MERGER PROPOSED YOUR VOTE IS IMPORTANT

Dear Fellow Stockholders:

You are cordially invited to attend the special meeting of stockholders of Altra Industrial Motion Corp. (Altra), to be held on , 2018, at to vote on actions associated with a strategic combination that your board of directors has determined represents a tremendous opportunity to strengthen Altra and position it to deliver enhanced, sustainable stockholder value. A notice of the special meeting and the proxy statement follow.

As previously announced, on March 7, 2018, Altra and Fortive Corporation (Fortive) agreed to combine Fortive s Automation & Specialty platform, but excluding Fortive s Hengstler and Dynapar businesses (such businesses, the A&S Business) with Altra. We are extremely excited about this strategic combination. It significantly expands our position across the technology spectrum by bringing together our strong mechanical and electronic capabilities in engineered power transmission with the A&S Business s strong electric, electronic and software content in precision motion control. Altra will have increased exposure to higher growth, higher margin categories as well as the scale and global reach to better serve our customers. We will also have an enhanced financial profile, with sales and earnings growth expected to generate substantial free cash flow enabling the company to quickly de-lever. Finally, we are confident in our ability to integrate the business, particularly given our proven track-record in this area.

In connection with the transactions necessary to combine the A&S Business and Altra, at the special meeting you will be asked to approve:

the issuance of shares of Altra common stock in the Merger (the Share Issuance);

an amendment to Altra s Amended and Restated Certificate of Incorporation to increase the number of authorized shares of Altra common stock from 90,000,000 to 120,000,000 (the Charter Amendment);

amendments to Altra s 2014 Omnibus Incentive Plan to increase the number of shares authorized for issuance by shares, contingent upon the closing of the transactions, for a total of authorized shares, and to impose a more restrictive limit on non-employee director compensation, which limit is not contingent upon the closing of the transactions (collectively, the Altra Equity Plan Amendments); and

adjournments or postponements of the special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the Share Issuance, the Charter Amendment or the Altra Equity Plan Amendments.

If the proposal to approve the Share Issuance is not approved, the transactions necessary to combine the A&S Business and Altra cannot be completed.

Table of Contents

After the consummation of the transactions necessary to combine the A&S Business and Altra, approximately 54% of the outstanding shares of Altra common stock are expected to be held by pre-transactions holders of Fortive common stock and approximately 46% of the outstanding shares of Altra common stock are expected to be held by pre-transactions holders of Altra common stock. After the consummation of the transactions necessary to combine the A&S Business and Altra, Altra common stock will continue to be listed on the Nasdaq Global Market (Nasdaq) under Altra s current symbol, AIMC.

The Altra board of directors recommends that stockholders vote FOR the proposal to approve the Share Issuance, FOR the proposal to approve the Charter Amendment, [FOR the proposal to approve the Altra Equity Plan Amendments]¹ and FOR the proposal to approve adjournments or postponements of the special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the Share Issuance, the Charter Amendment or the Altra Equity Plan Amendments.

Only those Altra stockholders of record at the close of business on _____, 2018 are entitled to notice of the special meeting and to vote at the special meeting and any adjournments or postponements of the special meeting.

Your vote is very important. Whether or not you plan to attend the special meeting, please vote by completing, signing and dating the enclosed proxy card for the special meeting and mailing the proxy card to us. If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote **FOR** each of the proposals presented at the special meeting. Carl R. Christenson

Chairman and Chief Executive Officer

¹ Note to Draft: The Altra Equity Plan Amendments will be evaluated by the Altra board of directors when the requested number of shares to be authorized is finalized. QUESTIONS AND ANSWERS ABOUT THE TRANSACTIONS AND THE SPECIAL MEETING

The following are some of the questions that Altra stockholders may have, and answers to those questions. These questions and answers, as well as the following summary, are not meant to be a substitute for the information contained in the remainder of this document, and this information is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this document. You are urged to read this document in its entirety prior to making any decision.

Q: Why am I receiving this document?

A: Altra and Fortive have entered into the Merger Agreement pursuant to which the A&S Business will combine with Altra's business. Altra is holding a special meeting of its stockholders in order to obtain stockholder approval of the Share Issuance, the Charter Amendment and the Altra Equity Plan Amendment. Altra cannot complete the Transactions unless the Share Issuance is approved by the affirmative vote of a majority of votes cast, either in person or by proxy.

This document includes important information about the Transactions and the special meeting of Altra stockholders. Altra stockholders should read this information carefully and in its entirety. A copy of the Merger Agreement is attached hereto as Annex A and a copy of the Separation Agreement is attached hereto as Annex B. The enclosed voting materials allow Altra stockholders to vote their shares without attending the Altra special meeting. **The vote of Altra stockholders is very important and Altra encourages its stockholders to vote their proxy as soon as possible. Please follow the instructions set forth on the enclosed proxy card (or on the voting instruction form provided by the record holder if shares of Altra stock are held in the name of a bank, broker or other nominee).**

Q: What is Altra proposing?

A: Altra is proposing to combine the A&S Business with Altra's business in Transactions having an estimated aggregate value of approximately \$2.9 billion, based on the closing on Nasdaq of Altra common stock as of June 18, 2018. The Merger and Direct Sales will be effected through the Transactions that are described in more detail below and elsewhere in this document. Following the consummation of the Transactions:

Certain assets, liabilities and equity interests constituting a portion of the A&S Business will be owned by Newco, which will be a wholly-owned subsidiary of Altra;

Newco will have incurred new indebtedness of approximately \$400 million and will have distributed to Fortive the Cash Dividend in an amount equal to the Basis Amount and issued directly to Fortive the Newco Securities, unless Fortive determines that the Debt Exchange is not reasonably likely to be consummated at the time of the Distribution and elects to receive cash in lieu of the Newco Securities, in which case Newco will have distributed to Fortive a cash dividend in an amount equal to the Above-Basis Amount and will have incurred new indebtedness in the form of debt securities, loans or a combination thereof to finance such

cash payment;

Altra will have incurred new indebtedness of approximately \$1.3 billion and will have paid to Fortive the Direct Sales Purchase Price and repaid in full and extinguished all outstanding indebtedness for borrowed money under Altra's existing revolving credit facility;

Fortive will have transferred certain non-U.S. assets and equity interests constituting the remaining portion of the A&S Business to the Direct Sales Purchasers, and Altra or its subsidiaries will have assumed certain liabilities associated with such assets;

Altra and its wholly-owned domestic subsidiaries will have guaranteed the debt obligations of Newco, and Newco and its wholly-owned domestic subsidiaries will have guaranteed the debt obligations of Altra; and

Table of Contents

approximately 54% of the outstanding shares of Altra common stock are expected to be held by pre-Merger holders of Newco common stock and approximately 46% of the outstanding shares of Altra common stock are expected to be held by pre-Merger Altra stockholders.

Q: What are the Transactions described in this document?

