**THE COMPANY**

Marathon Petroleum Corporation, which we refer to throughout this prospectus as we, Marathon Petroleum and MPC, was incorporated in Delaware on November 9, 2009 in connection with an internal restructuring of Marathon Oil Corporation. Based in Findlay, Ohio, MPC is the nation's second-largest refiner, with a crude oil refining capacity of approximately 1.9 million barrels per calendar day in its six-refinery system. Marathon brand gasoline is sold through approximately 5,600 independently owned retail outlets across 20 states and the District of Columbia. In addition, Speedway LLC, an MPC subsidiary, owns and operates the nation's second-largest convenience store chain, with approximately 2,740 convenience stores in 22 states. MPC owns, leases or has ownership interests in approximately 10,800 miles of crude oil and light product pipelines. Through subsidiaries, MPC owns the general partner of MPLX LP (MPLX), a midstream master limited partnership. Through MPLX, MPC has ownership interests in gathering and processing facilities with approximately 5.9 billion cubic feet per day of gathering capacity, 8.7 billion cubic feet per day of natural gas processing capacity and 610,000 barrels per day of fractionation capacity. MPC's fully integrated system provides operational flexibility to move crude oil, natural gas liquids, feedstocks and petroleum-related products efficiently through the company's distribution network and midstream service businesses in the Midwest, Northeast, East Coast, Southeast and Gulf Coast regions. MPC owns 100% of the outstanding equity interests of MPLX GP LLC, the general partner of MPLX. Additionally, as of June 30, 2018, MPC owned approximately 63.6% of the outstanding common units of MPLX. MPC's principal executive offices are located at 539 South Main Street, Findlay, Ohio 45840, and its telephone number at that location is 419-422-2121.

Following completion of the Merger, our business, operating results and financial condition will be subject to risks relating to Andeavor's business. You should also carefully consider any specific risks set forth under the caption Risk Factors included in Andeavor's most recent Annual Report on Form 10-K, as such risk factors are amended or supplemented by subsequent Quarterly Reports on Form 10-Q, together with the risk factors set forth in the definitive joint proxy statement/prospectus filed August 3, 2018 with the SEC, which risk factors are incorporated herein by reference.

**Table of Contents**

We have based our forward-looking statements on our current expectations, estimates and projections about our industry and our company. We caution that these statements are not guarantees of future performance and you should not rely unduly on them, as they involve risks, uncertainties, and assumptions that we cannot predict. The registration statement of which this prospectus forms a part only covers awards that were granted under the Plans to individuals who, at the time of the closing of the Merger, are no longer employed by or serving on the board of directors of Andeavor or MPC and any such individuals' donees, pledgees, permitted transferees, assignees, successors and others who come to hold any such awards. **DESCRIPTION OF AWARD ADJUSTMENTS**

In connection with the Merger, MPC or a subsidiary will assume, and MPC shares will be issuable in respect of, the 2006 Plan and the 2011 Plan. The Merger Agreement establishes, among other things, the mechanics for the conversion and adjustment of equity awards granted under the Plans into adjusted awards pursuant to which shares of MPC may be acquired. In accordance with the Merger Agreement, at the effective time of the First Merger:

each outstanding option award ( *Andeavor Option* ) to purchase Andeavor common stock, whether vested or unvested, will automatically and without any action on the part of the holder thereof, cease to represent an option award to purchase Andeavor common stock and will be converted into an option award to acquire a number of shares of MPC common stock (rounded down to the nearest whole number) equal to the number of shares of Andeavor common stock subject to such Andeavor Option immediately prior to the effective time of the First Merger multiplied by 1.87, at an exercise price per share (rounded up to the nearest whole cent) equal to the exercise price per share of such Andeavor Option immediately prior to the effective time of the First Merger divided by 1.87;

each Andeavor outstanding restricted stock unit award or phantom stock unit award with only time-based vesting requirements (except for awards held by non-employee directors of Andeavor) ( *Andeavor RSU* ), whether vested or unvested, will, automatically and without any action on the part of the holder thereof, cease to represent a restricted stock unit award or phantom stock unit award denominated in Andeavor common stock and be converted into a restricted stock unit award denominated in MPC common stock relating to the number of shares of MPC common stock (rounded down to the nearest whole number) equal to the number of shares of Andeavor common stock subject to such Andeavor RSU immediately prior to the effective time of the First Merger multiplied by 1.87;

each outstanding performance share award ( *Andeavor PSA* ) with any performance-based vesting requirements, will, automatically and without any action on the part of the holder thereof, cease to represent a performance share award denominated in Andeavor common stock and be converted into a time-based restricted stock unit denominated in MPC common stock (rounded down to the nearest whole number) equal to the number of shares of Andeavor common stock that would have been issued under such Andeavor PSA assuming the greater of the achievement of target performance or the achievement of actual performance measured as of the effective time of the First Merger, as reasonably determined in good faith by the compensation committee of the Andeavor board in accordance with the applicable award agreement and in consultation with the Chief Executive Officer of MPC, multiplied by 1.87;

each outstanding market stock unit award ( *Andeavor MSU* ) in respect of Andeavor common stock, will, automatically and without any action on the part of the holder thereof, cease to represent a market stock unit award denominated in Andeavor common stock and be converted into a time-based restricted stock unit award denominated in MPC common stock (rounded down to the nearest whole number) equal to the greater of the target number of shares of Andeavor common stock subject to such Andeavor MSU or the number of shares of Andeavor common stock that would have been issued under such Andeavor MSU based on actual performance measured as of the effective time of the First Merger, as reasonably determined in good faith by the compensation committee of the Andeavor board in accordance with the applicable award agreement and

