- D. This notice of acquisition is being sent within five months of the date on which the Original Offer was made.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The Offer is made for the securities of a Canadian issuer and the Offer is subject to Canadian disclosure requirements. The Offer is made by a Canadian issuer that is permitted, under a multijurisdictional disclosure system adopted by the United States, to prepare this Notice of Compulsory Acquisition in accordance with the disclosure requirements in Canada. Shareholders should be aware that such disclosure requirements are different from those of the United States.

Shareholders should be aware that the disposition of Common Shares pursuant to the Offer may have tax consequences both in the United States and Canada. See “Canadian Federal Income Tax Considerations” in Section 18 of the Circular in Eldorado’s bid circular dated May 9, 2008 (the “Bid Circular”) and “Certain United States Federal Income Tax Considerations” in Section 19 of the Circular in the Bid Circular.

The enforcement of civil liabilities under the United States federal securities laws may be affected adversely by the fact that Eldorado is amalgamated under the laws of Canada, that some or all of its officers and directors may be residents of Canada, that the Dealer Manager named in the Offer or Circular may be a resident of Canada, and that all or a substantial portion of the assets of Eldorado and of said persons may be located outside the United States. The enforcement by shareholders of civil liabilities under the United States federal securities laws may also be affected adversely by the fact that Frontier is incorporated under the laws of the Province of British Columbia and that some or all of its officers and directors may be residents of Canada.

Shareholders should be aware that, during the period of the Offer, Eldorado or its affiliates, directly or indirectly, may bid for or make purchases of the securities to be distributed or to be exchanged, or certain related securities, as permitted by applicable laws or regulations of Canada or its provinces or territories.

PART II

INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

INDEMNIFICATION

Under the *Canada Business Corporations Act*, the Registrant may indemnify a director or officer of the Registrant, a former director or officer of the Registrant or another individual who acts or acted at the Registrant's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the Registrant or other entity and provided that the director, officer or other individual acted honestly and in good faith with a view to the best interest of the Registrant, or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Registrant's request and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that his conduct was lawful. Such indemnification may be made in connection with a derivative action only with court approval. A director, officer or other individual referred to above is entitled to indemnification from the Registrant as a matter of right if he was not judged by the court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done and fulfilled the conditions set forth above.

In accordance with the *Canada Business Corporations Act*, the Registrant has entered indemnification agreements under which it has agreed to indemnify its directors and certain officers in the manner outlined above.

A policy of directors' and officers' liability insurance is maintained by the Registrant which insures directors and officers for losses as a result of claims against the directors and officers of the Registrant in their capacity as directors and officers and also reimburses the Registrant for payments made pursuant to the indemnity provisions under the Registrant's By-Laws and the *Canada Business Corporations Act*.

Insofar as indemnification for liabilities under the Securities Act of 1933, as amended (the "Securities Act"), may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the United States Securities and Exchange Commission such indemnification is against public policy in the United States as expressed in the Securities Act and is therefore unenforceable.
