee, each of which addresses risks specific to their respective areas of oversight. In particular, our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Our Investment Committee is responsible for reviewing and analyzing strategic real estate acquisitions and investments. Our Finance Committee is responsible for overseeing the financial policies and practices of the Company.

Board Committees

Our Board of Directors has established five standing committees: an Audit Committee, a Nominating and Corporate Governance Committee, a Compensation Committee, an Investment Committee and a Finance Committee. The principal functions of each committee are briefly described below. Each of these committees is comprised exclusively of independent directors except our Finance Committee. Additionally, our board of directors may from time to time establish certain other committees to facilitate the management of our company.

Table of Contents

Audit Committee. Our Audit Committee consists of three of our independent directors: Carl B. McGowan, Jr., William W. King and Kurt Harrington. Dr. McGowan, the chairman of our Audit Committee, qualifies as an audit committee financial expert as that term is defined by the applicable SEC regulations and NASDAQ Capital Market corporate governance requirements. In addition, each of the Audit Committee members is financially sophisticated as that term is defined by the NASDAQ Capital Market corporate governance requirements. The functions of the Audit Committee are described below under the heading *Report of the Audit Committee*. The charter of the Audit Committee was adopted on November 16, 2012, and is available on the Company's Investor Relations tab of our website (www.whlr.us). All of the members of the Audit Committee are independent within the meaning of SEC regulations, the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. The Audit Committee met four times in 2016.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee consists of three of our independent directors: Stewart J. Brown, William W. King and Kurt R. Harrington. Mr. Harrington has been designated as chair of this committee. The Nominating and Corporate Governance Committee is responsible for developing and implementing policies and practices relating to corporate governance, including reviewing and monitoring implementation of the Company's *Corporate Governance Guidelines*. In addition, the Nominating and Corporate Governance Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Nominating and Corporate Governance Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Nominating and Corporate Governance Committee was adopted on November 16, 2012 and updated in 2016, and is available on the Company's Investor Relations website (www.whlr.us). All of the members of the Nominating and Corporate Governance Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. The Nominating and Corporate Governance Committee met once in 2016.

Compensation Committee. Our Compensation Committee consists of three of our independent directors: Stewart J. Brown, William W. King and Jeffrey Zwerdling. Mr. King has been designated as chair of the Compensation Committee. The Compensation Committee is responsible for overseeing the policies of the Company relating to compensation to be paid by the Company to the Company's principal executive officer and any other officers designated by the Board, and to make recommendations to the Board with respect to such policies, produce necessary reports on executive compensation for inclusion in the Company's proxy statement in accordance with applicable rules and regulations and to monitor the development and implementation of succession plans for the principal executive officer and other key executives and make recommendations to the Board with respect to such plans. The charter of the Compensation Committee was adopted on November 16, 2012 and updated in 2014 and 2016, and is available on the Company's Investor Relations website (www.whlr.us). All of the members of the Compensation Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. The Compensation Committee may not delegate its authority to other persons. While the Company's executives will communicate with the Compensation Committee regarding executive compensation issues, the Company's executive officers do not participate in any executive compensation decisions. The Compensation Committee met six times in 2016.

The Compensation Committee retained Mercer as its independent compensation consultant to assist in executive compensation issues. Specifically, Mercer assisted the Compensation Committee in its review and design of the Company's executive compensation program for executives and directors. Mercer was engaged by the Compensation Committee after review and consideration of other proposals submitted by prospective compensation consultants. The Compensation Committee engaged Mercer based upon the value and the scope of services that they provide. The Compensation Committee instructed Mercer to provide market assessment of executive and officer compensation, and provide appropriate executive compensation plan designs. Mercer reported directly to the Compensation Committee

and performs no other work for the Company.

Table of Contents

The Compensation Committee has analyzed whether the work of Mercer as a compensation consultant has raised any conflict of interest, taking into consideration the following factors:

- i. The provision of other services to the Company by Mercer;
- ii. The amount of fees from the Company paid to Mercer as a percentage of the firm's total revenue;
- iii. Mercer policies and procedures that are designed to prevent conflicts of interest;
- iv. Any business or personal relationship of Mercer or the individual compensation advisors employed by the firm with an executive officer of the Company;
- v. Any business or personal relationship of the individual compensation advisors with any member of the Compensation Committee; and

vi. Any stock of the Company owned by Mercer or the individual compensation advisors employed by the firm. The Compensation Committee has determined, based on its analysis of the above factors, that the work of Mercer and the individual compensation advisors employed by Mercer as compensation consultants to the Company has not created any conflict of interest.

