**Item 5.07. Submission of Matters to a Vote of Security Holders.**

On September 14, 2012, we held a special meeting of stockholders (the Special Meeting ). At the Special Meeting, our stockholders voted on three proposals, each of which is described in more detail in our definitive proxy statement/prospectus on Schedule 14A filed with the SEC on August 8, 2012 (the Proxy Statement ). The results of the matters presented at the Special Meeting, based on the presence in person or by proxy of holders of 15,551,302 shares of our common stock of the 21,336,451 shares of common stock entitled to vote, are described below.

At the Special Meeting, our stockholders approved the adoption of the Agreement and Plan of Merger, dated as of April 13, 2012, by and among Stratasys, Objet Ltd., an Israeli corporation, Seurat Holdings Inc., a Delaware corporation and an indirect wholly-owned subsidiary of Objet, or Holdco, and Oaktree Merger Inc., a Delaware corporation and a direct wholly-owned subsidiary of Holdco, or Merger Sub, as it may be further amended from time to time ( Merger Agreement ). Our stockholders also approved the non-binding advisory proposal to approve certain compensation arrangements for our named executive officers in connection with the merger. In addition, sufficient votes were received to approve the proposal for the adjournment of the Special Meeting (if necessary or appropriate to permit solicitation of additional proxies in the event there were insufficient votes to adopt the Merger Agreement), but an adjournment was not necessary in light of the adoption of the Merger Agreement.

The items voted upon at the Special Meeting and the final voting results for each proposal were as follows:

SAFE HARBOR FOR FORWARD-LOOKING STATEMENTS

Statements in this document regarding the proposed transaction between Stratasys and Objet, including, without limitation, the expected timetable for completing the transaction, statements related to the anticipated consummation of the proposed combination of Stratasys and Objet, statements regarding regulatory review of the transaction, management of the combined company, the benefits of the proposed combination, the future financial performance of the combined company after the proposed combination, and any other statements regarding future expectations, beliefs, goals, plans or prospects constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Any statements that are not statements of historical fact (including statements containing believes, anticipates, plans, expects, may, would, intends, estimates and similar expressions) should also be considered to be forward-looking statements. There are a number of important factors that could cause actual results or events to differ materially from those indicated by such forward-looking statements, including: the ability of each of Stratasys and Objet to satisfy the closing conditions and consummate the transaction; the risk that the businesses may not be integrated successfully; the risk that the transaction may involve unexpected costs or unexpected liabilities; the risk that synergies from the transaction may not be fully realized or may take longer to realize than expected; the risk that management's focus on and disruptions arising from the transaction make it more difficult to maintain relationships with customers, employees, or suppliers; and the other risks set forth in the definitive proxy statement/prospectus filed with the SEC by Stratasys on August 8, 2012, as well as the other factors described in the filings that Stratasys makes with the SEC from time to time. If one or more of these factors materialize, or if any underlying assumptions prove incorrect, the transactions described herein may not be successfully consummated, and if consummated the actual results, performance or achievements of the combined company may vary materially from any future results, performance or achievements expressed or implied by these forward-looking statements.

In addition, the statements in this document reflect the expectations and beliefs of Stratasys as of the date of this document. Stratasys anticipates that subsequent events and developments will cause its expectations and beliefs to change. However, while Stratasys may elect to update these forward-looking statements publicly in the future, it specifically disclaims any obligation to do so. The forward-looking statements of Stratasys do not reflect the potential impact of any future dispositions or strategic transactions, including the Merger that may be undertaken. These forward-looking statements should not be relied upon as representing Stratasys' views as of any date after the date of this document.
