-

Item 1.01 Entry into a Material Definitive Agreement

Item 2.03 Creation of Direct Financial Obligation

Item 3.02 Unregistered Sales of Equity Securities

On December 20, 2010, we closed the final tranche of a private placement offering of convertible debentures in the aggregate amount of US\$170,000. The convertible debentures mature on November 30, 2012, subject to forced conversion as set out in the convertible debenture certificate. The convertible debentures pay an interest rate of 12% per annum (on a simple basis) and are convertible at US\$0.35 per unit. Each unit is comprised of one share of our common stock and one share purchase warrant. Each warrant entitles the holder thereof to purchase one share at a price of US\$0.40 per share from the earlier of the maturity date of the convertible debenture or one year from conversion of the convertible debenture.

We also entered into a general security agreement with the subscribers, whereby the obligations to repay the convertible debenture are secured by certain of our assets.

The convertible debentures were issued to two (2) US persons, including Mr. David DeMartini an insider of our company, pursuant to the exemption from registration provided for under Rule 506 Regulation D, promulgated under the United States Securities Act 1933, as amended.

Commissions of \$7,500 are being paid on the entire debt financing to Tom Ihrke.

The Debentures have not been registered under the Securities Act of 1933, as amended, or any state securities laws and may not be offered or sold in the United States without registration or an applicable exemption from registration requirements.

On December 16, 2010, Lexaria Corp. (the Company) entered into an assignment agreement with Emerald Atlantic LLC, solely owned by a Director of the Company (the Assignee), whereby the Assignee has paid a fee of US\$30,075.95 to earn 18% of a 4.423% share of the Company s net revenue interest after field operating expenses for a well to be drilled in Wilkinson County.