Investment Committee. Our Investment Committee consists of four independent directors: Carl B. McGowan, Jr., Stewart J. Brown, Jeffrey Zwerdling and John Sweet. Jeff Zwerdling has been designated as the chair of this committee. The Investment Committee is responsible for reviewing and analyzing strategic real estate acquisitions and investments. In addition, the Investment Committee makes recommendations to the Board regarding the potential real estate acquisitions and investments. The Investment Committee was formed on September 25, 2013 and has not adopted a charter. All of the members of the Investment Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles*. The Investment Committee met once in 2016 in addition to tours of various potential acquisitions.

Finance Committee. Our Finance Committee consists of four directors, three of which are independent directors: David Kelly, Stewart J. Brown, John McAuliffe and John Sweet. Mr. McAuliffe has been designated as chair of this committee. The Finance Committee is responsible for overseeing the financial policies and practices of the Company. In addition, the Finance Committee oversees the budget process of the Company, including the review of budget policies, practices, and annual budget schedule. The Finance Committee provides regular review of the budget throughout the year and recommends to the Board any changes, additions or deletions to the financial policies and practices as it deems appropriate. The Finance Committee was formed in February 2016 and has not adopted a charter. All of the members of the Finance Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and the Company's *Corporate Governance Principles* except Mr. Kelly. The Finance Committee met once in 2016.

Board Leadership Structure

Jon S. Wheeler currently holds both the positions of Chief Executive Officer and Chairman of the Board. These two positions have not been consolidated into one position; Mr. Wheeler simply holds both positions at this time. The Board of Directors believes that Mr. Wheeler's service as both Chief Executive Officer and Chairman of the Board is in the best interests of the Company and its shareholders. Mr. Wheeler possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees, customers and suppliers.

Table of Contents

Our Board of Directors believes that its governance structure ensures a strong, independent Board even though the Board does not have an independent Chairman. To strengthen the role of our independent directors and to encourage independent Board leadership, the Board of Directors also has established the position of lead independent director (Lead Independent Director), which currently is held by Mr. Zwerdling. The Board of Directors then serving on the Board selected Mr. Zwerdling as lead independent director unanimously. Together, our Lead Independent Director and the Chairman and Chief Executive Officer, facilitate clear leadership, responsibility and accountability, effective decision-making and a cohesive corporate strategy.

Selection of Nominees for the Board

The Nominating and Corporate Governance Committee will consider candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. The committee may also retain a third-party executive search firm to identify candidates upon request of the committee from time to time. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Company's Corporate Secretary or any member of the Nominating and Corporate Governance Committee in writing with whatever supporting material the stockholder considers appropriate. The Nominating and Corporate Governance Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Company's Bylaws relating to stockholder nominations.

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, the committee will make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination will be based on whatever information is provided to the committee with the recommendation of the prospective candidate, as well as the committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination will be based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below. If the committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional consideration is warranted, it may request the third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the committee. The committee will then evaluate the prospective nominee against the standards and qualifications generally set out in the Company's *Corporate Governance Guidelines*, including:

the ability of the prospective nominee to represent the interests of the stockholders of the Company;

the prospective nominee's standards of integrity, commitment and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy, and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards, as specifically set out in the Company's *Corporate Governance Guidelines*;

the extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the Board;

the extent to which the prospective nominee helps the Board reflect the diversity of the Company's stockholders, employees, customers, guests and communities; and

the willingness of the prospective nominee to meet any minimum equity interest holding guideline. The Nominating and Corporate Governance Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Nominating and Corporate Governance Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and

Table of Contents

interview, the Nominating and Corporate Governance Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the committee.

