INFORMATION ABOUT VOTING

Who is entitled to vote at the Annual Meeting?

Only shareholders of record at the close of business on the record date, March 17, 2006, are entitled to receive notice of the 2006 Annual Meeting and to vote the shares that they held on that date at the annual meeting, or any postponement or adjournment of the annual meeting. As of the close of business on March 17, 2006, the Company had 22,454,021 shares of common stock outstanding.

Shareholders of Record: Shares Registered in Your Name. If your shares were registered directly in your name with the Company's transfer agent, 1,371 as of March 17, 2006, then you are a shareholder of record. As a shareholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to submit your proxy prior to the meeting to ensure your vote is counted. For instructions on how to submit your proxy please see the enclosed proxy card or voter instruction form.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank. If your shares were held in an account at a brokerage firm, bank, dealer or other similar organization as of March 17, 2006, then you are the beneficial owner of shares held in [street name] and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

How do I vote?

You may either vote [For] all the nominees to the Board of Directors or you may withhold from voting for any nominee you specify. For each of the other matters to be voted on, you may vote [For] or [Against] or abstain from voting. The procedures for voting are fairly simple:

Shareholder of Record: Shares Registered in Your Name. If you are a shareholder of record, you may vote in person at the annual meeting or vote by proxy. Instructions to vote by proxy can be found on the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- To vote using the enclosed proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the postage paid envelope provided or follow the instructions on the card to vote via the internet. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank. If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a voter instruction form with these proxy materials from that organization rather than from the Company. Simply follow the directions on the voter instruction form to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 17, 2006.

What if I submit a proxy but do not make specific choices?

If you submit an executed proxy without marking any voting selections, your shares will be voted [For] the election of all nominees for Class III and Class I director, and [For] the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for its current fiscal year ending December 31, 2006. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Can I change my vote?

Yes. You can revoke your proxy at any time before the final vote at the meeting. You may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy bearing a later date;
- You may send a written notice that you are revoking your proxy to the Company's Corporate Secretary, Leslie Wolfgang, 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138; or
- You may attend the annual meeting and notify the election officials at the meeting that you wish to revoke your proxy and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and (with respect to proposals other than the election of directors) Against votes, abstentions and broker non-votes. Abstentions will be counted towards the vote total for each proposal and will have the same effect as Against votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

If your shares are held by your broker as your nominee (that is, in street name), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If the broker or nominee is not given specific instructions, shares held in the name of such broker or nominee may not be voted on those matters and will not be considered as present and entitled to vote with respect to those matters. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

How many votes are needed to approve each proposal?

- For the election of directors, the four nominees receiving the most For votes (among votes properly cast in person or by proxy) will be elected. Broker non-votes will have no effect.
- To be approved, the designation of Ernst & Young LLP as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2006 must receive For votes from the majority of shares present and entitled to vote either in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by shareholders present at the meeting or by proxy. On March 17, 2006, the record date, there were 22,454,021 shares outstanding and entitled to vote. Thus 11,227,011 shares must be represented by shareholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final results will be published in the Company's quarterly report on Form 10-Q for the second quarter of 2006.

ADDITIONAL INFORMATION

How can I obtain the Company's Annual Report on Form 10-K?

Our Annual Report on Form 10-K for the year ended December 31, 2005, as filed with the SEC, including the financial statements, and financial statement schedules, but excluding the exhibits, is being mailed along with this Proxy Statement. A full copy of our Annual Report on Form 10-K for the year ended December 31, 2005, including all exhibits may be obtained from the SEC Filings link on the Investor Relations page of our web-site at www.maac.net or received free of charge by writing Investor Relations at Mid-America Apartment Communities, Inc., 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. We expect that this Proxy Statement will first be sent to shareholders on or about April 13, 2006. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

How many copies should I receive if I share an address with another shareholder?

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies.

The Company and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to the Corporate Secretary at Mid-America Apartment Communities, Inc., 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138 or by calling 901-435-5371. You also may elect to participate in householding if you are eligible to do so by marking the appropriate box on your proxy card.

Who should I contact if I have any questions?

If you have any questions about the Annual Meeting, these proxy materials or your ownership of our common stock, please contact, our Investor Relations Department at 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138, or by emailing investor.relations@maac.net or calling (901) 435-5371.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND ITS COMMITTEES

What is our philosophy regarding corporate governance?