in consultation with the Chief Executive Officer of MPC, multiplied by 1.87;

each outstanding share of Andeavor common stock that is subject to vesting, repurchase, or other lapse of restrictions ( *Andeavor Restricted Share* ), will, automatically and without any action on the part of the holder thereof, cease to represent an Andeavor Restricted Share and be converted into a number of restricted shares of MPC common stock (rounded down to the nearest whole number) equal to the number of Andeavor restricted shares held by the holder of such Andeavor Restricted Share, multiplied by 1.87; and

each outstanding right of any kind, contingent or accrued, to acquire or receive shares of Andeavor common stock or benefits measured by the value of shares of Andeavor common stock, and each award of any kind consisting of shares of Andeavor common stock that may be held, awarded, outstanding, payable or reserved for issuance under the Plans other than Andeavor Options, Andeavor RSUs, Andeavor PSAs, Andeavor MSUs, and Andeavor Restricted Shares, will, automatically and without any action on the part of the holder thereof, cease to represent an award denominated in Andeavor common stock and be converted into the right to acquire or receive benefits measured by the value of (as the case may be) the number of shares of MPC common stock (rounded down to the nearest whole number) equal to the product of the number of shares of Andeavor common stock subject to such Andeavor other award immediately prior to the effective time of the First Merger multiplied by 1.87.

The mechanics for conversion and adjustment of the equity awards summarized above are more fully described in Article IV of the Merger Agreement. The foregoing descriptions of the equity award adjustments are qualified in their entirety by the complete terms and conditions of the Merger Agreement, which is filed as an exhibit to our Registration Statement on Form S-4 first filed with the SEC on May 29, 2018, as amended, and is incorporated by reference herein.

**Item 15. Indemnification of Directors and Officers.***General Corporation Law of the State of Delaware*

Section 145 of the Delaware General Corporation Law ( DGCL ) provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses including attorneys fees, judgments, fines and amounts paid in settlement in connection with various actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation, such as a derivative action), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of any actions by or in the right of the corporation, except that indemnification only extends to expenses, including attorneys fees, incurred in connection with the defense or settlement of such actions, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation s certificate of incorporation, bylaws, agreement, a vote of stockholders or disinterested directors or otherwise.

Section 102(b)(7) of the DGCL provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (1) for any breach of the director s duty of loyalty to the corporation or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL or (4) for any transaction from which the director derived an improper personal benefit.

*Certificate of Incorporation and Bylaws*

Article Ten of Marathon Petroleum s restated certificate of incorporation states that:

## Edgar Filing: Marathon Petroleum Corp - Form S-3ASR

No Director of the Corporation shall be personally liable to the Corporation or any of its stockholders for monetary damages for breach of fiduciary duty as a Director; provided, however, that the foregoing provision will not eliminate or limit the liability of a Director (a) for any breach of that Director's duty of loyalty to the Corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) pursuant to section 174 of the DGCL, as the same exists or as that provision hereafter may be amended or modified from time to time, or (d) for any

II- 1

**Table of Contents**

transactions from which that Director derived an improper personal benefit. If the DGCL is amended or modified after the filing of this Restated Certificate of Incorporation to authorize corporate action further eliminating or limiting the personal liability of Directors, then the liability of a Director, in addition to the limitation on personal liability provided in this Restated Certificate of Incorporation, will be limited to the fullest extent permitted by that law, as so amended or modified. Any repeal or modification of this Article TEN by the stockholders of the Corporation will be prospective only and will not have any effect on the liability or alleged liability of a Director arising out of or related to any event, act or omission that occurred prior to such repeal or modification.

In addition, our bylaws provide that we will indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may be amended, any person who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person or a person for whom such person is the legal representative, is or was a director or officer of us or, while a director or officer of us, is or was serving at our request as a director, officer, manager, partner, member, member representative or other designated legal representative of another corporation or of a partnership, joint venture, limited liability company, trust or other enterprise, including service with respect to employee benefit plans, against all liability and losses suffered and expenses (including attorneys' fees) incurred by such person in connection with such action, suit or proceeding. Our bylaws also provide that we will pay the expenses incurred by a director or officer in defending any such proceeding in advance of its final disposition, subject to such person providing us with specified undertakings. Notwithstanding the foregoing, our bylaws provide that we shall be required to indemnify or make advances to a person in connection with a proceeding (or part thereof) initiated by such person only if the proceeding (or part thereof) was authorized by our board of directors. These rights are not exclusive of any other right that any person may have or may acquire under any statute, provision of our certificate of incorporation, bylaws, agreement, vote of stockholders or disinterested directors or otherwise. No amendment, modification or repeal of those provisions will in any way adversely affect any right or protection under those provisions of any person in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

Our bylaws also permit us to secure and maintain insurance on behalf of any of our directors, officers, employees or agents and each person who is, or was, serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, limited liability company, trust or other enterprise for any liability asserted against and incurred by such person in any such capacity. We intend to maintain directors' and officers' liability insurance providing coverage to our directors and officers.

**Item 17. Undertakings**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

- (i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  
- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to the registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
- (b) The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
