Yes No

President of Petrobras at La Paz meeting

(Rio de Janeiro, May 11, 2006). PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA, BCBA: APBR/APBRA], a Brazilian international energy company, announces that the Minister of Mines and Energy of Brazil, Silas Rondeau, the Minister of Hydrocarbons of Bolivia, Andres Soliz Rada, and the presidents of Petrobras, José Sergio Gabrielli de Azevedo and YPFB, Jorge Alvarado, met yesterday in La Paz in the spirit of the Puerto Iguazu Declaration, to discuss the issues arising from Decree, DS 28701 of May 1 2006.

The Minister of Mines and Energy of Brazil and the President of Petrobras reiterated their total respect for the sovereign decisions of the Bolivian government and people contained in DS 28701 and expressed their willingness to implement such decisions in accordance with appropriate regulations.

Within the framework of the complementary regulations, the parties agreed to hold meetings at a technical level for reaching a decision on the following aspects:

- Conditions for conducting business during the transition phase;
- Definition of conditions and contracts necessary for the production of gas and its commercialization; and the refining process, including mechanisms and forms of negotiated compensation;
- Preconditions for the signing of the production contracts.

Agreement was reached to establish a High Level Commission, made up of both ministers and the presidents of Petrobras and YPFB. At the same time, a technical commission is to be set up, subdivided into three working groups.

The parties further agreed that the proposal for revising natural gas prices should be discussed in a rational and equitable manner under the terms of the Puerto Iguazu Declaration and within the framework of the gas supply agreement (GSA).

The procedures established at the meeting reflect the interest of the parties in further enhancing the bilateral dialog.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