We believe that effective corporate governance is critical to our long-term health and our ability to create value for our shareholders. We have continued to review our corporate governance policies and practices and to compare them against best practice proposals and the practices of other public companies. We also have continued to review the provisions of the Sarbanes-Oxley Act of 2002, new and proposed rules of the SEC, and the corporate governance rules of the New York Stock Exchange, or the NYSE. We will continue to monitor emerging developments in corporate governance and enhance our policies and procedures when required or when our Board of Directors determines that it would benefit the Company and our shareholders. Based on this review, the Board of Directors has

established and maintains Corporate Governance Guidelines that include detailed specifications for director qualification and responsibility. You may find a copy of our Corporate Governance Guidelines on our website at

www.maac.net.

The responsibilities of our Board of Directors and Board committees are described below, along with other corporate governance-related disclosures. All of our Board's committees have written charters which can be found in the Company Info and Governance section on the Investor Relations page of our website at www.maac.net. The Company will also provide a copy of any committee charter, the Corporate Governance Guidelines or our Code of Business Conduct and Ethics without charge upon written request sent to: Mid-America Apartment Communities, Inc., Attention: Investor Relations, 6584 Poplar Avenue, Suite 300, Memphis, Tennessee 38138. The Board of Directors may, from time to time, form other committees as circumstances warrant. Such committees will have authority and responsibility as delegated by the Board of Directors.

How many independent directors do we have?

Our Board of Directors has affirmatively determined that six of our current nine directors are independent: Robert F. Fogelman, Alan B. Graf, Jr., John S. Grinalds, Ralph Horn, Mary E. McCormick and Michael S. Starnes. All of these directors meet the independence standards of our Corporate Governance Guidelines, the NYSE listing standards and applicable SEC rules.

How do we determine whether a director is independent?

A director is considered independent if our Board of Directors affirmatively determines that the director has no direct or indirect material relationship with us. Consistent with the requirements of the SEC, the NYSE and general corporate "best practices" proposals, our Board of Directors reviews all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors. The Board has adopted the following categorical standards:

- A director who is an employee, or whose immediate family member is an executive officer, of the Company is not independent until three years after the end of such employment relationship.
- A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from us, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation.
- A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of the Company is not independent until three years after the end of the affiliation or the employment or auditing relationship.
- A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of the our present executive officers serve on that company's compensation committee is not independent until three years after the end of such service or the employment relationship.
- A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payments from, the Company for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, is not "independent" until three years after falling below such threshold.

The Board consults with the Company's corporate counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of the NYSE, as in effect from time to time.

Do any independent directors have relationships with the Company that the Board of Directors determined were not material?

Mr. Graf is an Executive Vice President and Chief Financial officer of FedEx Corporation. In the normal course of business, we use FedEx as an overnight courier. The Board of Directors concluded that this relationship is not material and does not otherwise impair, or appear to impair, Mr. Graf's independent judgment, and therefore does not prevent him from being independent.

Mr. Horn was Chairman of the Board of Directors of First Tennessee National Corporation, (["FTNC"]), now First Horizon National Corporation, until December 2003 and was previously the President and Chief Executive Officer of FTNC until 2002. We have a line of credit with a group of banks led by AmSouth Bank. First Tennessee Bank, the principal banking subsidiary of FTNC, has committed approximately \$17.5 million towards this line of credit. We have also entered into interest rate swap agreements with First Tennessee Bank totaling a notional amount of \$75 million based on three-month LIBOR. Both the line of credit and the interest rate swap agreements were entered into in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions between unrelated parties. Because of the arm's-length nature of the transaction, the Board of Directors concluded that these relationships are not material and do not otherwise impair, or appear to impair, Mr. Horn's independent judgment, and therefore do not prevent him from being independent.

How many times did our Board of Directors meet last year?

The Board of Directors held eight meetings during 2005.

Did any of our directors attend fewer than 75% of the meetings of the Board of Directors and their assigned committees?

All of the directors who were serving during the calendar year 2005 attended more than 75% of the meetings of the Board of Directors and their assigned committees during the fiscal year.

Does our Board of Directors meet regularly without management present?

Our directors, excluding Messrs. Bolton and Wadsworth, regularly meet to promote open discussion among the non-management directors. Mr. Cates presides over these executive sessions. The non-management directors held three executive sessions during 2005.

Do our independent directors meet regularly without non-independent members?

Our directors, excluding Messrs. Bolton, Cates and Wadsworth, meet regularly to promote open discussion among the independent directors. The directors share presidation over these sessions. The independent directors held one executive session during 2005.

Do directors attend the annual meeting of shareholders?

The Company does not require its directors to attend its Annual Meeting of Shareholders, but the Board of Directors encourages its members to attend. Messrs. Bolton, Cates, Graf, Grinalds, Flournoy (now retired), Fogelman and Wadsworth attended the Annual Meeting of Shareholders held on May 19, 2005.

Does our Board of Directors have any standing committees?

