**Item 8.01 Other Events.**

On March 14, 2006, the registrant, Warp Technology Holdings, Inc. operating under the name Halo Technology Holdings ("Halo"), announced that it has entered into a definitive agreement with Unify Corporation ("Unify") whereby Halo will acquire Unify in a stock for stock merger transaction.

A copy of the joint press release issued by Halo and Unify on March 14, 2006 with regard to the transaction is attached hereto as Exhibit 99.14 and incorporated herein by reference. The information required by Item 1.01 will be filed in a separate Current Report on Form 8-K.

**Forward-Looking Statements Safe Harbor**

Certain statements contained in this current report regarding HALO's and Unify's future operating results or performance or business plans or prospects and any other statements not constituting historical fact are "forward-looking statements" subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995. Where possible, the words "believe," "expect," "anticipate," "intend," "should," "will," "planned," "estimated," "potential," "goal," "outlook," and similar expressions, as they relate to either company or their management, have been used to identify such forward-looking statements. All forward-looking statements reflect only current beliefs and assumptions with respect to future business plans, prospects, decisions and results, and are based on information currently available to the companies. Accordingly, the statements are subject to significant risks, uncertainties and contingencies which could cause the companies' actual operating results, performance or business plans or prospects to differ materially from those expressed in, or implied by, these statements. Such risks, uncertainties and contingencies include, but are not limited to, statements about the benefits of the merger, including future financial and operating results, HALO's plans, objectives, expectations and intentions and other statements that are not historical facts. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: (1) the risk of failure of Unify's stockholders to approve the merger; (2) the risk that the businesses will not be integrated successfully; (3) the risk that the cost savings and any revenue synergies from the merger may not be fully realized or may take longer to realize than expected; (4) the risk that HALO is unable to raise additional financing by the time that all other conditions to the completion of the merger have been satisfied; (5) the applicable disruption from the merger making it more difficult to maintain relationships with customers, employees or suppliers; and (6) general economic conditions and consumer sentiment in our markets. Additional factors that could cause the companies' results to differ materially from those described in the forward-looking statements are described in detail in HALO's Annual Report on Form 10-KSB for its fiscal year ended June 30, 2005, Unify's Form 10-KSB for its fiscal year ended April 30, 2005, and HALO's and Unify's other periodic and current reports filed with the Securities and Exchange Commission from time to time that are available on the SEC's internet Web site at <http://www.sec.gov>. Unless required by law, neither HALO nor Unify undertakes any obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.

**Additional Information and Where to Find It**

Unify and HALO Stockholders are urged to read the proxy statement/prospectus regarding the proposed Merger when it becomes available because it will contain important information. Stockholders and other investors will be able when it becomes available to obtain a free copy of the proxy statement/prospectus, and are able to obtain free copies of other filings and furnished materials containing information about HALO and Unify, at the SEC's internet Web site at <http://www.sec.gov>. Copies of the proxy statement/prospectus when it becomes available and any SEC filings incorporated by reference in the proxy statement/prospectus can also be obtained, without charge, by directing a request to HALO Technology Holdings, 200 Railroad Avenue, 3rd Floor, Greenwich, Connecticut 06830, telephone (203) 422-2950, Attention: Investor Relations, or Unify Corporation, 2101 Arena Blvd., Suite 100, Sacramento, California 95834, telephone (916) 928-6400, Attention: Investor Relations.

**Interests of Participants in the Solicitation of Proxies**

Each of HALO and Unify and their respective directors and executive officers may be deemed to be participants in the solicitation of proxies in respect of the proposed transaction. Information regarding HALO's directors and executive officers is available in its definitive proxy statement filed with the SEC by HALO under cover of Schedule 14A on October 7, 2005, and information regarding Unify's directors and executive officers is available in its definitive proxy statement filed with the SEC by Unify under cover of Schedule 14A on August 12, 2005. Copies of these documents can be obtained, without charge, by directing a request to HALO or Unify. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the proxy statement/prospectus and other relevant materials to be filed with the SEC when they become available.
