#### Edgar Filing: EXIDE TECHNOLOGIES - Form 4

### **Explanation of Responses:**

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) For Section 16 purposes only, the increases in option exercise prices are deemed to be a cancellation of the old options and the grant of replacement options. The other terms of the outstanding options (including the vesting of the options) remain unchanged.
  - On February 18, 2008, the Reporting Person entered into an agreement with the Registrant to amend the exercise prices of certain eligible stock options. The exercise prices of these eligible options were based on a formula set forth in the Registrant's outstanding warrant agreement, which provides for an exercise price per share equal to the 10-day trailing average closing price per share of the Registrant's
- (2) common stock prior to the date of grant. As a result, the exercise prices for these eligible options were less than the closing sale price per share of the Registrant's common stock on the dates of grant. Pursuant to the amendment agreement, the exercise price per share of each of the eligible options will increase to the closing sale price per share of the Registrant's common stock on the date of grant of that eligible option.
- (3) See the Registrant's Current Report on Form 8-K filed with the Securities and Exchange Commission on February 20, 2008 for additional information.
- The amount shown in Column 9 reflects the number of Common Shares that may be acquired on exercise of Employee Stock Options (4) granted to the Reporting Person on June 6, 2005, September 21, 2006 and March 21, 2007 pursuant to the 2004 Stock Incentive Plan and does not include shares that may be acquired upon exercise of outstanding Employee Stock Options previously reported.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