We have three standing committees: Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. The members of each committee are independent, pursuant to the standards set forth in our Governance Guidelines, the NYSE listing standards and applicable SEC rules.

What does the Audit Committee do?

The Audit Committee is responsible for:

- appointing, determining the compensation of, and overseeing the work of the independent registered public accounting firm;
- pre-approving all auditing services and permitted non-audit services, including the fees and terms thereof, to be performed by the independent registered public accounting firm;
- reviewing and discussing with management and the independent registered public accounting firm the annual audited and quarterly unaudited financials statements and our disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our 10-Qs and 10-Ks;
- reviewing and discussing the adequacy and effectiveness of our systems of internal accounting and financial controls;
- establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;
- reviewing the overall corporate "tone" for financial reports, controls, and ethical behavior;
- reviewing with management and the independent registered public accounting firm our compliance with the requirements for qualification as a REIT; and
- issuing a report annually as required by the SEC's proxy solicitation rules.

Where can I find a copy of the Audit Committee Charter?

The Audit Committee Charter can be found on our website at <http://www.maac.net> in the Company Info and Governance section on the Investor Relations page.

Who are the members of the Audit Committee?

The members of the Audit Committee are Messrs. Graf (Chairman), Grinalds, Starnes and Ms. McCormick.

How many meetings did the Audit Committee have last year?

The Audit Committee held nine meetings during 2005.

Does the Audit Committee have an Audit Committee Financial Expert?

The Board has determined that Mr. Graf and Ms. McCormick both meet the qualifications of an audit committee financial expert as defined by applicable SEC rules.

What does the Compensation Committee do?

The Compensation Committee:

- reviews and approves our compensation objectives;
- reviews and approves the compensation programs, plans, and awards for executive officers;
- acts as administrator as may be required for our equity-related incentive plans; and
- issues a report annually related to executive compensation, as required by the SEC's proxy solicitation rules.

Does the Compensation Committee have a charter?

The Compensation Committee Charter can be found at our corporate web site at <http://www.maac.net> in the Company Info and Governance section on the Investor Relations page.

Who are the members of the Compensation Committee?

The Compensation Committee consists of Messrs. Horn (Chairman), Fogelman and Grinalds.

How many meetings did the Compensation Committee have last year?

The Compensation Committee held two meetings during 2005.

What does the Nominating and Corporate Governance Committee do?

The Nominating and Corporate Governance Committee:

- provides assistance and oversight in identifying qualified candidates to serve as members of the Board of Directors;
- reviews the qualification and performance of incumbent directors to determine whether to recommend them as nominees for reelection;
- reviews and considers candidates for directors who may be suggested by any director or executive officer, or by any shareholder if made in accordance with our charter, bylaws and applicable law; and
- recommends to the Board of Directors appropriate corporate governance principles that best serve the practices and objectives of the Board of Directors.

Does the Nominating and Corporate Governance Committee have a charter?

The Nominating and Corporate Governance Committee Charter can be found at our website at <http://www.maac.net> in the Company Info and Governance section on the Investor Relations page.

Who are the members of the Nominating and Corporate Governance Committee?

The Nominating and Corporate Governance Committee consists of Messrs. Horn (Chairman), Fogelman and Grinalds.

How many meetings did the Nominating and Corporate Governance Committee hold last year?

The Nominating and Corporate Governance Committee held three meetings during 2005.

How does the Board of Directors select director candidates?

Our charter divides the Board of Directors into three classes as nearly equal in number as possible, with each class serving a term of three years. Our shareholders elect one class of directors at each annual meeting.

At the March 14, 2006, meeting of the Board of Directors, John F. Flournoy retired from the Board to pursue other opportunities and the Board of Directors elected Ms. McCormick to serve as a Class I director until the 2006 Annual Meeting of Shareholders. Shareholders are being asked to elect Ms. McCormick to serve as a Class I director until the 2007 Annual Meeting of Shareholders when that Class would normally be up for reelection.

Director Nomination Policy

It is the policy of the Nominating and Corporate Governance Committee to review and consider all candidates for nomination and election as directors who may be suggested by any director or executive officer of the Company. It is the Company's policy to refer to its Nominating and Corporate Governance committee for consideration any director candidate recommended by any shareholder who beneficially owns at least 1,000 shares of the Company's outstanding common stock if made in accordance with the Company's charter, bylaws and applicable law.

We will consider for inclusion in our proxy materials for the 2007 Annual Meeting of Shareholders, shareholder proposals that are received at our executive offices no later than December 14, 2006 and that comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934. Proposals must be sent to the Nominating and Corporate Governance Committee, Attention: Leslie B. C. Wolfgang,

Corporate Secretary, Mid-America Apartment Communities, Inc., 6584 Poplar Ave., Ste. 300, Memphis, TN 38138.

