The restricted stock units were awarded under the Johnson Controls Executive Deferred Compensation Plan. The units are to be settled 100% in cash upon the reporting person's termination from the issuer, subject to vesting provisions.

(6) The phantom stock units representing dividends which relate to restricted stock awards that were not deferred will vest when the non-deferred restricted shares vest, and will be paid in cash to the reporting person. Phantom stock units representing dividends which relate to vested deferred awards are payable in cash following the reporting person's retirement from the issuer and may be transferred into an alternative investment account. Vesting continues when the reporting person retires from the issuer.
