### **Notice to Shareholders**

Banco Bradesco S.A. hereby informs the market and its shareholders that, at an auction held at B3 S.A. – Brasil, Bolsa, Balcão (B3) on May 24, 2018, it sold all of the shares resulting from fractions of shares arising from the 10% bonus operation (1 new share, of the same type, for each 10 shares held), as approved at the Special Shareholders' Meeting held on March 12, 2018.

At the opportunity, a total of 16,118 common shares and 124,804 preferred shares were sold, all of which non-par, registered, book-entry shares.

The amounts to be paid to the holders of the fractions will be R\$28.189966497 per common share and R\$31.139995833 per preferred share, totaling R\$4,340,761.92.

The respective amounts will be available to the entitled shareholders, as of June 5, 2018, as follows:

- a) to shareholders whose shares are deposited at the Company and who keep their register and banking data updated, by means of credit in the current accounts in a Financial Institution appointed by them; and

b) to shareholders whose shares are deposited at B3, by means of Institutions and/or Brokerage Houses which keep their shareholding position in custody.

The shareholders who do not have their data updated must go to a Bradesco Branch of their preference, with their Individual Taxpayer's ID, Identification Document and proof of residence to update their information and receive the respective amounts to which they are entitled.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