Shareholders wishing to submit proposals or director nominations that are not to be included in our proxy materials must have given timely notice thereof in writing to our Corporate Secretary. To be timely for the 2007 Annual Meeting of Shareholders, you must notify our Corporate Secretary, in writing, no later than the close of business on February 27, 2007. Any submission should include enough information about the proposed nominee to make them identifiable by the committee and include the submitter's name and the name their shares are held in so that the status as a shareholder and the number of shares they own may be verified.

Minimum Director Qualifications

The Nominating and Corporate Governance Committee along with the Board of Directors is responsible for determining the skills and characteristics that need to be met by each director and director nominee. In determining director or director nominee qualifications, views of both the individual and the Board of Directors as a whole shall be considered.

A director or director nominee's knowledge and/or experience in areas such as, but not limited to, real estate investing, REITs, management, leadership, public companies, equity and debt capital markets and financial accounting are likely to be considered both in relation to the individual's qualification to serve on our Board of Directors and the needs of the Board as a whole.

The Board of Directors does not impose term limits but has adopted a retirement age of 70 after which a director will not be nominated for election. While it is believed that a director's knowledge and/or experience can continue to provide benefit to the Board of Directors following a director's retirement from their primary work affiliation, it is recognized that a director's knowledge of and involvement in ever changing business environments can weaken and therefore their ability to continue to be an active contributor to the Board of Directors shall be reviewed. Upon a director's change in employment status they are required to notify the Chairman of the Board of Directors and the Nominating and Corporate Governance Committee of such change and to offer their resignation for review.

Other characteristics including, but not limited to, the director or director nominee's material relationships with the Company, time availability, service on other boards of directors and their committees, or any other characteristics which may prove relevant at any given time as determined by the Nominating and Corporate Governance Committee shall be reviewed for purposes of determining a director or director nominee's qualification.

Members of the Nominating and Corporate Governance Committee as well as other Board members and members of executive management may meet with directors or director nominees for purposes of determining their qualification.

What are directors paid?

Directors who are our employees do not receive additional remuneration for serving as directors. Beginning in 2005, each non-employee director receives \$26,000 annually for serving on the Board of Directors. To compensate for their additional duties, the Audit Committee chairman receives an additional \$15,000 annually, and other committee chairmen receive an additional \$5,500 annually. Directors also receive \$1,000 for attending a meeting of the Board of Directors or a committee meeting not held in conjunction with a Board of Directors meeting in person and \$500 for attending a meeting of the Board of Directors or a committee meeting not held in conjunction with a Board meeting by telephone. In accordance with the Company's Non-Qualified Deferred Compensation Plan For Outside Company Directors, the directors have the option of having phantom stock issued into a deferred compensation account in lieu of cash. This stock is then issued in two annual installments either in shares of the Company's common stock or in cash upon the director's retirement from the Board.

Beginning in 2005, non-employee directors also receive \$75,000 worth of shares of restricted stock in the Company. The shares of restricted stock are granted upon each director's reelection to the Board of Directors. The shares of restricted stock are issued through the Company's 2004 Stock Plan and vest in three equal annual installments at the end of each of the director's years of service. To begin the program, those directors who were not up for reelection at the 2005 Annual Meeting of Shareholders received a pro-rata grant of shares of restricted stock based upon the years of service remaining in their current term. Directors added to the Board mid-term receive a pro-rata

grant of restricted stock based on the amount of time until the next Annual Meeting of Shareholders at which time they receive a grant of restricted stock to encompass both any partial term left in their Class as well as the next full term of their Class.

INDEBTEDNESS OF MANAGEMENT TO THE COMPANY

In 1997, 1998, and 2000 we sold shares of common stock and limited partnership units in Mid-America Apartments, L.P. to certain employees pursuant to a Leadership Employee Stock Ownership Program (LESOP). Under the LESOP, shares of common stock and limited partnership units were sold to employees at market

prices, with 15% of the sale price bonused to the employee over a five-year period.

Mr. Cates purchased a total of 175,000 shares pursuant to this program at an aggregate purchase price of \$4,496,500. Roughly 85% of this amount, or \$3,822,063 was funded by personal loans obtained by Mr. Cates, and the balance, \$674,437, was funded by the Company's LESOP bonus program over a five-year period.

Mr. Bolton purchased a total of 110,000 limited partnership units pursuant to this program at an aggregate purchase price of \$2,966,500. Roughly 85% of this amount, or \$2,521,563 was funded by personal loans obtained by Mr. Bolton, and the balance, \$444,937 was funded by the Company's LESOP bonus program over a five-year period.

