Item 1.01. Entry into a Material Definitive Agreement.

On October 24, 2018, C.H. Robinson Worldwide, Inc. (the Company) entered into an amendment (the Amendment) to its existing credit agreement with a group of lenders led by U.S. Bank National Association (as previously amended, the Existing Credit Agreement). The Amendment increases the amount of the Company's revolving credit facility (the Facility) from \$900 million to \$1 billion. The increase does not affect the letter of credit subfacility under the Existing Credit Agreement, the amount of which remains at \$50 million, or the accordion feature contained in the Existing Credit Agreement, under which the Company continues to have the option of increasing the aggregate lending commitments under the Facility by \$500 million subject to the willingness of existing or new lenders to provide such additional commitments and certain other customary conditions. The swing line subfacility was increased from \$50 million to \$75 million, and a multicurrency subfacility of \$300 million was added to the Facility.

The Amendment also extends the maturity date of the Facility from December 31, 2019 to October 24, 2023 and changes the interest rate and fee structure under the Existing Credit Agreement. While the range of interest rate margins remain the same as under the Existing Credit Agreement, the exact margins to be charged within the prescribed range will be determined based on the Company's S&P Rating and Moody's Rating (rather than a ratio of consolidated funded debt to consolidated EBITDA). In addition, commitment fees were reduced to a range of 0.075% to .200% and will also be determined based on the Company's S&P Rating and Moody's Rating (rather than a ratio of consolidated funded debt to consolidated EBITDA).

In addition, the Amendment modifies the leverage covenant contained in the Existing Credit Agreement. Under the existing leverage covenant, the Company is required to maintain a ratio of consolidated funded debt to consolidated EBITDA as of the end of each fiscal quarter of no more than 3.00 to 1.00, subject to the Company's right, on a one-time basis in connection with any permitted acquisition, to increase the maximum ratio to 3.50 to 1.00 for the next four fiscal quarters. If the holders of the Company's senior notes agree to substantially the same change, the Amendment provides that the ratio of consolidated funded debt to consolidated EBITDA will increase to a maximum of 3.50 to 1.00, subject to the Company's right, on a one-time basis in connection with any permitted acquisition, to increase the maximum ratio to 4.00 to 1.00.

The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, which is filed as Exhibit 10.1 hereto.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

The discussion under Item 1.01 is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

- 10.1 Second Omnibus Amendment dated October 24, 2018 among C.H Robinson Worldwide, Inc., the guarantors and lenders party thereto and U.S. Bank National Association, as LC Issuer, Swing Line Lender and Administrative Agent for the lenders, to that certain Credit Agreement, dated as of October 29, 2012, by and among the C.H. Robinson Company Inc., the lenders, and U.S. Bank National Association, as LC Issuer, Swing Line Lender and Administrative Agent for the lenders, as previously amended.
