The condensed consolidated June 30, 2016 balance sheet included in this interim filing has been derived from the audited financial statements at that date but does not include all of the information and related notes required by GAAP for complete financial statements. These Condensed Consolidated Financial Statements should be read in conjunction with the audited consolidated financial statements included in the SunLink Health Systems, Inc. **Note 2. Business Operations**

Business Operations

SunLink owns businesses which are providers of healthcare services in certain non-urban markets in the United States. SunLink s business is composed of the ownership of two business segments:

The Healthcare Facilities Segments, which is composed of:

A subsidiary which owns and operates an 84-licensed-bed, acute care hospital, located in Houston, Mississippi, which includes an 18-bed geriatric psychiatry unit ( GPU ) and a 66-bed nursing home.

A subsidiary which owns and operates a 100-bed nursing home located in Ellijay, Georgia. This subsidiary also owns a hospital building and leases a portion of that building to an unaffiliated healthcare provider.

A subsidiary which owns a medical office building and approximately two acres of unimproved land in Dahlonega, Georgia and a subsidiary which owns approximately 12 acres of unimproved land in Fulton, Missouri.

A subsidiary which owns a closed hospital building and a medical office building in Clanton, Alabama, a portion of which is currently rented to an unaffiliated healthcare provider.

The Specialty Pharmacy Segment, which is composed of four operational areas:

Pharmacy products and services which are conducted in rural markets at three locations in Louisiana;

Institutional pharmacy services consisting of the provision of specialty and non-specialty pharmaceutical and biological products to institutional clients or to patients in institutional settings, such as nursing homes, specialty hospitals, hospice, and correctional facilities;

Specialty pharmacy services; and

Durable medical equipment consisting primarily of products for nursing homes and patient-administered home care.

SunLink subsidiaries have conducted the healthcare facilities business since 2001 and the specialty pharmacy operations since 2008. Our Specialty Pharmacy Segment currently is operated through Carmichael's Cashway Pharmacy, Inc. ( Carmichael ), a subsidiary of our SunLink ScriptsRx, LLC subsidiary.

The business strategy of SunLink is to focus its efforts on improving internal operations of the existing pharmacy business and healthcare facilities subsidiaries and on the sale or disposition of its subsidiaries' underperforming assets. The Company considers the disposition of business segments, facilities and operations based on a variety of factors in addition to under-performance, including asset values, return on investments and competition from existing and potential competitors, capital improvement needs, the prevailing reimbursement environment under various Federal and state programs (e.g., Medicare and Medicaid) and by private payors, corporate strategy and other corporate objectives. The Company also is considering potential upgrades and improvements to certain of its healthcare facilities. The Company believes certain facilities in its Healthcare Facilities Segment as well as its Speciality Pharmacy Segment continue to under-perform, and the Company has engaged advisors to assist it in evaluating the possible sale of its specialty pharmacy business lines. The Company has used cash proceeds from recent dispositions of assets to pay off certain liabilities and to repurchase common shares in a tender offer completed in February 2017. The Company may use a portion of its existing cash, as well as any net proceeds from future dispositions, if any, to prepay debt, return capital to shareholders including through potential public or private purchases of share, make improvements to existing facilities, and for other general corporate purposes. There can be no assurance that any further dispositions, if any, will be authorized by the Company's Board of Directors or, if authorized, that any such transactions will be completed or, if completed, will result in net cash proceeds to the Company on a before or after tax basis.

Throughout these notes to the consolidated financial statements, SunLink Health Systems, Inc., and its consolidated subsidiaries are referred to on a collective basis as SunLink, we, our, ours, us or the Company. This drafting is not meant to indicate that SunLink Health Systems, Inc. or any particular subsidiary of SunLink Health Systems, Inc. owns or operates any asset, business, or property. The Trace Hospital, pharmacy operations and businesses described in this filing are owned and operated by distinct and indirect subsidiaries of SunLink Health System, Inc.
