Forward-Looking Statements

This Report on Economic and Financial Analysis contains forward-looking statements relating to our business. Such statements are based on management's current expectations, estimates and projections about future events and financial trends, which could affect our business. Words such as: "believes," "anticipates," "plans," "expects," "intends," "aims," "evaluates," "predicts," "foresees," "projects," "guidelines," "should" and similar expressions are intended to identify forward-looking statements. These statements, however, do not guarantee future performance and involve risks and uncertainties, which could be beyond our control. Furthermore, certain forward-looking statements are based on assumptions that, depending on future events, may prove to be inaccurate. Therefore, actual results may differ materially from the plans, objectives, expectations, projections and intentions expressed or implied in such statements.

Factors which could modify actual results include, among others, changes in regional, national and international commercial and economic conditions; inflation rates; increase in customer delinquency on the account of borrowers in loan operations, with the consequent increase in the allowance for loan losses; loss of funding capacity; loss of customers or revenues; our capacity to sustain and improve performance; changes in interest rates which could, among other events, adversely affect our margins; competition in the banking sector, financial services, credit card services, insurance, asset management and other related sectors; government regulations and fiscal matters; disputes or adverse legal proceedings or rulings; as well as credit risks and other loan and investment activity risks.

Accordingly, the reader should not rely excessively on these forward-looking statements. These statements are valid only as of the date they were prepared. Except as required under applicable legislation, we assume no obligation whatsoever to update these statements, whether as a result of new information, future events or for any other reason.

Few numbers of this Report were submitted to rounding adjustments.
Therefore, amounts indicated as total in certain charts may not correspond to the arithmetic
sum of figures preceding them.

Highlights

16. Payroll, plus charges and benefits, totaled R\$7.660 billion. Social benefits provided to the 104,100 employees of the Bradesco Organization and their dependents amounted to R\$1.840 billion, while investments in training and development programs totaled R\$100.219 million.

17. On August 30, the Organization inaugurated Bradesco Next – the bank of the future – a thoroughly modern space for the presentation and experimentation of new technologies, products and services.

18. On September 13, Bradesco was once again included in the Dow Jones Sustainability Index, a select NYSE trading list that includes only those companies with the best sustainable development practices.

19. Major Awards and Acknowledgments in the period:

- Bradesco was elected Company of the Year by the *Best of Dinheiro 2012* year book, as well as the Best Insurance Company, the Best Health Company and Best Human Resources Management Company (*IstoÉ Dinheiro* magazine, in association with KPMG, Trevisan and Economatica);
- For the second consecutive year, Bradesco is the most valuable brand Latin America (Latin America BrandFinance);
- Bradesco is the most innovative company in customer relations according to a survey conducted by the consultancy DOM Strategy Partners (*Consumidor Moderno* magazine);
- Bradesco is one of the 100 Best Companies to Work For in Brazil (*Época* magazine, evaluated by the Great Place to Work Institute);

- Bradesco was the only financial institution with a positive performance in the Stock Exchange in 2012 (*Valor Econômico* newspaper, data from BM&FBovespa and Economatica);

- For the sixth consecutive time, Grupo Bradesco Seguros ranked first in the Brazilian insurance company category (2012 *Valor 1000* list of *Valor Econômico* newspaper); and

- For the second consecutive year, Grupo Bradesco Seguros was the “Best and major insurance company in Latin America”, in the “Top 100 Insurers” ranking (*Latin Trademagazine*).

20. With regards to sustainability, Bradesco divides its actions into three pillars:

- (i) Sustainable Finances, focused on banking inclusion, social and environmental variables for loan approvals and product offering;
- (ii) Responsible Management, focused on valuing professionals, improving the workplace and adopting eco-efficient practices; and
- (iii) Social and Environmental Investments, focused on education, the environment, culture and sports. In this area, we point out Fundação Bradesco, which has a 55-year history of extensive social and educational work, with 40 schools in Brazil. In 2012, a projected budget of R\$385.473 million will benefit 111,170 students in its schools, in Basic Education (from Kindergarten to High School and Vocational Training - High School Level), Education for Youth and Adults; and Preliminary and Continuing Qualification focused on the creation of jobs and generation of income. The nearly 50 thousand students in Basic Education are guaranteed free, quality education, uniforms, school supplies, meals and medical and dental assistance. Fundação Bradesco also aided another 300,150 students

- Bradesco placed first in the financial segment “Stock Exchange’s Stars” ranking. The study analyzed the performance of all Brazilian companies’ shares listed on São Paulo Stock Exchange and indicated those that created more value to their shareholders (Boston Consulting Group); through its distance learning programs, found at its e-learning portal “Virtual School.” These students completed at least one of the many courses offered by the Virtual School. Furthermore, another 83,323 people will benefit from projects and actions in partnerships with Digital Inclusion Centers (CIDs), the *Educa+Ação* Program and Technology courses (*Educar e Aprender*– Teach and Learn).