A: On March 7, 2018, Altra and Fortive agreed to enter into the Transactions to effect the transfer of the A&S Business to Altra. These Transactions provide for (i) the Separation and the Distribution of a portion of the A&S Business and the subsequent merger of Merger Sub with and into Newco, with Newco surviving as a wholly-owned subsidiary of Altra and (ii) the Direct Sales pursuant to which Altra will acquire the remaining portion of the A&S Business. In order to effect the Separation, the Distribution, the Direct Sales and the Merger, Fortive, Newco, Altra and Merger Sub entered into the Merger Agreement and Fortive, Newco and Altra entered into the Separation Agreement. In addition, Fortive, Newco, Altra and certain of their respective affiliates have entered into, or will enter into, the Ancillary Agreements in connection with the Transactions. These agreements, which are described in greater detail in Other Agreements, govern the relationship among Fortive, Newco, Altra and their respective affiliates after the Separation, the Distribution, the Direct Sales and the Merger.

On the closing date of the Merger, Fortive will distribute its shares of Newco common stock to its participating stockholders in the Exchange Offer. If the Exchange Offer is consummated but is not fully subscribed, Fortive will distribute the remaining shares of Newco common stock on a pro rata basis to Fortive stockholders whose shares of Fortive common stock remain outstanding after consummation of the Exchange Offer. Any Fortive stockholder who validly tenders (and does not properly withdraw) shares of Fortive common stock for shares of Newco common stock in the Exchange Offer will waive, with respect to such shares, their rights to receive, and forfeit any rights to, shares of Newco common stock distributed on a pro rata basis to Fortive stockholders in the event the Exchange Offer is not fully subscribed. If there is a pro rata distribution, the Exchange Offer agent will calculate the exact number of shares of Newco common stock not exchanged in the Exchange Offer and to be distributed on a pro rata basis, and the number of shares of Altra common stock into which the remaining shares of Newco common stock will be converted in the Merger will be transferred to Fortive stockholders (after giving effect to the consummation of the Exchange Offer) as promptly as practicable thereafter.

After the Merger and the Direct Sales, Altra will own and operate the A&S Business through Newco and the Direct Sales Purchasers and will also continue Altra's current business. All shares of Altra common stock, including those issued in the Merger, will be listed on Nasdaq under Altra's current trading symbol AIMC.

Q: What are the steps for the Transactions described above?

A: Below is a step-by-step list illustrating the material events relating to the Separation, the Distribution, the Direct Sales and the Merger. Each of these events is discussed in more detail elsewhere in this document.

Step #1 *Internal Restructuring; the Separation.* Prior to the Distribution and the Merger, Fortive will convey to Newco or one or more subsidiaries of Fortive certain assets and liabilities constituting a portion of the A&S Business (excluding any Direct Sales Assets or Direct Sales Entities, which will be transferred in the Direct Sales described below), and will cause any applicable subsidiary of Fortive to convey to Fortive or its designated subsidiary (other than Newco or any of Newco's subsidiaries) certain excluded assets and excluded liabilities in order to separate and consolidate a portion of the A&S Business. Immediately thereafter, Fortive will contribute all the equity interests in

each such subsidiary of Fortive holding assets and liabilities constituting a portion of the A&S Business to Newco.

Step #2 *Issuance of Newco common stock.* Immediately prior to the Distribution, Newco will issue to Fortive shares of Newco common stock. Following this issuance, Fortive will own 35 million shares of Newco common stock, which will constitute all of the issued and outstanding stock of Newco.

Table of Contents

Step #3 *Issuance of Newco Securities.* Prior to the effective time of the Merger, and as a condition to the Distribution, Newco will make distributions to Fortive of the Cash Dividend and Newco Securities. Fortive expects to exchange the Newco Securities with the Debt Exchange Parties for certain outstanding debt obligations of Fortive, which may include debt securities, loans, commercial paper, or a combination thereof, held by the Debt Exchange Parties. Following the Debt Exchange, the Debt Exchange Parties, or their affiliates, are expected to sell the Newco Securities to third-party investors. The Direct Sales were included in the Transactions as a way to dispose of certain non-U.S. assets, liabilities and entities of the A&S Business to Altra subsidiaries for cash in a tax-efficient manner, while reducing the size of the Debt Exchange needed in order to provide Fortive with the same level of monetization of the A&S Business in the Transactions. If Fortive determines that the Debt Exchange is not reasonably likely to be consummated at or prior to the End Date (as such term is described in The Merger Agreement Termination) in an amount equal to the Above-Basis Amount at the time of the Distribution, then Fortive may elect to (i) require Newco to issue to Fortive the Newco Securities even though the Debt Exchange will not occur at the time of the Distribution, (ii) require Newco to incur indebtedness in an amount up to the Above-Basis Amount, whether in the form of debt securities, loans or a combination thereof, and distribute to Fortive an amount in cash equal to the net proceeds thereof, or (iii) terminate the Merger Agreement as described under The Merger Agreement Termination and pay the termination fee as described under The Merger Agreement Termination Fees and Expenses Payable in Certain Circumstances. Any debt securities issued by Newco to fund the Cash Dividend or issued in lieu of all or any portion of the Newco Securities may be fungible with the Newco Securities that are distributed to Fortive.

Step #4 *The Distribution; Exchange Offer or Spin-Off.* On the closing date of the Merger, Fortive will distribute 100% of the shares of Newco common stock to Fortive stockholders through either a spin-off or a split-off. In a spin-off, all Fortive stockholders would receive a pro rata number of shares of Newco common stock. In a split-off, Fortive would offer its stockholders the option to exchange all or a portion of their shares of Fortive common stock for shares of Newco common stock in an exchange offer. If the Exchange Offer is undertaken and consummated, but the Exchange Offer is not fully subscribed because fewer than all shares of Newco common stock owned by Fortive are exchanged, the remaining shares of Newco common stock owned by Fortive would be distributed on a pro rata basis to Fortive stockholders whose shares of Fortive common stock remain outstanding after consummation of the Exchange Offer. See The Separation Agreement The Distribution.

The Exchange Offer agent will hold, for the account of the relevant Fortive stockholders, the book-entry authorizations representing all of the outstanding shares of Newco common stock, pending the consummation of the Merger. Shares of Newco common stock will not be able to be traded during this period.

As previously noted, this disclosure has been prepared under the assumption that the shares of Newco will be distributed to Fortive stockholders pursuant to a split-off. Based on market conditions prior to closing, including, but not limited to, the relative valuation and market price of shares of common stock of Fortive and Altra, the implied valuation of the A&S Business, the likelihood of demand from stockholders of Fortive for shares of common stock of Altra to be issued in the Transactions and the assessment by Fortive and its financial advisors of the likelihood of sufficient tender of the shares of common stock of Fortive in a split-off, Fortive will determine whether the Newco shares will be distributed to Fortive's stockholders in a spin-off or a split-off and, once a final decision is made, this disclosure will be amended to reflect that decision, if necessary.

Step #5 *The Direct Sales.* In order for Altra to acquire the remaining portion of the A&S Business, prior to the effective time of the Merger, (i) the Direct Sales Sellers will sell to the Direct Sales Purchasers the Direct Sales Assets and the Direct Sales Entities and (ii) the Direct Sales Purchasers will assume the A&S Liabilities of or attributable to the Direct Sales Sellers, in exchange for the Direct Sales Purchase Price.