10

Mr. Wadsworth purchased a total of 100,000 shares and limited partnership units pursuant to this program at an aggregate purchase price of \$2,706,500. Roughly 85% of this amount, or \$2,300,563 was funded by personal loans obtained by Mr. Wadsworth, and the balance, \$405,937 was funded by the Company's LESOP bonus program over a five-year period.

In April 2002 the Company entered into duplicate LESOP bonus programs to the existing common stock and limited partnership unit sales. These agreements took effect immediately following the conclusion of the first agreements, have the same form and terms of the original agreements, and effectively raise the total LESOP bonus amount to 30% of the original sale price.

The employees of the Company listed in the table below are indebted to the Company pursuant to such promissory notes for shares of common stock and limited partnership units acquired under the LESOP, which amounts are bonused to them over a five-year period. The table indicates the largest amount of the indebtedness outstanding during fiscal year 2005 and the amount outstanding at February 28, 2006. Such indebtedness bears interest at rates ranging from 5.59% to 6.49% per annum.

	Maximum Indebtedness	Indebtedness at
	During 2005	February 28, 2006
George E. Cates (1)	\$ 415,593.75	\$ 415,593.75
H. Eric Bolton, Jr.	309,150.00	220,162.50
Simon R. C. Wadsworth	285,750.00	204,562.50
Total executive officers	\$ 1,010,493.75	\$ 840,318.75

(1) George E. Cates was not an executive officer of the Company during 2005, but is shown here as a participant in the LESOP program as a result of his former executive status with the Company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

GENERAL

The Compensation Committee of the Board of Directors is currently composed solely of independent directors. The Compensation Committee is responsible for ensuring that a proper balance of current compensation and longer-term equity-based rewards are offered to executive management to provide incentives to increase shareholder value. The Compensation Committee determines each executive officer's compensation annually, including base salary, discretionary cash bonuses, and stock incentive awards. The Company's compensation policy is to reward performance, which leads to long-term growth in shareholder value per share.

Our executive compensation program is designed to attract, retain, and reward the executives responsible for leading us toward the achievement of our business objectives. The Compensation Committee makes decisions each year regarding executive compensation, including base salaries, bonus awards, and stock-based compensation. All compensation for executive officers is reviewed by the full Board of Directors. The Compensation Committee has furnished the following report on executive compensation for 2005.

PHILOSOPHY AND POLICIES FOR EXECUTIVE OFFICER COMPENSATION

The general philosophy underlying our executive compensation program is:

- to align the financial interests of our executives with those of its shareholders, both in the short and long term;
- to provide incentives for achieving and exceeding our annual and long-term performance goals;
- to attract, retain and motivate highly competent executives by providing total compensation that is competitive with compensation at other well-managed companies in the REIT industry, and
- to reward superior corporate and individual performance.

In determining executive compensation, the Compensation Committee considers our financial and operating performance relative to companies with similar annual revenues, capitalization, and business operations, as well as the performance of each individual executive officer. The Committee also, in its discretion, considers such other factors as it deems relevant to providing compensation that is competitive in the marketplace, rewards successful financial performance, and aligns executive officers' interests with those of our shareholders.

BASE SALARY AND ANNUAL INCENTIVE COMPENSATION

Executive management's compensation, including their salaries, is based upon the competitive market for their services, their specific responsibilities, experience and overall performance. The Company conducts a survey annually (the "Survey") of multifamily Real Estate Investment Trusts (REITs) by reviewing publicly available information on compensation of the REITs' senior management personnel, with special emphasis on those of similar geographic concentration, size, and/or business focus as the Company. This information is compiled and made available to the Compensation Committee in advance of its meeting in the beginning of each year.

The Compensation Committee sets executive compensation programs to be competitive with REITs which are included in the Survey, taking into account individually each component of compensation, including base salary,

annual bonus programs, and long term incentive plans which it believes will best align executive management's interests with those of shareholders over a long term period. The Compensation Committee intends for each component and the aggregate of the compensation program to be competitive.

In 2005, the Compensation Committee hired an external consultant, FPL Associates Compensation, to review the current compensation package offered to executive management, benchmark it against industry and peer levels and offer suggestions for changes (the "FPL Review"). FPL Associates Compensation presented the results of the FPL Review at the March 14, 2006, Compensation Committee meeting.

For 2005, after review of the Survey and each component of compensation, the Compensation Committee increased Messrs. Bolton's and Wadsworth's base salaries to \$369,564 and \$241,020, respectively, which it felt was in line with the increases received by the general employee base of the Company.

