Item 1.01 Entry into a Material Definitive Agreement.

Hillenbrand Industries, Inc. and its Hill-Rom, Inc. and Hill-Rom Company, Inc. subsidiaries announced on November 16, 2005, that they have entered into an agreement in principle, in the form of a memorandum of understanding ("MOU"), with Spartanburg Regional Health Services District d/b/a Spartanburg Regional Healthcare System and the plaintiffs' attorneys involved in the Spartanburg antitrust class action litigation to settle the case for \$337.5 million. The proposed settlement also includes Hill-Rom's commitment to continue certain company initiated practices. The proposed settlement is subject to a number of conditions, including the negotiation of a definitive settlement agreement and final court approval of that agreement following notice to class members. When finalized, the settlement is expected to resolve all of the plaintiffs' claims and those of most U.S. purchasers or renters of Hill-Rom products from 1990 through the present. Hillenbrand and Hill-Rom believe the claims are without merit and continue to deny any and all allegations of wrongdoing. The proposed settlement is further described in the press release filed as Exhibit 99.1 to this Form 8-K and incorporated herein by reference. The MOU (without exhibits) is filed as Exhibit 99.2 to this Form 8-K and incorporated herein by reference.