The Bylaws of the Company provide that any stockholder entitled to vote at the Annual Meeting in the election of directors generally may nominate one or more persons for election as directors at a meeting only if written notice of such stockholders' intention to make such nomination has been delivered personally to, or has been mailed to and received by the Secretary at the principal office of the Company not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. If a stockholder has a suggestion for candidates for election, the stockholder should follow this procedure. Each notice from a stockholder must set forth (i) the name and address of the stockholder who intends to make the nomination and the name of the person to be nominated, (ii) the class and number of shares of stock held of record, owned beneficially and represented by proxy by such stockholder as of the record date for the meeting and as of the date of such notice, (iii) a representation that the stockholder intends to appear in person or by proxy at the meeting to nominate the person specified in the notice, (iv) a description of all arrangements or understandings between such stockholder and each nominee and any other person (naming those persons) pursuant to which the nomination is to be made by such stockholder, (v) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules, and (vi) the consent of each nominee to serve as a director of the Company if so elected. The chairman of the Annual Meeting may refuse to acknowledge the nomination of any person not made in compliance with this procedure. The Company has not adopted a specific policy regarding the consideration of director nominees recommended by stockholders and believes this is appropriate because there are not any differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder or the Nominating and Corporate Governance Committee.

Determinations of Director Independence

The Board of Directors reviews the independence of each director yearly. During this review, the Board of Directors considers transactions and relationships between each director (and his or her immediate family and affiliates) and the Company and its management to determine whether any such relationships or transactions are inconsistent with a determination that the director is independent in light of applicable law, listing standards and the Company's director independence standards. The Company believes that it maintains a majority of independent directors who are deemed to be independent under the definition of independence provided by NASDAQ Listing Rule 5605(a)(2).

Board Meetings During Fiscal 2016

The Board met eight times during fiscal year 2016. No directors attended fewer than 75% of the meetings of the aggregate of: (i) The total number of meetings of the Board (held during the period for which he or she has been a director); and (ii) the total number of meetings held by all committees of the Board on which he or she served (during the periods that he or she served). Under the Company's Corporate Governance Guidelines, each director is expected to dedicate sufficient time, energy and attention to ensure the diligent performance of his or her duties, including by attending meetings of the stockholders of the Company, the Board and Committees of which he or she is a member.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis discusses the principles underlying our executive compensation policies and decisions. This discussion relates to the Company's named executive officers (NEOs). The Company's NEOs for 2016 were:

Jon S. Wheeler, Chief Executive Officer (CEO) and Chairman of the Board;

Wilkes J. Graham, Chief Financial Officer (CFO);

Steven Belote, Chief Operating Officer (COO) (From January 2016 until June 2016), Chief Financial Officer (through January 2016); and

Dave Kelly, Chief Investment Officer (CIO) (appointed CIO in 2017, prior to this he was our Senior VP of Acquisitions).

For 2016, the Company determined there were no other employees of the Company that qualified as NEOs under the applicable rules and regulations of the SEC.

Overview and Philosophy

We believe in pay for performance compensation programs in which a majority of our executives' compensation is tied to company success in meeting predetermined performance objectives and creating long-term shareholder value. This strategy motivates our executives to achieve our annual and long-term strategic and financial goals, aligns our executives with our shareholders and recognizes the executives' contributions in delivering strong corporate performance. We set levels of compensation for each executive that are competitive with the market in order to ensure that we can attract and retain high-caliber executives in the marketplace in which we compete for talent.

Our compensation policies and programs are built upon the strong foundation of corporate governance and compensation best practices, including:

WHAT WE DO:

Pay for Performance. The Compensation Committee seeks to align the interests of the executive officers with the interests of stockholders by linking executive pay to individual performance and specified financial objectives.

Independent Compensation Consultant. The Compensation Committee retained a third party

WHAT WE DON'T DO:

× ***No Guaranteed Annual Salary Increases or Minimum Bonuses.*** All salary increases are made at the discretion of the Compensation Committee and we do not pay minimum bonuses.

× ***No Excessive Perquisites.*** We do not provide any excessive perquisites or personal benefits to our

executive officers or directors.

Annual Compensation Committee Assessments. Each year, the Compensation Committee assesses: (i) its structure, (ii) performance, (iii) its role and the responsibilities articulated in the committee charter, (iv) the composition of the committee, and (v) the conduct of committee meetings.

× ***No Supplemental Retirement Benefits for Executives.*** We do not have any supplemental executive retirement plans.

Role of Compensation Committee

Executive compensation is overseen by the Compensation Committee, which we created in connection with our IPO in 2012. Our Compensation Committee consists of three of our independent directors: Stewart J. Brown,

Table of Contents

William W. King and Jeffrey Zwerdling. Mr. King has been designated as chair of the Compensation Committee. The committee is responsible for establishing, implementing, and continually monitoring adherence to our compensation philosophy as applied to our NEOs.