Step #6 *The Merger*. In the Merger, Merger Sub will be merged with and into Newco, with Newco surviving as a wholly-owned subsidiary of Altra. In the Merger, each outstanding share of Newco common

Table of Contents

stock (except for shares of Newco common stock held by Fortive, Newco, Altra or Merger Sub, which shares will be canceled and cease to exist, and no consideration will be delivered in exchange therefor) will be converted into the right to receive a number of shares of Altra common stock equal to (x) 35 million shares of Altra common stock divided by (y) the aggregate number of shares of Newco common stock issued and outstanding as of immediately prior to the effective time of the Merger.

Immediately after the consummation of the Merger, approximately 54% of the outstanding shares of Altra common stock are expected to be held by pre-Merger holders of shares of Newco common stock and approximately 46% of the outstanding shares of Altra common stock are expected to be held by pre-Merger Altra stockholders.

Q: What are the material U.S. federal income tax consequences to Altra and Altra's stockholders resulting from the Transactions?

A: Altra will not recognize any gain or loss for U.S. federal income tax purposes as a result of the Merger. Because Altra stockholders will not participate in the Distribution or the Merger, Altra stockholders will generally not recognize gain or loss upon either the Distribution (including the Exchange Offer) or the Merger. Altra stockholders should consult their own tax advisors for a full understanding of the tax consequences to them of the Distribution and the Merger.

Q: What will Altra stockholders receive in the Merger?

A: Altra stockholders will not directly receive any consideration in the Merger. All shares of Altra common stock issued and outstanding immediately before the Merger will remain issued and outstanding after the consummation of the Merger. Immediately after the Merger, Altra stockholders will continue to own shares in Altra, which will include the A&S Business, including Newco, as a wholly-owned subsidiary of Altra, and Altra will be responsible for repaying the approximately \$1.7 billion of debt that will be incurred or refinanced in connection with the Transactions. After the consummation of the Merger, the debt obligations incurred by Newco are expected to be guaranteed by Altra and its wholly-owned domestic subsidiaries, and the debt obligations incurred by Altra in connection with the Transactions are expected to be guaranteed by Newco and its wholly-owned domestic subsidiaries.

Q: What are the principal adverse effects of the Transactions to Altra stockholders?

A: Following the consummation of the Transactions, Altra stockholders will participate in a company that holds the A&S Business, but their percentage interest in this company will be diluted. Immediately after consummation of the Merger, pre-Merger Altra stockholders are expected to own 46% of Altra common stock on a fully-diluted basis, subject to adjustment in limited circumstances as provided in the Merger Agreement and as described in the section of this document entitled "The Merger Agreement - The Adjustment Payment." Therefore, the voting power represented by the shares held by pre-Merger Altra stockholders will be lower immediately following the Merger than immediately prior to the Merger.

In addition, Fortive stockholders that participate in the Exchange Offer will be exchanging their shares of Fortive common stock for shares of Newco common stock at a discount to the per-share value of Altra common stock, subject to the upper limit. The existence of a discount, along with the Share Issuance, may negatively affect the market price of Altra common stock. Altra also expects to incur significant one-time costs in connection with the Transactions, including advisory, legal, accounting and other professional fees related to the Transactions, transition and integration expenses, such as consulting professionals' fees, information technology implementation costs, financing fees and relocation costs, that Altra management believes are necessary to realize anticipated annualized cost synergies. The incurrence of these costs may have an adverse impact on Altra's liquidity or operating results in the periods in which they are incurred. Finally, Altra will be required to devote a significant amount of time and attention to the process of integrating the operations of Altra and the A&S Business. If Altra is not able to effectively manage the

Table of Contents

process, Altra's business could suffer and its stock price may decline. In addition, the market price of Altra common stock could decline as a result of sales of a large number of shares of Altra common stock in the market after the consummation of the Transactions or even the perception that these sales could occur. See "Risk Factors" for a further discussion of the material risks associated with the Transactions.

Q: How will the Transactions impact the future liquidity and capital resources of Altra?

A: The approximately \$1.7 billion of indebtedness expected to be incurred under the Altra Term Loan B Facility, the Notes, the Newco Securities and the Bridge Facility, if any, which are each described in "Debt Financing," will be the debt obligations of Newco and Altra. After the consummation of the Merger, the debt obligations of Newco are expected to be guaranteed by Altra and its wholly-owned domestic subsidiaries, and the debt obligations of Altra incurred to finance the Transactions are expected to be guaranteed by Newco and its wholly-owned domestic subsidiaries. Altra anticipates that its primary sources of liquidity for working capital and operating activities, including any future acquisitions, will be cash from operations and borrowings under the Altra Revolving Credit Facility described in more detail in "Debt Financing." Altra expects that these sources of liquidity will be sufficient to make required payments of interest on the outstanding Altra debt and to fund working capital and capital expenditure requirements, including the significant one-time costs relating to the Transactions. Altra expects that it will be able to comply with the financial and other covenants under the credit agreement governing the Altra Term Loan B Facility and the Altra Revolving Credit Facility, the indentures or other instruments governing the Newco Securities and the Notes and the credit agreement governing the Bridge Facility, if any. Altra believes that the combination of Altra and the A&S Business will result in anticipated annualized cost synergies of approximately \$46 million within four years following the consummation of the Transactions as a result of anticipated enhanced strategic flexibility and scale and through the application of the A&S Business's supply chain expertise and Altra's Operational Excellence Program. If Altra and the A&S Business are able to expand existing products into additional geographies and markets, potential revenue synergies resulting in approximately \$6 million of additional annual operating income may be achievable within four years following the consummation of the Transactions. Altra expects to incur significant, one-time costs in connection with the Transactions, including approximately \$85 to \$95 million in transaction-related costs (of which \$45 to \$50 million will be capitalized) and approximately \$24 million in non-recurring implementation costs during the first four years following the consummation of the Transactions that Altra management believes are necessary to realize the anticipated synergies from the Transactions. See "Information on Altra" Altra's Liquidity and Capital Resources After the Transactions. The incurrence of these costs may have an adverse impact on Altra's liquidity, cash flows and operating results in the periods in which they are incurred.

Q: How do the Transactions impact Altra's dividend policy?

A: Declarations of dividends on Altra's common stock are made at the discretion of Altra's board of directors upon the board's determination that the declaration of dividends are in the best interest of Altra's stockholders. Altra has consistently paid regular dividends, which have increased by more than 300% since being introduced during the quarter ended March 31, 2012. In April 2018, Altra's board of directors declared a quarterly dividend of \$0.17 per share, consistent with its dividend declarations in the prior four quarters. Pursuant to the Merger Agreement, Altra has agreed that prior to the consummation of the Transactions, Altra's board of directors will not declare or

pay any dividends or other distributions other than the declaration and payment of regular quarterly cash dividends of an amount not to exceed \$0.17 per share.

