Item 1.01 Entry into a Material Definitive Agreement.

On April 29, 2015, Express Scripts Holding Company (the “Company”) entered into an agreement (the “ASR Agreement”) with Morgan Stanley & Co. LLC (the “Counterparty”) to purchase shares of its common stock for an initial payment of \$5.5 billion (the “Prepayment Amount”).

Under the terms of the ASR Agreement, on April 30, 2015, the Company paid the Prepayment Amount to the Counterparty and received on the same day an initial delivery of approximately 55.1 million shares of the Company’s common stock, which is approximately 85% of the total number of shares of the Company’s common stock expected to be repurchased under the ASR Agreement based on the closing price of the Company’s common stock on April 29, 2015. The final number of shares to be repurchased will be based on the average of the daily volume-weighted average prices of the Company’s common stock during the term of the transaction, less a discount and subject to adjustments pursuant to the terms and conditions of the ASR Agreement (including a cap on the price paid per share by the Company in the event of a substantial increase in the volume-weighted average price of the Company’s common stock during the term of the transaction). At settlement, under certain circumstances, the Counterparty may be required to deliver additional shares of common stock to the Company, or under certain circumstances, the Company may be required to deliver shares of common stock or to make a cash payment, at its election, to the Counterparty. The final settlement of the transaction under the ASR Agreement is expected to occur by the end of the second quarter of 2016 but may be accelerated at the option of the Counterparty to a date as early as the first quarter of 2016.

The foregoing description of the ASR Agreement is qualified in its entirety by reference to the ASR Agreement, which is filed herewith as Exhibit 10.1 and is incorporated by reference herein.