18

For 2006, after consideration of the FPL Review and each component of compensation, the Compensation Committee increased Messrs. Bolton's and Wadsworth's base salaries to \$380,650 and \$248,250, respectively, which it felt was in line with the increases received by the general employee base of the Company.

For 2005, the participants in the annual executive bonus plan, which is re-evaluated at the beginning of each year, were Messrs. Bolton and Wadsworth. In setting the 2005 annual bonus plan the Compensation Committee adopted a plan, which took into account growth of Funds From Operations ("FFO") per share over 2004, and the achievement of individual goals as approved by the Compensation Committee. The FFO growth determines the potential bonus based on a sliding scale defined as a percentage of salary. Each executive's individual performance against their personal goals then determines the amount of that potential bonus they are entitled to receive. The Compensation Committee has the ability to factor in any unique variables that may or may not occur that impact the Company's FFO performance, but may or may not subsequently impact the Company's share price, to help ensure that the potential bonus is in line with actual shareholder performance realized for the year. The scope of the plan was set with the goal of making it an important part of executive management's total compensation and making the plan competitive with programs offered by those REITs included in the Survey. As a result of the FFO growth over 2004 and the percentage of achievement of individual goals as approved by the Compensation Committee, Messrs. Bolton and Wadsworth received \$739,128 and \$482,040, respectively for work performed in 2005.

In setting the 2006 annual bonus plan the Compensation Committee adopted a plan materially similar to the 2005 plan. The 2006 plan takes into account growth of Funds From Operations ("FFO") per share over 2005, and the achievement of individual goals as approved by the Compensation Committee. The FFO growth determines 80% of the potential bonus based on a sliding scale defined as a percentage of salary while the attainment of individual goals determines the remaining 20% of the potential bonus. The Compensation Committee has the ability to factor in any unique variables that may or may not occur that impact the Company's FFO performance, but may or may not subsequently impact the Company's share price, to help ensure that the potential bonus is in line with actual shareholder performance realized for the year. The 2006 bonus opportunity is capped at 200% of salary, but that calculated bonus opportunity may then be modified by the Compensation Committee either up or down by 25%. The scope of the plan was set with the goal of making it an important part of executive management's total compensation and making the plan competitive with programs offered by those REITs included in the Survey.

FOURTH AMENDED AND RESTATED 1994 RESTRICTED STOCK AND STOCK OPTION PLAN

The Fourth Amended and Restated 1994 Restricted Stock and Stock Option Plan (the "1994 Plan") was established in 1994 to be the Company's long-term incentive plan for executive officers and other selected employees. The objective of the program is to retain and motivate executives to improve long-term stock performance. The Compensation Committee has the authority, within limitations set forth in the 1994 Plan, (i) to establish rules and regulations concerning the 1994 Plan, (ii) to determine the persons to whom options and restricted securities may be granted, (iii) to fix the number of shares of common stock to be covered by each option and (iv) to set the terms and provisions of each option and restricted security to be granted. Stock options are generally granted at the prevailing market value and will only have value if the Company's stock increases in value.

In compliance with the time limitations of the 1994 Plan, as of January 1, 2004, no further grants can be made under the 1994 Plan.

2004 STOCK PLAN

At the May 24, 2004, Annual Meeting of Shareholders, shareholders approved the 2004 Stock Plan. The 2004 Stock Plan mirrors the 1994 Plan and allows for future grants of options and shares of restricted stock. The 2004 Stock Plan reserved 500,000 shares of the authorized and unissued shares of common stock of the Company to be awarded through the plan.

On March 9, 2005, the Compensation Committee granted a total of 8,852 shares of restricted stock through the 2004 Stock Plan to executive management as part of their bonus package for work performed in 2004. The shares of restricted stock will vest in two equal annual installments.

On May 19, 2005, 8,895 shares of restricted stock were granted to non-employee directors through the 2004 Stock Plan as part of their compensation.

19

On March 14, 2006, the Compensation Committee granted a total of 74,895 shares of restricted stock through the 2004 Stock Plan to executive management representing the payout of the Long-Term Performance Based Incentive Compensation Plan.

On March 15, 2006, 73 shares of restricted stock were granted to a non-employee director elected to fill a new seat on the Board of Directors.

LONG-TERM PERFORMANCE BASED INCENTIVE COMPENSATION PLAN

Summary of Long-Term Performance Based Incentive Compensation Plan

The Compensation Committee by authorization of the Board of Directors of the Company submitted the Long-Term Performance Based Incentive Plan for Executive Officers (the "Long-Term Plan") which was approved by shareholders on June 2, 2003. The Long-Term Plan allowed executive management to earn performance units that convert into shares of restricted stock based on achieving defined total shareholder investment return performance levels. The potential award of performance units which convert into shares of restricted stock was based on the Company's performance from January 1, 2003 through December 31, 2005. Performance units generated were earned as of December 31, 2005 and were immediately convertible into shares of restricted stock. While these shares of restricted stock are entitled to dividend payments, they will not be transferable or have voting privileges until they vest. Dependent upon the executive officer's continued employment with the Company, any shares of restricted stock awarded will vest 20% annually from 2006 through 2010. In the event of death, disability, retirement or change of control any unvested shares of restricted stock will immediately vest.