Compensation Methodology

The Compensation Committee of the Board is responsible for approving all compensation for our NEOs and periodically reviews all elements of compensation to ensure that we remain competitive in the market and that overall compensation, including the means by which payment is made, is aligned with our business objectives, our performance and the interests of our shareholders. The Compensation Committee conducts an annual review of our CEO's performance and takes those results into consideration when setting his compensation. The principles that guide our executive compensation program are to reward and incentivize executives for developing and executing on strategies to increase shareholder value, drive financial growth and increase brand awareness in our markets.

Our executive compensation program is designed to attract and retain outstanding executives, provide a compensation package that is appropriate to each NEO relative to the compensation paid to similar executives at comparable publicly-traded REITs, and reward them for creating long-term shareholder value. We believe the overall compensation of our NEOs should primarily reflect their accomplishments as a management team in achieving established key objectives. We also believe the achievement of these key objectives will ultimately align the interests of our executives with those of our shareholders.

In keeping with this principle and compensation philosophy, our executive pay program comprises a combination of base salary, annual cash incentive bonuses and equity incentive awards. A significant portion of the compensation package is at risk and dependent on the performance of the Company and the NEO, ultimately aligning the NEOs' interests with those of stockholders.

Our CEO plays a significant role in setting compensation for our other members of senior management, including NEOs, by providing the Compensation Committee with an evaluation of their performance, together with recommendations for the amount of the annual cash incentive bonus and the size of equity awards. The committee also obtains input from a third party consultant, Mercer, as well as the National Association of Real Estate Investment Trusts annual compensation survey report, regarding trends in compensation packages for executives of similarly positioned REITs in the industry and has the discretion to accept, reject or modify the CEO's recommendations.

Compensation Committee meetings are regularly attended by committee members and are occasionally attended by the CEO by invitation of the committee. Meetings may be attended by other Company executives and consultants as appropriate. The committee holds executive sessions without members of management present. The Chairman of the committee reports to the Board on the committee's decisions.

The committee approves the base salary, annual cash incentive bonus, and equity incentive awards to the Company's NEOs.

Table of Contents**Peer Group**

The committee utilizes Mercer to assist in the determination of a peer group. Peer group data is used for compensation benchmarking and general comparison purposes. The peer group was selected from all U.S. publicly traded companies that are in the real estate investment trust industry (REIT), had total assets within a reasonable range, focused on REITs with assets, assets invested, revenue, and employees within one third to three times that of the Company. The focus was on REITs that are not third-party managed and did not consider mortgage REITs. The Company's peer group as determined by Mercer includes the following:

Urstadt Biddle Properties	Whitestone REIT
National Storage Affiliates	One Liberty Properties, Inc.
Monmouth Real Estate Investment	Armada Hoffler Properties
Easterly Government Properties	UMH Properties, Inc.
BRT Realty Trust	Care Trust REIT, Inc.
Getty Realty Corp	First Real Estate Investment Trust
Agree Realty Corp	Sotherly Hotels, Inc.

Discussion on Components of Compensation

Base Salary

Salary is intended to attract and retain executives and to provide compensation that is commensurate with the NEO's scope of responsibility and effectiveness. The Compensation Committee reviews base salaries annually and determines if a salary increase is to be rewarded to the executive. The Compensation Committee takes into account relevant factors, including individual performance and market compensation data. The Compensation Committee made the following base salary compensation decisions for 2016:

Our CEO, Mr. Wheeler's annual base salary remained unchanged from 2015, \$475,000;

Mr. Graham, our CFO began employment in January 2016 with an annual base salary of \$350,000; and

Our CIO, Mr. Kelly's annual base salary for 2017 is \$250,000 which was an increase in the amount of \$50,000 over his base salary for 2016 due to the additional responsibilities associated with his new position as CIO.

Annual Cash Incentive Bonus

Cash incentive bonuses are designed to align the executive's compensation with the Company's short-term business goals. Our Compensation Committee typically determines incentive payments in the first quarter following the relevant year of performance.

For 2016, the Compensation Committee determined that our CEO, CFO, and CIO were successful in meeting certain 2016 thresholds of the long-term strategic plan which qualified them for both the annual cash and stock incentive bonuses. The Compensation Committee awarded these individuals annual cash bonuses, as noted in the table below.

