Item 3.03. Material Modifications to Rights of Security Holders

On October 2, 2012, Alimera Sciences, Inc. (the “Company”) sold units consisting of an aggregate of 1,000,000 shares of its Series A Convertible Preferred Stock (“Series A Stock”) and warrants to purchase an additional 300,000 shares of Series A Stock (or such number of shares of the Company’s common stock (“Common Stock”) then issuable upon conversion of such shares of Series A Stock) in a private placement transaction (the “Series A Transaction”). As part of the Series A Transaction, the Company filed a Certificate of Designation of Series A Convertible Preferred Stock (the “Certificate of Designation”) with the Secretary of State of the State of Delaware setting forth the powers, preferences, rights, qualifications, limitations and restrictions applicable to the Series A Stock. The Certificate of Designation provides that for as long as Sofinnova Venture Partners VIII, L.P., together with its affiliates (“Sofinnova”), continues to hold at least 50% of the shares of Series A Stock originally issued to Sofinnova (or shares of Common Stock issued upon conversion thereof), the holders of Series A Stock, voting as single class, shall be entitled to elect, at any election of the Company’s Class II Directors, one individual to serve as a Class II Director (the “Series A Director”), who shall be designated by Sofinnova. The initial Series A Director, Garheng Kong, M.D., Ph.D. was appointed to the Company’s board of directors as of the closing of the Series A Transaction.

On May 16, 2014, the holders of the Company’s Series A Stock irrevocably waived the right of Sofinnova to designate the Series A Director. Dr. Kong will remain on the Company’s board of directors as a Class II Director. The Irrevocable Waiver of Right to Designate Series A Director is filed as Exhibit 4.11 to this Current Report on Form 8-K. The foregoing description of the Irrevocable Waiver of Right to Designate Series A Director does not purport to be complete and is qualified in its entirety by reference to such exhibit.