Shareholder investment performance was calculated by the combination of dividends paid plus either (i) the market closing price of the Company's common stock on December 31, 2005, or (ii) the value of the Company's common stock at the close of business December 31, 2005. The value of the Company's common stock was calculated by using a 12.5 multiple of Funds Available for Distribution ("FAD") per share earned in 2005. The methodology utilized was to be that which generated the highest performance unit award pay-out at December 31, 2005.

The number of performance units to be issued was dependent upon the compounded shareholder investment return performance as indicated in the following table:

Compounded Shareholder Investment Return Performance	Percentage of Value Created to be Awarded
<= 10.0%	0%

10.1% - 11.0%	1%
11.1% - 12.0%	2%
>= 12.1%	3%

In addition to the above, the compounded shareholder investment return performance had to rank within the top one-third of peer multifamily REITs as defined by the Compensation Committee.

The number of performance units awarded was to equal the percentage of value created to be awarded times the total shareholder value created, divided by the value or price per share used in the generation of the shareholder investment return performance. The performance units were then to be allocated 60% to the Chief Executive Officer and 40% to the Chief Financial Officer.

Modification of Long-Term Performance Based Incentive Compensation Plan

Based upon the then current share price and share price projections, a total potential award for the Long-Term Plan and the example provided in the proxy statement dated April 30, 2003, was presented as \$3,632,429. Due to the growth in the Company's share price over the last two years, if the Long-Term Plan were to have ended in 2004, the total award would have exceeded \$14 million.

20

As a result of the size of the potential award that may become grantable at December 31, 2005, Messrs. Bolton and Wadsworth approached the Compensation Committee of the Board of Directors and offered to allow the Long-Term Plan to be modified to cap the total of any potential award to \$3,632,429, the amount originally presented to shareholders. The Compensation Committee voted to accept this modification to the Long-Term Plan effective with the filing of the 2005 proxy statement.

Award of Long-Term Performance Based Incentive Compensation Plan

Based on the December 31, 2005, closing price of \$48.50 per share of the Company's common stock and the Company's 2005 FAD per share result of \$2.55, both calculations of the Long-Term Plan resulted in the cap of \$3,632,429 being awarded. On March 14, 2006, the Compensation Committee reviewed and approved the peer group and ranking results and granted 44,937 and 29,958 shares of restricted stock to Messrs. Bolton and Wadsworth in compliance with the Long-Term Plan.

2002 KEY MANAGEMENT RESTRICTED STOCK PROGRAM

In 2002, the Company issued 97,881 restricted shares of common stock to 15 key managers through the 1994 Plan. As a result of two managers leaving the employment of the Company, as of December 31, 2005, only 86,477 shares remain issued. Of these shares, a total of 30,117 were issued to executive management. These shares will vest 20% a year for five consecutive years beginning in 2007. The shares had the ability to early vest in 2002 through 2004 if certain pre-set performance goals based on funds available for distribution growth had been met. Recipients receive dividend payments on the shares of restricted stock prior to vesting.

2005 KEY MANAGEMENT RESTRICTED STOCK PROGRAM

In 2005, the Compensation Committee authorized the 2005 Key Management Restricted Stock Program (the "2005 Program"), a long-term incentive program for 25 key employees including the Chief Executive Officer and Chief Financial Officer. The 2005 Program awards up to 1.5 times the participant's annual salary in shares of restricted stock based on a sliding scale of total shareholder return over three 12-month measurement periods. Any shares of restricted stock earned will vest 100% at the end of a three-year restriction period. Dividends will be paid during the restriction period. Shares not earned during the measurement periods will not be awarded under the 2005 Program. There is no automatic vesting of shares.

NON-QUALIFIED EXECUTIVE DEFERRED COMPENSATION PLAN

The Non-qualified Deferred Compensation Plan is the Company's long-term incentive plan for key employees who are not qualified for participation in the Company's 401(k) plan. Under the terms of this plan, key employees may elect to defer a percentage of their compensation and the Company matches a portion of their salary deferral with similar provisions as apply for the Company's 401(k) plan. This plan is designed so that the employees' investment earnings should be the same as the earning assets in the Company's 401(k) plan.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

Based upon the criteria and plans described above, Mr. Bolton's employment agreement with the Company, entered into in December 1999, provided for a base salary of \$369,564 for the year ended December 31, 2005. The Compensation Committee considered this annual base salary to be competitive with comparable REITs to the Company. During the calendar year 2005, Mr. Bolton received \$359,300 in cash bonus compensation, \$358,800 related to work performed in 2004, and \$206,283 worth of shares of restricted stock of the Company as a bonus for work performed in 2004.

