Persons believe that the Issuer should take appropriate action to cause the discount to net asset value to be eliminated or substantially reduced. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels and/or discount to net asset value of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, seeking Board representation, making proposals concerning, among other thing, changes to the capitalization, ownership structure or operations of the Issuer or replacement of the Issuer's investment manager with an investment manager that is concerned with the discount to net asset value at which the Shares have been trading and that will take action to eliminate or reduce such discount, purchasing additional Shares, selling some or all of its Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing its intention with respect to any and all matters referred to in Item 4.

On December 4, 2009, Mr. David Massey submitted a shareholder proposal letter to the Issuer pursuant to SEC Rule 14a-8 requesting that the Issuer's Board of Directors take the necessary steps to declassify the Board of the Issuer and establish annual elections of directors whereby directors of the Issuer would be elected annually and not by classes.
