INFORMATION CONTAINED IN THIS FORM 6-K REPORT

Attached as Exhibit 1 is a copy of the press release of Star Bulk Carriers Corp. (the Company) dated June 25, 2009, declaring dividend of \$0.05 per share for the quarter ending June 30, 2009.

**STAR BULK CARRIERS CORP. DECLARES DIVIDEND OF \$0.05 PER SHARE FOR THE QUARTER
ENDING JUNE 30, 2009**

Athens, Greece, June 25, 2009 **Star Bulk Carriers Corp.** (the Company or Star Bulk) (NASDAQ: **SBLK**) today announced that its Board of Directors declared a cash dividend of \$0.05 per outstanding share of the Company's common stock for the three months ending June 30, 2009. The dividend is payable on or about July 14, 2009 to shareholders of record as of July 7, 2009. The Company received written consent from each of its lenders for the declaration and payment of this dividend in respect of the second quarter of 2009.

Under the terms of the Company's waiver agreements with its lenders, in effect up to February 2010, any payment of dividends during the applicable waiver period is subject to the lenders' prior written consent. The Company will be required to obtain further consent of its lenders in order to pay dividends in respect of the quarters ending September 30 and December 31, 2009.

Akis Tsirigakis, President and CEO of Star Bulk, commented: "We are pleased to be able to implement our long-standing principle of rewarding our investors through the distribution of dividends. We are also pleased to have our lenders' vote of confidence, evidenced by their consent to the distribution of dividend. Currently, our fleet is contracted for 100% of 2009, 71% of 2010 and 42% of 2011, which provides long-term earnings visibility. We continue to focus on enhancing shareholder value supported by our strong balance sheet and liquidity."

About Star Bulk

Star Bulk is a global shipping company providing worldwide seaborne transportation solutions in the dry bulk sector. Star Bulk's vessels transport major bulks, which include iron ore, coal and grain and minor bulks such as bauxite, fertilizers and steel products. headquartered in Athens, Greece. Its common stock and warrants trade on the Nasdaq Global Market under the symbols SBLK and SBLKW respectively. Currently, Star Bulk has an operating fleet of twelve dry bulk carriers. The total fleet consists of four Capesize, and eight Supramax dry bulk vessels with an average age of approximately 10.1 years and a combined cargo carrying capacity of 1,106,253 deadweight tons.

Forward-Looking Statements

The information in this press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, statements regarding: (1) the delivery and operation of assets of Star Bulk; (2) Star Bulk's future operating or financial results; (3) future, pending or recent acquisitions, business strategy, areas of possible expansion, and expected capital spending or operating expenses; (4) drybulk market trends, including charter rates and factors affecting vessel supply and demand; and (5) other statements identified by words such as anticipate, believe, plan, estimate, expect, intend, words of similar meaning.

Such forward-looking statements are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, Star Bulk's examination of historical operating trends, data contained in their records and other data available from third parties. Although Star Bulk believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond its control, Star Bulk cannot assure you that Star Bulk will achieve or accomplish these expectations, beliefs or projections. Important factors that could cause actual results to differ materially from those discussed in the forward-looking statements include the failure of a seller to deliver one or more vessels, the strength of world economies and currencies, general market conditions, including changes in charterhire rates and vessel values, changes in demand that may affect attitudes of time charterers to scheduled and unscheduled drydocking, changes in Star Bulk's operating expenses, including bunker prices, dry-docking and insurance costs, or actions taken by regulatory authorities, potential liability from pending or future litigation, domestic and international political conditions, potential disruption of shipping routes due to accidents and political events or acts by terrorists. Additional factors that could cause Star Bulk's results to differ materially from those described in the forward-looking statements can be found in Star Bulk's Registration Statement on Form F-1/F-4, Annual Reports on Forms 20-F for the years ended December 31, 2007 and 2008, in Registration Statement on Form F-3 filled in September 2008 and its amendments, in Registration Statement on Form F-3 filled in January 2009 and its amendments, and reports on Form 6-K filed with the Securities and Exchange Commission (the SEC) and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and Star Bulk disclaims any intention or obligation to update any forward-looking statements as a result of developments occurring after the date of this communication.