These amounts were fifty percent of the targeted amounts our executives could earn as the Compensation Committee believed that while there was significant progress made towards the Company's long-term strategic plan during 2016, the thresholds were not met completely.

Mr. Kelly, received an additional bonus of \$250,000 for reaching individual performance targets associated solely with the sourcing, underwriting and successful acquisition of properties for the Company in 2016.

Stock Incentive Awards and Timing

Stock awards are approved at the discretion of the Compensation Committee based on the NEOs achievement of stated performance objectives and parameters established by their respective employment agreements. We believe that further enhancing the executive's equity position in the Company creates a strong long-term alignment of interests between those individuals and our stockholders. In January 2016, to attract and

Table of Contents

motivate Mr. Graham to join the Company as CFO and immediately align his interests with those of the stockholders, the Company awarded Mr. Graham 25,000 shares of restricted stock that vested immediately.

In 2016, the Compensation Committee awarded the CEO, CFO and CIO stock awards, as noted in the table below. These amounts were awarded in 2017 based on 2016 achievement of goals. These amounts were fifty percent of the stock incentive award executives could earn as the Compensation Committee felt that while there was significant effort put forth and success in executing the goals set forth in the long-term strategic growth plan, the thresholds were not met completely.

Table of Contents**MISCELLANEOUS****Security Ownership of Certain Beneficial Owners and Management**

The following tables set forth certain information regarding the beneficial ownership of shares of our common stock and shares of common stock into which common units are exchangeable for (1) each person who is the beneficial owner of 5% or more of our outstanding common stock, (2) each of our directors and named executive officers, and (3) all of our directors and executive officers as a group. Each person or entity named in the tables has sole voting and investment power with respect to all of the shares of our common stock shown as beneficially owned by such person, except as otherwise set forth in the notes to the tables. The extent to which a person will hold shares of common stock as opposed to units is set forth in the footnotes below.

The SEC has defined beneficial ownership of a security to mean the possession, directly or indirectly, of voting power and/or investment power over such security. A stockholder is also deemed to be, as of any date, the beneficial owner of all securities that such stockholder has the right to acquire within 60 days after that date through (1) the exercise of any option, warrant or right, (2) the conversion of a security, (3) the power to revoke a trust, discretionary account or similar arrangement or (4) the automatic termination of a trust, discretionary account or similar arrangement. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, common shares subject to options or other rights (as set forth above) held by that person that are exercisable as of this filing or will become exercisable within 60 days thereafter, are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person. As of April 11, 2017, we had 118 stockholders of record. This number excludes our common shares owned by shareholders holding under nominee security position listings.

Unless otherwise indicated, the address of each named person is c/o Wheeler Real Estate Investment Trust, Inc., Riversedge North, 2529 Virginia Beach Blvd., Suite 200, Virginia Beach, Virginia 23452.

Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose, if, in its judgment, that is appropriate.

The Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls and auditing matters, including procedures for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

The Audit Committee operates under a written charter adopted by the Board of Directors. The Committee's responsibilities are set forth in this charter which is available on our website at www.whlr.us.

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of the Company's financial statements, the adequacy of the Company's system of internal controls, the Company's risk management, the Company's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, and the performance of the Company's independent auditors. The Audit Committee has sole authority over the selection of the Company's independent auditors and manages the Company's relationship with its independent auditors. The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties and receive appropriate funding, as determined by the Audit Committee, from the Company for such advice and assistance.

The Audit Committee met four times during 2016. The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Audit Committee's meetings include private sessions with the Company's independent auditors without the presence of the Company's management, as well as executive sessions consisting of only Audit Committee members. The Audit Committee also meets with senior management from time to time.

Management has the primary responsibility for the Company's financial reporting process, including its system of internal control over financial reporting and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent auditors are responsible for auditing those financial statements in accordance with professional standards and expressing an opinion as to their material conformity with U.S. generally accepted accounting principles and for auditing management's assessment of, and the effective operation of, internal control over financial reporting. The Audit Committee's responsibility is to monitor and review the Company's financial reporting process and discuss management's report on the Company's internal control over financial reporting. It is not the Audit Committee's duty or responsibility to conduct audits or accounting reviews or procedures. The Audit Committee has relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the opinion of the independent registered public accountants included in their report on the Audit Committee's financial statements.