Q: What will Fortive and Fortive stockholders receive in the Transactions?

A: Immediately prior to the Distribution, Fortive will receive the Cash Dividend and the Newco Securities to be used in the Debt Exchange (or cash if Fortive elects to receive a cash dividend from Newco in lieu of the

Table of Contents

Newco Securities). The Newco Securities are expected to be issued by Newco directly to Fortive prior to the Distribution. The Newco Securities will be the debt obligations of Newco and, following the consummation of the Merger, are expected to be guaranteed by Altra and its wholly-owned domestic subsidiaries. In connection with the Direct Sales, Fortive will receive the Direct Sales Purchase Price. As a result, Fortive expects to receive in aggregate an amount equal to approximately \$1.4 billion in the Transactions, consisting of approximately (x) \$400 million from the Cash Dividend and the Debt Exchange in connection with the Separation, the Newco Contribution and the Distribution, subject to adjustments, and (y) the Direct Sales Purchase Price.

In the Exchange Offer, Fortive will offer to Fortive stockholders the right to exchange all or a portion of their shares of Fortive common stock for shares of Newco common stock. In the event the Exchange Offer is not fully subscribed, Fortive will distribute in the spin-off the remaining shares of Newco common stock owned by Fortive on a pro rata basis to Fortive stockholders whose shares of Fortive common stock remain outstanding after the consummation of the Exchange Offer.

In the Merger, the shares of Newco common stock will be converted into the right to receive shares of Altra common stock. Thus, each Fortive stockholder will ultimately receive shares of Altra common stock in the Distribution and the Merger. Fortive stockholders will not be required to pay for the shares of Newco common stock distributed in the spin-off or the shares of Altra common stock issued in the Merger. Fortive stockholders will receive cash from the Exchange Offer agent in lieu of any fractional shares of Altra common stock to which such stockholders would otherwise be entitled. All shares of Altra common stock issued in the Merger will be issued in book entry form.

Calculated based on the closing price on Nasdaq of Altra common stock as of June 18, 2018, the shares of Altra common stock that Altra expects to issue to Fortive stockholders as a result of the Transactions would have had a market value of approximately \$1.5 billion in the aggregate (the actual value will not be known until the closing date of the Merger). For more information, see [The Transactions The Separation and the Distribution](#) beginning on page 111, [The Transactions The Merger](#) beginning on page 112 and [The Transactions Calculation of the Merger Consideration](#) beginning on page 112.

Q: Are there any conditions to the consummation of the Transactions?

A: Yes. Consummation of the Transactions is subject to a number of conditions, including:

the approval by Altra's stockholders of the Share Issuance;

the registration statements on Forms S-4 and S-1 of Newco and Form S-4 of Altra have become effective under the Securities Act;

the receipt by Fortive of an IRS ruling addressing the tax consequences of certain aspects of the Debt Exchange (unless Fortive has not obtained such IRS ruling by December 31, 2018, or takes certain actions relating to the financing transactions, in which case the condition will be deemed waived);

the receipt by Fortive and Newco of the Distribution Tax Opinion and a Merger Tax Opinion from Fortive's tax counsel, dated as of the closing date of the Merger;

the receipt by Altra and Merger Sub of a Merger Tax Opinion from Altra's tax counsel, dated as of the closing date of the Merger;

the completion of the various transaction steps contemplated by the Merger Agreement and the Separation Agreement, including the Separation and the Distribution;

the expiration or termination of any waiting period applicable to the Merger under applicable antitrust or competition laws in the United States and receipt of additional antitrust approvals in applicable jurisdictions (which waiting period has expired and approvals have been received);

the Debt Exchange shall have been consummated and Fortive shall have received the Cash Dividend immediately before the Distribution; and

other customary conditions.

Table of Contents

For a description of the material conditions precedent to the Transactions, see The Merger Agreement Conditions to the Merger.

Q: When will the Transactions be completed?

A: Altra and Fortive are working to complete the Merger as quickly as possible after satisfaction of the closing conditions, including consummation of certain transactions contemplated by the Merger Agreement and the Separation Agreement (such as the Separation) and receipt of Altra stockholder approval for the Share Issuance. In addition, other important conditions to the closing of the Separation and the Merger exist, including, among other things, the completion of the Internal Restructuring necessary to separate Fortive's A&S assets and liabilities from Fortive's other business, and the receipt by Fortive of an IRS ruling addressing the tax consequences of certain aspects of the Debt Exchange (unless Fortive has not obtained such IRS ruling by December 31, 2018, or takes certain actions relating to the financing transactions, in which case the condition will be deemed waived), the Distribution Tax Opinion and the Merger Tax Opinions. Altra and Fortive anticipate that the transfer of certain assets and liabilities of the A&S Business will be completed after the closing date of the Merger due to regulatory and other delays in certain jurisdictions outside the United States. It is possible that factors outside Altra's and Fortive's control could require Fortive to complete the Separation and the Distribution and Altra and Fortive to complete the Merger at a later time or not complete them at all. For a discussion of the conditions to the Separation and the Merger, see The Transactions Regulatory Approvals beginning on page 151, The Merger Agreement Conditions to the Merger beginning on page 170, and The Separation Agreement Conditions to the Separation beginning on page 183.

Q: When is the termination date of the Merger Agreement?

A: Subject to specified qualifications and exceptions, either Fortive or Altra may terminate the Merger Agreement at any time prior to the consummation of the Merger if the Merger has not been consummated by December 7, 2018 or, in certain circumstances at the election of Fortive or Altra, by February 12, 2019. See The Merger Agreement Termination.

Q: Does Altra have to pay anything to Fortive if the Share Issuance is not approved by the Altra stockholders or if the Merger Agreement is otherwise terminated?

A: Depending on the reasons for termination of the Merger Agreement, Altra may have to pay Fortive a termination fee of \$40 million or reimburse Fortive for its expenses in connection with the Transactions not to exceed \$5 million. For a discussion of the circumstances under which the termination fee is payable by Altra or the requirement to reimburse expenses applies, see The Merger Agreement Termination Fees and Expenses Payable in Certain Circumstances.

Q: Does Fortive have to pay anything to Altra if the Merger Agreement is terminated?

A: Depending on the reasons for termination of the Merger Agreement, Fortive may have to pay Altra a termination fee of \$40 million. For a discussion of the circumstances under which the termination fee is payable by Fortive, see The Merger Agreement Termination Fees and Expenses Payable in Certain Circumstances.

Q: Are there risks associated with the Transactions?

A: Yes. The material risks and uncertainties associated with the Transactions are discussed in the section entitled Risk Factors beginning on page 33 and the section entitled Cautionary Statement Concerning Forward-Looking Statements beginning on page 55. Those risks include, among others, the possibility that the Transactions may not be completed, the possibility that Altra may fail to realize the anticipated benefits

Table of Contents

of the Merger, the uncertainty that Altra will be able to integrate the A&S Business successfully, the possibility that Altra may be unable to provide benefits and services or access to equivalent financial strength and resources to the A&S Business that historically have been provided by Fortive, and the substantial dilution to the ownership interest of current Altra stockholders following the consummation of the Merger.

