Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

As previously disclosed, on June 18, 2015, the Company received notice from The NASDAQ Stock Market (“Nasdaq”) that, because the closing bid price for the Company’s common stock had fallen below \$1.00 per share for 30 consecutive business days, the Company no longer complied with the minimum bid price requirement for continued listing on the Nasdaq Capital Market.

Pursuant to Nasdaq Marketplace Rule 5810(c)(3)(A), the Company was provided an initial compliance period of 180 calendar days, or until December 15, 2015, to regain compliance with the minimum bid price requirement. To regain compliance, the closing bid price of the Company’s common stock had to meet or exceed \$1.00 per share for a minimum of 10 consecutive business days prior to December 15, 2015.

On December 16, 2015, the Company received notice from Nasdaq stating that because the Company had not regained compliance with the minimum bid price requirement for continued listing, the Company's common stock would be subject to delisting unless the Company requested a hearing before a Nasdaq Hearings Panel (the "Panel").

The Company has requested a hearing before the Panel, which stays any delisting action in connection with the notice and allows the continued listing of the Company's common stock on The Nasdaq Capital Market until the Panel renders a decision subsequent to the hearing. The hearing has been scheduled for February 11, 2016. At the hearing, the Panel will consider the Company’s pending non-compliance with (i) the minimum bid price requirement and also (ii) the \$35 market value of listed securities requirement.

At the hearing, the Company intends to present a plan to regain compliance with all both listing rules and request that the Panel allow the Company additional time within which to regain compliance.

While the Company believes that it will be able to present a viable plan to regain compliance, there can be no assurance that the Panel will grant the Company's request for continued listing on The Nasdaq Capital Market, or that the Company's plans to exercise diligent efforts to maintain the listing of its common stock on Nasdaq will be successful.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 15, 2015, the Company's board of directors adopted a resolution amending Section 2.5 of the Company's Bylaws in order to allow the chairman of a stockholder meeting (in addition to those stockholders present in person or represented by proxy) to vote to adjourn a stockholder meeting if a quorum is not present or represented at such stockholder meeting. The Bylaws previously had provided that only the stockholders could vote for an adjournment under such circumstances. A copy of the Bylaw amendment is filed as an exhibit hereto.

Item 5.07. Submission of Matters to a Vote of Security Holders.

The Company held a Special Meeting of Stockholders (“Special Meeting”) on December 18, 2015. The Special Meeting was originally scheduled for December 15, 2015, but was adjourned to December 18, 2015 due to a lack of quorum. At the Special Meeting, the stockholders approved Proposals 1, 2, 3, and 4, but did not approve Proposal 5. The matters voted upon at the Special Meeting and the results of such voting are further described below.
