**Item 1.01. Entry into a Material Definitive Agreement.**

On March 30, 2018, LHC Group, Inc. (the Company or LHC Group) entered into a new Senior Secured Credit Facility (the 2018 Credit Facility) in connection with the Merger (as defined below) with Almost Family, Inc. (Almost Family) to refinance and replace the Company's and Almost Family's existing bank credit facilities. The commitments to lend under the 2018 Credit Facility became effective on April 2, 2018 following the effectiveness of the Merger between the Company and Almost Family, as described in Item 2.01 below, and the satisfaction of customary closing conditions.

The total lender commitment under the 2018 Credit Facility is \$500,000,000, with an additional uncommitted incremental \$200 million facility, and the term of the 2018 Credit Facility expires on March 30, 2023. The 2018 Credit Facility will bear interest, at the Company's option, at either (i) the prevailing London Interbank Offered Rate (LIBOR) (with interest periods of one week or one, two, three or six months at the Company's option) plus a spread of 1.50% - 2.25% based on a customary leverage-ratio grid or (ii) the prevailing prime or base rate plus a spread of 0.5% - 1.25% based on a customary leverage-ratio grid. The 2018 Credit Facility requires a minimum LIBOR rate of 1%. Additionally, the Company will be required to pay an annual commitment fee of 0.20% - 0.35% on the average daily unused portion of the 2018 Credit Facility commitment based on a customary leverage-ratio grid.

Under the terms of the 2018 Credit Facility, the Company will be required to maintain certain financial ratios and comply with certain financial covenants. The 2018 Credit Facility will allow the Company to make certain restricted payments within certain parameters provided the Company maintains compliance with those financial ratios and covenants after giving effect to such restricted payments or, in the case of repurchasing shares of its stock, so long as such repurchases are within certain specified baskets. The foregoing description of the 2018 Credit Facility does not purport to be complete and is qualified in its entirety by the terms and conditions of the 2018 Credit Facility, which is filed as Exhibit 10.1 hereto, and incorporated into this report by reference.

**Item 1.02. Termination of a Material Definitive Agreement.**

In connection with the consummation of the Merger and the borrowings under the 2018 Credit Facility described in Item 2.03 below, the Company terminated its existing credit facility (the 2014 Credit Facility) evidenced by that certain Credit Agreement, dated as of June 18, 2014, among the Company, Capital One, National Association, as administrative agent, sole bookrunner, sole lead arranger, and a lender, JPMorgan Chase Bank, N.A., Regions Bank and Compass Bank, as co-syndication agents and lenders, and Whitney Bank, as a lender. In connection with the consummation of the Merger, the outstanding balance of approximately \$125.1 million under the 2014 Credit Facility was repaid using proceeds from the borrowings under the 2018 Credit Facility described in Item 2.03 below.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On March 29, 2018, the Company closed its previously announced merger of equals business combination with Almost Family as contemplated by that certain Agreement and Plan of Merger, dated as of November 15, 2017 (the Merger Agreement ), by and among the Company, Almost Family and Hammer Merger Sub, Inc., a wholly owned subsidiary of the Company ( Merger Sub ), with the merger of Merger Sub with and into Almost Family (the Merger ), with Almost Family continuing as the surviving entity in the Merger and as a wholly owned subsidiary of the Company, becoming effective on April 1, 2014.

As a result of the Merger, at the effective time of the Merger (the Effective Time ), each outstanding share of common stock of Almost Family, other than certain cancelled shares, was converted into the right to receive 0.9150 shares of the Company s common stock (the Company Common Stock ) and cash in lieu of any fractional shares of any Company Common Stock that Almost Family shareholders would otherwise have been entitled to receive.

The issuance of Company Common Stock in connection with the Merger was registered under the Securities Act of 1933, as amended, pursuant to the Company s registration statement on Form S-4 (File No. 333-222209) filed with the Securities and Exchange Commission (the SEC ) and declared effective on February 12, 2018 (the Registration Statement ) and incorporated herein by reference.

Following these borrowings, the Company had approximately \$252.6 million of remaining borrowing capacity available under the 2018 Credit Facility. Each of the Company s prior credit facility and the Almost Family credit facility terminated in connection with the repayment thereof.

The description of the 2018 Credit Facility contained in Item 1.01 above and the full text of the 2018 Credit Facility filed as Exhibit 10.1 hereto, are incorporated into this Item 2.03 by reference.