EMPLOYMENT AGREEMENTS

The Company entered into employment agreements with Messrs. Bolton and Wadsworth in December 1999. These employment agreements have substantially similar terms, except for their base salary provisions. Each one (i) has a term of one year that renews automatically on the first day of each month for an additional one-month period,

21

so that on the first day of each month, unless sooner terminated in accordance with the terms of the agreement, the remaining term is one year; (ii) provides for annual base salaries for the executives, subject to change at the discretion of the Compensation Committee; and (iii) allows for annual incentive/bonus compensation.

Upon the executive's termination due to death or permanent disability or in the event the executive is terminated without cause by the Company or suffers a constructive termination of his employment in the absence of a change of control, the Company will pay the executive all amounts due to the executive as of the date of termination under the terms of all incentive and bonus plans, and will also continue to pay the executive his base salary as then in effect for one year after the termination. In addition, all stock options granted to the executive shall become fully vested and exercisable in accordance with their terms on the termination date, or the executive may elect to receive an amount in cash equal to the in-the-money value of the shares covered by all such options. Finally, the Company will pay to the executive all legal fees incurred by the executive in connection with his termination without cause or constructive termination by the Company.

If the executive is terminated without cause or suffers a constructive termination in anticipation of, on, or within three years after a change in control of the Company, the executive is entitled to receive a payment equal to the sum of two and 99/100 (2.99) times his annual base salary in effect on the date of termination plus two and 99/100 (2.99) times his average annual cash bonus paid during the two immediately preceding fiscal years. To the extent that an excise tax on excess parachute payments will be imposed on the executive under Section 4999 of the Internal Revenue Code as a result of such payment, the Company shall pay the executive an additional amount sufficient to reimburse him for taxes imposed pursuant to Sections 280G and 4999 of the Internal Revenue Code. In addition, all stock options granted to the executive shall become fully vested and exercisable in accordance with their terms on the termination date, or the executive may elect to receive an amount in cash equal to the greater of (i) the in-the-money value of the shares covered by all such options or (ii) the difference between the highest per share price for shares of the Company paid in connection with the change of control and the per share exercise price of the options held by the executive, multiplied by the number of shares covered by all such options. Finally, the Company will pay to the executive all legal fees incurred by the executive in connection with the change of control.

Each employment agreement also contains confidentiality and non-competition provisions, as well as the agreement of the executive not to hire other employees of the Company upon severance.

TAX CONSIDERATIONS

Section 162(m) of the Internal Revenue Code of 1986, enacted as part of the Omnibus Budget Reconciliation Act in 1993, generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid to the Company's Chief Executive Officer and four other most highly compensated executive officers. Compensation paid to these officers in excess of \$1,000,000 that is not performance-based cannot be claimed by the Company as a tax deduction. The Compensation Committee believes it is appropriate to take into account the \$1,000,000 limit on the deductibility of executive compensation and to seek to qualify executive compensation awards as performance-based compensation excluded from the \$1,000,000 limit. Stock options and other equity-based incentives granted under the Company's stock incentive plans qualify as performance-based compensation. None of the executive officers received compensation in 2005 that would exceed the \$1,000,000 limit on deductibility. The Committee has not determined whether it will approve any compensation arrangements that will cause the \$1,000,000 limit to be exceeded in the future.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee is responsible for selecting our independent registered public accounting firm and has selected Ernst & Young LLP to audit our financial statements for the 2006 fiscal year. Accordingly, shareholder approval is not required to appoint Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2006. The Board of Directors believes, however, that submitting the appointment of Ernst & Young LLP to the shareholders for ratification is a matter of good corporate governance. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting of Shareholders to make a statement if they so desire and to answer any appropriate questions.

In the event you do not ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm, the Audit Committee will reconsider the appointment of Ernst & Young LLP. Even if you do ratify the appointment, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it believes that such a change would be in the best interests of the Company and our shareholders.

The presence of a quorum at the Annual Meeting of Shareholders and the affirmative vote of a majority of the votes present at the meeting, either in person or by proxy, and entitled to vote on the matter are necessary to ratify the selection of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2006.

On behalf of the Audit Committee, the Board of Directors recommends a vote in favor of Proposal No. 2.
