Item 7.01 Regulation FD Disclosure

TransDigm Group Incorporated (NYSE: TDG) and Esterline Technologies Corporation (NYSE:ESL) announced today that they have entered into a definitive agreement under which TransDigm will purchase all of the outstanding shares of common stock of Esterline for \$122.50 per share in cash or a total transaction value of approximately \$4.0 billion including the assumption of debt. The transaction has been approved by the Boards of Directors of both companies. TransDigm expects the acquisition to be financed primarily through cash on hand and the incurrence of new term loans, and currently anticipates the acquisition to be modestly accretive to TransDigm's adjusted earnings per share within the first year of ownership.

The acquisition of Esterline expands TransDigm's platform of proprietary and sole source content for the aerospace and defense industries, including significant aftermarket exposure. Headquartered in Bellevue, Washington, Esterline is an industry leader in specialized manufacturing for these sectors with anticipated fiscal year 2018 revenue of approximately \$2.0 billion. The company consists of 28 business units organized across eight platforms to deliver specialty aerospace, defense and industrial products. The company employs over 12,500 employees in more than 50 operating locations throughout the world.