Q: Will there be any change to the Altra board of directors or Altra's current senior management team after the Transactions?

A: Those directors of Altra serving on its board of directors immediately before the effective time of the Merger are expected to continue to serve as directors of Altra immediately following the closing of the Merger. In addition, as of immediately following the effective time of the Merger, Altra will increase the size of its board of directors by one member, creating a vacancy, and one individual selected by Fortive (which individual is currently anticipated to be Patrick K. Murphy, Fortive's Senior Vice President) will be appointed to fill such vacancy and will, subject to the fiduciary duties of Altra's board of directors, be nominated for re-election at the expiration of such director's initial term. However, if Fortive's designated director: (i) is unwilling or unable to serve at the effective time of the Merger, (ii) is unwilling or unable to serve when such new term starts or (iii) is not nominated to serve such new term, then Fortive will designate a replacement, acceptable to Altra in its sole discretion, for such director before the effective time of the Merger or the start of such new term, as applicable.

It is expected that Altra's current management team will remain intact for the combined business, but may be expanded to include new management team members from the A&S Business. The executive officers of Altra immediately prior to the closing of the Merger are expected to remain executive officers of Altra immediately following the closing of the Merger.

Q: What stockholder approvals are needed in connection with the Transactions?

A: Altra cannot complete the Transactions unless the proposal relating to the Share Issuance is approved by the affirmative vote of a majority of the shares of Altra common stock represented and voting at the special meeting, either in person or by proxy (assuming a quorum is present). No vote of Fortive stockholders is required or being sought in connection with the Transactions.

Q: What is the proposed Charter Amendment on which I am being asked to vote?

A: Altra is seeking stockholder approval of a proposal to amend the Altra Charter to increase the number of authorized shares of Altra common stock from 90,000,000 shares to 120,000,000 shares. See the section of this document entitled "Proposal No. 2 Proposal to Approve the Amendment of Altra's Amended and Restated Certificate of Incorporation to Increase the Number of Authorized Shares of Altra Common Stock" for a discussion of this proposal.

Q: What are the proposed Altra Equity Plan Amendments on which I am being asked to vote?

- A: Altra is seeking stockholder approval of a proposal to amend the Incentive Plan to (i) increase the number of shares authorized for issuance by shares, contingent on the closing of the Transactions, for a total of authorized shares, of which shares, plus any Added-Back Shares, would be available for future grants and (ii) impose a more restrictive limit on non-employee director compensation, which limit is not contingent upon the closing of the transactions. See the section of this document entitled Proposal No. 3 Proposal to Approve Amendments to Altra's 2014 Omnibus Incentive Plan for a discussion of this proposal.

Table of Contents

Q: Why is Altra proposing to amend the Altra Charter to increase the number of authorized shares of Altra common stock?

A: The Altra Charter currently authorizes the issuance of 90,000,000 shares of common stock. As of June 18, 2018, there were 29,315,963 shares of Altra common stock issued and outstanding and no shares of Altra preferred stock issued and outstanding. In addition, as of June 18, 2018, awards and other rights or options to acquire shares of Altra common stock were outstanding under these plans that represented rights or options to acquire approximately 750,000 shares of Altra common stock and Altra had reserved approximately 750,000 additional shares of Altra common stock for future issuances under these plans. Altra expects to issue 35,000,000 shares of Altra common stock in the Merger.

Although the Altra board of directors did not have to increase the number of authorized shares to complete the Share Issuance, the Altra board of directors believes it is in Altra's best interest to increase the number of authorized shares to assure that additional shares of common stock are available for general corporate purposes, which may include:

raising capital through sales of equity securities (issuances of shares of Altra common stock or debt or equity securities that are convertible into Altra common stock);

acquiring other businesses or assets;

establishing strategic relationships with other companies;

providing equity incentives to employees, officers or directors;

declaring stock dividends or effecting stock splits; or

achieving other corporate purposes.

Q: Why is stockholder approval needed in connection with the Charter Amendment?

A: Under the DGCL, Altra cannot amend the Altra Charter to increase the number of authorized shares of Altra common stock unless the Charter Amendment is approved by the affirmative vote of a majority of the shares of Altra common stock entitled to vote on the proposal.

Q: Why is stockholder approval needed in connection with the Altra Equity Plan Amendments?

A:

Pursuant to Nasdaq Listing Rule 5635(c), the Altra board of directors cannot amend the Altra Equity Plan to increase the number of shares authorized for issuance unless the Altra Equity Plan Amendments are approved by a majority of the votes cast on the proposal at the special meeting. In addition, stockholder approval is being sought for a more restrictive limit on non-employee director compensation, in response to some recent decisions by Delaware courts.

Q: What vote is required to approve the Share Issuance?

The proposal to approve the Share Issuance must be approved by a majority of the votes cast on the proposal at the special meeting. An abstention from voting will have no effect on the proposal to approve the Share Issuance. In accordance with applicable rules, banks, brokers and other nominees who hold shares of common stock in street name for their customers do not have discretionary authority to vote the shares with respect to the proposal to approve the Share Issuance. Accordingly, there will be no broker non-votes and shares held in street name (that is, shares held through a bank, broker or other nominee) will not be voted on the proposal to approve the Share Issuance unless the bank, broker or nominee has received voting instructions from its customer. If this proposal is not approved, the Merger cannot be completed.

Q: What vote is required to approve the Charter Amendment?

A: The proposal to approve the Charter Amendment must be approved by the affirmative vote of a majority of the shares of Altra common stock entitled to vote on the proposal. An abstention from voting will have the

Table of Contents

same effect as a vote **AGAINST** the proposal to approve the Charter Amendment. In accordance with applicable rules, banks, brokers and other nominees who hold shares of common stock in street name for their customers do not have discretionary authority to vote the shares with respect to the proposal to approve the Charter Amendment. Accordingly, there will be no broker non-votes and shares held in street name (that is, shares held through a bank, broker or other nominee) will not be voted on the proposal to approve the Charter Amendment unless the bank, broker or nominee has received voting instructions from its customer.

Q: What vote is required to approve the Altra Equity Plan Amendments?

A: The proposal to approve the Altra Equity Plan Amendments must be approved by a majority of the votes cast on the proposal at the special meeting. An abstention from voting will have no effect on the proposal to approve the Altra Equity Plan Amendments. In accordance with applicable rules, banks, brokers and other nominees who hold shares of common stock in street name for their customers do not have discretionary authority to vote the shares with respect to the proposal to approve the Altra Equity Plan Amendments. Accordingly, there will be no broker non-votes and shares held in street name (that is, shares held through a bank, broker or other nominee) will not be voted on the proposal to approve the Altra Equity Plan Amendments unless the bank, broker or nominee has received voting instructions from its customer.

Q: Do Fortive stockholders have to vote to approve the Transactions?

A: No.

Q: What if an Altra stockholder does not vote on the proposals for the Share Issuance, the Charter Amendment or the Altra Equity Plan Amendments proposals?