As part of its oversight of the Company's financial statements, the Audit Committee reviews and discusses with both management and the Company's independent registered public accountants all annual and quarterly financial statements prior to their issuance. During 2016, management advised the Audit Committee that each set of financial statements reviewed had been prepared in accordance with accounting principles generally accepted in the United States of America, and reviewed significant accounting and disclosure issues with the Audit Committee. These reviews include discussions with the independent accountants of the matters required to be discussed pursuant to Statement on Auditing Standards No. 61, as modified and superceded (AICPA, Professional Standards, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T, including the quality (not merely the acceptability) of the Company's accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and disclosures related to critical accounting practices.

The Audit Committee has also discussed with

Cherry Bekaert LLP matters relating to its independence, including a review of audit and non-audit fees, and written disclosures from Cherry Bekaert LLP to the Company pursuant to PCAOB Rule 3526. The Audit Committee also considered whether non-audit services, provided by the independent accountants are compatible with the independent accountant's independence. The Company also received regular updates on the amounts of fees and scope of audit, audit-related and tax services provided.

In addition, the Audit Committee reviewed key initiatives and programs aimed at strengthening the effectiveness of the Company's internal and disclosure control structure. As part of this process, the Audit Committee continued to monitor the scope and adequacy of the Company's internal controls, reviewed staffing levels and steps taken to implement recommended improvements in any internal procedures and controls.

Based on the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Board of Directors, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016, filed with the SEC. The Audit Committee and the Board of Directors have also selected Cherry Bekaert LLP as the Company's independent registered public accountants and auditors for the fiscal year ending December 31, 2017. This report has been furnished by the members of the Audit Committee.

AUDIT COMMITTEE

Kurt R. Harrington

William W. King

Carl B. McGowan, Jr.

Under SOX, and the rules of the SEC, the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. The purpose of the provisions of the SOX and the SEC rules for the Audit Committee role in retaining the independent registered public accounting firm is two-fold. First, the authority and responsibility for the appointment, compensation and oversight of the auditors should be with directors who are independent of management. Second, any non-audit work performed by the auditors should be reviewed and approved by these same independent directors to ensure that any non-audit services performed by the auditor do not impair the independence of the independent auditor. To implement the provisions of SOX, the SEC issued rules specifying the types of services that an independent auditor may not provide to its audit client, and governing the Audit Committee's administration of the engagement of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence. Accordingly, the Audit Committee has adopted a written pre-approval policy of audit and non-audit services (the Policy), which sets forth the procedures and conditions pursuant to which services to be performed by the independent auditor are to be pre-approved. Consistent with the SEC rules establishing two different approaches to approving non-prohibited services, the policy of the Audit Committee covers pre-approval of audit services, audit-related services, international administration tax services, non-U.S. income tax compliance services, pension and benefit plan consulting and compliance services, and U.S. tax compliance and planning. At the beginning of each fiscal year, the Audit Committee will evaluate other known potential engagements of the independent auditor, including the scope of work proposed to be performed and the proposed fees, and approve or reject each service, taking into account whether services are permissible under applicable law and the possible impact of each non-audit service on the independent auditor's independence from management. Typically, in addition to the generally pre-approved services, other services would include due diligence for an acquisition that may or may not have been known at the beginning of the year. The Audit Committee has also delegated to any member of the Audit Committee designated by the Board or the financial expert member of the Audit Committee responsibilities to pre-approve services to be performed by the independent

auditor not exceeding \$25,000 in value or cost per engagement of audit and non-audit services, and such authority may only be exercised when the Audit Committee is not in session.

Certain Relationships and Related Transactions

Related Party Policies

Our Code of Business Conduct requires that our directors and all of our employees deal with the Company on an arms-length basis in any related party transaction. All transactions between us and any of our directors, named executive officers or other vice presidents, or between us and any entity in which any of our directors, named executive officers or other vice presidents is an officer or director or has an ownership interest, must be approved by the Board of Directors. In addition, management evaluates third-party and properties owned by entities affiliated with Mr. Wheeler considered to be potential acquisition targets by analyzing factors such as, but not limited to, net operating income, fair market capitalization rates, leverage, occupancy rates, anchor tenant credit and alternative uses of capital. Management presents to our Board of Directors Investment Committee those properties it considers viable acquisition targets. The Investment Committee is responsible for reviewing and analyzing strategic real estate acquisitions and investments. All of the members of the Investment Committee are independent within the meaning of the listing standards of the Nasdaq Stock Market and our Corporate Governance Principles. Once the Investment Committee comes to an agreement that it is in the best interest of us to acquire a property, including a property owned by entities affiliated with Mr. Wheeler, the committee makes a recommendation to the full Board of Directors regarding the potential real estate acquisition and investment. Our Board of Directors then votes on whether to acquire a property recommended by the Investment Committee, and we will not acquire a property unless it has been approved by the majority of our Board of Directors. Only independent directors vote on acquisitions of properties owned by entities affiliated with Mr. Wheeler.

