Underwriting Agreement

On November 24, 2014, Education Realty Operating Partnership, LP (the “Operating Partnership”) completed the public offering of \$250,000,000 aggregate principal amount of the Operating Partnership’s 4.60% Senior Notes due 2024 (the “Notes”), pursuant to an underwriting agreement, dated November 19, 2014 (the “Underwriting Agreement”), among Education Realty Trust, Inc. (the “Company”), the Operating Partnership and J.P. Morgan Securities, LLC, RBC Capital Markets LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and PNC Capital Markets LLC, as representatives of the several underwriters named therein (the “Underwriters”). The Notes are fully and unconditionally guaranteed by the Company.

The net proceeds of the offering of the Notes were approximately \$247 million, after deducting the underwriting discount and offering expenses payable by the the Operating Partnership. The Operating Partnership intends to use the net proceeds from the offering to prepay approximately \$69 million of mortgage debt (including approximately \$3 million in prepayment penalties and other fees). The Operating Partnership expects to use the remaining net proceeds to pay down the outstanding balance of its unsecured revolving credit facility and for general corporate purposes.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company and the Operating Partnership, customary conditions to closing, other obligations of the parties and termination provisions. Additionally, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the “Securities Act”), or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The foregoing description is a summary of the Underwriting Agreement and does not purport to be a complete statement of the parties’ rights and obligations thereunder. The foregoing description is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

The offering of the Notes was made pursuant to a shelf registration statement on Form S-3 (File Nos. 333-199988 and 333-199988-01)(the “Registration Statement”), which became effective upon filing with the Securities and Exchange Commission (the “SEC”) on November 7, 2014. A prospectus supplement, dated November 19, 2014, relating to the Notes and supplementing the Prospectus was filed with the SEC pursuant to Rule 424(b)(2) under the Securities Act. The legal opinions of Venable LLP and Morrison & Foerster LLP related to the offering of the Notes pursuant to the Registration Statement are filed as Exhibits 5.1 and 5.2, respectively, to this Current Report on Form 8-K.

First Supplemental Indenture

The Operating Partnership issued the Notes pursuant to an indenture, dated November 7, 2014 (the “Base Indenture”), as amended and supplemented with respect to the Notes by the first supplemental indenture, dated November 24, 2014 (the “First Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), in each case by and among the Operating Partnership, the Company, as guarantor, and U.S. Bank National Association, as trustee (the “Trustee”).

The Notes bear interest at a rate of 4.60% per year on the principal amount of the Notes, payable semi-annually in arrears on June 1 and December 1 of each year, beginning on June 1, 2015. The Notes will mature on December 1, 2024.

The Indenture contains certain covenants that restrict the ability of the Company, the Operating Partnership and their subsidiaries to incur additional secured and unsecured indebtedness. The Operating Partnership may, from time to time, without notice to or the consent of the holders of the Notes, increase the principal amount of this series of Notes under the Indenture and issue such additional debt securities, in which case any additional debt securities so issued will have the same form and terms (other than the date of issuance and, under certain circumstances, the date from which interest thereon will begin to accrue), and will carry the same right to receive accrued and unpaid interest, as the Notes, and such additional debt securities will form a single series with the Notes.

The Operating Partnership, may, at its option, redeem the Notes, in whole at any time or in part from time to time, in each case prior to September 1, 2024 (three months prior to the stated maturity date of the Notes), at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed or (2) the sum of the present values of the remaining scheduled payments of principal of and interest on the Notes to be redeemed that would be due after the related redemption date but for such redemption (for the avoidance of doubt, exclusive of any unpaid interest accrued thereon to, but not including, such redemption date), discounted to such redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as such term is defined in the Indenture) plus 35 basis points, plus in each case unpaid interest, if any, accrued to, but not including, such redemption date. In addition, at any time on or after September 1, 2024 (three months prior to the stated maturity date of the Notes), the Operating Partnership may, at its option, redeem the Notes, in whole at any time or in part (in authorized denominations) from time to time, at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus unpaid interest, if any, accrued to, but not including, the related redemption date

A copy of the Base Indenture is incorporated herein by reference to the Company’s Current Report on Form 8-K dated November 7, 2014. A copy of the First Supplemental Indenture is attached as Exhibit 4.1, to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing description is a summary of the Indenture and does not purport to be a complete statement of the parties’ rights and obligations thereunder.