A: The outcome depends on how the Altra common stock is held and whether any vote is cast or not:
Holder of Record

if an Altra stockholder submits a proxy to Altra but the proxy does not indicate how it should be voted on the proposals, the proxy will be counted as a vote **FOR** the proposals.

if an Altra stockholder submits a proxy to Altra and the proxy indicates that the stockholder abstains from voting as to the proposals to approve the Share Issuance, the Altra Equity Plan Amendment or the proposal to approve the adjournment or postponement of the special meeting, if necessary or appropriate, to solicit additional proxies if there are sufficient votes at the time of the special meeting to approve the Share Issuance, the Charter Amendment and the Altra Equity Plan Amendment, it will count towards the required quorum but have effect on the proposals.

if an Altra stockholder submits a proxy to Altra and the proxy indicates that the stockholder abstains from voting as to the proposal to approve the Charter Amendment, it will have the same effect as a vote **AGAINST** the proposal.

if an Altra stockholder fails to submit a proxy to Altra, that stockholder's shares will not count towards the required quorum of a majority of the votes entitled to be cast on the proposals. Such a failure to submit a proxy to Altra will have the same effect as a vote **AGAINST** the Charter Amendment.

Beneficial Owner

if an Altra stockholder does not instruct its bank, broker or other nominee to vote its shares on the proposal to approve the Share Issuance, the Charter Amendment, the Altra Equity Plan Amendments or the proposal to approve the adjournment or postponement of the special meeting, if necessary or

Table of Contents

appropriate, to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the Share Issuance, the Charter Amendment and the Altra Equity Plan Amendment, the bank, broker or other nominee may not vote such shares on this proposal because it is a non-routine matter, so no proxy will be submitted on such stockholder's behalf and such stockholder's shares will not count toward the required quorum; and

if an Altra stockholder instructs its bank, broker or other nominee to vote its shares but does not instruct broker or other nominee as to how to vote its shares on one or both proposals, the bank, broker or other nominee will vote such stockholder's shares **FOR** the uninstructed proposal(s).

Q: How does the Altra board of directors of directors recommend stockholders vote?

A: The Altra board of directors recommends that stockholders vote **FOR** the proposal to approve the Share Issuance, **FOR** the proposal to approve the Charter Amendment[, **FOR** the proposal to approve the Altra Equity Plan Amendment] and **FOR** the proposal to approve adjournments or postponements of the special meeting, if necessary or appropriate, to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve the Share Issuance, the Charter Amendment or the Altra Equity Plan Amendment.

Q: Have any Altra stockholders already agreed to vote for the Share Issuance?

A: No.

Q: How can Altra stockholders cast their vote?

A: Altra stockholders may vote before the special meeting in one of the following ways:

by Internet, by following the Internet voting instructions printed on the proxy card;

by telephone, by following the telephone voting instructions printed on the proxy card;

by mail, by completing all of the required information on the proxy card and signing, dating and returning the proxy card in the enclosed postage-paid envelope; or

in person, by attending the special meeting and completing a ballot.

Q:

If an Altra stockholder is not going to attend the special meeting, should that stockholder return its proxy card or otherwise vote its shares?

A: Yes. Returning the proxy card or voting by calling the toll-free number shown on the proxy card or visiting the website shown on the proxy card before the required deadline, Eastern Time on , 2018, ensures that the shares will be represented and voted at the special meeting, even if an Altra stockholder will be unable to or does not attend.

Q: If an Altra stockholder's shares are held in street name through its bank, broker or other nominee, will that bank, broker or other nominee vote those shares?

A: If your shares are held by a bank, broker or other nominee on your behalf in street name, your bank, broker or other nominee will send you instructions as to how to provide voting instructions for your shares by proxy. Many banks and brokerage firms have a process for their customers to provide voting instructions by telephone or via the Internet, in addition to providing voting instructions by proxy card. In accordance with the applicable rules, banks, brokers and other nominees who hold shares of common stock in street name for their customers do not have discretionary authority to vote the shares with respect to the proposals to approve the Share Issuance, the Charter Amendment or the adjournment or postponement of

Table of Contents

the special meeting, if necessary or appropriate. Accordingly, there will be no broker non-votes and shares held in street name will not be voted on the proposals unless the bank, broker or other nominee has received voting instructions from its customer.

Q: Can an Altra stockholder change its vote after mailing its proxy card or submitting voting instructions by Internet or telephone?

A: Yes. If a holder of record of Altra common stock has properly completed and submitted its proxy card or submitted voting instructions by Internet or telephone, the Altra stockholder can change its vote in any of the following ways:

by sending a signed notice of revocation to the corporate secretary of Altra that is received prior to the special meeting stating that the Altra stockholder revokes its proxy;

by properly completing a new proxy card bearing a later date and properly submitting it so that it is received prior to the special meeting;

by logging onto the Internet website specified on the proxy card in the same manner a stockholder would to submit its proxy electronically or by calling the toll-free number specified on the proxy card prior to the special meeting, in each case if the Altra stockholder is eligible to do so and following the instructions on the proxy card; or

by attending the special meeting and voting in person.

Simply attending the special meeting will not revoke a proxy. In the event of multiple online or telephone votes by a stockholder, each vote will supersede the previous vote and the last vote cast will be deemed to be the final vote of the stockholder unless such vote is revoked in person at the special meeting.

If an Altra stockholder holds shares in street name through its bank, broker or other nominee, and has directed such person to vote its shares, it should instruct such person to change its vote, or if in the alternative an Altra stockholder wishes to vote in person at the special meeting, it must bring to the special meeting a letter from the bank, broker or other nominee confirming its beneficial ownership of the shares and that the bank, broker or other nominee is not voting the shares at the special meeting.

Q: What should Altra stockholders do now?

A: After carefully reading and considering the information contained in this document, Altra stockholders should vote their shares as soon as possible so that their shares will be represented and voted at the special meeting. Altra stockholders should follow the voting instructions set forth on the enclosed proxy card.

Q: Can Altra stockholders dissent and require appraisal of their shares?

A: No.

Q: Will the instruments that govern the rights of Altra stockholders with respect to their shares of Altra common stock after the consummation of the Transactions be different from those that govern the rights of current Altra stockholders?

A: The rights of Altra stockholders with respect to their shares of Altra common stock after the consummation of the Transactions will continue to be governed by federal and state laws and Altra's governing documents, including:

the corporate law of the State of Delaware, including the DGCL;

the Altra Charter; and

the Altra Bylaws.

Table of Contents

If the Charter Amendment proposal is approved by the Altra stockholders and the Merger is consummated, the Altra Charter will be amended to increase the number of authorized shares of Altra common stock from 90,000,000 shares to 120,000,000 shares. The additional shares of authorized Altra common stock would be identical to the shares of common stock now authorized and outstanding, and the Charter Amendment would not otherwise affect the rights of current holders of Altra common stock.

Q: Who can answer my questions about the Transactions or the special meeting?

A: If you have any questions about the Transactions or the special meeting, need assistance in voting your shares or need additional copies of this document or the enclosed proxy card, you should contact:

Stevens Holding Company, Inc.

