ITEM ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT(S)

1.01

On July 23, 2010, the Company's Board of Directors ratified a securities purchase agreement (the "Securities Purchase Agreement") between the Company and AJW Partners, LLC, AJW Partners II, LLC, AJW Master Fund, Ltd., AJW Master Fund II, Ltd. and New Millennium Capital Partners III (collectively, the "Lender") on July 21, 2010. Under the terms of the Securities Purchase Agreement, the Lender will purchase up to an aggregate of \$500,000 in callable convertible secured notes (the "Notes") in tranches. The Company received the initial proceeds from the Securities Purchase Agreement on July 23, 2010 in the amount of \$34,800.

The Notes carry an interest rate of 10% and a maturity date of July 20, 2013. The Notes are convertible into shares of our common stock (the "Common Stock") at the Variable Conversion Price (as defined below). The Variable Conversion Price is equal to 45% of the lowest three (3) trading prices for our shares of common stock during the twenty (20) trading day period prior to conversion.

At our option, we may prepay the Notes, provided no event of default exists, there are a sufficient number of shares of Common Stock available for conversion of the Notes and the Common Stock is trading below the Initial Market Price initially calculated at \$.30. In addition, in the event that the average daily price of the Common Stock, as reported by the reporting service, for each day of the month ending on a determination date is below the Initial Market Price as adjusted, we may prepay a portion of the outstanding principal amount of the Notes equal to 104% of the principal amount divided by thirty-six (36) plus one month's interest. Exercise of this option will stay all conversions for the following month. The full principal amount of the Notes is due upon default under the terms of Notes. In addition, the Company has granted the Lender a security interest in substantially all of its assets and intellectual property, excluding Camelot Studio Group and Camelot Film Group, as well as demand registration rights.

The Lender has contractually agreed to restrict its ability to convert the Notes and receive shares of Common Stock such that the number of shares of Common Stock held by the Lender and affiliates after such conversion or exercise does not exceed 4.99% of the then issued and outstanding shares of Common Stock.

Under the Registration Rights Agreement, upon request of the Lender, we are committed to registering the shares of Common Stock underlying the Notes in the event no exemption for sale of the common Stock is available to the Lender, including Rule 144. In the event no other exemption is available, we have agreed to use our best efforts to file the registration statement within thirty (30) days from the date of request by the Lender, otherwise we may be subject to penalty provisions. There are penalty provisions if the Company does not use its best efforts and respond to comments from the Securities and Exchange Commission (the "SEC") regarding such registration statement in a timely manner, or after the registration statement has been declared effective by the SEC, sales of all of the registered securities cannot be made pursuant to the registration statement due to the fault of the Company.