Partnership Agreement

In connection with the completion of our initial public offering, we entered into a partnership agreement with various persons receiving common units in the formation transactions, including Mr. Wheeler, his affiliates and certain other executive officers or our Company. As a result, these persons became limited partners of our operating partnership, Wheeler REIT, L.P. (the Operating Partnership).

Pursuant to the partnership agreement with our Operating Partnership, limited partners of the Operating Partnership and some assignees of limited partners will have the right, beginning 12 months after acquiring the common units, to require our Operating Partnership to redeem part or all of their common units for cash equal to the then-current market value of an equal number of shares of our Common Stock (determined in accordance with and subject to adjustment

under the Partnership Agreement), or, at our election, to exchange their common units for shares of our Common Stock on a one-for-one basis, subject to certain adjustments and the restrictions on ownership and transfer of our stock set forth in our charter.

Table of Contents***Other Related Party Transactions***

The following summarizes related party activity of the combined Ownership Entities, as defined below, for the year ended December 31, 2016.

Amounts paid to affiliates	\$ 125,320
Amounts received from affiliates	\$ 1,156,461
Amounts due from affiliates	\$ 1,456,131
Notes receivable	\$ 12,000,000

The Company has loaned \$11.0 million for the partial funding of Pineland Station Shopping Center in Hilton Head, South Carolina to be known in the future as Sea Turtle Marketplace Development (Sea Turtle Marketplace) and loaned \$1.00 million for the sale of land to be used in the development. The Sea Turtle Marketplace Project is currently structured as a tenancy-in-common with multiple investors including Jon Wheeler, our Chairman and Chief Executive Officer, as the current general partner, and therefore is a related party transaction. As general partner, Mr. Wheeler's economic interest (13%) is subordinated to the other equity partners and debt holders and requires him to personally guarantee the \$16.0 million construction loan with the Bank of Arkansas. The Company is performing development, leasing, property and asset management services for Sea Turtle Marketplace. Development fees of 5% of hard costs incurred are paid to the Company. Leasing, property and asset management fees are consistent with those charged for services provided to non-related properties. Amounts due from affiliates include \$657,000 in accrued interest on the notes receivable and \$166,000 in development fees at December 31, 2016.

In connection with the acquisition of Berkley and Sangaree/Tri-County properties, the Operating Partnership entered into a tax protection agreement that obligates the Operating Partnership to reimburse Jon Wheeler, CEO for his tax liabilities resulting from the recognition of certain taxable income or gain in the event the Operating Partnership takes certain action prior to November 10, 2023 with respect to Sangaree Plaza, Tri-County Plaza and Berkley.

Acquisition of Portfolio Properties

Each portfolio property that we acquired through the Operating Partnership upon the completion of our initial public offering and the formation transactions and certain other properties subsequently acquired were owned directly or indirectly by partnerships, limited liability companies or corporations (the Ownership Entities) in which Mr. Wheeler and his affiliates, certain of our other directors and executive officers and their affiliates and other third parties owned a direct or indirect interest (the Prior Investors). In connection with the acquisition of these Ownership Entities, the Operating Partnership entered into (1) contribution agreements with these Prior Investors, pursuant to which they contributed their interests in the Ownership Entities to the Operating Partnership and/or (2) purchase and sale agreements with the Ownership Entities. The Prior Investors, including Mr. Wheeler and his affiliates, certain of our other directors and executive officers and their affiliates, received cash and/or common units in exchange for their interests in the Ownership Entities. The value of the consideration paid to each of the Prior Investors in the Ownership Entities, in each case, was based upon the terms of the applicable contribution agreements and/or purchase and sale agreements. The purchase price paid for these properties was determined by analyzing factors such as, but not limited to, net operating income, fair market capitalization rates, leverage, occupancy rates, anchor tenant credit and alternative uses of capital. In some instances, we did not obtain independent third-party appraisals before purchasing

such properties.