Stevens Holding Company, Inc.

c/o Fortive Corporation

6920 Seaway Boulevard

Everett, WA 98203

Telephone: (425) 446-5000

Stevens Holding Company, Inc., a Delaware corporation, is a newly formed, direct wholly-owned subsidiary of Fortive that was organized specifically for the purpose of effecting the Separation. Newco has engaged in no business activities to date and it has no material assets or liabilities of any kind, other than those incident to its formation and those incurred in connection with the Transactions.

Newco is a holding company. In the Transactions, Fortive will transfer certain assets and liabilities related to the A&S Business (excluding any Direct Sales Assets or Direct Sales Entities, which will be transferred in the Direct Sales), including certain subsidiaries of Fortive, to Newco or its subsidiaries in exchange for the (i) issuance to Fortive of shares of Newco common stock, (ii) the Newco Securities and (iii) the Cash Dividend.

The Transactions

On March 7, 2018, Altra and Fortive agreed to enter into the Transactions to effect the transfer of a portion of the A&S Business to Altra, the transfer of certain non-U.S. assets, liabilities and entities constituting the remaining portion of the A&S Business directly to Altra or one or more subsidiaries of Altra and the assumption by Altra and its subsidiaries of substantially all of the liabilities associated with the transferred assets. These Transactions provide for the separation and distribution of a portion of the A&S Business and the subsequent merger of Merger Sub with and into Newco, with Newco, as the surviving entity, a wholly-owned subsidiary of Altra, as well as the direct sale to Altra of the remaining portion of the A&S Business. In order to effect the Separation, the Distribution, the Direct Sales and the Merger, Fortive, Newco, Altra and Merger Sub entered into the Merger Agreement and Fortive, Newco and Altra entered into the Separation Agreement. In addition, Fortive, Newco, Altra and certain of their respective affiliates entered into, or will enter into, the Ancillary Agreements in connection with the Transactions. These agreements, which are described in greater detail in this document, govern the relationships among Fortive, Newco, Altra, Merger Sub and their respective affiliates after the consummation of Separation, the Distribution, the Direct Sales and the Merger.

The A&S Business consists of the Automation and Specialty platform of Fortive and its subsidiaries as conducted by them under certain related brands, including by the Portescap, Kollmorgen, Thomson and Jacobs Vehicle Systems operating companies, the A&S Companies and the Direct Sales Asset Sellers, but excluding Fortive's Hengstler and Dynapar businesses. Prior to the Distribution and the Merger, Fortive will convey to Newco or one or more subsidiaries of Fortive certain assets and liabilities constituting a portion of the A&S Business, and will cause any applicable subsidiary of Fortive to convey to Fortive or its designated subsidiary (other than Newco or any of Newco's subsidiaries) certain excluded assets and excluded liabilities in order to separate and consolidate a portion of the A&S Business. Immediately thereafter, Fortive will contribute all the equity interests in each such subsidiary of Fortive holding assets and liabilities constituting a portion of the A&S Business to Newco. In exchange, Newco will: (i) issue to Fortive shares of Newco common stock, (ii) issue to Fortive the Newco Securities and (iii) distribute to Fortive the

Cash Dividend. In total, Newco will make distributions to Fortive of cash and debt instruments of Newco with an aggregate value of \$400 million, of which \$150 million (subject to adjustment as provided in the Separation Agreement) is expected to be the Cash Dividend, and \$250 million (subject to adjustment as provided in the Separation Agreement) is expected to be issued as Newco Securities. In addition, pursuant to the Merger Agreement, in the Direct Sales, Fortive will transfer certain non-U.S. assets, liabilities and entities constituting the remaining portion of the A&S Business directly to Altra or one or more subsidiaries of Altra, and the Altra subsidiaries will assume substantially all of

Table of Contents

the liabilities associated with the transferred assets, in exchange for the Direct Sales Purchase Price, which is expected to be \$1.0 billion. Fortive will transfer the Newco Securities to certain parties in exchange for certain outstanding debt obligations of Fortive held by the Debt Exchange Parties. Following the Debt Exchange, the Debt Exchange Parties are expected to sell the Newco Securities to third-party investors.

On the closing date of the Merger, Fortive will distribute all of the issued and outstanding shares of Newco common stock held by Fortive to its participating stockholders in the Exchange Offer. If the Exchange Offer is consummated but is not fully subscribed, Fortive will distribute the remaining shares of Newco common stock on a pro rata basis to Fortive stockholders whose shares of Fortive common stock remain outstanding after consummation of the Exchange Offer. Any Fortive stockholder who validly tenders (and does not properly withdraw) shares of Fortive common stock for shares of Newco common stock in the Exchange Offer will waive their rights with respect to such shares to receive, and forfeit any rights to, shares of Newco common stock distributed on a pro rata basis to Fortive stockholders in the event the Exchange Offer is not fully subscribed. If there is a pro rata distribution, the Exchange Offer agent will calculate the exact number of shares of Newco common stock not exchanged in the Exchange Offer and to be distributed on a pro rata basis, and the number of shares of Altra common stock into which the remaining shares of Newco common stock will be converted in the Merger will be transferred to Fortive stockholders (after giving effect to the consummation of the Exchange Offer) as promptly as practicable thereafter.

Immediately after the Distribution and on the closing date of the Merger, Merger Sub will merge with and into Newco, whereby the separate corporate existence of Merger Sub will cease and Newco will continue as the surviving company and as a wholly-owned subsidiary of Altra. In the Merger, each share of Newco common stock will be converted into the right to receive shares of Altra common stock based on the exchange ratio set forth in the Merger Agreement, as described in the section of this document entitled *The Merger Agreement Merger Consideration*. After the consummation of the Merger and the Direct Sales, Altra will own and operate the A&S Business through Newco and the Direct Sales Purchasers and will also continue Altra's current businesses. All shares of Altra common stock, including those issued in the Merger, will be listed on Nasdaq under Altra's current trading symbol AIMC.

In connection with the Merger, Altra expects to issue 35 million shares of Altra common stock to Fortive stockholders that receive shares of Newco common stock in the Distribution. Calculated based on the closing price on Nasdaq of Altra common stock as of June 18, 2018 the shares of Altra common stock that Altra expects to issue to such Fortive stockholders as a result of the Transactions would have had a market value of approximately \$1.5 billion in the aggregate (the actual value will not be known until the closing date). See *Calculation of the Merger Consideration*.

As a result of the Transactions described above, the aggregate value of the consideration payable to Fortive or Fortive stockholders with respect to the A&S Business is estimated, as of June 18, 2018, to be approximately \$2.9 billion, consisting of (i) approximately \$1.5 billion in value of Altra common stock (calculated based on the closing price on Nasdaq of the Altra common stock as of June 18, 2018) issuable to Fortive stockholders that participate in the Exchange Offer, (ii) \$1.0 billion in cash payable to certain subsidiaries of Fortive in respect of the Direct Sales and (iii) \$400 million payable to Fortive in respect of the Cash Dividend and issuance of the Newco Securities.

