H Partners Management, LLC, together with the other participants named herein, has made a preliminary filing with the Securities and Exchange Commission of a proxy statement and an accompanying BLUE proxy card to be used to solicit votes against the election of certain director candidates nominated by Tempur Sealy International, Inc. (the “Company”) for election at the Company’s 2015 annual meeting of stockholders.

On March 23, 2015, H Partners Management, LLC issued the following press release:

H PARTNERS URGES TEMPUR SEALY SHAREHOLDERS TO HOLD CEO AND BOARD ACCOUNTABLE
FOR SIGNIFICANT
UNDERPERFORMANCE BY VOTING AGAINST THREE DIRECTORS AT UPCOMING ANNUAL MEETING

Filed Preliminary Proxy Materials Seeking Shareholder Support to Compel the Resignations of CEO Mark Sarvary,
Chairman P. Andrews McLane and Christopher A. Masto and to Send a Clear Message that the CEO Must Be
Replaced and the Board Must Be Reconstituted Immediately

New York – March 23, 2015 – H Partners Management, LLC (“H Partners”), the largest shareholder of Tempur Sealy International, Inc. (NYSE: TPX) with a 10% stake, filed preliminary proxy materials with the United States Securities and Exchange Commission. The preliminary proxy materials urge Tempur Sealy shareholders to use the BLUE proxy card to vote “AGAINST” the re-election of three directors to the Tempur Sealy Board of Directors at the 2015 Annual Meeting of Shareholders to be held on May 8, 2015.

The three directors H Partners is urging shareholders to vote “AGAINST” are:

- Mark Sarvary, President and Chief Executive Officer of Tempur Sealy
- P. Andrews McLane, Chairman of the Board
- Christopher A. Masto, Chairman of the Nominating and Corporate Governance Committee

“Tempur Sealy has underperformed significantly under CEO Mark Sarvary, and the Board has refused to hold him accountable,” said Usman Nabi of H Partners. “Our campaign will act as a referendum on the Board’s many failures as fiduciaries and will act as a platform for shareholders to send a clear message that the CEO must be replaced and the Board must be reconstituted.”

In its preliminary proxy statement, H Partners states that Mr. Sarvary has caused Tempur Sealy to underperform its self-selected peer group by 140% in the past three years and by 175% in the past five years due to his repeated execution errors and his failure to meet his own short and long-term earnings targets. During this time, employees of former private equity owners TA Associates, Inc. and Friedman Fleischer & Lowe, LLC have occupied leadership positions on the Board and have refused to hold Mr. Sarvary accountable for his underperformance.

Per Tempur Sealy’s Bylaws, a director who receives a greater number of votes “AGAINST” his or her election than votes “for” his or her election must promptly tender his or her resignation to the Board. The Company’s director resignation policy allows shareholders to compel the resignations of Directors Sarvary, McLane and Masto for failing to serve shareholder interests.

Mr. Nabi continued, “Tempur Sealy possesses all the components of a successful company – industry-leading products and technologies, highly recognizable brands, and dedicated employees. We strongly believe Tempur Sealy can achieve its full potential under a new CEO and a reconstituted Board.”
