**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On May 10, 2018, pursuant to the Agreement, CB&I and McDermott combined through a series of transactions that occurred substantially concurrently, as follows:

McDermott Bidco completed an exchange offer (the Exchange Offer) to acquire any and all of the issued and outstanding shares of the common stock of CB&I, par value 0.01 per share (CB&I Common Stock), with each share of CB&I Common Stock accepted by McDermott Bidco in the Exchange Offer exchanged for the right to receive 0.82407 shares of common stock of McDermott, par value \$1.00 per share (McDermott Common Stock) (the Exchange Offer Ratio), plus cash in lieu of any fractional shares (collectively, the Per Share Consideration). Computershare Trust Company, N.A., the exchange agent for the Exchange Offer, has advised that, as of the expiration of the Exchange Offer, a total of 66,690,236 shares of CB&I Common Stock, representing approximately 65% of the outstanding shares of CB&I Common Stock, had been validly tendered pursuant to the Exchange Offer and not properly withdrawn;

Subsidiaries of McDermott acquired for cash certain entities that own CB&I's technology business (the CB&I Technology Acquisition) and the cash proceeds paid in the CB&I Technology Acquisition were used to repay certain existing debt of CB&I. The consideration paid in connection with the CB&I Technology Acquisition was approximately \$2.65 billion;

CB&I merged with and into Comet II, and each share of CB&I Common Stock that was not tendered in the Exchange Offer was exchanged into a share of Comet I stock (the Merger);

Comet I sold to McDermott Bidco all of the outstanding shares of Comet II (the Share Sale) in exchange for a note that is mandatorily exchangeable into shares of McDermott Common Stock (the Exchangeable Note); and

Comet I dissolved and subsequently liquidated in accordance with Sections 2:19 and 2:23b of the Dutch Civil Code. Pursuant to the liquidation, each holder of shares of CB&I Common Stock not tendered in the Exchange Offer is entitled to receive, as a liquidation distribution, the Per Share Consideration for each such share (reduced by applicable withholding taxes, including any Dutch withholding taxes under the Dividend Withholding Tax Act 1965) (the Liquidation). Any portion of the Exchangeable Note that was distributed to McDermott Bidco was extinguished.

*Treatment of Equity Awards.* At the closing of the Combination (the closing), outstanding CB&I restricted stock units that vested upon the closing in accordance with their terms, CB&I restricted stock units held by CB&I's non-employee directors and CB&I deferred share awards held by CB&I's non-employee directors each converted into the right to receive the Per Share Consideration in respect of each share of CB&I Common Stock covered by the award, less any applicable withholding taxes. Also at the closing, outstanding CB&I restricted stock units that did not vest at the closing by their terms, outstanding CB&I options and outstanding CB&I stock appreciation rights were each converted into corresponding awards relating to shares of McDermott Common Stock, with appropriate adjustments to reflect the Exchange Offer Ratio and remain subject to their original vesting schedule (except that any CB&I options vested at the closing). Further, at the closing, outstanding CB&I performance shares were cancelled and converted into a right to receive a cash payment equal to (i) the target number of shares of CB&I Common Stock underlying the award multiplied by (ii) 2.47221 multiplied by (iii) \$6.64, the closing price of a share of McDermott Common Stock on May 9, 2018, the business day immediately preceding the closing date.

Based on the closing price of \$6.64 for a share of McDermott Common Stock on the New York Stock Exchange on May 9, 2018, the aggregate implied value of the consideration paid in connection with the Combination (other than the CB&I Technology Acquisition) was approximately \$1.7 billion.

For additional information regarding the consideration payable to holders of the Company's securities, see Item 3.03 of this Current Report on Form 8-K, which is incorporated into this Item 2.01 by reference.

The foregoing description of the Agreement and the Combination does not purport to be complete and is qualified in its entirety by reference to the Agreement, as amended, filed as Exhibit 2.1 and Exhibit 2.2 hereto, and is incorporated into this Item 2.01 by reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The indebtedness and other obligations under the Credit Agreement are unconditionally guaranteed on a senior secured basis by McDermott and substantially all of McDermott's wholly owned subsidiaries, including wholly owned subsidiaries resulting from the consummation of the Combination such as the Company's subsidiaries (collectively, the "Guarantors"), other than several captive insurance subsidiaries and certain other designated or immaterial subsidiaries. The obligations under the Credit Agreement are secured by first-priority liens on substantially all of the Borrowers', McDermott's and the other Guarantors' assets.

In connection with completion of the Combination on May 10, 2018, the Company notified the New York Stock Exchange ("NYSE") of the effectiveness of the Combination and requested (i) that trading of the Company's common stock on NYSE be suspended before the open of trading on May 11, 2018 and (ii) that NYSE file with the Securities Exchange Commission ("SEC") an application on Form 25 to delist and deregister the Company's common stock under Section 12(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). As a result of the completion of the Exchange Offer, McDermott Bidco acquired approximately 65% of the Company's voting stock. The aggregate value of the stock consideration paid in the Exchange Offer was approximately \$1.1 billion.

Promptly following the effective time of the Exchange Offer, CB&I, Comet I and Comet II completed the Merger with: (1) Comet II continuing as a wholly owned subsidiary of Comet I; (2) all holders of shares of CB&I Common Stock becoming shareholders of Comet I; and (3) McDermott Bidco becoming a shareholder of Comet I, as a result of the shares it validly accepted for exchange in the Exchange Offer being exchanged for shares of Comet I pursuant to the terms of the Merger; and

McDermott Bidco and Comet I completed the Share Sale as a result of which Comet II became an indirect and wholly owned subsidiary of McDermott.

Upon the completion of the Combination, CB&I ceased to exist and Comet II, the successor entity of CB&I, became an indirect and wholly owned subsidiary of McDermott.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

Pursuant to the terms of the Agreement, as of the closing on May 10, 2018, the directors of the CB&I supervisory and management boards resigned and McDermott Technology, B.V. became the director of the surviving company. On May 9, 2018, CB&I entered into a letter agreement with Patrick K. Mullen memorializing the terms of his compensation and benefits following the completion of the Combination. Following the completion of the Combination, Mr. Mullen will cease to hold the title of President and Chief Executive Officer and will instead serve as Executive Advisor to the Chief Executive Officer of McDermott, with a base salary of \$1,133,000, a target bonus opportunity of 130% of base salary and perquisites provided at the same level and on the same terms as such perquisites are provided today. Mr. Mullen is expected to remain in such role through June 6, 2018. The cash amounts payable to Mr. Mullen under his change-of-control agreement with CB&I became fully vested and non-forfeitable upon the closing of the Combination and will be paid following his termination of employment for any reason at the times specified in the change-in-control agreement and in accordance with applicable tax code requirements. All other rights under Mr. Mullen's change-of-control agreement with CB&I remain in effect. Mr. Mullen is eligible to receive

customary indemnification rights for his service as a senior executive officer, including coverage under McDermott's directors and officers liability policy. In addition, Mr. Mullen's annual CB&I Restricted Stock Unit Award granted in February 2018 will accelerate upon a termination of his employment without cause or his resignation with good reason (including ceasing to be Chief Executive Officer following the completion of the Combination).

The foregoing description of the letter agreement does not purport to be complete and is qualified in its entirety by reference to the letter agreement, as set forth on Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated into this Item 5.02 by reference.

Following the Combination, effective May 11, 2018, Michael S. Taff will cease to be the Executive Vice President and Chief Financial Officer of the Company, and James W.