Transaction Steps

Below is a step-by-step list illustrating the material events relating to the Separation, the Distribution and the Merger. Each of these events is discussed in more detail elsewhere in this document.

Step #1 *Internal Restructuring; the Separation.* Prior to the Distribution and the Merger, Fortive will convey to Newco or one or more subsidiaries of Fortive certain assets and liabilities constituting a portion of the A&S Business (excluding any Direct Sales Assets or Direct Sales Entities, which will be transferred in the Direct

Table of Contents

Sales described below), and will cause any applicable subsidiary of Fortive to convey to Fortive or its designated subsidiary (other than Newco or any of Newco's subsidiaries) certain excluded assets and excluded liabilities in order to separate and consolidate a portion of the A&S Business. Immediately thereafter, Fortive will contribute all the equity interests in each such subsidiary of Fortive holding assets and liabilities constituting a portion of the A&S Business to Newco.

Step #2 Issuance of Newco common stock. Immediately prior to the Distribution, Newco will issue to Fortive shares of Newco common stock. Following this issuance, Fortive will own 35 million shares of Newco common stock, which will constitute all of the issued and outstanding stock of Newco.

Step #3 Issuance of Newco Securities. Prior to the effective time of the Merger, and as a condition to the Distribution, Newco will make distributions to Fortive of the Cash Dividend and Newco Securities. Fortive expects to exchange the Newco Securities with the Debt Exchange Parties for certain outstanding debt obligations of Fortive, which may include debt securities, loans, commercial paper, or a combination thereof, held by the Debt Exchange Parties. Following the Debt Exchange, the Debt Exchange Parties, or their affiliates, are expected to sell the Newco Securities to third-party investors. The Direct Sales were included in the Transactions as a way to dispose of certain non-U.S. assets, liabilities and entities of the A&S Business to Altra for cash in a tax-efficient manner, while reducing the size of the Debt Exchange needed in order to provide Fortive with the same level of monetization of the A&S Business in the Transactions. If Fortive determines that the Debt Exchange is not reasonably likely to be consummated at or prior to the End Date (as such term is described in The Merger Agreement Termination) in an amount equal to the Above-Basis Amount at the time of the Distribution, then Fortive may elect to (i) require Newco to issue to Fortive the Newco Securities even though the Debt Exchange will not occur at the time of the Distribution, (ii) require Newco to incur indebtedness in an amount up to the Above-Basis Amount, whether in the form of debt securities, loans or a combination thereof, and distribute to Fortive an amount in cash equal to the net proceeds thereof, or (iii) terminate the Merger Agreement as described under The Merger Agreement Termination and pay the termination fee as described under The Merger Agreement Termination Fees and Expenses Payable in Certain Circumstances. Any debt securities issued by Newco to fund the Cash Dividend or issued in lieu of all or any portion of the Newco Securities may be fungible with the Newco Securities that are distributed to Fortive.

Step #4 The Distribution; Exchange Offer or Spin-Off. On the closing date of the Merger, Fortive will distribute 100% of the shares of Newco common stock to Fortive stockholders through either a spin-off or a split-off. In a spin-off, all Fortive stockholders would receive a pro rata number of shares of Newco common stock. In a split-off, Fortive would offer its stockholders the option to exchange all or a portion of their shares of Fortive common stock for shares of Newco common stock in an exchange offer. If the Exchange Offer is undertaken and consummated, but the Exchange Offer is not fully subscribed because fewer than all shares of Newco common stock owned by Fortive are exchanged, the remaining shares of Newco common stock owned by Fortive would be distributed on a pro rata basis to Fortive stockholders whose shares of Fortive common stock remain outstanding after consummation of the Exchange Offer. See The Separation Agreement The Distribution.

The Exchange Offer agent will hold, for the account of the relevant Fortive stockholders, the book-entry authorizations representing all of the outstanding shares of Newco common stock, pending the consummation of the Merger. Shares of Newco common stock will not be able to be traded during this period.

As previously noted, this disclosure has been prepared under the assumption that the shares of Newco will be distributed to Fortive stockholders pursuant to a split-off. Based on market conditions prior to closing, including, but not limited to, the relative valuation and market price of shares of common stock of Fortive and Altra, the implied valuation of the A&S Business, the likelihood of demand from stockholders of Fortive for shares of common stock of Altra to be issued in the Transactions and the assessment by Fortive and its financial

Table of Contents

advisors of the likelihood of sufficient tenders of shares of common stock of Fortive in a split-off, Fortive will determine whether the Newco shares will be distributed to Fortive's stockholders in a spin-off or a split-off and, once a final decision is made, this disclosure will be amended to reflect that decision, if necessary.

Step #5 *The Direct Sales*. In order for Altra to acquire the remaining portion of the A&S Business, prior to the effective time of the Merger, (i) the Direct Sales Sellers will sell to the Direct Sales Purchasers the Direct Sales Assets and the Direct Sales Entities and (ii) the Direct Sales Purchasers will assume the A&S Liabilities of or attributable to the Direct Sales Sellers, in exchange for the Direct Sales Purchase Price.

Step #6 *The Merger*. In the Merger, Merger Sub will be merged with and into Newco, with Newco surviving as a wholly-owned subsidiary of Altra. In the Merger, each outstanding share of Newco common stock (except for shares of Newco common stock held by Fortive, Newco, Altra or Merger Sub, which shares will be canceled and cease to exist, and no consideration will be delivered in exchange therefor) will be converted into the right to receive a number of shares of Altra common stock equal to (x) 35 million shares of Altra common stock divided by (y) the aggregate number of shares of Newco common stock issued and outstanding as of immediately prior to the effective time of the Merger.

Immediately after the consummation of the Merger, approximately 54% of the outstanding shares of Altra common stock are expected to be held by pre-Merger holders of shares of Newco common stock and approximately 46% of the outstanding shares of Altra common stock are expected to be held by pre-Merger Altra stockholders.

Set forth below are diagrams that graphically illustrate, in simplified form, the existing corporate structure, the corporate structure immediately following the Separation and Distribution but before the Merger and the Direct Sales, and the corporate structure immediately following the consummation of the Merger and the Direct Sales.

- (a) In August 2014, the A&S Business completed the divestiture of its electric vehicle systems (EVS)/hybrid product line for a sale price of approximately \$87 million in cash. This product line contributed sales, operating profit and net earnings of approximately \$59.5 million, \$10.5 million and \$7.3 million, respectively, in 2014 prior to the

divestiture. This product line contributed sales, operating profit and net earnings of approximately \$106.5 million, \$10.5 million and \$7.8 million, respectively, in 2013. The Business recorded a pre-tax gain on the sale of the product line of approximately \$34 million (\$26 million after-tax). As of December 31, 2013, this product line had assets of approximately \$66 million. Subsequent to the August 2014 sale, the A&S Business had no continuing involvement in the EVS/hybrid product line. The divestiture of the EVS/hybrid product line was not classified as a discontinued operation in these financial statements because the disposition does not represent a strategic shift that had a major effect on the A&S Business's operations and financial statements.
